The following Report of the Committee was adopted:—

The Permanent Committee on Commissions would respectfully report, that Rev. R. W. Lewis and Ruling Elder R. J.

Parnell have presented themselves from a Presbytery named the Presbytery of West Tennessee, in the Synod of Tennessee, formed by the union of the Presbyteries of Hopewell-Madison and Obion-Memphis. As this is a new Presbytery, it is essential that the Assembly should be certified that in its erection the provisions of the Constitution have been complied with. The Assembly of 1822 emphasized the importance of such compliance in the following language: "Commissioners from newly formed Presbyteries shall, before taking their seats as members of this body, produce satisfactory evidence that the Presbyteries to which they belong have been regularly organized according to the Constitution of the Church" (*Minutes*, 1822, p. 48). The reports and papers sent to the Stated Clerk of the Assembly show that in the union of the aforesaid Presbyteries and the erection of the Presbytery of West Tennessee, the Synod of Tennessee disregarded an important requirement of the Constitution of the Church, in that it proceeded throughout, without the consent and approval of the General Assembly. Chapter XI, Section iv, of the Form of Government, as amended in 1910, says: "Synods have power to erect new Presbyteries and unite or divide those which were before erected, subject to the approval of the General Assembly." As this explicit requirement has not been met by the Synod of Tennessee, the Presbytery of West Tennessee evidently has not been "organized in accordance with the Constitution of the Church," and appears not entitled to representation in the General Assembly.

An additional fact which should be called to the attention of the Assembly is, that the Synod of West Tennessee delegated to its Executive Commission power to unite the Presbyteries aforesaid, and to organize the Presbytery of West Tennessee, and that said union and organization were effected, not by the Synod, but by its Executive Commission. That there are limits to the powers that can or ought to be delegated to Executive Commissions was declared by the Assembly of 1911, which, in answer to an overture from the Synod of Pennsylvania, said: "Presbytery cannot delegate the licensure and ordination of candidates for the ministry to a Commission, and Chapter X, Section 7, of the Form of Government is not to be construed as authorizing the exercise of these powers by an Executive Commission" (*Minutes*, 1911, p. 220). And the Assembly of 1912, in reference to the powers of the Executive Commissions of Presbyteries, made the following declaration: "The General Assembly, while recognizing the desirability and necessity, in special instances, of a Presbytery's granting power to its Executive Commission to act in its behalf, calls upon the Presbyteries to exercise great care in granting such powers to an Executive Commission" (*Minutes*, p. 169). It is a question worthy of serious consideration, therefore, whether the power to perform an act so grave in importance, and so distinctively legislative in its nature, as the union of Presbyteries and the erection of new Presbyteries, can or ought to be delegated to an Executive Commission. And this is a question which can only be answered by a deliverance of the Assembly.

In view, therefore, of the aforesaid facts and the importance of the questions involved, your Committee recommends that the whole matter be referred to the Standing Committee on Polity for examination and report.

Respectfully submitted,
W. B. NOBLE, *Chairman.*

The following supplemental Report in the West Tennessee case was presented and adopted: Notwithstanding the irregularities in the case, including others which might be mentioned, viz., that the Synod of Tennessee has made no report to the Assembly of the erection of the Presbytery of West Tennessee, that the Commissioners appear without commissions (though known to us to have been elected), etc., yet, in view of the newness of the case and the want of familiarity with Presbyterian law on the part of those concerned, we recommend that these Commissioners be seated as members of this Assembly, subject to and conditional upon the action of the Assembly upon the Report of the Committee on Polity.

Rev. Thomas Verner Moore, D.D., was appointed to bear the fraternal greetings of the Assembly to-morrow morning to the General Assembly of the Presbyterian Church in the United States.

It was ordered that the Assembly adjourn at 3.50 o'clock P.M. to-day to take part in the Union Communion Service.

The Special Committee on Evangelistic Work, through its Chairman, Mr. Charles L. Huston, presented its Report, which, after addresses by Rev. George Gordon Mahy, Secretary of the Committee, Rev. W. O. Carrier, D.D., President of Carroll College, and Rev. John R. Davies, D.D., was adopted. It is as follows:

The Committee on Evangelistic Work respectfully reports as follows:

Shortly after its appointment by the One Hundred and Twenty-third General Assembly your Committee decided upon a policy for its future work, the features of which it believed to be in full accord with the resolution under which the Committee was first appointed by the General Assembly in 1901. The work begun under this policy was so cordially approved by the last General Assembly that your Committee was encouraged to continue it for the past year also. The considerations which led to the adoption of this policy may be stated as follows:

(1) That upon the pastors and Sessions, and after that upon the Presbyteries, rests the ultimate responsibility for promoting the spiritual life and the evangelistic efficiency of all the churches.

(2) That this involves adequate provision on the part of Presbyteries for such a supervision as will promote the spiritual life of the churches and maintain a true evangelistic spirit among them.

(3) That inasmuch as at present many Presbyteries are without such supervision, and have invited the coöperation of your Committee, it should do everything in its power to assist them to enlist their local forces and develop their own resources for the support of evangelistic work in their fields.

(4) That the Committee does not consider it to be within its province to secure money for the purpose of making grants to Presbyteries or Synods for the support of evangelistic work among them or to employ evangelists for the conduct of such work for the churches under its immediate direction.

(5) That in brief it is the duty of the Committee to stimulate the Church to undertake its own evangelistic work by direct appeal to the churches, Presbyteries and Synods, rather than that the Committee itself should act as an administrative evangelistic agency, and that the amount of the Committee's budget shall be determined by a consideration of what is needed to enable it to effectively carry out such a policy.

It was with this policy in mind that your Committee asked for, and received from the One Hundred and Twenty-fourth General Assembly the following commission:

(1) To do all in its power to deepen the evangelistic spirit in the individual churches.

(2) By correspondence, conference and coöperation with Synodical and Presbyterial committees, and by conducting carefully planned evangelistic institutes, to bring to the whole Church the best evangelistic experience of any successful portion of the Church.

(3) To aid existing Synodical and Presbyterial evangelistic committees in their present effort to develop a definite and continuous programme of evangelism in the fields under their supervision.

(4) To send strong speakers with the evangelistic message to our Presbyterian colleges, coöperating in this with the Board of Education.

(5) To coöperate with other denominations in any general programme of evangelistic effort which may commend itself to the Committee.

And, in order that your Committee might have the necessary support in carrying out these instructions, the Assembly urged the churches, Presbyteries, and faculties of our Presbyterian colleges to coöperate fully with the Committee in its work.

Upon its appointment by the last General Assembly, the Committee held a meeting in Louisville, and with its new commission before it, mapped out a plan of work for the year, which, we are happy to say, has been carried out in its essential features. At this meeting it seemed clear to the Committee that while it was directed to encourage and coöperate with other denominations in any programme of general evangelistic work which might commend itself, nevertheless, the principal obligation conveyed by the instructions of the General Assembly seemed to be that of carrying out such a program of work as would most surely increase the evangelistic efficiency of our own Church. The Committee determined, therefore:

(1) To coöperate with the Presbyterial committees in bringing about a more effective supervision of the evangelistic work of the churches within their fields.

(2) To call attention to the need for an earnest pastoral evangelism as the surest means of bringing about a widespread revival in the Church.

(3) To make careful provision for presenting the evangelistic message to the students in our Presbyterian colleges, and in coöperation with the Board of Education seek to ascertain how it might improve upon the work of past years.

I. COÖPERATION WITH PRESBYTERIAL COMMITTEES.—The Corresponding Secretary was instructed by the Committee to urge Presbyterial committees, (1) To prepare for the fall meetings of Presbyteries reports which would contain full information as to the evangelistic needs of all the churches, and definite recommendations as to methods of work which the Committees had determined to carry on; (2) that they should do all in their power to carry out every recommendation contained in their reports and approved by the Presbyteries.

In order that the Presbyterial committees might be assisted in carrying out these suggestions, arrangements were made for the conduct of conferences on "Pastoral and Presbyterial Evangelism," and of institutes designed to bring practical information to the chairmen and members of evangelistic committees. As soon as this plan was announced, requests for such conferences came from all parts of the Church, and to these your Committee has responded as far as its funds and forces would permit.

In the execution of this plan, eighty-three conferences and institutes have been held under the immediate direction of your Committee or in accordance with its suggestions. Six of these were held in connection with meetings of Synods; seventy-four within the bounds of Presbyteries; and three institutes for the chairmen and members of Presbyterial committees, these last being held in Buffalo, Minneapolis and St. Louis. Fifty-three conferences were conducted by some member of your Committee or by the Corresponding Secretary. A careful estimate of the attendance at these gatherings indicates that there were present not less than three thousand two hundred ministers and elders, and that these men officially represented Presbyteries or Synods in which there are five thousand three hundred and fifty-six churches.

Notwithstanding the frequently expressed opinion that too many conferences of a sort are being held, your Committee feels that its conferences are not of that sort, and that the surest way in which it can bring to the heart and conscience of the Church the call of the General Assembly "to a more definite and consecrated evangelism," is to continue this policy of bringing together small groups of evangelistic leaders from the Presbyteries for a careful study of the conditions in their fields, and of the things which they can actually begin to do for the improvement of these conditions.

As an appendix to this report, there is published, with other documents, statements from ministers and elders who are honored among us, which express their appreciation of the practical value of these gatherings to themselves and to the Church. Out of this work there has grown: (1) A new sense of responsibility on the part of members of Presbyterial evangelistic committees, (2) a clearer conception of the nature and extent of the service which they are expected to render to the churches in the name of Presbytery, (3) broader plans and a greater measure of activity on their part, (4) the beginnings of a new literature on "Pastoral and Presbyterial Evangelism," based not on theory, but upon the inner life and experience of the efficient pastors who have given time and energy to the executive and teaching work required by these gatherings.

An indication of the readiness of the Presbyteries to coöperate with the Assembly's Committee is found in the fact that the number of Presbyteries reporting to the Committee the appointment of special or standing committees on evangelistic work has increased from one hundred and twenty, reported in 1911, and one hundred and eighty-one, reported in 1912, to two hundred and twenty-nine at the present time.

Of still greater significance is the fact that while two years ago only thirty-nine of these committees were able to report that they had developed a definite plan of Presbyterial evangelistic work, last fall one hundred and thirty-five committees were able to present to their Presbyteries plans of a very definite nature and to carry on a work of real value to many of the churches in their fields.

II. EMPHASIZING THE NEED FOR AN EARNEST PASTORAL EVANGELISM.—The necessity for a united and insistent pastoral evangelism, in addition to a definite Presbyterial supervision, was emphasized in all of the conferences above referred to, so that out of them there came not only clearer conceptions of Presbyterial responsibility, but also a more earnest determination on the part of individual pastors and elders to hold their own churches true to their evangelistic mission. Not only were the men who attended these gatherings inspired to greater earnestness in soul-winning, but upon their return to their homes they were able to communicate their enthusiasm and knowledge to their fellow pastors in Presbyterial and local ministerial meetings.

In a greater measure, however, your Committee was able to assist the local pastors through an increasingly large and cordial correspondence and the circulation of published reports of the papers and discussions which, in a measure, reproduced the atmosphere of the Conferences, and brought to the attention of pastors and sessions throughout the whole Church a review of their teaching and a reflection of the inspiring vision which came to the men who were in attendance.

III. EVANGELISTIC WORK AMONG THE COLLEGES.—Your Committee first inaugurated its work of College Visitation in the year 1907 by employing a special representative for this purpose, and has ever since regarded this work both as a serious responsibility and a great privilege.

Three years ago the Committee, under the direction of the General Assembly, entered into a joint arrangement with the Board of Education for the simultaneous conduct of Evangelistic and Vocational Campaigns, and instead of employing a special representative to give all of his time to this matter, arranged, in coöperation with the Board, to secure for this work the voluntary coöperation of active pastors of our Church. During the past year fifty-four colleges were visited by fifty representatives, who served without remuneration, gladly giving their time and energy to this arduous task. The contribution of time by these representatives amounted to one hundred and seventy-six days. They held two hundred and fifty-three evangelistic meetings, in addition to hundreds of group conferences and personal interviews, so that each one of these days was filled with service from early in the morning until late at night. One of the reported evangelistic results of these meetings is the professed conversion of two hundred and thirty-nine students.

The cordial coöperation of the two agencies jointly charged with responsibility for this work has made it increasingly efficient from year to year, yet it has seemed to your Committee that the comparatively small evangelistic results reported from some of the colleges indicates the need for making a deeper impression upon the student body than has been possible in the limited amount of time which our representatives have been able to give to this work.

With this in mind, your Committee decided that in addition to its share of the responsibility for securing and commissioning speakers and providing for their expenses, it would also send its Secretary, in company with the Secretary of the Board of Education, to carry on joint Evangelistic and Vocational Campaigns in a number of colleges in order that we might discover to what extent the coöperation of the faculty and Christian students could be secured and what response to the evangelistic appeal might reasonably be expected from the students.

Accordingly our Secretary spent the latter part of January and the greater part of February, in this work visiting Lafayette, Hanover, Coe, Carroll and Macalester Colleges. In every college visited by the Secretaries there was a hearty coöperation on the part of the faculty and the Christian students. A genuine spirit of revival was evident, and in some of the institutions practically every unsaved student was led to an acceptance of Jesus Christ.

The faculty of Macalester College, at its meeting on March 28, 1913, passed a resolution in which it is stated that never before had the attendance of teachers and students, on a series of evangelistic services, been more gratifying.

The president of Carroll College writes:

"It has been a week of good, old-fashioned revival. I think nearly all our students were reached by these meetings. It has been a gracious work and one of great blessing to the school, and one that the Evangelistic Committee will do well to pursue in as many colleges as possible."

The dean of the faculty of Coe College says:

"The evangelistic messages were simple, searching presentations of the fundamentals of our Christian faith and life.

We sincerely hope that this visit may be only the first of a long series of visits. If such a work could be done in each year in all of our colleges, their efficiency for the Master's work would, in my estimation, be increased very greatly."

The president of Hanover College says:

"I am sure that the members of the Assembly's Committee would have been delighted if they had been in the meetings here and witnessed the response to the evangelistic appeal. This work which the Committee is doing is a splendid thing, and I trust that provision will be made to give more time in the future to college visitation."

The cordial coöperation of the faculties in the majority of the institutions visited during the year, the earnest spirit of the Christian students, and the ready response made to the right sort of an evangelistic appeal on the part of non-Christian students lead your Committee to the conclusion that if the Assembly approves it must make a larger provision than in former years for the conduct of this work.

IV. World-wide Work.—The following report of the Committee on Coöperation with other Presbyterian and Reformed Churches throughout the world, with the accompanying resolution, as prepared by the Chairman, Rev. William H. Roberts, D.D., is presented herewith:

Rev. J. Wilbur Chapman, D.D., who was appointed by the Assemblies of 1911 and 1912 as representative-at-large of the Committee on Evangelistic Work, and who is also the director of the World's Evangelistic Movement of the Pan-Presbyterian Alliance, has completed a two years' evangelistic campaign in Australasia. In letters addressed to the Chairman of the Committee on Coöperation with other Presbyterian and Reformed Churches, the Secretary of the Australasian Council states that "There has been a real spiritual awakening as the outcome of the campaign, and that the work of the evangelists is going to tell largely on the future life of the Australasian commonwealth." He adds: "The young life of the Church has been deeply stirred and there is going to be a marked increase in the number of preachers and missionaries for many years as a direct result of Dr. Chapman's call to the young men and women to dedicate their lives for home and foreign service." This letter expresses gratitude to your Committee, stating that "without its aid and endorsement this great spiritual enterprise throughout Australasia would not have been practicable."

This campaign included not only Australia, but New Zealand as well, and the work in the latter country has been as successful as in Australia. The following quotation from an address delivered by the Rev. R. E. Davies, M.A., Moderator of the Presbytery of Dunedin, New Zealand, indicates the spirit in which Dr. Chapman and his associates were welcomed to New Zealand: "There is danger, I think, in a Church such as ours of provincialism when we are not in touch with the outside world. We realize that this visit brings us into closer contact with the work which the whole Church is doing. We feel that we are not working in isolation; that we are part of a great army. Then, too, there is a peculiar interest to us Presbyterians in this visit because we realize the position that the Presbyterian Church holds in the United States of America. We are conscious of the high influence it exercises upon the political and social life of America, and we are proud to be associated—if only for a time—with those who have been so prominent in the work of that great country."

Word was received on April 7 from Scotland, that arrangements had been completed for Interdenominational Evangelistic Services next October, in the city of Glasgow, under the direction of Committees of the Church of Scotland and other Churches. The Committee is also informed that an evangelistic conference has been arranged for at the Tenth Council of the Reformed Churches throughout the World holding the Presbyterian System, meeting at Aberdeen, Scotland, on June 19, 1913. At this conference representatives will be present from the Church of Scotland, United Free Church of Scotland, the Presbyterian Church of England, the Presbyterian Church of Ireland, the Calvinistic Methodist Church of Wales, and the Reformed Churches of the Continent of Europe. It is hoped that the Committee of this General Assembly, and the Committees of other American Churches will likewise be present through their representatives.

In closing it would be of interest to remind the Assembly of the fact that D. L. Moody, the great evangelist of the 19th century, more than once expressed the hope that the Presbyterian Churches of the world would be federated in a world movement for the revival of spiritual religion and for the salvation of souls. Let there be throughout the Church united prayer for God's blessing upon the work which is being carried on and which is yet to be undertaken for the realization of such a hope. In this connection the following resolutions are offered for adoption:

Resolved, 1. That the General Assembly rejoices to learn of the success which has attended, under the blessing of God, the Chapman-Alexander Mission in Australia and New Zealand,

and heartily reciprocates the fraternal greetings of the Churches of these countries.

Resolved, 2. That this General Assembly expresses its deep gratification at the spread of the evangelistic spirit through the Churches of many lands, and commends to the congregations under its care united prayer for the manifestation of the power of the Holy Ghost unto a world-wide revival of religion.

V. FINANCE.—Your Committee is happy to say that its expenses for the year have been met without difficulty. The members of the Committee themselves have been generous contributors, and other friends have aided in this work so that the entire office and secretarial expense, and a considerable share of the general expense as well, has been met by individual subscriptions. The matter of presenting to the churches a request to place the Committee upon their benevolent list, was brought before the Executive Commission at its meeting in Winona last August, and after a full examination of the Committee's work the Commission adopted the following resolution:

"The General Assembly has, for twelve successive years, appointed a special Committee on Evangelistic Work. This Committee has now a clearly defined place in the life and work of the Church, having established a definite, helpful relationship to the churches, especially through its coöperation with our Presbyteries and Synods. The majority of these bodies, in accordance with the recommendations of the General Assembly, have appointed evangelistic committees for the purpose of coöperating with the Assembly's Committee, to which they are now looking for inspiration and guidance. In view of these facts, the Executive Commission agrees with the members of the Evangelistic Committee and with those who are most familiar with its programme, that it is the part of wisdom for the Church, without interfering with the general budget, to make such provision for the Committee's needs as will enable it to carry forward its work and fulfill without delay the instructions of the General Assembly, and we would respectfully call the attention of the churches to the provision made by the joint action of the representatives of the Boards and the Executive Commission, that in adopting a definite budget scheme for sustaining the work of said Boards "that other causes than those indicated in the budget scheme can be dealt with by the Session at its discretion."

In accordance with this resolution, the Committee addressed a communication to the churches in January of this year, asking them to place the Committee on their benevolent list. Although this request was sent out late in the financial year of the Church, there was an immediate and gratifying response, favorable action being taken by 135 churches, while other churches who were unable to make a contribution for the past year have expressed their willingness to give thoughtful consideration to the Committee's work and needs in their adoption of the current year's budget.

The cordial attitude towards the Committee which has been shown by the churches and Presbyteries gives assurance that the amount required to conduct such a work as is outlined in this report and recommendations can be readily secured from individuals and churches that are ready and eager to aid the Committee.

ABRAHAM R. PERKINS, *Treasurer.*

The following resolutions are submitted for adoption:

In view of the fact that the work of the Evangelistic Committee has been approved from year to year by the General Assembly in the annual reappointment of the Committee, and in view of the further fact that the policy of the Evangelistic Committee to conserve and stimulate pastoral, personal and Presbyterial evangelism is now recognized and approved by the Church at large,

Resolved, 1. That the General Assembly hereby constitute as a Permanent Committee the Committee on Evangelism, consisting of eighteen members—nine ministers and nine elders—six members of whom shall be chosen for one year, six members for two years, and six members for three years; a sufficient number of the members to be chosen from the region of Philadelphia to make frequent meetings of the Executive Committee convenient and economical.

Resolved, 2. That the Moderator of this General Assembly appoint the members of the Committee on Evangelism, and that the Committee be instructed—

(1) To arrange its members in groups of six to conform with the action of the General Assembly in the preceding resolution.

(2) To call upon all our pastors and elders not only to give themselves whole-heartedly to the work of evangelism, but to exercise such care in their oversight of the churches as to check the present appalling loss to the Church through the lapse of its members.

(3) To give all possible assistance to the evangelistic committees of Presbyteries and Synods in their present effort to develop a more effective supervision of the evangelistic work of the churches in their fields.

(4) To extend the work of college visitation so as to insure a longer stay at each college on the part of the representatives of the Committee and the Board of Education than has heretofore been possible, in order that this work may go more deeply into the spiritual life of the colleges.

(5) To take part with other denominations in every practical evangelistic undertaking which may commend itself to the Committee, and particularly to coöperate with the Evangelistic Commission of the Federal Council.

Resolved, 3. That the Assembly note with approval the report of increasing efficiency on the part of Presbyterial evangelistic committees and urge the continuance of the policy which seeks to secure, as members of these committees, those ministers and elders whose personal influence and example will lead the Presbyteries to make a more satisfactory provision for the evangelistic needs of the churches in their fields.

Resolved, 4. That the Assembly urge all our churches to coöperate to the fullest possible extent with the work of the Committee, and to extend to it that measure of spiritual and financial support which will make it possible for the Committee to present to the whole Church the challenge of the Assembly to a more persistent and efficient pastoral and Presbyterial evangelism.

Resolved, 5. That the Assembly call upon both the faculty and the student bodies of our Presbyterian colleges to continue their coöperation with the Committee, and with the Board of Education, in the joint effort which these agencies are making to present to the students of these institutions, from year to year, the evangelistic message and the call to the Christian ministry.

Resolved, 6. That the present Committee on Coöperation with other Presbyterian and Reformed Churches throughout the world, which consists of three members of your Evangelistic Committee, shall be continued and that it shall report the results of its work to the Assembly through your Committee.

Resolved, 7. That the Rev. J. Wilbur Chapman, D.D., be reappointed by this Assembly, as representative-at-large for the Committee.

Resolved, 8. That the Moderator, the Stated Clerk, and the Representative-at-large, be *ex officio* members of the Committee.

Resolved, 9. That the Committee be authorized to appoint special representatives in different parts of the country to coöperate with it.

In behalf of the Committee,

"The *Herald* has improved so much of late that I am astonished at what you are doing."—REV. F. A. GATES, Corinth, N. Y.

"I value *The Assembly Herald* highly. Such a publication is vital to intelligent Presbyterianism and to Presbyterian efficiency. You are doing the Church and Kingdom a great service."—REV. W. P. MOODY, Watertown, N. Y.

The Assembly Herald is intended for *all* the members of the Church. Some seem to think that only those connected with missionary societies should be expected to subscribe. In one sense it is more necessary that those who are not identified with the missionary work of the Church should take the *Herald*, for if they do and read it even casually they will have their zeal for the cause. as represented by the Boards, stimulated.

On December 31, 1912, the subscription list numbered 51,990 as against 49,323, December 31, 1911, a gain for the year of 2,567.

The deficit is increased $618.54 over that for 1911. This is due to several causes, as an examination of the financial statement will show, but mainly from the fact that the net advertising receipts have been somewhat less than for the year 1911.

While publishing *The Assembly Herald* at 25 cents a year necessarily creates a deficit, yet we concur in the judgment, often affirmed by the General Assembly, that it is better to retain this subscription rate that the magazine may be easily within the means of any who may want to subscribe.

In our opinion, the cost of *The Assembly Herald* to the Boards, including the money which they pay for extra pages, etc., is well warranted by the good accomplished in disseminating news concerning the work of our Church, which in no other way could be brought effectively to the attention of the people, without a much larger expenditure of money.

ADVERTISING.

Advertising is always a more or less uncertain quantity, but we feel much cause for encouragement to have been able to keep so good a line in *The Assembly Herald*. No denominational publication, with perhaps but one exception, carries as much advertising as *The Assembly Herald*, and all that appears in its pages is at full rates and without strings attached. We have fixed a charge and made it a positive rule that every advertiser should pay it.

There were given to *Assembly Herald* readers during 1912 689 pages of reading matter for 25 cents, and it is with pleasure that we note the interest which our Secretaries have taken in the preparation of their copy. They have enlivened their sections and made them more attractive than at any time in the past. We have striven to second their efforts in every way within our means. It goes without saying, that we know the magazine might be better in some respects, and had we the money we could make it so. Nevertheless, it is by the testimony of many hundreds a splendid publication and should be supported loyally by pastors, Sessions and people.

We believe thoroughly in *The Assembly Herald* and its mission. One of the great difficulties experienced by our Boards is that of informing the people of the varied work of the Church and its needs. *The Assembly Herald* is more and more useful in the giving of this information and therefore of stimulating zeal.

In recording our appreciation for the support which we have received from many pastors and Sessions, we urge a larger interest from all in the magazine. It requires but comparatively little effort to obtain a subscription list, and if every pastor would take the matter up he would find the task not very hard and abundantly worth while.

In conclusion, we call attention to the copy of the *Herald* which has been placed in your hands. We trust you will look it over with care, and if there is not a subscription list in your church see that one is obtained just as soon as you go home. Our July number will contain a résumé of the proceedings of the Assembly, and there has gone out from the office of publication a notice of this special feature and a request for the widest possible distribution of the issue. We trust you will lend your aid to this effort to acquaint the people of our Church with that which transpires in our Assembly.

RESOLUTIONS.

1. We recommend that the Assembly again emphasize the importance of *The Assembly Herald* as a means of communication between the churches and the various Boards and Agencies and that it commend the improvement shown in the publication during the past year.

2. We recommend that Stated Clerks of Synods and Presbyteries be requested to call the attention of pastors to *The Assembly Herald*, and urge its use in all the churches.

3. We recommend that the Committee be continued and instructed to take such measures as in their judgment will increase the efficiency of the *Herald* in all the churches.

Section V of the Report,* on The Deacon, was approved, and the resolution adopted is as follows:

In view, therefore, of the present trend toward "Social Service," of the need for a more adequate use of this apostolic office, and also of the inadequacy of the provisions in the Form of Government for the work of the Board of Deacons, the Committee on Christian Life and Work recommends to the General Assembly, the adoption of the following resolution:

Resolved, That the subject of the Deacon, his office and work, be and is hereby referred to the Committee on Christian Life and Work, with directions to report upon the same to the next General Assembly, and to include in the report provisions, in the way of proposals for amendments to the Form of Government, in connection with the work of the Deacon, and the relations of the Board of Deacons to the judicatories of the Church.

Section VII, on Conference with Home Mission Boards, was approved, and the resolutions adopted, in connection with comity principles, are as follows:

Resolved, 1. That the General Assembly hereby regards with favor the above Comity Principles for Interchurch Federations, as related to coöperation and Church Extension work, and recommends that they be called to the attention of all our subordinate judicatories as suitable for effecting coöperation with other denominational bodies occupying the same territory, and that the said judicatories be requested to give the same due consideration and, so far as practicable, take steps to carry them into effect.

---

*The text of this Report will be found printed in full in the Appendix.

Resolved, 2. That the Committee on Life and Work be directed to continue its efforts in this behalf and report further information and results to the next Assembly.

Resolved, 3. That the matter of effecting a close coöperation, with power, by the Churches included in the Council of the Reformed Churches in America, in the carrying on of interchurch work in common territory, be referred to the Committee on Church Coöperation and Union, with request that a beginning be made at the earliest practicable moment.

Section VIII, on Interchurch Federation, was approved.

Section IX, on Marriage and Divorce, was amended and approved, and the resolutions adopted are as follows:

Resolved, 1. That our ministers and churches be earnestly urged to organize a new and widespread campaign of education in the churches, regarding the sacredness of marriage and the evils of divorce, and to arouse all classes in the community by means of the press, the school, and the social agencies, to the need of reform.

Resolved, 2. That all our ministers and Church courts be urged to study the present laws in each State on marriage and divorce, with the aid of earnest Christian lawyers and other laymen, with a view to the introduction of new and improved codes pertaining to marriage and divorce, with a view also to eventually securing uniformity of legislation if practicable, and to that end that competent committees be created to prosecute the matter successfully.

Section X, on Men's Societies and the Presbyterian Brotherhood, was referred to the Standing Committee on the Brotherhood.

Section XII, on Laymen on Committees, was referred to the Executive Commission.

Section XIII, on Statistical Blanks, was adopted, and is as follows:

XIII. *Statistical Blanks.*—The committee has carefully considered the blanks for the gathering of church statistics, and recommends that changes be made in them as stated below:

1. Annual Report of Church to Presbytery:

(*a*) In the explanations dealing with the filling of the columns in the Report, it is recommended that Item No. 11, line 2, be changed by the omission of the word "expenses," and the insertion in its place of the word "purposes," preceded by the word "church," so that, instead of "local expenses," the phrase will read "local church purposes." In the same tem, insert after the word "debts" the words "church endowments." The entire item will then read:

"11. *Congregational.*—To include all moneys collected in or by the congregation for local church purposes—the salary of the minister, the support of the church Sabbath-schools, the relief of the poor, building and repairing edifices, the liquidation of debts, church endowments and other objects. Moneys received from any other church or Board for the salary of the minister or other expenses should not be included."

(*b*) In the Statistical Return of the Annual Report, insert a new column, to be headed "Evangelistic Work," next after the column headed "American Bible Society." The importance of Evangelism is so great that at least this much of a place should be assigned it in the Report.

2. Statistical Report of the Presbytery:

The number of manses is increasing steadily, in accordance with the wise policy which seeks to provide dwelling places for pastors. To furnish promptly available information about manses and congregations, it is recommended that in the third column of the Statistical Reports of Presbyteries, there be placed after the names of churches a small letter "m," indicating that the church possesses a manse.

All other parts of the Report, which were not adopted, approved, or otherwise acted upon, were referred to the Standing Committee on Narrative.

Rev. James I. Good, D.D., Fraternal Delegate from the General Synod of the Reformed Church in the United States was introduced, and addressed the Assembly.

The Moderator made suitable response.

The Assembly adjourned, and was closed with prayer.

Following the adjournment of the business session, the Lord's Supper was celebrated in a Union Service of Three Assemblies and the Synod of the South, in accordance with the arrangements previously made.*

The Committee on Bills and Overtures, through its Chairman, Rev. Mark A. Matthews, D.D., presented a Report, referring papers, which was adopted, and is as follows:

The Committee on Bills and Overtures respectfully reports, recommending that the following Overtures be referred to the Standing Committee on Home Missions: *Overtures Nos. 1* to *74* inclusive; *93* to *125* inclusive; *248*; *266* to *269* inclusive, and *274* to *287* inclusive.

The Special Committee on Sabbath Observance, through its Chairman, Mr. James Yereance, presented its Report, which was adopted and is as follows:

"Ye shall keep my Sabbaths and reverence my sanctuary" (Lev. xix : 30).

"A Sabbath well spent brings a week of content,
  And strength for the toils of the morrow;
But a Sabbath profaned, whatsoe'er may be gained,
  Is a certain forerunner of sorrow."—SIR MATTHEW HALE.

The Committee presents with optimistic note this Annual Report. During the past year it has continued to give its coöperation to the Lord's Day Alliance of the United States (of which the Chairman is President) and to the Woman's National Sabbath Alliance, both national organizations; as also to the various State and District Sabbath Associations auxiliary to and affiliated or coöperating therewith. In these associations are represented the various Protestant denominations, Roman Catholic and labor organizations. Hearty coöperation has been secured in having the existing Sabbath laws enforced, in defeating the passage of bills in the various States to break down the Sabbath, and in educating the people of the country in their divine right to the Sabbath for rest and worship.

From a world-wide vision of the Sabbath cause, we record with thanksgiving the following:

VICTORIES DURING THE YEAR.

Washington.—With the recent change of administration, the attention of all the people has been much centred on the nation's Capital. With the accession of a Presbyterian elder to the office of President, we are pleased to record that the White House is now closed on Sundays against politics and pleasure-seeking. The offices are shut; neither the President nor his Secretaries ever appear at them. The atmosphere around the White House and its offices is clean and decorous, and the Christian life of the President and his family is already having its effect not only in Government circles, but in the social life of the Capital.

The liquor laws for Sunday are better observed than for years; but building operations, street repairs and moving picture shows continue as before. For several years a Sunday Rest bill for the District of Columbia has been before Congress, but each year has been defeated. With the President, Vice-President and Secretary of State, all honored elders in our Presbyterian Church, and with the other Christian men in the Cabinet and the Halls of Congress, we are hoping that the new Sunday bill, which has already been reintroduced, will be enacted into law for the District.

Sunday Closing of Post-offices.—During the year the Mann bill was enacted, closing the first- and second-class post-offices on Sunday; it remains within the discretion of the Postmaster-General to close the third- and fourth-class offices on Sunday. When the movement inaugurated by the Lord's Day Alliance of the United States was first broached to the Post-office Department there was considerable doubt as to its wisdom, because the previous year there was a *deficit* of $17,500,000; but the first year after Sunday closing showed a *surplus* of $300,000. All free-delivery offices are now closed on Sunday. A number of third- and fourth-class offices remain open to Sunday callers because the communities have not signified to the Post-office Department their desire to have such offices closed. The Post-office Department at Washington and the Postmasters throughout the country are enthusiastic over the beneficent advantages to the employés and their families by the Sunday closing, and bear testimony to the fact that a large number of the employés and their families now regularly attend church, and many have been received into Church membership.

While this Report was in the printer's hands, a monster petition was presented to the Postmaster-General for the reëstablishment of Sunday delivery of mail. Within twenty-four hours of its filing the General Secretary of the Lord's Day Alliance of the U. S. was in consultation with the Post-office Department, laying before them the history of the action that led up to the passage of the Mann bill. If the Ministerial Unions throughout the country will act on the suggestions submitted to them through the Lord's Day Alliance of the U. S., we have reason to believe that no backward step will be taken.

United States Steel Corporation.—A committee appointed by the stockholders of this great corporation reported: "The records of to-day indicate that, with the exception of two or three plants, the seven-day week has been relegated to the past," and adds that "this should be absolutely enforced at all times, in all mines, mills, shops, railways, docks and works of the Steel Corporation."

The recent floods in the middle West have necessitated the placing of large orders for new structural work with the company. The demand for haste in filling the orders was such that the company was urged to suspend the order of "no Sunday work," but refused so to do.

This corporation has adopted "Relief and Safety Work" plans, including pensions, to be extended to all their plants, involving an expenditure of $5,450,000 per annum. Ministers in the localities where these plants are located are urged to coöperate in these plans and thus acquire the influence to secure the attendance of the employés and their families at our churches.

In connection with the steel industry, it is of interest to know that at a meeting of the managers of the 250 iron and steel plants in the country, a committee was appointed to suggest a plan giving the employés a weekly rest day, as the United States Steel Corporation had been doing, and the Committee reported such a plan.

The Bethlehem Steel Company recently ordered that no Sunday work be done in its plant.

The American Telephone and Telegraph Company has nearly 250,000 employés. Their business requires some of the employés to be at command at all times, day and night, throughout the year. The company has found that high-grade service cannot be maintained by fatigued employés, and has reduced Sunday work to a minimum. Those who must work on Sundays are as far as possible changed from week to week and are also given another full day of rest during that week. This company is so well satisfied with the increased efficiency of its employés that it has set aside a $10,000,000 Pension Fund.

While it is believed that more than 500,000 toilers have a Sabbath day of rest who did not have it last year, yet there are some 3,000,000 men still employed throughout the United States seven days a week, 365 days a year. Surely, the Church, following its Divine Master, should make its influence felt in every community to secure the needed change. The weekly rest day is bound to come, and the Church should actively ally itself in the movement, that it may reap to itself the benefits to accrue from the workers being gathered into church attendance and church membership. The best friend of labor is the Church founded by the Carpenter of Nazareth —the Lord Jesus Christ.

Colorado Springs.—On April 1st the city, by a vote of 3,665 to 1,552, adopted an ordinance for one day's rest in seven.

LAW ENFORCEMENT.

With the education of public sentiment it has become easier to secure at the hands of the several administrations the enforcement of the Sabbath laws in the various States of our country. In Philadelphia, application was made to allow a game of baseball on Sunday, the proceeds of which were to go to a worthy charity; the application was refused.

In Baltimore County, Maryland, 100 indictments were secured for Sabbath violations, and the energetic Lord's Day Alliance of Maryland has not lost a case; the fines collected have been more than for all the previous twenty-five years for the same cause. Real estate sales on Sunday are permitted in Rhode Island, and were attempted in Massachusetts, but prohibited. In New York City, in 1912, there were 542 arrests for Sabbath breaking, resulting in convictions in 70 per cent. of the cases. With few exceptions, in Connecticut and Rhode Island, Sunday baseball is not allowed in New England.

The Cellar and Pushcart Coal Dealers' Association petitioned the Police Commissioner in New York to enforce the law forbidding the sale and delivery of coal on Sunday. Not receiving satisfaction from him, an appeal was made to the Mayor, who took immediate steps to see that the law was enforced. As a result, nearly 16,000 men engaged in the coal trade in New York City cheerfully complied with an order to discontinue such violations of the law.

LEGISLATION.

There has been the annual crop of anti-Sabbath bills introduced in the various State Legislatures, but, as far as we have been advised, all have been defeated.

In New England alone, forty such bills were introduced in the six States. In New York, besides Sunday baseball bills, a bill was introduced allowing liquor stores to be open on Sundays after 1 P.M.

At the hearings on these bills the representatives of the Sabbath cause have made their arguments, but it has been found that the most effective way of defeating these bills is for the people of our churches to write letters of protest to their representatives in the Legislatures; when such letters are received by the scores and hundreds, the representative is thereby convinced that the bill in question is opposed by the best element of his constituency, and he generally yields to such protests.

Let the representatives of the churches of this and other denominations realize their power, and flood the legislators from our respective districts with well-timed, forcible, yet courteous, protests against any bill that seeks to break down our noble heritage—the American Sabbath.

BRIEF REFERENCES TO OTHER CONDITIONS IN OUR LAND.

California still retains the distinction of being the only State in the Union without a Sabbath law. Your Committee urges pastors and members of churches in that fair State to aid the efforts that have been made for some years to secure the passage of such law.

The Panama Exposition is seeking to have the United States Government pass a bill, or include in the General Appropriation bill, an appropriation for a United States exhibit. Your Committee requests that letters be addressed to Congressmen and United States Senators from all sections of the country, asking that there shall be attached to any such grant a condition that the gates be closed on Sunday.

Raleigh, N. C.—The Country Club voted by a good majority against Sunday golf.

United States Congress was in session all day Sunday, March 2. This should not be allowed to occur again.

Greek Syndicate has been formed with headquarters in New York City to carry on the sale of fruits and other small articles throughout the country, with instructions to make Sunday their principal day of business. Let Christian people be on the alert in their respective communities to quickly stop any violations of their Sunday laws in this or any other particular.

Sunday Newspapers.—There are 150,000 men employed as compositors, pressmen and others who are kept at work seven days in the week and 365 days in the year. No wonder a reporter states "we have no time regularly given that we can call our own."

Rural Conditions.—A rural pastor writes: "Our rural sections are given over in many places to Sabbath desecration. I frequently see haying done; know of baseball where the law forbids it, and the churches do not have the "sand" to protest for fear that they will stir up enmity. God pity the cities, so long as we have to send you such poor stuff out of which to make the fuel for civilization."

Far Look at Conditions Abroad.

London.—Actors and comedians are strongly protesting against the opening of theatres and the operation of moving pictures on the Lord's Day.

Berlin.—Physicians have declared for one day of rest in seven; they say their duties call for Sunday rest much more than in other professions. They plan to divide the city into districts, with one or two physicians selected in rotation to take care of the practice of all other physicians in that district.

On his return from his last journey the Rev. Francis E. Clark, D.D., gave an interesting report of his observations as to increased Sunday observance in Germany, Poland, Russia, Hungary, Roumania, Greece and Turkey, and adds: "Americans have been inclined to speak of the 'Continental Sabbath' with sorrow and reproach. Unless there is a change for the better in the tendency to disregard the Lord's Day in America, the tables will be turned and the 'Continent' will soon speak of the 'American Sunday' with deserved opprobrium."

Remedy Urged.

Parents should see to it that the children are faithfully taught the Word of God, not only in the Sabbath-school and the church, but in the home; and that the Sabbath is made a delight by the conversation, the religious stories and sacred songs in the home circle on the Lord's Day, so that childhood's memory of the sacred associations of the Sabbath in the home will never be forgotten.

The public schools, the colleges and the universities should include in their course studies on the influence of the Sabbath upon human welfare.

The ministers of our country should by their preaching and example educate the people to the necessity of the weekly Sabbath day for rest and worship, not only because God has so commanded, but because the human body and mind demand it.

In conclusion your Committee recommends the adoption of the following resolutions:

Resolved, 1. That the General Assembly reiterates its strong and emphatic disapproval of all secular uses of the Sabbath Day, all games and sports, in civic life as also in Army and Navy, all unnecessary traveling and all excursions, and automobiling for pleasure, and urges upon all employers of labor and captains of industry to recognize the need of the laboring man for his weekly rest day, and thereby insure his greater efficiency and happiness and the greater prosperity of both capital and labor.

Resolved, 2. That we most respectfully call the attention of all public officials to the potent influence of their position, pro or con, on all moral questions, and the necessity of greater care on their part, proportioned to the exalted nature of the offices which they occupy, that they may strengthen rather than weaken, by their influence, public and private observance of the Lord's Day; and this Assembly respectfully, but emphatically, urges all public officials faithfully to enforce all laws to protect the Sabbath from desecration.

Resolved, 3. The General Assembly urges on all families not to buy anything on the Sabbath, to plan for their servants on the Sabbath and to help them fulfill their religious duties, and to pay laborers so that they may have Saturday afternoon to make provision for the Sabbath.

Resolved, 4. That this Assembly heartily endorses the plan of the Saturday half-holiday, and recognizes it as tending to the better observance of the Sabbath.

Resolved, 5. That the General Assembly hereby reiterates its emphatic condemnation of the Sunday newspaper, and urges the members of the Presbyterian Church in the United States of America to refuse to subscribe for it or read it or advertise in it.

Resolved, 6. That the General Assembly respectfully requests the faculties of colleges and seminaries, if the way be clear, to omit recitations on Monday mornings, so as to leave the Sabbath free from the felt necessity of some of the students to prepare their lessons on that day.

Resolved, 7. That the General Assembly recommends that a Sabbath Observance Committee be organized in each Presbytery, to coöperate with similar committees of other denominations within its bounds in aiding the work of local

Sabbath associations; and where such organizations do not exist, to promote the formation of such associations in connection with the State or national organizations, the Lord's Day Alliance of the United States, and the Woman's National Sabbath Alliance.

Resolved, 8. That the General Assembly recommends that a Sabbath Observance Committee be organized in each Synod, of which the Chairman of each Presbytery's Committee on Sabbath Observance shall be at least a corresponding member, and that the Synod's Committee shall coöperate with the State Sabbath Associations.

Resolved, 9. That we most heartily commend and warmly endorse the work of the Lord's Day Alliance of the United States, and the Woman's National Sabbath Alliance, national organizations, in their efforts to preserve, in its purity, the Christian Sabbath.

Resolved, 10. That we earnestly recommend that the second week in April, embracing the second and third Sundays, be observed as a Week of Prayer for the preservation of the Lord's Day, in its quiet, rest and worship; that the lesson in all our Sabbath-schools, on the second Sabbath of April, be on the observance of the Sabbath; and that each pastor of our communion preach a sermon, on the second Sabbath of April next, or at some more convenient time, on the subject of the Sabbath, and that at that time an offering be made for the work of the Lord's Day Alliance of the United States (which is the association organized by the coöperation of the General Assembly in 1888, and which represents the Presbyterian Church in the United States of America in this department of Christian work), or, in lieu of an offering, we recommend that the Alliance be placed upon the list of benevolences of the churches, contributions to be sent to James Marshall Stuart, Treasurer, 203 Broadway, New York City, and that the Committee on Sabbath Observance be continued, as usual, without any expense to the Assembly.

Respectfully submitted,

Rev. Frank Foster, Field Secretary of the American Tract Society, addressed the Assembly in behalf of the work of the Society. The following Resolution was adopted:

Resolved, That this Assembly reaffirms its cordial endorsement of the work of the American Tract Society: *First,* in providing Christian literature for immigrants at Ellis Island and other ports of entry; *Second,* in furnishing like literature for these immigrants when segregated in "colonies" in our great cities; *Third,* in following them, by its force of colporteurs, to our frontier settlements and there seeking to win them to Christian citizenship through the Gospel on the printed page; and, *Fourth,* in appropriating funds for the publication of the Gospel in foreign tongues, and contributing generously of its own publications for use on foreign fields.

The Assembly rejoices in what the Society has accomplished during the eighty-eight years of its history, and heartily endorses its effort to secure a special fund of $500,000 for the enlargement of its work. The Assembly also prays for greater things to come, and in view of the efficiency and importance of the Society as an ally of all the Evangelical Churches, including our own, it is recommended that each Presbytery appoint a Committee on the Tract Society, and that each church provide a place for it in its annual budget of benevolences.

Rev. Joseph B. Turner, D.D., General Secretary of the Presbyterian Historical Society, addressed the Assembly.

The following reply was sent:

Rev. J. A. Lyter, Chairman of the General Conference of United Brethren, Decatur, Ill.:

John T. Stone, *Moderator,*
Wm. H. Roberts, *Stated Clerk.*

The Special Committee on Church Coöperation and Union, through its Chairman, Rev. William H. Roberts, D.D., presented its Report, which was accepted.

Resolution 2 of Section IV was unanimously adopted, and the Stated Clerk was authorized to communicate it to the other Assemblies in session in Atlanta.

Resolution 2, under Section II, was referred to the Standing Committee on Finance.

The remaining Resolutions were afterwards adopted, and the Report was then adopted as a whole. It is as follows:

The Committee on Church Coöperation and Union respectfully presents to the General Assembly its Report, arranged under five heads:

I. Meetings.
II. Federal Council of the Churches of Christ in America.
III. Reformed Church in the U. S.
IV. The World Conference on Faith and Order.
V. The Disciples of Christ in America.

I. MEETINGS.

The Committee has held two meetings, the first at Chicago, Ill., December 6 and 7, 1912, during the sessions of the Federal Council of the Churches of Christ in America.

At this meeting a Conference was had with representatives of the Commission of the Protestant Episcopal Church upon the proposed World Conference on Faith and Order. That Commission was represented by the Right Rev. Charles

P. Anderson, D.D., Bishop of Chicago; the Right Rev. Ethelbert Talbot, Bishop of Bethlehem, and Mr. Robert H. Gardiner, Secretary. A Conference was also held with representatives of the Committee on Closer Union of the General Synod of the Reformed Church in the U. S., the members of that Committee present being the Rev. J. Spangler Kieffer, D.D., Rev. George W. Richards, D.D., and Rev. A. E. Dahlman, D.D. A third Conference was held with the Commission on Christian Union of the Disciples of Christ, represented by the Rev. Peter Ainslie, D.D., President, and the Rev. J. H. Garrison, D.D.

The second meeting was held at Philadelphia, Pa., March 26, 1913. At this meeting, conferences were had with the full Committee on Closer Union of the Reformed Church in the U. S., and also with the Commission on Christian Union of the Church of the Disciples. The papers and resolutions considered are treated under the proper heads in the Report.

II. Federal Council.

The Federal Council of the Churches of Christ in America held its second quadrennial meeting in the Audience Room of the La Salle Hotel, Chicago, Ill., December 4–9, 1912. The Annual Report from the Secretary of the Federal Council will be submitted to the Assembly in separate form.

The following items in connection therewith will set forth, in part, the situation as to the Council and its work:

1. *Constituency.*—There were present 337 ministers and laymen, representatives of thirty Protestant Churches, having a communicant membership of 16,000,000 members. The Council was a success from the viewpoint both of membership and character.

2. *Officers.*—The Rev. Shailer Matthews, D.D., of the Baptist Church, Dean of the Theological Faculty of the University of Chicago, was elected as president of the Council, in succession to Bishop E. R. Hendrix, D.D., of the Methodist Episcopal Church, South.

3. *The Commissions of the Council.*—The Federal Council has an Executive Committee, and in addition a number of Commissions, the more important of which are those on Foreign Missions, Home Missions, the Church and Social Service, Peace and Arbitration, and Evangelism. Each of these Commissions has been in service for two years, with the exception of the Commission on Evangelism, which is newly appointed.

4. *Social Service.*—It is important to draw attention to the social platform adopted by the Council, on the recom-

mendation of the Commission on Social Service. It reads as follows:

The Churches must stand:

1. For equal rights and complete justice for all men in all stations of life.

2. For the protection of the family, by the single standard of purity, uniform divorce laws, proper regulation of marriage, and proper housing.

3. For the fullest possible development for every child, especially by the provision of proper education and recreation.

4. For the abolition of child labor.

5. For such regulations of the conditions of toil for women as shall safeguard the physical and moral health of the community.

6. For the abatement and prevention of poverty.

7. For the protection of the individual and society from the social, economic and moral waste of the liquor traffic.

8. For the conservation of health.

9. For the protection of the worker from dangerous machinery, occupational diseases and mortality.

10. For the right of all men to the opportunity of self-maintenance, for safeguarding this right against encroachments of every kind, and for the protection of workers from the hardships of enforced unemployment.

11. For suitable provision for the old age of the workers, and for those incapacitated by injury.

12. For the right of employees and employers alike to organize for adequate means of conciliation and arbitration in industrial disputes.

13. For a release from employment one day in seven.

14. For the gradual and reasonable reduction of the hours of labor to the lowest practicable point, and for that degree of leisure for all, which is a condition of the highest human life.

15. For a living wage as a minimum in every industry, and for the highest wage that each industry can afford.

16. For a new emphasis upon the application of Christian principles to the acquisition and use of property, and for the most equitable division of the product of industry that can ultimately be devised.

5. *Evangelism.*—The Chicago Federal Council appointed also a Commission on Evangelism upon the recommendation of the Evangelistic Committee, of which the Rev. William H. Roberts, D.D., was Chairman. This Committee was made up of representatives of all the churches in the Federal Council.

The Report drew attention to the fact that "the Church was never so strong in numbers, so rich in resources, so thoroughly organized for work, or so desirous of accomplishing her supreme mission, as in these opening years of the Twentieth Century."

"This supreme mission clearly stated is to proclaim Christ as the Saviour of sinful men, the author of that new life which beginning with a new heart, shall bring all things into harmony with the will of that God, who is at once a Sovereign and a Father."

The Report also declared that "the proclamation of Christ as Saviour is to be clear and definite. There is to be definiteness as to the human need, 'they are all under sin, there is none righteous, no, not one'; definiteness as to the purpose of the advent of Christ, 'The Son of man is come to seek and to save that which was lost'; definiteness as to the breadth of the Gospel invitation, 'Come unto me, all ye that labour and are heavy laden, and I will give you rest'; definiteness as to the nature and effect of Christ's death, 'Behold the Lamb of God, which taketh away the sin of the world'; definiteness as to the extent of the proclamation of Christ's truth, 'Go ye into all the world, and preach the Gospel to every creature,' and definiteness as to the value of faith in Christ, 'He that believeth on me, hath everlasting life.'

"The field of the proclamation of the Gospel of Him who died for the world, is to be the world. The more the Church, in its parts and as a whole, is filled with the Master's Spirit, the more earnestly will the Gospel be taught to and in all nations."

The general spiritual situation in the United States of America was shown to be such as to require not only an increase of the evangelistic spirit, but also systematic and concerted attention in all the Churches, for the cultivation of this spirit, and also as to the employment of evangelists and the methods used in evangelistic work. It was said that there was a general desire on the part of all evangelists worthy of confidence, to come into closer touch with the Church of Christ, and to have the Church, through the Federal Council, take general supervision of Evangelistic Work. It is not any particular method of Evangelism that the Committee urged, but the importance of the work itself by every practicable method. It recommended the formation of a Commission with a central office to exercise advisory powers, and to be known as the "Commission on Evangelism of the Federal Council of the Churches of Christ in America." The Commission is to be constituted by representatives of the various religious bodies according to their numerical strength, and will have power to deal with such matters as the appointment of agents and officers, offering aid to Evangelistic Committees, the accrediting of evangelists upon certificates of good standing from denominational committees, the expenses to be provided for by voluntary contributions.

6. *State and Local Federations.*—The work of organizing Auxiliaries to the Council has proceeded steadily since 1908. Such important States as New York, Pennsylvania, New Jersey, Ohio, Illinois, Nebraska and Wisconsin have fully organized federations with officers. Many of the cities likewise have federations, such as New York, Cleveland, Chicago, Los Angeles, Pittsburg, and Baltimore. The latter federation is an exceedingly effective one, and has accomplished much good. Other city federations are in process of development, and it is expected that the coöperative work of the Churches, expecially in matters of social and moral reform, will be greatly advanced by these organizations. It is further believed that these local federations will prove an effective instrument in connection with the plans for evangelistic work.

7. *Finances.*—The General Assembly has annually contributed to the expenses of the Federal Council the sum of one dollar per 1,000 communicants from its Contingent Fund, the sum for the past two years being $1,350 per annum. In addition, individuals and congregations have contributed each year a varying amount, the total of which last year was at least $3,300. In view of the need for economy, the Executive Commission has omitted from the Budget of the Assembly any appropriation for the present year for the expenses of the Council. The Committee, however, submits to the Assembly a recommendation appropriating the customary sum.

The following resolutions are recommended for adoption:

Resolved, 1. That the General Assembly expresses its sincere sympathy with the purposes of the Federal Council of the Churches of Christ in America, and its interest in the progress of the work of the Council. We rejoice in every movement which gives expression to the spiritual unity of the disciples of Jesus Christ, and to coöperation by them in work which can better be done in union than in separation.

The Assembly also heartily approves of the recognition by the Council of some of those social needs which the Christian Church has so long pointed out, and called on men, in the name of God, to supply. At the same time, the Assembly expresses its conviction, that the power of the Gospel as the source of all true social progress, should be increasingly recognized by the Council in its advocacy of social service.

The Assembly also rejoices that the Council recognized Evangelism as the Supreme Mission of the Church, and commends its appointment of a Commission on Evangelism.

Resolved, 2. That the Committee on Church Coöperation and Union is hereby appointed to represent the General Assembly, in all necessary matters in connection with the affairs of the Federal Council, report to be made to the next Assembly.

III. Reformed Church in the U. S.

The Conference with the Committee on Closer Union of the Reformed Church in the U. S., revealed a condition of affairs needing careful consideration, on the part of both Churches interested in the Plan of Union, tentatively approved by the General Synod and the General Assembly in 1911. The Committee of the Reformed Church frankly stated that there was much misapprehension as to the details of the Plan on the part of many ministers and members of that Church, and that considerable opposition had developed. They also stated that the opposition arose in part on account of the uncertainty as to what the name of the United Church would be, for the Plan advocates no name specifically. It was their expressed desire that the General Assembly should request from the Presbyteries under its care some expression of opinion as to the proposed Union, and it was admitted by them that they understood clearly that the Presbyterian Church in the U. S. A. was generally favorable to the Union, but there were those in their body who felt that silence was not consent. It was urged, therefore, that it would be an aid in the removal of misunderstanding, if expression should be given to this desire for union, in some official manner. They also stated that many of their Classes or Presbyteries favored a larger Plan of Union than that involved in the bringing together organically of the two largest Churches of the Presbyterian family in this country, and suggested that a movement be made toward a union of all the religious bodies within that family in the United States.

The proposal is as follows:

Whereas, The Classes of the Reformed Church in the U. S., in their consideration of the Plan of Union between the Reformed Church in the U. S. and the Presbyterian Church in the U. S. A., have offered a number of objections to the proposed Plan, and yet the reports of the Classes indicate a widespread and deeply felt desire for closer union between the Presbyterian and Reformed Churches in the United States; and

WHEREAS, The Committee of the Reformed Church in the U. S., on Closer Union with the Presbyterian Church in the U. S. A., believes that the contemplated union with the Presbyterian Church in the U. S. A. can be more effectually accomplished by a plan of union comprehending all the Churches of the Reformed and Presbyterian household; and

WHEREAS, Such a union has been in a measure prepared for by the fellowship of the Council of the Reformed Churches in America holding the Presbyterian System, organized in 1906, and efforts are now being made by some of the Churches represented in that Council for organic union; therefore,

Resolved, 1. That the Committee of the Reformed Church in the U. S. requests the Committee of the Presbyterian Church in the U. S. A., that it join in presenting a memorial or overture to the General Assembly of the Presbyterian Church in the U. S. A., and to the General Synod of the Reformed Church in the U. S., urging the two judicatories to memorialize or overture the General Assemblies or the General Synods of the other denominations in the Council of the Reformed Churches in America, to appoint committees on this matter to put the movement for organic union in shape for further action, or to refer it to existing Committees on Church Union to coöperate with similar committees of the other Churches in the Council.

Resolved, 2. That in view of the unusual fact that three General Assemblies of Churches in the Council of Reformed Churches holding the Presbyterian System in America are about to meet at the same time and place this coming May, the Committee on Closer Union of the Reformed Church in the U. S. requests the Committee on Church Coöperation and Union of the Presbyterian Church in the U. S. A., to present this memorial or overture through their General Assembly to the General Assemblies or General Synods of the other Churches in the Council of the Reformed Churches.

Resolved, 3. That the action is not intended to suspend the movement for Closer Union between the Presbyterian Church in the U. S. A. and the Reformed Church in the U. S., or a similar movement between any other Churches in the membership of the Council of Reformed Churches in America.

Your Committee, both in joint meeting and separately, gave careful consideration to the statements and proposals of the Committee of the Reformed Church, and in connection therewith submit the following resolutions:

Resolved, 1. That careful consideration be given to the name of the proposed United Church as suggested by the Committee of the Reformed Church, viz., "The Presbyterian and Reformed Church in America," and that the Committee on Church Coöperation and Union be authorized to inquire into the legal situation involved for this Church in such a change of name.

Resolved, 2. That the Assembly approves the proposal of the Committee of the Reformed Church with reference to a more general union than that which is now being considered, and authorizes the Stated Clerk to transmit the proposal to the supreme judicatories of other Presbyterian and Reformed Churches.

Resolved, 3. That the Stated Clerk be directed to send down to the Presbyteries the following question, Do you favor the union with the Reformed Church in the U. S., as set forth in the Plan of Union approved tentatively by the General Assembly of 1911, *Minutes*, pp. 236–241, and that the answers of the Presbyteries be returned to the Stated Clerk by January 1, 1914, and be by him transmitted to the Committee on Church Coöperation and Union for consideration and report to the General Assembly?

IV. World Conference on Faith and Order.

This Movement is making slow but steady advance. A communication was received from the Committee on Plan and Scope during the year, from which the following extracts are made:

"Much must be done before the promised World Conference on Faith and Order of the Church of Christ can be called. The mere details of the preparations are numerous and complicated. The names and addresses of the proper officers of those Communions throughout the world who confess Our Lord Jesus Christ as God and Saviour must be obtained, and invitations issued to them. These invitations cannot always be accepted promptly, for meetings of official bodies may not be held for two or three years. What shall be the basis of representation? Where shall the Conference meet and how long should it remain in session? In what way and how far shall the course of its procedure be outlined beforehand? It may well be years before these and numerous similar problems, which will be disclosed as the preparations go on, can be fully solved.

"But the first question is whether we Christians really desire reunion. Have we that deep and definite faith in the one Lord which must fill us with the desire to reunite in His one Body? What are faith and membership in Christ? Is the relation of the Christian to Christ merely individual, or does it constitute membership in a body? Is that body merely a human organization, self-originating, or is it the living, continuous Body of the one Lord? Do we know whether or not the brethren, from whom we have been separated for centuries, possess any of the precious things, of which we are stewards, or which, perhaps, we do not ourselves possess? Can we learn anything from each other? What is the Church? Has it any authority, and if so, what? What is the basis of its claims? What is its mission? Is there any sufficient reason for the continued separate existence of the Communions to which we severally belong?

"The Committee appointed by the Protestant Episcopal Commission to consider the Plan and Scope of the World Conference believes that, before the Conference can actually be called, there must be created a more general and intense desire for reunion, a warmer atmosphere of Christian love and humility, and some wider and clearer comprehension of such questions as the above, which must be faced and considered when the Conference meets."

These quotations show the present situation as to the World Conference to be one of slow approach toward definiteness. The Church of England, in England and in Canada, has taken action appointing Commissions to coöperate, and it is to be remembered that this General Assembly accepted in 1911 the proposal in the same cordial spirit in which it was presented (*Minutes*, 1911, p. 234).

The other Churches thus far appointing coöperating Committees are in the United States, and are as follows: The Congregational Churches; the Disciples of Christ; the Executive Commission of the Alliance of Reformed Churches, Western Section; Methodist Episcopal Church, South; Southern Baptist Convention; Moravian Church in America; Reformed Church in the U. S.; Methodist Episcopal Church; Evangelical Lutheran Church in the U. S., General Synod; Presbyterian Church in the U. S.; United Presbyterian Church of North America; Northern Baptist Convention; Free Baptist; Reformed Church in America, and the Reformed Presbyterian Church in North America, General Synod.

The following resolution is submitted for adoption:

Resolved, That this General Assembly entrusts the negotiations, with a view to the proposed World Conference on Faith and Order, to the Committee on Church Coöperation and Union, and instructs the Committee to adhere firmly to the condition that no Church shall be invited to participate in the proposed Conference that does not positively declare its faith in and obedience to Jesus Christ as God and Saviour, and also with instructions to decline to discuss, as preparatory to the proposed conference, any questions as to Faith and Order. The Assembly, however, favors the early preparation of a plan for the appointment of representatives of each of the Churches assenting to the holding of the Conference.

V. DISCIPLES OF CHRIST IN AMERICA.

The Conference with the Disciples of Christ held in Philadelphia resulted in the preparation and approval of a Paper which reads as follows:

The Committee on Church Coöperation and Union of the Presbyterian Church in the U. S. A. and the Commission on Christian Union of the Church of the Disciples, place on record their united expression of pleasure in relation to the Joint Conference held by them in the Witherspoon Building, Philadelphia, on March 26, 1913.

The Conference was characterized in a marked way by a gracious fellowship between the members as believers in Christ, the divine, the only, and the all-sufficient Saviour of sinful men, and further by the approval of the following important statements. The Commission of the Disciples recognized the historical relationship of their Church to the Presbyterian Churches. It was agreed by both parties that the common faith of Presbyterians and the Disciples held the Bible to be the Word of God, the supreme and only infallible rule of faith and conduct; that the eldership and the diaconate are scriptural offices in the particular Church; and that the conditions of membership in the Christian Church are a profession of faith in and obedience to Jesus Christ, followed by baptism in the name of the Trinity. While the Disciples hold to immersion as the only scriptural form of baptism, their Commission stated that they admitted the right of other Christians to interpret the Scriptures for themselves in connection with the ordinance of baptism, as well as in respect to other matters of doctrine and government. The meeting throughout was another witness to the fact that the different parts of the Church of Christ on earth, are to-day more one in spirit than ever before, and the hope was expressed that this unity would be more clearly made manifest in the near future.

PETER AINSLIE,
President, Commission of the Disciples.

WM. H. ROBERTS,
Chairman, Committee of the Presbyterian Church.

It is with pleasure that the Committee reports that the Disciples desire a delegate to be appointed by this General Assembly to their Annual Convention, which is to be held at Toronto, Canada, in October of this year, and that the Rev. Peter Ainslie, D.D., has been appointed a fraternal delegate to this Assembly.

The following resolutions are presented for adoption:

Resolved, 1. That the fraternal delegate from the Disciples of Christ be received at the same time with the other fraternal delegates, on Thursday, May 22, and that a fraternal delegate be appointed by this Assembly to the Annual Convention of the Disciples to be held at Toronto, Canada, in October, 1913.

Resolved, 2. That the General Assembly expresses its pleasure that the Disciples of Christ, through their Commission on Christian Union, have given expression to their sense of fellowship with the Presbyterian Churches, and joins with them in the expression of the hope that the spiritual unity of believers in Christ, may be made more clearly manifest in all the different parts of the Church of Christ on earth.

The Committee in closing this Report draws attention to the following declaration by the Assembly at the time of its appointment:

"The Presbyterian Church holds Christian fellowship with all who confess and obey Jesus Christ as their divine Saviour and Lord, and acknowledges the duty of all Churches that recognize Him as the only Head of the Church Universal, to work together in harmony and love for the extension of His Kingdom and the good of the world; and this Assembly earnestly desires to commend and promote this Christian coöperation, and also practically to advance the cause of Church Union by confederation, and, where possible, by consolidation, among the Churches of the Reformed Faith, which are most nearly akin in doctrine and organization."

The Committee desires to express its confidence that the movement toward the manifestation of the spiritual unity of the Churches of Christ throughout the world is becoming more and more definite, and further that the Churches belonging to the same religious family are drawing closer together. It is earnestly to be desired that Christians everywhere should cultivate a broader horizon and cherish larger views. One of the great English Prime Ministers, when seeking to persuade certain of his associates to adopt the wide policies which he advocated, said to them, "Gentlemen, you should study larger maps." It is the duty of American Christians to study larger maps. The need of the day in all the Churches is a realization of the obligations and opportunities of the twentieth century for bringing the Christian Churches of common origin, common faith and common life, so close together, that, forgetting their differences, they will work unitedly for the mental, moral and spiritual uplift of all the people.

In behalf of the Committee,

WM. H. ROBERTS, *Chairman.*

The Standing Committee on Ministerial Relief, through its Chairman, Rev. Henry Sloane Coffin, D.D., presented its Report, which was accepted, and, after addresses by the Chairman, Rev. John R. Davies, D.D., President, and Rev. William Hiram Foulkes, D.D., Secretary of the Board, was adopted. It is as follows:

Your Committee has great pleasure in presenting to the Assembly, the First Annual Report of the recently constituted Board of Ministerial Relief and Sustentation.

We heartily congratulate the Assembly upon the successful combination of the Board of Relief for Disabled Ministers and the Widows and Orphans of Deceased Ministers, with the Ministerial Sustentation Fund. The fears of those who opposed this combination have not been justified, for both agencies have had the best year in their respective histories, and the Church has been relieved from the embarrassment of presenting a double and confusing appeal.

The Relief Department has received three noteworthy gifts:

One of $318,068.69, from the estate of the late Lady Martha Kortright, a former resident of Philadelphia, who married a titled Englishman, and remembered the Church of her birth and native land most generously in her will. A second, of $75,000, from a friend of the cause in New York. And a third, of $10,000, from a member of the Board, with the proviso that the income therefrom shall form a special annuity for the Rev. Benjamin L. Agnew, D.D., the former Secretary of the Board.

In view of its increased resources, both from these special gifts and from the contributions of the churches, the Board has been able to advance the sum appropriated to each of the honorably retired ministers upon its roll of beneficiaries to $400 a year, instead of the $350 which has been the maximum hitherto. This is a gratifying increase, but we are glad to be assured that the Board will not be satisfied until the amount is $500.

In view of the receipt of $48,000 in interest upon the Kortright Estate, which had accrued during the years when it was in litigation, the Board was able last Christmas to send an unexpected gift of $25 to each of its annuitants.

Your Committee wishes to congratulate the Church upon the Board's choice of the Rev. William Hiram Foulkes, D.D., as General Secretary of the Board, and to congratulate him and his associates upon the good showing of the past year, in which 183 additional churches contributed to the Relief Department and in which the Sustentation Fund added $104,692 to its resources.

We desire also to call the Assembly's attention to the record of faithful and able service of the Rev. Benjamin L. Agnew, D.D., who during the last fourteen years has served as Secretary of the Board of Ministerial Relief, and to express our satisfaction that he has been given a modest retiring allowance.

We note also with appreciation the fact that the Rev. John R. Sutherland, D.D., to whom the foundation of the Ministerial Sustentation Fund was largely due, has been chosen as Associate Secretary of the Combined Agencies.

Your Committee is informed that the Board is prepared to make two new departures from its rule, provided the Assembly approves:

1. It is ready to extend its relief to lay missionaries under commission of the Home and Freedmen's Boards, and also to lay missionaries under commission of the Board of Publication and Sabbath School Work, who have served the Church in this capacity for not less than ten years.

2. It desires to provide relief for temporarily disabled ministers and missionaries and would like, if the requisite funds are forthcoming, to enlarge its two Homes for the reception and care of such fatigued and convalescent servants of the Church.

Two exceptional cases came before the Board, one that of a licentiate who had served four and a half years as a commissioned lay missionary of the Home Board, and the other the widow of a lay home missionary who had labored for twenty-two years on the firing line. And your Committee recommends that the aid voted in these two cases be approved by the Assembly.

Your Committee has examined the Minutes and the Treasurer's reports of both departments for the past year, and finds them in order.

Your Committee would further call the attention of the Assembly to the fact that the sum of $10,000,000 called for by the last Assembly for Ministerial Relief and Sustentation cannot be raised unless the freest access to our churches be given to representatives of the Board, and the Budget Plan should not be allowed to be a barrier to appeals for this endowment.

Your Committee recommends the following Resolutions:

Resolved, 1. That the Minutes and Treasurer's Reports of both Departments of Ministerial Relief and Sustentation be approved by the General Assembly.

Resolved, 2. That the General Assembly approves of the distribution of the accrued interest on the Kortright Estate in gifts of $25 each to the 1,251 annuitants upon the roll of of the Board.

Resolved, 3. That the General Assembly approves of the increase in the annual appropriation to honorably retired ministers to $400.

Resolved, 4. That the General Assembly amends the Rules of the Board, so that Rule 9, on p. 38, of the *Manual* of the Board shall read:

"Regularly appointed and commissioned missionaries, both ordained and lay, of the Foreign, Home and Freedmen's Boards, and regularly appointed and commissioned lay missionaries of the Board of Publication and Sabbath School Work, who have served that Board for at least ten years, may be placed upon the Roll of the Board upon the same conditions governing the enrolling of ordained ministers. In their application for aid, lay missionaries shall be governed by the rules that apply to ministers, except that foreign missionaries, whether ordained or lay, under commission of the Presbyterian Board of Foreign Missions, and laboring within the bounds of the Presbyterian Church of a foreign land, shall be certified by the Presbyterian Board of Foreign Missions, instead of by the Presbytery."

Resolved, 5. That the Assembly approves the plan of the Board in seeking to provide relief for ministers or missionaries temporarily disabled, and endorses the project of enlarging the accommodations at the two Homes of the Board, in order to provide suitable residences for this purpose.

Resolved, 6. That the Assembly renews its request that students in the Theological Seminaries of the Church, identify themselves with the Sustentation Fund.

Resolved, 7. That the Assembly authorizes the Board to apply for such amendments to the charter of the Ministerial Sustentation Fund as will permit the Sustentation Department to provide for the identical classes of beneficiaries assisted by the Relief Department, and to adjust its Rules to meet such conditions.

Resolved, 8. That the General Assembly authorizes the Board to ask the Sunday-schools to set aside an appropriate day for an offering to this cause, or to place it upon the Sunday-school Budget of Benevolence.

Resolved, 9. That the Assembly permits the Board to revise its forms and blanks during the coming year, and to report upon them to the next General Assembly.

Resolved, 10. That the Assembly directs the Executive Commission to coöperate with the Board, in securing from the Church such authentic information as will enable the Board accurately to state the average salary of ministers in our Church, and, further, directs the Executive Commission to coöperate with the Board in selecting a Committee of ten influential laymen in the Church, who will consent to serve upon an Advisory Council, to assist the Board in formulating and carrying out plans for raising the $10,000,000 endowment fund projected by the General Assembly.

Resolved, 11. That the General Assembly authorizes the Board, in exceptional cases, to waive the rule of the Board requiring five years in the service of our Church, from ministers coming to us from another Communion, before they can be recipients of relief.

Resolved, 12. That the General Assembly answer Overtures numbered 154 to 160 in the negative, partly because the action desired has been provided for in the preceding resolution.

Resolved, 13. That the General Assembly hereby reëlects as Directors of the Board of Ministerial Relief, Charles L. Huston, Esq., Rudolph M. Schick, Esq., I. Layton Register, Esq., and Thompson McClintock, Esq., and that the Assembly nominates these same gentlemen to the members of the Sustentation Fund as Directors, for a term of three years.

Respectfully submitted,
HENRY S. COFFIN, *Chairman*.

Rev. Thornton Whaling, D.D., President of Columbia Theological Seminary, Fraternal Delegate from the General Assembly of the Presbyterian Church in the United States, addressed the Assembly. The Moderator responded to his cordial greetings. Rev. W. Merle Smith, D.D., at the request of the Moderator, led the Assembly in prayer.

The Judicial Committee, through its Chairman, Rev. S. S. Palmer, D.D.. presented a Report, which was adopted, and is as follows:

The Judicial Committee recommends that the following action be taken in the Judicial Cases herewith submitted:

Judicial Case No. 2, Reme vs. the Synod of Missouri.—It is recommended that this case be referred back to the Synod of Missouri, for further action, in the light of the deliverances of the General Assembly as found in *Minutes* as follows: 1877, p. 558; 1899, p. 103; and 1906, p. 176.

Judicial Case No. 3, Faris vs. the Synod of Missouri.—It is recommended that it be dismissed for the following reasons: First, that the case was not perfected within the time allowed to perfect appeals, and, Second, that questions of doctrine and constitution are not raised.

Judicial Case No. 5, Williamson vs. the Presbytery of Cape Fear.—It is recommended that it be dismissed without prejudice, for the reason that the papers are not in order.

Judicial Case No. 7, Forsyth vs. the Presbytery of Columbus.—It is recommended that it be dismissed for the reason that the papers are not in order.

Respectfully submitted,

S. S. Palmer, *Chairman.*

The Special Committee on the Intermediate Catechism, through its Chairman, Rev. D. Schley Schaff, D.D., presented its Report, which was accepted. After addresses by the Chairman and Rev. William McKibbin, D.D., of the Committee, the Report was adopted, together with the following statement:

The Assembly of 1912, having approved the Intermediate Catechism and having returned it to the Committee with instructions to receive suggestions, and make such changes as in its judgment might seem advisable, and having also instructed it to add a body of Scriptural proof-texts; and the Committee having carried out these instructions: the Assembly directs the Board of Publication to print the Catechism for distribution, both with and without proof-texts, in the form in which it is now presented.

The Assembly expresses the hope that the Intermediate Catechism will be the means of advancing the cause of religious instruction in the home and in our churches.

This Assembly, further, commends the Committee for its fidelity in carrying out these instructions; and the Committee is hereby discharged.

The Report of the Committee is as follows:

Your Committee would respectfully report as follows:

The Assembly of 1912, meeting in Louisville, to which the Intermediate Catechism was presented, took the following action:

"1. The Assembly approves the Intermediate Catechism prepared by its Committee and directs the Board of Publication to print it for distribution.

"2. The Assembly continues the Committee, with the request that it receive suggestions, and make such revision as, in its judgment, seems advisable, and report to the Assembly at Atlanta in 1913."

The same Assembly passed the following resolution:

"In view of the fact that the Committee on the Intermediate Catechism has presented to the Assembly such an admirable work, which gives promise of great usefulness to the Church in the instruction of youth; and as the truths therein stated are based directly on the Word of God, and as the presence on the pages of the Catechism of such passages of Scripture, as applied to the statements and the answers, would be helpful in indicating the Biblical sources of the teaching; and as in its Report the Committee says, 'that the suggestion was made, that texts be added to each of the answers, but it was decided to leave this matter to the Assembly'—therefore,

"*Resolved*, That the Assembly authorizes the Committee on the Intermediate Catechism to present, along with the Catechism, such proof texts as it may deem suitable and adequate." (*Minutes* of the Assembly, 1912, pp. 102, 163.)

In view of this action, your Committee has held five meetings and now offers the Catechism with some revision and with the addition of Scriptural texts.

Before presenting the Catechism to the Assembly of 1912, your Committee took care to submit a preliminary draft to a number of persons in our Communion for their judgment and for suggestions looking to its possible improvement. They included ministers and laymen—men who have recently entered the ministry as well as men of large experience in the service of the Church. The Assembly's action widened this circle of counselors, and has given the Committee a welcome opportunity to measure and reconsider its work in the light of suggestions from all parts of the Church.

Your Committee has received a number of communications and has given special consideration to each suggestion made to it. The general principle on which it has acted is that, the Catechism having received the Assembly's approval, no change should be made unless there was a strong feeling in the Committee in its favor. It is gratifying to state that no communication addressed to the Committee has contained a single objection alleging misstatement of Scriptural truth.

The changes, which have been made in the Catechism, are not numerous. The whole number of questions and answers has been reduced from 73 to 72, by the combination in Q. 46 of two questions which, in the former draft, read: "To what branch of the Church do we belong?" and "How do we obtain the name 'Presbyterian'?" One question and one answer of the draft of 1912 have been omitted. The question ran: "Who are the trustees of a church?" the answer being, "The trustees of a church are its temporal officers." It is thought that the present Question 54 sufficiently states the case. Q. 30 and its answer are new, it being felt that the subject of human temptation should have distinct mention and that, as the "helps" to a Christian life are given, so also should the "hindrances" be given. The temptation of our Lord is stated in Q. 14.

Some of the changes are verbal and carry no change of meaning, as, for example, in Q. 9, where "us all" has given place to "everyone"; in Qq. 52 and 53, where the form, "What are the duties?" has been replaced by "What is the duty?" and Q. 72, where "being risen" is replaced by "being raised," the last change being made that the two forms of statement used in Scripture of Christ's rising from the dead might have recognition. Changes of more significance are those in Q. 15, where "from sin" takes the place of "from our sins," and Q. 34, where "membership in the Church" takes the place of "entrance into the Church." In some cases, the changes were made in the interest of emphasis. Question 29 read in the draft of 1912, "What is our duty concerning the kingdom of God?" and now reads, "What is our Lord's last command concerning the kingdom of God?"—the intent being to lay stress upon Christ's command. Question 35 read: "Why are the infant children of members of the Church baptized?" It now reads: "Why are the infant children of members of the Church dedicated to God in baptism?", the purpose being to lay stress upon the parental obligation.

The relative position of Qq. 24 and 25 has been altered so as to give larger emphasis to the unity of the Church. And, for the sake of simplicity, the expression "all the saved" in Ans. 24 is substituted for "all the company of the saved." Likewise the clause, "of which Jesus Christ is the Head," is placed at the close instead of the middle of the answer, to give, if possible, fuller recognition to the sole Headship of Christ in the Church.

The proposal was made to the Committee that the number of questions and answers be reduced to 52, the number of the Sabbaths in the year. From another source the proposal was made that their number be increased by dividing some of the answers which, to the proposer, seemed to contain too much for a child to grasp in a single statement. Both these suggestions came from pastors who are using the Catechism and who express their strong approval of it. In view of these suggestions, it is proper to say that, in the early period of its work, the Committee made continuous effort to keep the questions and answers down to the smallest number, compatible with the statement of what seemed to it to be required in such a manual. And it is felt that a reduction of the Catechism, so as to conform to the number of Sabbaths in the year, where this is desired, may be secured by the combination of questions and answers which naturally belong together, as for examples Qq. 1, 2 and 3, 4.

As for the proof-texts, your Committee has found no difficulty in supporting the body of the Catechism from Scripture. Rather has it been obliged to practice self-restraint to keep down their number. Each definition has been buttressed by one or more texts, except such statements as are found under Qq. 48 and 49.

Your Committee feels again inclined to call attention to the first question and answer. Much time and thought were given to the discussion of the kind of statement with which the Catechism should be introduced, as also of the exact wording of the one finally fixed upon. As was to be expected, this first question and its answer at once arrested attention. They run as follows:

Q. What do we most need to know?

A. We most need to know what God would have us believe and do.

So far as the Committee knows, this form is new in catechetical literature. At the same time, it seems to have the merit of conforming to the general model of that class of catechisms, called the Westminster or Puritan, beginning with Calvin's Catechism, which opens thus:

Q. What is the chief end of man's life?

A. The chief end of man's life is to know God.

In view of the words used by our Lord: "One thing is needful," this opening question of our Catechism has a sound which is not altogether strange. Moreover, it seems to be fully justified by the answer. Here, at the very outset, God is exalted and the child brought face to face with God and His fatherly demand that we should know certain truths and perform certain duties. Now, if the eye is carried down to Q. 5, it will be seen that with that question begins a statement of the things *God would have us know.* This treatment is proceeded with to Q. 29, where the things are taken up which *God would have us do.* Thus, in this first answer, the whole plan of the Catechism lies wrapped up, and the method of unfolding it seems to have the merit of being natural and easy of explanation to a young person.

Throughout its entire labors, the Committee has sought to be faithful to the instructions laid down by the Assembly of 1908, meeting in Kansas City. These instructions were, that the Catechism should cover the system of faith and practice held in our Church and taught in the Holy Scriptures; that it should be simpler in language than the Shorter Catechism; and that it should be adapted for use in the home and in Sabbath-schools. Without attempting to repeat what was said in our Reports, presented to the Assemblies of 1911 and 1912, your Committee may say that it has never regarded itself as appointed to make an eclectic revision of any sort of the Shorter Catechism. Nor has it regarded itself as appointed to give to its definitions what may be technically called a theological form or flavor. It has felt itself appointed, with the Assembly's plain instructions in mind, to present the vital truths of religion in the language usual to-day in the pulpit and religious conversation.

The value of a work of this kind must, in considerable part, be determined by actual use. Reference might be made to testimonies in favor of its usefulness which have come to us from pastors and parents who have put it to the practical test of use in their homes and among the young people of their churches. The Committee feels that it should be borne in mind that, in providing for the preparation of this Catechism, the Assembly of 1908 was moved by the distinct need of some work of this kind, as set before it in the Overtures of thirteen Presbyteries. This need had also been brought to the attention of the Board of Publication, and with such strong pressure from different parts of the Church—from pastors, Sabbath-school teachers and parents—that the Board went so far as to appoint a Committee to prepare a catechism to meet it. After laboring for a year—as we were officially informed by two of the Board's members, Drs. McLanahan and Benson, and its Secretary, Dr. Henry—the Board relinquished further attempt to prepare a catechism, leaving the work entirely to the Assembly's Committee.

Your Committee desires again, and in briefest terms, to call the Assembly's attention to some of the salient features of the Catechism:

1. The Intermediate Catechism sets forth the vital truths of belief and conduct as held in our Church and taught in God's Word, and in simple language. To give these truths in order, they are, Man's need of God's help, Qq. 1 and 2; God's Word, 3–4; The being and dominion of God, 5–7; Sin and its consequences, 8–10; Salvation through Christ and Christ's life and resurrection, 11–17; Repentance and faith, 18–20; The Holy Spirit and His work, 21–23; The Church, its unity, and the last command given to it to evangelize the world, 23–29; The hindrances to our Christian life, 30—as also its helps, namely, the Bible, prayer, the sacraments and Christian fellowship, 30–43; Church membership, 44–45; The principles of our Presbyterian Church polity, 46–55; The duties set forth in the Ten Commandments and more especially our obligation to the Sabbath, to parents, to the worship of God, to our bodies, to our home and our country, to all men, even to those who do us ill, 56–70. The Catechism closes with the Christian's reward in this life, and the reward to which he looks forward, through resurrection, with Christ.

2. Salvation, as wrought by Christ, is put in a prominent place.

3. Some of the distinctive truths which the Catechism brings out are our Lord's earthly life and human sympathy, the definition of the Church, the obligation of missions, the value of church membership and the principles of our Presbyterian government.

4. The Catechism introduces the persuasive element, putting the teacher and the learner in a sympathetic relation, one with the other. The patent proof of this attempt is the use of the personal pronoun in the first question and others, the abstract form of statement, however, not being neglected.

Attention may also be called to the fact that the Catechism follows the approved catechetical model. With a few exceptions, each question follows directly from the answer which goes before. Each answer contains the leading words of the question and each answer is a complete statement in itself.

It is with much satisfaction that your Committee finds itself able to present to this Assembly the product of its labors, with the same hearty unanimity with which it reported to the Assembly in 1912. Its members join in the prayer that the Intermediate Catechism may approve itself a safe guide in the study of the saving truths of God's Word, and a welcome help to parents, pastors and teachers in Sabbath-schools, who feel the need of such a manual, as it was intended this should be.

The Report of the Advisory Committee on the Presbyterian Brotherhood was referred to the Standing Committee on the Brotherhood.

The Assembly took recess, and was closed with prayer.

MONDAY, May 19, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Standing Committee on Education, through its Chairman, Elder John Willis Baer, LL.D., presented its Report, which was accepted, and, after addresses by the Chairman, Rev. Joseph W. Cochran, D.D., Secretary, and Rev. Richard C. Hughes, D.D., Associate Secretary of the Board, and others, was adopted. It is as follows:

Rejoice, and in gratitude praise God, for what He hath wrought during the past year through the Board of Education. This, the ninety-fourth year, is the banner year of all the years. There has been an increase in ministerial students, in medical missionary students, in definite results of the Day of Prayer, in the plan of college visitation, in the work among Presbyterian students, in attendance upon State universities, in increase of gifts from the churches, from Sunday-schools, from individuals, from legacies; more money has been spent upon the field, thus emphasizing an increase in efficiency, for it has been well spent, all of which leads your Committee to say, "It is certainly day-break on the horizon of the Board of Education." We are only beginning, however, to appreciate what God will do with this arm of the Church, if the Church is true to Him and it.

The Board's report itself is documentary evidence, proving that during the past year the Church is increasingly responding to the call for Christian education. It is not the purpose of your Standing Committee to take the time of the Assembly in extended comment upon the Board's Report. The

Committee most earnestly suggests and urges that every minister and elder in the Church will take the time to carefully read this Ninety-fourth Report. Ministers will find in it a most valuable mine from which to get information and inspiration for sermons, presenting the claims of the Christian ministry. The Report fairly bristles with facts, and the story of progress will be stimulating and heartening. Brethren, read the Board's Report.

Throughout the year, the Board has kept in mind the great work which, for many years past, it has been doing in caring for candidates for the ministry regularly commended to its care by the Presbyteries of the Church. The new work laid upon the Board, in the Providence of God, has of course occupied a large share of its attention, requiring, as it does, a careful study of the facts with a view to determining the course to be pursued; but the oversight of the candidates for the ministry by the Board has been close and the inquiries have been particular. Eight hundred and thirty-five men were recommended for aid during the year, and of these, the Board, under its rules, was obliged to decline 41. Accordngly, 794 men were aided, 344 in the seminary, 357 in college, and 93 in academy. The Board granted aid to 123 students of foreign speech, and to 47 at our institutions for training ministers of the colored race. Students abandoning the ministry have refunded $1,514 during the year. The Board s pursuing effective methods in dealing with students who allow extra-academic activities to interfere with their studies, and is earnestly impressing on the minds of young men the need of close attention to their work of preparation.

While the Board has been singularly faithful to its primal work, it is manifest that the charter of the Board contemplates a far larger field of service, than the work of aiding tudents enlisted for the ministry. This Committee commends the Church for supporting the Board, in its undertakings in the recent years, to widen its field and force. t approves the plan suggested in the Report for the observnce of special days by the Church at large; in holding ducational rallies, and the special plans for observing Days f Prayer and so-called Vocation Days in our colleges and nstitutions of learning, and the Board is urged to enter even more aggressively upon this work.

The Committee suggests that the Board further plan and rovide for the work of developing schools for lay-workers, nd include the granting of scholarship aid to students, thus reparing for lay work.

The Committee is profoundly grateful to note in the report f the work conducted in State universities, the sure progress made the past year; that more money has been contributed than ever before in its history; that the morals of the student bodies have been improved; above all, that through its instrumentality so many students have been brought to a decision for Christ, and committed to lives of Christian service. We would call attention to the work of ten university pastors, giving their entire time to the work for students, and fourteen giving part time.

The Committee approves of the policy of the Board in securing residential quarters for the university pastors, and recommends that adequate salaries be given them. We recommend continued coöperation by the Board and its university pastors, as far as possible, with other Christian agencies now at work seeking to inculcate evangelical religion. We would commend the sagacity of the Board in safeguarding money invested in buildings and endowments, thereby ensuring perpetual use of those buildings for the purposes for which the money was given. The Committee insists upon the intellectual as well as the religious and personal equipment of the university pastors, who are, in a sense, to come in competition with the brightest minds the State can secure.

The Committee desires to say that the 16 per cent. increase over last year in gifts to the Board from churches, Sunday-schools and Young People's Societies, must be further augmented, if the Board is to accomplish its work. The Committee respectfully calls the attention of the Executive Commission to the need of an increase in the apportionment of the budget. At least $100,000 should be the amount contributed by the Churches, Sunday-schools and Young People's Societies for the work of the Board of Education during the coming year.

The following Resolutions are presented for adoption:

Resolved, 1. That the Assembly commends the Board for its faithful performance of its trust, and congratulates it upon presenting a Report which shows the past year to have been the most efficient and successful in its history.

Resolved, 2. That the Board's statement of its powers under the broad Charter and Constitution which permits it to enter upon any educational work, now under its charge, or that may in the future be committed to it by the General Assembly, be, and hereby is, approved as both clear and conclusive.

Resolved, 3. That, reaffirming the deliverances of former Assemblies, and in view of the crying needs of the home and foreign fields, the Board be urged to prosecute with vigor its distinctive work of recruiting the Church's supply of workers, ministerial and lay, in our homes, churches, Sunday-schools, Brotherhoods, colleges and universities, and that it be authorized to employ such agents as, in its judgment, it may require to accomplish this important task.

Resolved, 4. That the success of the Board in securing the observance of Vocation Day warrants its incorporation in the calendar of Church days.

Resolved, 5. That the broadest coöperation with the Evangelistic Committee in the plan of College Visitation is recommended.

Resolved, 6. That, in furthering the training of foreign-speaking candidates, the Board be authorized to use its discretion in the matter of assisting Bloomfield Seminary, and the theological departments of Dubuque and such other seminaries reporting to the Assembly, as may provide for the adequate instruction of foreign-speaking candidates.

Resolved, 7. That the Board of Education be directed to establish a special Prize Scholarship in the English Bible, to be offered to seminary students upon the basis of competitive examinations, as soon as funds may be provided for such purpose.

Resolved, 8. That the Board be directed to give careful consideration to the methods now in operation, touching beneficiary aid to candidates for the ministry, with the view to securing, if possible, a more equitable adjustment to their needs.

Resolved, 9. That hearty commendation be given to the Board, for its success in the prosecution of the work of supplying the religious needs of students attending State educational institutions, including contract relations with Synods, and that the Board be authorized to enter into like coöperation with Synods in behalf of the interests of Presbyterian students at other institutions of learning.

Resolved, 10. That the Board be authorized to enter into advisory relations with schools for the training of lay workers, whose charters declare them to be Presbyterian, and, further, that it exercise its discretion in granting beneficiary aid to certain students at such institutions, provided these schools make the Board their agent for the holding or forwarding of offerings and gifts designated for the use of these schools.

Resolved, 11. That the eight days beginning with the first Sabbath in February, 1914, be designated as "Educational Week," the first Sunday to be observed as "Young People's Day" and "Vocation Day," the second Sunday as "Educational Day," and the Thursday between as the "Day of Prayer for Schools and Colleges."

Resolved, 12. That the following-named gentlemen, whose terms expire with this Assembly, be reëlected to the

Class of 1913–1916: *Ministers*—Henry Collin Minton, D.D., LL.D., J. Beveridge Lee, D.D., Edward Yates Hill, D.D., Edward H. Pence, D.D.; *Ruling Elders*—Mr. Charles T. Evans, Mr. Charles W. Kolb, Walter E. Rex, Esq., Mr. Gustavus W. Knowles, Mr. Evan G. Chandlee; and that the Rev. Alexander MacColl be elected to fill an unexpired vacancy in the Class of 1912–1915.

Resolved, 13. That the report of the Treasurer and the Minutes of the Recording Secretary, having been carefully examined, be approved.

In behalf of the Committee,

John Willis Baer, *Chairman.*

Rev. F. C. Monfort, D.D., presented Minority Report No. 2, which was accepted.

The Rev. Francis Brown, D.D., was heard.

The hour of adjournment having arrived, the further consideration of the matter was made the Order for 11 o'clock to-morrow, and the Moderator was authorized to make any changes in the Docket necessitated by this action.

The Assembly adjourned, and was closed with prayer.

MONDAY, May 19, 8.00 o'clock P.M.

A Union Meeting was held in the Auditorium in the interest of Work among Colored People, according to the arrangements already made.*

TUESDAY, May 20, 9.00 o'clock A.M.

The Assembly met, and was opened with devotional services.

The Minutes of yesterday's sessions were read and approved.

The Committee on Bills and Overtures presented a Report, which was adopted, and is as follows:

Your Committee on Bills and Overtures respectfully reports as follows:

We recommend that no action be taken on *Overtures Nos. 264* and *265*.†

In regard to *Overture No. 273*, it is recommended that the request be granted, and that the Moderator and the Stated Clerk of the General Assembly be appointed to tender the greetings of the Assembly to the First Presbyterian Church of Baltimore, on the occasion of its Sesquicentennial.

With reference to *Overtures Nos. 182* to *186* inclusive, and also *Nos. 188* to *191*, *193* to *198*, *288* and *289*, identical Overtures; also *Overtures Nos. 187* and *192*, the Committee recommends the following answer:

(1) The General Assembly believes that the election of paid officers of the Board should be in the hands of small bodies of men, such as the existing Boards, who are thoroughly acquainted with the work to be done, in its many details, and able to inform themselves accurately, as to the qualifications of officers who may be nominated.

(2) The Assembly also foresees positive temptations and dangers to the spiritual life and effectiveness of the Church,

---

* See Programme, p. 22.

† See List of Overtures, p. 43.

if such elections were made the duty of the Assembly as a whole.

(3) The Assembly believes that the fixing of the salaries of such paid officers belongs properly to the Boards of the Church, as much as any other appropriations made in the carrying out of the functions for which said Boards are constituted.

(4) In regard to the limit of service to terms of three years, the Assembly believes that the present method of indeterminate appointments is preferable, both because wise policies can thus be initiated and carried through a series of years, and because the experience gained from year to year is a valuable element of efficiency, which should be retained in the interests of the Church at large.

(5) The Assembly therefore answers the Overtures in the negative.

It is recommended that no action be taken on *Overture No. 199* and *Overture No. 200.*

It is recommended that *Overtures Nos. 249* to *262* inclusive be referred to the Committee on Church Polity.

In regard to *Overtures 172* to *181* inclusive, and *271*, it is recommended that no action be taken.

It is recommended that *Overtures Nos. 126* to *152* inclusive be referred to the Executive Commission.

With reference to *Overtures Nos. 172, 175* and *178*, asking that Overtures for the reduction in size of the Assembly cease, no action is recommended; and on *Overtures Nos. 173, 174, 176, 177, 179, 180, 181*, and *271*, asking for such reduction, the Assembly would remind the Presbyteries that while there is evidently some sentiment favorable to reduction in size of the Assembly, it is equally evident from repeated action in recent years that there is no great demand for such reduction; that such sentiment apparently is not increasing, and further Overtures on this subject should be discouraged at present.

For the Committee,
MARK A. MATTHEWS, *Chairman.*

The Standing Committee on Freedmen, through its Chairman, Rev. Howard Agnew Johnston, D.D., presented its Report, which was accepted. After an address by Rev. John M. Gaston, Associate Secretary of the Board, the Report was adopted. The Report is as follows:

Your Standing Committee on Missions for Freedmen would respectfully report that the Board has rendered its Forty-eighth Annual Report to this Assembly. It is interesting and suggestive in several respects. It furnishes in careful detail the information which covers the entire work of the Board, and the field of its operations. It breathes an atmosphere of sympathy with the task undertaken which is indicative of the mind of Christ.

But the outstanding fact to be emphasized concerning this work is, that the Freedmen's Board has swung into line with a broader vision of the work needed to hasten the solution of its problem. Not many years ago, our Board of Foreign Missions awakened to a more eager desire in the Church to give the knowledge of the Saviour to every dark spot on the planet. The Christian men of America determined to tell their brothers in every shadowed section of the globe of the Man of Galilee. It has brought us a new day in Foreign Missions. Then our Board of Home Missions saw with growing conviction several points of strategic importance that must be included in the scope of any adequate plan to evangelize our nation. The past decade has revealed the real advance that has been made. Then our Board of Education, under efficient leadership, has a new vision of possibilities of influence among the student bodies in all of our institutions of university and college grade. As a result, we are finding methods of replenishing the supply of students for the ministry. Lately, the cause of Ministerial Relief and Sustentation projects a "ten million dollar" plan, and the Church is responding in the conviction that this is worth while. Now comes the Freedmen's Board with a Report of an advance in constructive work, of which the Church needs to be better informed.

We have all felt for years, and none have felt it more keenly than the officers and members of the Board, that the Presbyterian Church is making an utterly inadequate effort to solve the negro problem, which is taking on increasingly serious phases. We confess that we are playing at the business of the Christian Church generally, but in this particular phase of it we have been "sleeping on the job," with few exceptions. The stupendous reach of the task is appalling. Every tenth man over whom our flag flies is a negro. Yet in lethargic indifference we smile complacently at appeals for help even to touch the fringe of the problem, and pass it by.

The first instance of negro evangelization in Christian history is that of the Ethiopian at Gaza, to whom Philip brought the light. You will remember that he was reading the words of the prophet of God, and that Philip asked him, "Understandest thou what thou readest?" The pathetic answer is still the cry of millions of our dark-skinned fellow-men: "How can I, except some man teach me?" What a challenge to every man who professes to be a Christian! Jesus Christ anticipated that cry in His command, "Go teach them." We read in the record that when he felt the constraint of the loving spirit of Christ upon him to go speak to the Ethiopian, Philip "ran" to discharge his task. His obedience was steeped in enthusiasm, and the result was a Christian negro going on his way rejoicing.

Within recent years a few big men, both in the South and the North, have heard that cry, which has echoed down the centuries, "How can I, except some man teach me?" and they have attacked the great task of education with a statesman's vision, and an enterprise worthy of captains of industry in the business world. They have classed this undertaking as "big business." No adequate survey of the field could fail to emphasize the splendid contribution they are making to the cause. The Presbyterian Church may be pardoned for pride in the splendid work of that noble Presbyterian elder, Robert C. Ogden. The mention of his name emphasizes the fact, that there are many men in our branch of the Church whom God has blessed with abundance of increase, who will respond when a broad vision of the bigness of the task grips their souls. But while we recognize the great value of this work, we must not be blind to its very serious limitations, when we measure the needs of the negro people. Their vital need is a trained Christian leadership. Their problem can never be solved by elementary education for the masses, or industrial training for those who enter the trades and till the farms. They must have thoroughly trained Christian teachers and ministers of the Gospel, and should also have the other professions represented among their leaders. The men who are conspicuous leaders among the negroes in industrial training are publicly saying that they expect such organizations as the Presbyterian Church to furnish the ministers and teachers for their people, while they will furnish the farmers, the carpenters and other tradesmen. The task of furnishing this trained leadership is being bravely attempted by our Board, within the limitations of their available resources. Every intelligent student of the problem must realize how supremely important is this phase of the work.

It may fairly be said that the men who have been trained in our Presbyterian institutions are in the forefront of the negro leaders of their people in stability of Christian character and efficiency of Christian service. We must remember that we have had a thousand years of Christian culture back of us, while these people have only had fifty years. The careful student of history will hesitate to say that our race made as much progress in fifty years, a thousand years ago, as this race has made in the last half-century. We must be patient with them. They are not here, as other incoming foreigners have come, by their own free choice, and we must give place in justice to a keen sense of our obligation to give them a fair chance to realize the wholesome life of a Christian civilization.

It is further important to remember that our Church is the only one that has organized the negroes themselves into regular squads and Presbyteries, thus developing self-respect, the sense of responsibility and the qualities of leadership. All of our schools are related to these organizations for oversight. The elementary schools feed the higher institutions, and the opportunity for service is ever held before promising young men and women. Dr. Weatherford, the International Secretary of the Y. M. C. A. for the South, recently said, "The most effective work is being done by those schools and churches in the South which have an organic connection with a denomination that will secure careful supervision." One needs only to pause a moment to think of the susceptibilities of the negro people, at the present stage of their progress, to realize how true this statement must be.

In the list of schools reported there are two for men, classed as a university and college, respectively, while five for women are classed as seminaries. Then follows a list of seventeen co-educational institutions, one of which is the Swift Memorial College, of Tennessee. To this list are added 112 elementary schools. The total number of students in the 136 schools is 16,427. A few of the outstanding institutions which are doing signally fine work are Biddle University, at Charlotte, N. C., with 196 students; Miller Memorial at Birmingham, with 307 students; Mary Potter Memorial at Oxford, N. C., with 460 students, and the Haines Normal and Industrial, under that rare Christian woman, Lucy Laney, with 772 students.

But the distinctive feature of new constructive work is that of the Farms Home development. The Board bought a section of 1,000 acres, dividing it into farms of from thirty to fifty acres each, and offered to build cottages on them for families that came with a good record and that desired to develop a Christian community. This enterprise is near Keysville in this State, and is connected with Boggs Memorial Academy. Every farm has been taken and many families applied after the territory was all allotted. Another section of 780 acres has been secured adjoining Harbison College, at Irmo, S. C., the college already having 500 acres of its own for agricultural training. It requires no prophet to foretell what blessings will come out of these negro Christian communities. What more splendid thing could any steward of Christ do than to open the way for other such communities in every State in the South? In this connection, with the report of these special features of construction work, we would congratulate the Board and the entire Church upon the coming to the secretarial force of the Rev. John M. Gaston, a man with breadth of vision and an organizing brain, whose quiet strength is being devoted to the realization of big things more adequately commensurate with the needs of these people.

Another feature to be noted is the appointment of a General Superintendent of Evangelistic Work. After a long search the Board found the right man for this task. He is proving a wise leader, whose personal touch is giving hopeful character to the life of the churches. During the year 2,000 accessions to the churches were reported, a record year. The Board is looking for another suitable man to divide the labors of this important office. Recent years have compelled the attention of our churches in certain sections of the North and West to the growing negro populations and the need of ministering the Gospel to them. Overtures have come from the Presbyteries of Rochester and Lincoln, pointing out this need, and asking that the Home Board be instructed to make some provision for this work in those fields, outside of the section to which the work of the Freedmen's Board is confined. Since the Board of Home Missions and the Freedmen's Board are now studying the problem of an adjustment of their work, in joint conference, it is deemed wise to give them time to find their way together to the best method of meeting these special needs.

We come now to the truly serious inquiry as to what the Church is doing to finance this "big business." No thinking man can doubt that when God commanded His people to evangelize the races of men in all the earth, He had definite ideas of how the enterprise should be financed. Probably His people have failed nowhere more signally than in realizing His will for us in this particular. In ten years the Board has slowly advanced from an income of about $150,000 to $250,000. This year the total receipts fell below that amount because of a decrease in legacies. The churches, the Sunday-schools, and the Women's Societies have increased their offerings about $5,000.

Let the fact be emphasized that during the year the negro churches gave for the work among their own people the sum of $147,000. That is to say, about 30,000 communicants and adherents gave two-thirds as much for this work as the whole denomination of a million and a third gave to help them last year. All honor to the increasing vigor of the negro people in their very fruitful labors for self-evangelization! Outside of Pennsylvania, the larger squads cannot be very proud of their contributions. Pennsylvania came nobly to the front with $50,000 for the year. In view of the limited amount expected, this was the lion's share. New York only gave $27,000; Ohio is third with $14,000; Illinois fourth with only $10,000; while New Jersey follows with about $9,000. At this rate our progress will be that of the snail's pace. Last year about 4,000 of our churches gave nothing to this cause. While nearly half of this number belong to that group which has less than fifty members, yet many of them give something to other causes. It is hoped they will have some part in this grace also. But even more important is the need of having pastors and elders, in our churches that are able to give, set themselves to secure an increase in their offerings to this work.

It is true that the vast dimensions of the task stagger us. They stagger our faith in ourselves. Nay, they stagger our faith in God. Let us be honest about it to-day. We have been cowards in the face of our duty to these people under the command of Jesus Christ. We have been afraid to obey Him in the doing of His plain will. We have feared the consequences if we should lift these people into the light of a worthy Christian life by means of Christian education.

There was a day long ago when the Master looked out upon the multitude and had compassion upon them because they were as sheep without a shepherd, and said to His disciples, "What shall we do that they may have bread?" You remember how they deemed the work impossible for lack of money. "Two hundred pennyworth of bread would not suffice." Then they offered their easy solution—"Send them away!" How many have suggested that same solution of this problem! "Send them to Liberia, to colonies in Africa; turn them over to the Baptists, to the Methodists, to the Romanists!" But the Master answers us to-day, as He answered them then: "They need not depart; give ye them to eat!" The disciples had counted the task impossible. Jesus had told them that it was not only not impossible, but that they could do it. They were slow to see it, especially after canvassing their resources of one little lad's lunch, exclaiming, "But what are these among so many?" Then we read that Jesus took their meagre supply and lifted His eyes to Heaven and prayed. In that moment He taught them the greatest lesson of that wonderful day. They had quite forgotten God. They had faced the task simply as men with human limitations, whereas they were to be laborers together with God. Their little and God could do it. Is it not a great parable for our hesitation to-day?

Fear and faith are mutually exclusive things. As fear comes in, faith goes out. Our cowardice in the face of this stupendous task betrays our lack of faith in God. We do not believe that if we obey His plain commands, He will overrule the outcome, bringing blessings to all concerned. He challenges us to-day in the words of Jeremiah of old, "I am the God of all flesh! Is anything too hard for me?" When General Armstrong was walking about the site of the present plant at Hampton Institute, he was telling a friend of his dream of an institution such as he hoped to see established there one day, when his friend interrupted with the exclamation, "But, General Armstrong, all this is simply impossible." Then that son of foreign missionaries, who had seen the Hawaiian Islands transformed by the Gospel of Jesus Christ, replied: "Didn't you know that the Christian's God makes the impossible actual when men believe in Him?" And to-day Hampton far surpasses in actual attainment Armstrong's most sanguine dream.

The Christian world is celebrating this year the centennial of the birth of David Livingstone. His breadth of vision challenges us to-day. His sublime faith in the God of all grace and the Gospel of His Son, as able and available to quicken the people of that dark land until Ethiopia should stretch forth her hands unto God, challenges us to-day to emulate his faith and his consecration until we lift this great cause to a place of achievement and power. Therefore your Committee would recommend—

1. That this Assembly commend the larger plans for constructive work now being projected by the Freedmen's Board, and urge all of our churches to support the work far more generously than heretofore.

2. That the minutes of the Board be approved for the year just closed.

3. That the work of the Woman's Department be highly commended.

4. That no action be taken by this Assembly upon *Overtures Nos. 121* and *122*, from the Presbyteries of Rochester and Lincoln, in view of the conference between the Freedmen's Board and the Board of Home Missions concerning the matters to which they refer.

5. That the following members of the Board, whose terms expire with this Assembly, be elected to succeed themselves:

Rev. W. L. McEwan, D.D., Mr. George B. Logan, Rev. David R. Breed, D.D., James C. Gray, Esq., and James I. Kay, Esq.

All of which is respectfully submitted,
Howard Agnew Johnston, *Chairman.*

The Judicial Committee presented the following nominations for the Permanent Judicial Commission: *Ministers*—William H. Penhallegon, D.D., for the Class of 1914; Julius H. Wolff, D.D., James H. Snowden, D.D., and John W. Dinsmore, D.D., for the Class of 1916; *Ruling Elders*—Hon. A. C. Prendergast and Hon. Jesse S. L'Amoreaux, for the Class of 1916.

An opportunity was given for nominations from the floor. None being presented, nominations were closed.

The Judicial Committee presented the following, which was adopted: In view of the fact that so many of the Appeals and Complaints coming before the Assembly are improperly drawn, and therefore cannot be found in order and transmitted to the Judicial Commission for trial on the merits of the case, your Committee would respectfully recommend that this Assembly direct the Permanent Judicial Commission to prepare and present to this Assembly forms of Complaints and Appeals, together with the proper procedure for bringing cases before the Assembly.

The following was adopted:

Resolved, That the Freedmen's Board be requested to publish in pamphlet form the address of Secretary Edward P. Cowan, D.D., delivered in the Auditorium last night, and to circulate it throughout the bounds of our Church.

The Order of the Day, the Report of the Committee of Conference with Union Theological Seminary, was taken up.

After prayer by the Moderator, the Rev. Francis Brown, D.D., continued and concluded his remarks.

A motion was made and seconded to adopt the Majority Report.

An amendment was offered and seconded, substituting the Minority Report No. 1.

An amendment to the amendment was offered and seconded, substituting Minority Report No. 2.

Speeches were limited to ten minutes.

The further consideration of the matter was made the first Order for this afternoon.

The Assembly took recess, and was closed with prayer, TUESDAY, May 20, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The consideration of the Report of the Committee of Conference with Union Theological Seminary was continued, and, after full discussion, the following was adopted:

Resolved, That a new Committee of seven be appointed by the Moderator, to which the three Reports and other papers now before us shall be committed, and which shall be empowered and instructed to make a thorough investigation of all the legal, ecclesiastical and doctrinal questions involved, and to report to the next Assembly.

The Moderator led the Assembly in prayer.

Rev. J. K. McClurkin, D.D., Fraternal Delegate from the General Assembly of the United Presbyterian General Assembly, addressed the Assembly. The Moderator responded to his address.

The Executive Commission, through Rev. William P. Fulton, D.D., of the Commission, reported Section VII of the Report, on the Board of Home Missions. The Report was adopted.*

The Standing Committee on the College Board, through its Chairman, Rev. Griffin W. Bull, D.D., presented its Report, which was accepted, and after addresses by the Chairman and Rev. James E. Clarke, D.D., Associate Secretary of the Board, was adopted. It is as follows:

The Thirtieth Annual Report of the College Board and the Minutes of the Board have been submitted to us.

The Committee finds that there are sixty-three institutions affiliated with the Presbyterian Church, and receiving financial support directly or indirectly from the College Board, or from various agencies of the Church represented by the College Board. Of the 63 institutions, 58 are colleges and 5 are academies. Thirty-five of the institutions are organically connected with the Church, ten institutions by charter requirements must have a majority on their Board of Trustees members of the Presbyterian Church, and eighteen colleges, though not legally connected with the Church, are nevertheless under Presbyterian approval as to their work.

The enrollment is as follows: College students, 7,704; preparatory, 4,114; others, 10,400; total, 22,218. There are 1,538 professors and teachers in the institutions. The Bible is a required study in almost every one of them.

Secretary's Report.—The Secretary's Report presents an educational policy of great interest and importance to the Church. It is the hope of the Committee that the educational policy, outlined in the Report, may be very carefully considered by pastors and churches, and that an earnest coöperation will be given by Presbyteries and Synods in the carrying out of such policy. Your Committee appreciates the careful thought and tireless activities of the Secretaries in working out this educational policy, in addition to their other laborious work.

Treasurer's Report.—The Treasurer's Report shows that the total receipts from normal sources for the year are larger this year than any other year of the Board's history. Last year the total receipts from all sources was $1,482,312. If from this total we deduct $132,317, receipts from legacies, most of which was from the J. S. Kennedy Estate, we have a net total of receipts for 1912 of $1,250,000. The net receipts for this Church year is $1,372,000, a substantial increase, which indicates an increasing interest and confidence in the Board and its work. It is with satisfaction that the Committee notes that the Church collections, which aggregated $111,358, were, for the most part, sent to the Board's treasury. From the Board, through the Board, and from individuals directly, the colleges received last year a splendid total of $1,281,445. The Committee is also satisfied that the administration expense of $20,325, shows that the Board is economically managed, and that this is a small outlay considering that something like $1,000,000 was secured by the Board directly and through coöperation; this being but 2 per cent. spent for administration of the total secured.

The Committee wishes to express its appreciation of the services of Mr. Henry L. Smith, Treasurer of the Board, who serves without compensation.

Presbyterian Colleges.—The Committee has reviewed with pleasure and profit the recent publication by the College Board entitled "Presbyterian Colleges." Organized in 1883, this year makes the completion of the third decade of the work of the Board, or thirty years of its existence, and the Board celebrates the occasion by issuing this illustrated brochure of exceeding interest and attractiveness, which assuredly is the *ultima thule* of its kind. Of the 60 colleges now affiliated with the Board, only 17 were in existence as colleges in 1883. Eight were received from the Cumberland Presbyterian Church and 32 were developed from academies. The book is a perfect panoramic view of the colleges in the finest of halftones. To eliminate all suspicion of partiality to any particular institution, one page only, opposite the picture, is given to a statistical résumé of the property, endowment conditions, and operations of the institution. Your Committee gives its unqualified appreciation, approbation and commendation to this publication, which has all the merits of conciseness and exact information, and commends itself to all who are seeking accurate information about our colleges.

This great array of 60 institutions calls for and imperatively demands from us, as never before, an heroic exploitation, on a systematic and self-sacrificing basis, of Christian education, both for the Church and for citizenship. Let all the Presbyteries at their fall meetings give over one evening to a service whose keynote shall be Christian education, more students for and support of our Christian colleges.

MINUTES OF THE BOARD.—The Minutes of the Board have been carefully examined and special commendation is made of the concise, neat, and attractive wav in which they have been kept and prepared.

RECOMMENDATIONS.—The following resolutions are submitted for adoption:

Resolved, 1. That the Minutes of the Board, which have been examined and found in order, be approved.

Resolved, 2. That the educational policy of the Church, as set forth by the Board in its Report, be approved, and that, as requested by the college presidents, the Board be encouraged to arrange such an educational campaign throughout the Church, as will place the great subject of Christian education, adequately before the people.

Resolved, 3. That the Assembly call upon all the churches to observe Education Week as outlined in the Report of the Committee on Education.

Resolved, 4. That the policy of the College Board be approved, and its work commended to the sympathetic coöperation of the Church and the Christian colleges.

Resolved, 5. That the action of the College Board, in the selection of Rev. James E. Clarke, D.D., as Associate Secretary, be approved.

Resolved, 6. That the establishment of the Department of Publicity and Extension, by which a more accurate knowledge of the needs of the colleges shall be made known, be approved.

Resolved, 7. That the Financial Report of the Board, duly audited by a public accountant, be approved.

Resolved, 8. That the publication and distribution of 15,000 copies of "Presbyterian Colleges," be commended and approved.

Resolved, 9. That all the churches send their College Board collections undesignated to the Board, as the Board is in a better position to know its own obligations, and where the money is most needed to produce the best results.

Resolved, 10. That the following members of the Board, whose terms of office expire at this time—John B. Laird, D.D., Philadelphia; Rev. Frederick E. Stockwell, Newburgh, N. Y.; Frederick W. Garvin, Esq., New York; Elisha H. Perkins, Baltimore, Md.; Hon. J. A. Beaver, LL.D., Bellefonte, Pa.; James S. Hubbard, Chicago, Ill.; John P. Munn, M.D., New York, be reëlected; and that Edwin J. Gillis be elected to fill the place of E. O. Emerson, deceased; that Rev. Edwin A. McAlpin, Jr., be elected to fill the place of Rev. J. E. Clarke, D.D., resigned; that S. Edward Young, D.D., be elected to fill the place of Cleland B. McAfee, D.D., resigned; and that A. A. Hyde be elected to fill the place of H. B. McCormick, resigned.

The Committee further reports:

In response to Memorial No. 298, received from the Synod of Pennsylvania, and referred to this Committee, and which is as follows:

WHEREAS, Lafayette College is connected by charter with the Synod of Pennsylvania, and educates all students for the ministry and home and foreign mission fields free of tuition;

AND WHEREAS, The salaries of the professors of the colleges are paid out of the tuition of the students, thus making the free tuition scholarships to students for the ministry and mission fields practically gifts upon the part of the professors to the Presbyterian Church;

AND WHEREAS, A movement has been inaugurated by the Alumni Association of the College, under the leadership of Mr. Robert F. Whitmer, a loyal Presbyterian and Lafayette Alumnus, of Philadelphia, to raise an endowment fund of $1,000,000 to increase the salaries of the professors of Lafayette College, and later to provide pensions for the retired professors;

AND WHEREAS, The College Board of our Church has heartily endorsed this movement, is coöperating with it, and has recommended it to the Church;

Be it *Resolved:*

1. That the Synod of Pennsylvania in session at Butler, Pa., October 23, 1912, heartily endorses the movement to raise said endowment fund for Lafayette College.

2. That the Synod cordially recommends it to the Sessions

of its churches for public presentation, and commendation to their individual members.

3. That the Synod appoint a Committee of three—two ministers and one elder—who shall, without expense to the Synod, present a request from the Synod to the General Assembly at Atlanta, Ga., next May, asking the Assembly's endorsement of said movement, and its coöperation in raising such an endowment fund for Lafayette College.

The following action is recommended upon this Memorial:

Resolved, That the movement for the raising of $1,000,000 for the increase of the endowment and equipment of Lafayette College be commended, and that this old and vigorous college be recommended to the Church and the people for aid, in its effort to increase its efficiency and enlarge its influence.

It is understood that any other of our colleges is equally entitled to such a recommendation if necessary.

Respectfully submitted,
G. W. Bull, *Chairman*.

The Standing Committee on Temperance, through its Chairman, Rev. E. A. Elmore, D.D., presented its Report, which was accepted, and, after addresses by Rev. Thomas Waters, Vice-Chairman of the Permanent Committee, and Rev. Guy W. Wadsworth, D.D., Field Secretary, was amended and adopted, as follows:

Your Committee on Permanent Committee on Temperance would respectfully report: We have examined the minutes of the Committee and find them correct.

The Report of the Treasurer, certified by a public accountant, we find correct.

The Committee notifies us that since the Report was finished it has been called upon to mourn the loss of its Chairman for the last five years, Rev. E. Trumbull Lee, D.D., LL.D., who after many years of faithful service was called to his reward. The Report of the Committee makes record of another year's work well done, cheered by the fact of an increasing interest manifested by the Church in this department of its work.

The report of the Treasurer shows money received from all sources for the year, $42,750.59, including a balance of $4,871.98 with which the year began. The balance at the close of this year is $5,673.07. This large balance is due to the fact that about $16,000 was received during the last few days of the year and that up to that time the Committee had no means of knowing the amount which would be at its disposal. If the churches had sent their money earlier, it would have saved anxiety. Interest on borrowed money would have made a larger year's work possible.

The first legacies ever received by the Committee came this year. They amounted to $750, and have all been invested, only the income to be used. Let us hope that this is but the beginning of a long line of legacies in the coming years, wherein men and women being dead shall continue to aid in eradicating the greatest curse of our age.

We are all agreed as to the enormity of the evil of intemperance, the tremendous power of the liquor interest in political life, and the menace it is to all that makes for the highest welfare of humanity. There is but one question of difference, and that is, how to overcome the evil. Shall it be repressed or suppressed? We believe in both—the one, when nothing better can be done, and the other, as soon as possible. Your Committee rejoices that the Permanent Committee, in the year's work, has emphasized four lines of effort:

1. PREVENTION.—Encouraging the use of the pledge, saving the young from the formation of the habit by using pledge cards and pledge rolls in our Sunday-schools, and calling the attention of the Church to the fact that entire abstinence is the only safeguard against this evil, and that the pledge does commit many to right living.

2. EDUCATION.—This is the only hope of the eradication of this evil. It is the foundation for all effective effort of every kind. The Committee has used every agency to educate—offering prizes in Presbyterian colleges and seminaries for the best oration in temperance oratorical contests; selecting temperance libraries to be placed in the libraries of our educational institutions; preparing temperance-day programme; printing a monthly magazine, *The Amethyst*, which has a circulation of 115,000 copies; distributing more than 25,000,000 pages of literature in eleven languages; giving reliable up-to-date information on all phases of the reform to all who ask it; sending a colored evangelist to his people, a worker who uses the stereopticon among the immigrants, and a missionary who does the same among the Mexicans; and, finally, standing ready to supply the Church with everything needed in the temperance reform. Every year this educational work of the Committee increases.

3. LEGISLATION.—This is the end in view—to have enacted laws that will eliminate the saloon, and to create a public opinion that will demand that such laws be made and rigidly enforced. Your Committee finds that this agency of our Church has been active in petitioning State and national civil officers in favor of laws which will promote temperance,

and protesting against the enactment of bad laws and nullification of good ones. Also that lecturers are sent prepared to discuss all phases of reform and assist in campaigns, local and State, and who last year held more than 1,000 meetings in more than 39 States. Add one thing more to the above.

4. Coöperation.—Mighty forces are at work in this nation to-day to remove this curse. The forces of evil are combining. The forces for righteousness must combine and by coöperation win the victory.

There have been great victories won this year; the passage of the Webb bill by Congress; the carrying constitutional prohibition by a large majority in West Virginia; the refusal of Congress to restore the canteen; the provision for the enforcement of prohibition among the Indians, including the Alaskans; the ruling of the Post-office Department that liquor could not be carried by parcel post. To secure these and other victories the Committee has given a hearty coöperation. And in the line of coöperation, your Committee commends the action of the Permanent Committee in coöperating with the Federal Council of Churches of Christ in America, in the formation of a Temperance Commission, which will represent the thirty denominations included in the Council, in all matters pertaining to temperance.

There is much to encourage coöperation. Nine States of the Union have statutory or constitutional prohibition, and approximately one-half of our population is nominally free from legalized liquor traffic. But so long as the total consumption of liquor is annually nearly twenty-two gallons per capita, and so long as it costs the American people more than twice as much to support the saloon as it does to support the national government, there can be but one thing done—the coöperation of every agency to conquer and overwhelm and forever destroy this foe of Church, home, school, State and nation.

In view of the fact that the General Assembly in the year 1911 authorized the incorporation of the Permanent Committee on Temperance, and that this has been effected, so that this Committee by incorporation possesses already all the privileges and functions of a Board of the Church, the question is raised why it should not be called a Board. In view of all of the above, your Committee would recommend the following Resolutions for adoption:

Resolved, 1. That the minutes of the Permanent Committee be approved.

Resolved, 2. That the report of the Treasurer, as certified by a public accountant, be approved.

Resolved, 3. That the Committee be commended for its diligence and fidelity in the discharge of its work.

Resolved, 4. That the following members of this Committee, whose terms expire with this Assembly, be reëlected to serve for the term of three years: Rev. T. B. Anderson, D.D., Rev. William L. McEwan, D.D., Rev. J. H. Snowden, D.D., S. H. Thompson, Esq., Graham C. Wells, Robert Gibson; and that the Rev. Robert H. Kirk, of McKeesport, Pa., be elected to fill the unexpired term of the late Dr. Lee.

Resolved, 5. That the Assembly approve of the offer of the Committee to furnish an annual prize of $25 to each of our Presbyterian colleges and theological seminaries for a temperance oratorical contest, and that all such institutions be urged to avail themselves of this offer.

Resolved, 6. That the General Assembly commends the Permanent Committee to the confidence and thoughtful consideration of men and women who may desire to further the cause of temperance, by making a bequest in its behalf.

Resolved, 7. That all of our churches and Sunday-schools, whatever they may do for outside organizations, be urged to contribute regularly to the temperance work of the Presbyterian Church.

Resolved, 8. That the Assembly heartily commends the wise and patriotic refusal of prominent civic officials to serve alcoholic beverages on their tables, and expresses the earnest wish that the day may not be far distant when no one, either in public or private life, will sanction the liquor traffic by using its products.

Resolved, 9. That we rejoice in the good work of temperance agencies, both within and without the Church, and bid them Godspeed in their noble efforts.

Resolved, 10. That the Permanent Committee be authorized to coöperate heartily with the Temperance Commission of the Federal Council of the Churches of Christ in America, and also with the Interchurch Temperance Federation.

Resolved, 11. That the Committee, being now fully incorporated and having the functions and privileges of a Board, be instructed to change its name to the Board of Temperance, so as to conform to the nomenclature of the other permanent agencies.

Resolved, 12. That this Assembly reaffirms former deliverances, forbidding all members in her Communion to rent property for the manufacture or sale of alcoholic beverages, to sign petitions, or go on bonds to secure license, to present applications in court which legalize the traffic, to purchase or hold an interest in either a brewery or distillery, or in anyway whatsoever to aid or abet the evil of intemperance.

Resolved, 13. That this Assembly declares the licensure of the liquor traffic to be unscriptural, unethical, unsocial, unpatriotic, illogical and immoral, therefore, wholly inconsistent with the claims of Christian discipleship.

Resolved, 14. That we favor an amendment of the Constitution of the U. S. prohibiting the manufacture, importation, sale and transportation of alcoholic beverages.

Resolved, 15. That the Overture referred to this Committee from the Synod of North Dakota (No. 243) be answered in the affirmative.

Resolved, 16. That this General Assembly respectfully petitions and requests the Hon. Woodrow Wilson, President of the United States, to incorporate in his message to Congress at its next session, a recommendation looking to the enactment of a law, forbidding the issuing of Federal tax receipts in territory which is under local prohibition and has banished the licensed saloon.

Resolved, 17. That we urge upon our people the need of the right use of the ballot in the temperance reform.

Respectfully submitted,
E. A. Elmore, *Chairman.*

A letter was read from President Booker T. Washington, of Tuskegee Institute, inviting members of the Assembly to visit that institution. Rev. A. F. Owens, in behalf of the invitation, addressed the Assembly. The Moderator expressed the Assembly's appreciation of the courtesy.

The Assembly adjourned, and was closed with prayer.

TUESDAY, May 20, 8 o'clock P.M.

A Union Meeting was held in the Auditorium, in the interest of Home Missions, in accordance with arrangements already made.

WEDNESDAY, May 21, 9 o'clock A.M.

The Assembly met, and was opened with devotional services.

The Minutes of yesterday's sessions were read and approved.

The Committee on Bills and Overtures presented a Report, which was amended and adopted, and is as follows:

The Committee would respectfully report as follows, viz.:

It is recommended that no action be taken on **Overtures Nos. 165* to *171*, as the Assembly has already acted upon the subject.

The reference is recommended of *Overtures Nos. 126* to *152* inclusive to the Executive Commission with approval; also *Overtures Nos. 238* and *305*.

That *Overtures Nos. 296* and *311* be referred to the Special Committee on Christian Life and Work.

That *Overtures Nos. 299, 308, 309* and *310* be referred to the Committee on Church Erection.

That *Overture No. 301* be referred to the Special Committee on Church Coöperation and Union.

That *Overture No. 307* be referred to the Standing Committee on Christian Life and Work.

That *Overtures Nos. 303* and *304* be referred to the Standing Committee on Home Missions.

With reference to Resolution referred to your Committee from the Executive Commission, the following action is recommended:

Resolved, That the General Assembly recommends to pastors, Sessions and churches, that during or following each sermon, in the absence of special circumstances indicating that the same is inexpedient, an appeal be made for an immediate acceptance of Jesus Christ as the sinner's personal Saviour.

In answer to *Overture No. 297*, it is recommended that no action be taken, and that the matter of the Memorial be referred to the individual Sessions, in accordance with the present practice.

In answer to *Paper No. 312*, referred to us by the Executive Commission, the following action is recommended:

The General Assembly would call the attention of all the Presbyterian churches, schools, colleges and other institutions to the large number of Chinese boys, students, being brought into this country for education: and that the United States Government, through its Department of Labor and its Bureau of Immigration, is being criticised for the rejection of some students; and that the Bureau is basing its action upon the fact that some of these students who have come to this country have not remained in the institution for any length of time, but have left the same to become laborers. Accordingly, the Assembly would urge all Presbyterian churches, schools, colleges and other institutions having Chinese students under their care, to report faithfully, to the

Department of Commerce and Labor, a list of all students under their control, giving the names, dates of entrance and when the students leave them, and, further, that they report immediately the names, movements and whereabouts of students to that Department. This is to be done faithfully and carefully as an act of courtesy and reciprocity which will aid the Government in solving the student emigration question, and will effectively remove any suspicion of a lack of sympathetic coöperation between the Christian institutions of our country and the Bureaus of the Government, this being all the more important in view of the delicate situation and international complications now existing or that hereafter may exist.

The Rev. Sartell Prentice, Jr., D.D., Fraternal Delegate from the General Synod of the Reformed Church in America, addressed the Assembly.

The Moderator responded to his fraternal salutations.

A Resolution offered from the floor was referred to the Committee on Bills and Overtures.

The Standing Committee on Home Missions, through its Chairman, Rev. Maitland Alexander, D.D., presented its Report, which was accepted, and, after addresses by the Chairman, Secretaries Thompson and McAfee, and Rev. M. A. Matthews, D.D., was amended and adopted. It is as follows:

Every true patriot has his heart stirred as he stands beside the graves of the soldiers who have fired the last shot, and whose blood has consecrated the battlefields of North and South, and every true Presbyterian has something of the same feeling as he hears the names of those who, in this last year, have been called from Home Mission fields, the battlefields of the Church, to their rest and their reward. Their monuments are not in bronze or marble, but in the strength and progress of that Church to which they have given their sacrificial service. Their names are as follows:

Rev. Herbert N. Bevier	Centerville, Cal.
Rev. Robert M. L. Braden, D.D	Bellevue, Neb.
Rev. Oliver C. Cude	McKenzie, Tenn.
Rev. A. B. C. Dinwiddie	Baird, Tex.
Rev. R. Y. Gray	South West City, Mo.
Rev. F. H. Gwynne, D.D	Stevensville, Mont.
Rev. John G. Lange	Estelline, Tex.
Rev. D. M. Lewis	Lathrop, Mo.

Rev. Duncan McMillan	Vesta, Minn.
Rev. Duncan MacEachern	Munich, N. D.
Rev. S. W. Porter	Okarche, Okla.
Rev. Wm. A. Robinson	Halfway, Ore.
Rev. James M. Stultz	Union, Mo.
Rev. Thomas T. Vincent	Woodburn, Ore.
Rev. J. J. Williams	Mineral Wells, Tex.
Rev. Henry Wortmann	George, Iowa.

We especially desire to mention the name of the oldest member of the Board of Home Missions, the Rev. Wilson Phraner, D.D., who died at the age of ninety. Few men have served their generation so well, and the whole constituency of the Board of Home Missions, while it mourns its own loss, rejoices in his great reward.

The concentration of the individual upon his own work, especially if he be a minister, sometimes makes him fail to estimate the greatness of the field of the Church's operation. When one considers that a single district of the Board has 722,000 square miles to be covered, with 20,000,000 of inhabitants, some conception of our national work may be obtained. The problems in the entire field have the widest range; almost everything of national importance has a Home Mission bearing, and the great problems, such as the Indian and Mexican, the foreign-speaking people, and the cities, afford problems which only the consecration of genius can solve. To these problems and to their solution, to all the difficult tasks connected with the various departments, the servants of the Church have given themselves with diligence and faithfulness.

The Board has to-day 1,750 missionaries in the field; it has aided 1,847 churches; which have 1,225 church buildings, and a total membership of more than 66,000.

Your Committee desires to make mention of the faithfulness and self-sacrifice of the rank and file of the missionaries. A Home Missionary has not the glamor connected with him that comes through the association of foreign lands; nor is there connected with him in the minds of most people the idea of sacrifice which is associated with the foreign fields. In an obscure place, unnoticed by his brethren, unknown by the Church, he works and toils, often inadequately supported, to the praise and glory of God, without complaint, and with only the mighty compensation which those have who share in the upbuilding of the Master's Kingdom.

Your Committee would approve the efforts which the Board have put forth to so organize the non-self-supporting Synods that they may care for their own work within their bounds, and the Committee urges the Board to continue this work wherever it may be possible.

Your Committee thoroughly approves of the Department of Missionary Education in which this Board has a part. It believes that in that proportion in which the Church is educated to the claims of the home mission fields, in that proportion will the money be forthcoming in support of the work.

Your Committee notes with interest the work in the lumber camps, and the significant fact that this work seems to be involved in a large degree with the temperance question. It rejoices in the testimony of the head of this work that its solution is vested in the preaching of the Gospel of Christ, by which preaching alone may the work be done.

Your Committee feels that the full discussion of the departments of the Board of Home Missions, presented to the Assembly in the Report of the Executive Commission, makes it unnecessary for it to say more, except to commend the fidelity of those engaged in this work.

Your Committee feels that the recommendations of the Executive Commission, adopted by the Assembly, regarding the work of the Board of Home Missions, indicate the Assembly's earnest desire for a new departure in the methods of the Board in the direction of an increase in evangelistic emphasis. This will be a matter of approval by the whole Church.

Your Committee has learned with satisfaction that the Social Service Department has been directed by the Assembly to make its methods more definitely religious in their character. It earnestly urges the Board that this should be done, and points out that the salvation of men is through the Gospel of Christ, and that this is the vital and essential work committed to it by the Church, not in its evangelistic department alone, but in all its departments and through all of its officers.

It is a cause of great thankfulness that the Woman's Board of Home Missions has done its work so well and achieved so magnificent a result. The amount which they raised was $598,244.24, and as the year opened with a depressing debt, the fact that they have entirely paid it should be both to them and to the Church a matter of profound thanksgiving.

Your Committee desires to call attention to the fact that there seems to have been some friction in some of the fields between the missionaries, the Presbyteries and the Representatives of the Board. Your Committee calls attention to one of the resolutions appended to this Report which they believe will adjust this matter if adopted by you.

FINANCES.—The total receipts for the year from all sources were $1,419,893.06, showing a decrease from last year of $71,289.79.

It seems scarcely worth while to discuss the causes of this deficiency. The Board of Home Missions has been under criticism, which, justly or unjustly, may have hurt the contributions of the Church. But with the action of this General Assembly, the cheerful acquiescence of the Board, and the tremendous appeal of the work, your Committee calls on the ministers in all of our Presbyteries for renewed interest, confidence and gifts, that this great agency of the Church may continue to do its important work. There are missionaries' salaries to be paid; there are millions to be reached by the Gospel, and the money must be given. Surely, it is the confidence, enthusiasm and loyalty of the ministry, that the Church demands and expects to maintain and develop her great benevolent agencies.

The report of the Home Mission work done in our country under the auspices of our Church would be entirely inadequate without some account of the immense work done by the self-sustaining Synods. These reports are printed as a part of the Report of the Board of Home Missions, and thus come under the review of your Committee.

The Synod of Baltimore reports that distinct progress has been made in all its Presbyteries, especially in work among foreign-speaking people, and that in its Presbytery of Washington City a successful effort to remove the indebtedness upon its churches, has resulted in the raising of more than $90,000.

The Synod of Indiana reports increase in the gifts of its churches. According to the Indiana plan, the churches send their Home Mission offerings directly to the Presbyterial Home Mission Treasurer, who retains 75 per cent. for Presbyterial work; of the remainder 15 per cent. goes to the Synodical Committee for the Synod's work, and 10 per cent. goes to the Board in New York. The Trust Fund left in the will of George B. Yandes opens a new era in the affairs of this Synod.

The Synod of Iowa began its self-support in 1904. The total amount contributed for Home Missions in this Synod this year was $30,760.35, a net gain of $2,712.52.

The Synod of Michigan reports that the work was never better in hand, nor more effectively done, than at the present time. The greatest need of the Synod next to funds is efficient men to carry on the work.

The Synod of New Jersey has completed twenty-six years of Synodical administration of its Home Mission work, with a record of continued encouragement in gifts secured for its support, and the work accomplished thereby; $35,074 were contributed during the last year, of which $13,104 had been secured and expended within the Presbytery of Newark through its Church Extension Committee. This total represents three times the amount expended in the first year of Synodical effort, and has not interfered with an increase of offerings made to the Home Board during the whole period.

The Synod of New York expended $36,670 in its enormous and important field, and is each year making progress along every line of missionary endeavor.

The Synod of Ohio reports that it has felt the growing demand for more systematic effort among foreign-speaking people. Some progress has been made, and larger plans outlined for the future, especially in the Presbytery of Cleveland. It expended $39,757.50 on its work.

The Synod of Pennsylvania has had under its care 134 ministers, whose salaries were supplemented from the Home Mission funds of the Synod, serving 171 churches and 26 missions. To these churches were added 1,129 members on confession of faith. It is interesting to notice that this Synod makes it a positive condition of giving aid that these churches must contribute to all the Boards, and to the Synod's funds each year. This year the aided churches contribute for benevolences $23,848, which was 81 per cent. of the aid given them. The whole amount expended within the bounds of the Synod last year was $200,315.68, of which $77,598 was expended for work among foreigners.

Your Committee begs leave to report action upon the following Overtures:

**Overture No. 125*, from the Presbytery of Ardmore. It is recommended that it be referred to the Board of Home Missions, with instructions to take up the matter contained in the Overture with the Home Mission Council.

Overture No. 266, from the Presbytery of Pueblo. It is recommended that it be referred to the Board of Home Missions without recommendation.

Overture No. 118, from the Presbytery of Sheridan; *No. 121*, from the Presbytery of Rochester; *No. 122*, from the Presbytery of Lincoln. It is recommended by your Committee that these Overtures be referred to the Board of Home Missions for sympathetic action.

Overture No. 300, from the Synod of New Jersey, on the question of Hungarian congregations. It is recommended that this be referred to the Executive Committee with power to correspond with the Reformed Church of Hungary.

---

*For List of Overtures, see p. 47.

Overture No. 124, from the Presbytery of Philadelphia North. It is recommended that the following answer be made: The Overture calls upon the Presbyteries and the Board of Home Missions to institute methods by which definite responsibility shall be fixed upon some denomination or agency for each field now neglected by religious ministry, and measures taken to federate missionary territory. We ask that the Assembly heartily endorse the programme, and that it be referred by the Home Missions Council to its constitutent Boards and accepted by our Assembly's Board.

Overtures Nos. 1 to *74* inclusive, and *274* to *277* inclusive, known as the Ogden Overtures. It is recommended that these Overtures be answered in the affirmative, omitting the words, "Under the American flag," with the suggestion that the Board of Home Missions coöperate with the Board of Education, which is already engaged in this work. These Overtures petition the Assembly in the following terms:

"To instruct the Board of Home Missions to present to the students in our colleges and seminaries, by special visitation, if necessary, substantially the following declaration for their subscription:

"'Unless God in his Providence should otherwise direct, it is my hope and purpose when my preparation is completed, to spend at least three years in some form of Christian mission service under the American flag.'"

Overture No. 123, from the Board of Home Missions and the self-supporting Synods. It is recommended that this Overture be answered in the affirmative, with the suggestion that the words, "sometime during the year," be substituted for the words "during October and November."

The Committee begs leave to present the following resolutions for the adoption of the Assembly:

Resolved, 1. Your Committee has examined the minutes of the Board of Home Missions, and finds them correctly and excellently kept, and recommends that they be approved.

Resolved, 2. The terms of service of the following members of the Board of Home Missions expire with this Assembly: *Ministers*—Samuel J. Niccolls, D.D., LL.D., Joseph Dunn Burrell, D.D., Albert Edwin Keigwin, D.D., Edgar Whittaker Work, D.D., and Williams Adams Brown, D.D.; *Elders*—Walter M. Aikman, Robert C. Ogden, Henry W. Jessup and Fleming H. Revell. Your Committee recommends these gentlemen for election to succeed themselves, with the exception of Dr. Samuel J. Niccolls, who, after long years of service, declines reëlection. In his place we recommend the election of Rev. Edgar P. Hill, D.D., of Chicago. In the place of Rev. Wilson Phraner, D.D., deceased, your Committee recommends Rev. W. Francis Irwin, D.D., of Louisville, Ky.

Resolved, 3. Your Committee recommends that, as in former years, the Sunday-schools make special contributions on the Sabbath nearest Washington's birthday, for the work of the Assembly's Board, and on the Sabbath nearest Thanksgiving Day, for the work of the Woman's Board. It observes with disappointment, that the contributions to the Board from the Young People's Societies throughout the Church show a decline from last year's standard by nearly $2,000. Pastors and leaders in these societies are urged to correct this tendency, and to enlarge their interest in and support of the work of the Board.

Resolved, 4. That this Assembly goes on record as expressing its confidence in the Board of Home Missions and its Secretaries, and commends them to the liberality and confidence of the whole Church.

Resolved, 5. WHEREAS, Many complaints and inquiries have been made concerning the authority of the agents of the Board of Home Missions on the field, and in the Presbyteries and Synods in which they work, and

WHEREAS, The Board of Home Missions, through its officers, has disavowed the authority of its agents over ministers or in Presbyteries or Synods, and asks that this Committee make known this fact to the Church,

It is therefore declared, That the agents of the Home Board, the Secretaries, District Superintendents, Department Heads, Pastor Evangelists, and Field Secretaries, and Presbyterial missionaries, have no authority over the individual missionary in anything in which he is responsible as a Presbyter to his Presbytery; nor shall these agents in any way interfere with the authority or action of the Presbytery or Synod within whose bounds they may labor. And we request the Board to send a copy of this resolution to every Presbytery in the Church.

All of which is respectfully submitted,

MAITLAND ALEXANDER, *Chairman.*

The Standing Committee on the Brotherhood, through its Chairman, Rev. William N. Sloan, D.D., presented its Report, which was adopted, as follows:

After six years of testing, the Presbyterian Brotherhood has proven to be an organization with a mission, worthy of a more positive and organic relationship to the Church than it has heretofore sustained.

Its object was originally, and is now, to intensify the work of men, so that the Church may have larger fruitage through this source of power. It crystallizes a great hope of the Church through the consolidation of masculine Christianity. Its supreme purpose must eventuate in greater spiritual force in the local church, and welding together all forces of Christian manhood.

Into this fellowship men are called to be volunteers under the leadership of the great Captain of our Salvation. A Church that is not using its men for the service of Christ is crippled in its right arm. Unless ministers are reinforced by the men in their efforts to save men, they are fearfully handicapped.

We are glad to know that the history of our Brotherhood has been more than a record of figures and facts. We believe this intensified spirit and fellowship of men in the service of Christ, has come at an opportune time in the providence of God. It is when the forces of Christendom are needed for heroic conquest. It is an age when generalities count little: when the concrete and definite things to do, appeal to men.

To bring this condition of things under more definite organic process, the Presbyterian Brotherhood of America was organized and came into being in the year 1906. The General Assembly, meeting at Des Moines, Iowa, in May, 1906, authorized the formation of a Brotherhood in the Presbyterian Church of the United States of America, to include all men's organizations now existing or hereafter to be formed in connection with local churches.

The Brotherhood now has enrolled 930 organizations, with a membership of 47,000. Realizing, however, that a more vital connection with the General Assembly was needed than that of formally adopting favorable resolutions, the Assembly of 1912 appointed an Advisory Committee on the Presbyterian Brotherhood at the request of the National Council of the Brotherhood.

Further, the Executive Commission of the General Assembly recommended that this Assembly meeting in Atlanta, Ga., make a deliverance on this subject, recommending "that hereafter all such movements appealing to men be under the direction of the Presbyterian Brotherhood, and that the men of our Church be counseled to coöperate with such movements in order that the best interests of the Church and the heartiest coöperation on the part of the men therein be conserved."

The Advisory Committee on the Presbyterian Brotherhood appointed by the Assembly of 1912 has its Report in the Blue Book, which, having been submitted to this Assembly, was referred to your Standing Committee on Presbyterian Brotherhood, together with the action of the Executive Commission.

After due consideration by your Committee, it is recommended for adoption, and is in substance as follows:

It recognizes the fact that the Brotherhood Council has been operating under disadvantages, with a widely scattered membership, and its organization not entirely in harmony with Presbyterian polity, yet "in the face of these hampering conditions, the Council has shown courage and faith, and your Committee believes that the time has come for the General Assembly to offer to the Brotherhood the stimulus and power which flows from organic relations with the Church."

The definition of principles and the recommendations unanimously adopted by the Advisory Committee, but which have not been acted upon by this Assembly, are hereby included in this Report for action and are as follows:

PRINCIPLES.—1. Men in the Church are a vital constituent part of the Church, and all men's organizations of whatever name are equally at home there and should always coöperate in the local church in behalf of unity of plan, harmony of operation and mutual helpfulness.

2. The plan for the unification of men's work in the local church should include in its scope all kinds of men's organizations.

3. The oversight of all organizations and societies is fully set forth in the Form of Government, Chapter XXIII, which shows the vital relation of such bodies to the Session. The Presbytery, the Synod and the General Assembly safeguard both local autonomy and coöperation of effort in the larger areas of State and nation.

4. The pastor, the Session and other church authorities should plan to increasingly use the men in the various societies of the local church as agents to carry on Christian work which needs to be done by the Church at large, and it is the duty of the men to recognize this claim and to coöperate for service, particularly with any of the Boards whenever requested.

5. Conditions in the local church must indicate what kind of work shall have the first consideration, but the following should be emphasized, to wit:

(1) Evangelism.

(2) Bible study.

(3) Social service and public morals.

(4) Missions as carried on by the agencies of the Presbyterian Church, and local mission work among emigrants, etc.

(5) Boys' work.

(6) The Presbyterian Brotherhood ought to be continued and ought to be effectively organized as a denominational agency in accord with the polity of the Church.

RECOMMENDATIONS.—1. That the name of the men's organization be: "The Brotherhood of the Presbyterian Church in the United States of America."

2. That the General Assembly elect the members of the Council of the Brotherhood. The same to be a permanent Committee of the General Assembly, on all forms of men's work, to consist of fifteen members, and to be divided into three classes of five members each, being three laymen and two ministers, and to serve for terms of three years; except that the first class shall serve for one year, the second class for two years, and the third class for three years, and thereafter, the term of each class expiring, their places shall be filled by their successors, to be elected by the General Assembly.

3. That, where not already appointed, a Standing Committee on the Brotherhood be created in each Presbytery and Synod, to be a means of oversight and coöperation within the bounds of the same, and of correspondence within the Council of the Brotherhood.

4. That there be a conference on men's work at each fall meeting of the Presbytery and at each meeting of the Synod, which shall have a definite place on the docket and be filled with questions pertaining to practical work.

5. That similarly the permanent Committee of the General Assembly having supervision of all kinds of men's organizations be assigned a definite place for its Report on the docket of the Assembly, next after the Report on Christian Life and Work, together with a popular meeting.

6. That all further details of organization be left to the Permanent Committee in connection with Presbyteries and Synods.

7. That the National Council of the Presbyterian Brotherhood of America be requested to change its Constitution, so as to conform to the above Resolutions and suggestions adopted.

8. That the Assembly approve a budget of $15,000 per annum for the Brotherhood, and that the same be commended to the churches for their liberal support.

9. That we most earnestly commend the paper, *Men at Work*, edited by Rev. Dr. W. C. Covert, to the men of the Church as a most helpful organ of information and inspiration on Brotherhood work and service.

The Committee also submits the following Resolutions for adoption:

Resolved, 1. That this Assembly bears testimony to the devotion, self-sacrifice and generosity which have characterized the administration of Elder Charles S. Holt, as a member and as the President of the Council of the Presbyterian Brotherhood of America.

Resolved, 2. The following persons are recommended as members of the Council:

First Class, one year: *Ministers*—A. H. Barr, D.D., George W. Luccock, D.D.; *Laymen*—Thomas D. Foster, Hugh H. Hanna, and Charles S. Holt.

Second Class, two years: *Ministers*—W. C. Covert, D.D., R. R. Bigger, D.D.; *Laymen*—Draper D. Dayton, William A. Arnold, and James J. Parks.

Third Class, three years: *Ministers*—H. C. Swearingen, D.D., W. N. Sloan, Ph.D.; *Laymen*—John M. Coulter, Ralph W. Harbison, Henry D. Crowell.

Respectfully submitted for the Committee
W. N. Sloan, *Chairman.*

The Report of the Executive Commission on Church Erection was made the Order for 3.30 o'clock this afternoon.

The Assembly took recess, and was closed with prayer.

WEDNESDAY, May 21, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Standing Committee on Publication and Sabbath School Work, through its Chairman, Rev. W. H. Wray Boyle, D.D., presented its Report, which was accepted, and, after addresses by the Chairman, Rev. Alexander Henry, D.D., Secretary of the Board, and others, was adopted, except the last Resolution, which was referred to the Executive Commission. The Report as adopted is as follows:

It is with very great pleasure that the members of your Committee have come to know each other as men in every instance deeply interested in the work which has fallen to their hands.

The year just closed has been notable in more than one respect. The seventy-fifth anniversary of the life and labors of the Board of Publication and Sabbath School Work has been suitably celebrated. In one of several important meetings held in connection therewith, over sixty missionaries of the field force were present, together with the Secretary and deeply interested friends of the Board.

It is interesting to make record that during the past year a larger amount of money, by $12,000, has been contributed in support of the work of the Board than in any previous year. A very notable achievement of the year has been the extinction of the mortgage indebtedness of $600,000 resting upon the Witherspoon Building. This handsome and commodious structure was first occupied by the Board in January, 1898. The property and building cost upwards of $1,000,000. Its value is considerably greater than that amount to-day, owing to the appreciation of property in the immediate neighborhood. Surely, the Board and the Church are to be heartily congratulated upon the successful completion of so important an undertaking!

It is with sincere sorrow we make record of an irreparable loss—the loss which the Church at large has sustained in the death of Dr. James Russell Miller, the beloved Superintendent of the Editorial Department of our Board. In loving appreciation of his unswerving loyalty to our living and loving Lord, his great and effective labors for the Church, and his noble and Christ-like character, we speak his name with becoming reverence. In the reflected influence of his life, in the after-glow of its imperishable light, we shall continue to walk until, like him, we hear the words of divine approval, "Well done, for well doing."

We are thankful to make record, as we have already done, of the increase of liberality in larger gifts; the offerings, however, from many churches might be very much larger than they are. In the same sentence with this, everywhere the gratitude of the Church is expressed to our faithful missionaries whose place of service for the great Shepherd of the sheep is on the "firing line" of the frontier, or in the congested districts of our great cities; and to the wise and consecrated superintendents. After the example of their great Master, in a very true sense, they lay down their lives that they may take them up again in redeemed character and Christianized community.

We thankfully make record of the Assembly's acceptance of the Intermediate Catechism, and approve of its use, with the Shorter Catechism, in Sabbath-schools, homes and catechumen classes.

It is impossible to overestimate the value of the Institutes conducted by our Educational Superintendents, in coöperation with the representatives of the Board. This we believe to be one of the most definite steps of progress in Dr. Henry's able administration It is reasonable to expect that large encouragement will be given by ministers and Sessions to the work of such Institutes, deepening, as they undoubtedly do, the interest of individual churches in the aggressive work of the Board.

Your Committee begs leave to make the following recommendations, for adoption:

1. Your Committee finds from the Seventy-fifth Annual Report of the Board of Publication and Sabbath School Work, that the last General Assembly appointed a special committee, with certain specific powers, to confer with the Board in the matter of Graded Lessons published by the Board for the use of Sabbath-schools; that as a result of various conferences of the Board and said committee, the publication of the Intermediate and Senior Lessons was to be discontinued September 30, 1913; that the Board, with the approval of the said committee, has undertaken a revision of the Beginners, Primary and Junior Lessons; and has also planned for the publication of other and improved Graded Lessons to take the place of those which are to be discontinued.

Your Committee heartily approves of the general plan of Graded Lessons for use in churches, preferring them to the Uniform Series; but while commending the Board for the service it has rendered the Church during this experimental stage, we believe the present lesson helps in the graded system may be substantially improved; and to that end we would recommend:

(*a*) That in case of the failure of syndication with the Reformed Churches, the Board carefully revise the present Beginners, Primary and Junior helps and go forward in the publication of new Intermediate and Senior Lessons; and that in such revision and publication the following things are suggested: (1) Simplicity of expression and clearness of definition. (2) Complete harmony, in all exposition and definition, with the system of evangelical faith accepted by our Presbyterian Church; and especially with regard to the divine inspiration of the Scriptures as the supreme revelation of God, the deity of Jesus Christ as God in the flesh, coequal with the Father and coeternal, the inherent sinfulness of human nature and the consequent need of a spiritual regeneration, and the atoning merit of Christ as a Saviour from sin.

And, further, that in the use of extra-biblical lessons, the honor of the Scriptures be maintained in this way: Where so-called "nature studies" or "stories" are used in the earlier grades (Beginners, Primary and Junior) they are to be used in connection with definite selections of Scripture, and then only in the form of pictures or emblems to illustrate moral or spiritual truths; and that in the use of biography or history, or ethics or social science, a definite portion of Scripture be used as a basis of the lesson, the biography or historical event, or principle of ethics or of social science being used to illustrate the Word of God and confirm its fundamental teachings.

(*b*) That in order to insure the Board against needless financial loss, the Board be granted the privilege of selling the series of Intermediate and Senior Lessons now in use, as they are called for, while completing the publication of the new series—the imprint of the Board being withheld.

2. Your Committee learns from the Report that the Board has acted upon the request that a conference be held with the "Sunday-school Boards of the Churches in the United States holding the Presbyterian system," with the view of securing coöperation in lesson publication; and that such a conference was held in Philadelphia, February 28, 1913. Your Committee therefore expresses its hearty approval of this action, and recommends a continuance of all such efforts to bring about the desired coöperation and syndication. (See Report of Board, p. 33.)

3. Finding that at the Missionary Conference held in Knoxville, Tenn., March, 1913, a resolution was adopted in which attention was called to the fact that sufficient care has not been exercised in all Presbyteries and Synods of the Church in the appointment of committees on Sabbath School Work, your Committee therefore recommends that in view of the growing importance, the widening sphere, and the increasing complexity of the work of Religious Education, Synods and Presbyteries be urged to exercise great care in the selection of the members of such committees, endeavoring to find men familiar with the subject of Sabbath-school missions and interested in promoting the work of Religious Education.

4. That churches and Sabbath-schools, in so far as possible, hold services on Children's Day in June, Rally Day in September and on the first Sunday of February; that the literature supplied by the Board be used, and that offerings be taken at such times in aid of Sabbath-school missions and Young People's work.

5. That the Westminster Hymnal be commended to Sessions for use in the prayer meeting, Sabbath-school services and services of a similar character.

6. That Sabbath-school extension work be undertaken by churches wherever practicable, so that neglected and unchurched villages, or country districts, may have brought to them the privileges of the Sabbath-school, such work being done by Sabbath-school workers, Christian Endeavorers or Brotherhood men, under the supervision of church Sessions.

7. That in the cases of churches sufficiently able, the support of Sabbath-school missionaries be undertaken by individuals or churches, in order to an increase of interest through engagement in specific work.

8. That all churches maintain Sabbath-school libraries, and that all libraries be equipped more fully, especially for the supply of books on technical subjects—such as missionary enterprises, Bible study, training of teachers and school organization; and that books of safe, attractive, and of a morally stimulating character for the home be kept in circulation.

9. That a convenient manual of family worship be prepared by the Board, and offered through the churches for use in the homes.

10. That in cities and towns of sufficient population, associations of Sabbath-school superintendents be formed for conference on Sabbath-school problems and methods; and that in all churches teacher-training classes be regularly organized, in order to the proper equipment of teachers and their recommendation to the Session for service.

11. That Sessions, or committees from Sessions, exercise most earnest oversight over the work of Sabbath-schools and catechumen classes, with this thought in particular in mind—that scholars may be led to a personal decision and confession of Christ.

12. That members of young men's classes be encouraged to identify themselves with the work of the Presbyterian Brotherhood, in order to the exercise of individual gifts in specific services for the Master.

13. That in common with the observance of Temperance Day and the study of temperance lessons, scholars be invited to pledge themselves against the use of intoxicants and tobacco.

14. That Overtures on Graded Lessons (239, 240, 241, 270, 293), having been passed upon by your Committee, they be placed in the hands of the Board.

15. That the gratitude of the Assembly be expressed in warm appreciation of the earnest labors of the officers and members of the Board during the past year.

16. That the statement of the Board touching the election of members be received and its action confirmed. The following persons are recommended for election: Rev. W. Courtland Robinson, D.D., and Rev. James Ramsay Swain, to fill the unexpired terms of Rev. Mervin J. Eckels, D.D., and Rev. Robert Hunter, D.D., both resigned; and Rev. George H. Hemingway, D.D., to fill the vacancy caused by the death of Rev. Samuel McLanahan; that the following

members whose term of office expires in June—Rev. Louis F. Benson, D.D., Rev. W. Beatty Jennings, D.D., Rev. J. M. Johnson, Rev. Edmund G. Rawson, Rev. John A. MacCallum, and Messrs. Robert H. Hinckley, William H. Scott, Franklin L. Sheppard and Cheesman A. Herrick—be reëlected to serve for three years; that John H. DeWitt, Esq., of Nashville, be elected to fill the place made vacant by the death of the Hon. I. H. Goodnight; that the Rev. George H. Mack be elected to succeed Rev. S. D. Logan, now a member of the Southern Presbyterian Church; and that the Rev. R. W. Binkley, D.D., be elected to succeed the Rev. J. D. Hunter, resigned.

17. That an Advisory Committee, composed of special representatives from various Synods, be appointed by the Board for purposes of conference and correspondence.

The Committee also submits recommendations upon matters referred to it by the Assembly:

1. The matter of the supervision by Sessions of Young People's work, referred to the Committee by the Executive Commission, is recommended for approval, viz.: The Assembly urges upon every church Session the appointment of a permanent Committee on Young People's Societies, to the end that a strong and prayerful effort be made to increase the efficiency of the organization in more thorough and systematic Bible study, in the promotion of deeper spirituality, and in more zealous interest in and more liberal offerings to the benevolent and missionary enterprises of the Church.

2. Your Committee begs leave to call attention to Recommendation No. 2 of the Special Committee on Religious Education, and recently approved by the Assembly, namely, that particular churches are advised anew to form councils of religious education, which under the direction of the Session shall have charge of the educational work within their bounds. Your Committee recommends that such permanent Committee on Young People's Work be made up of church Sessions, or committees from church Sessions, having power to increase the membership of the same, and accomplish the proposed work of encouragement and stimulation.

All of which is respectfully submitted.
W. H. Wray Boyle, *Chairman.*

Your Committee would respectfully report as follows:

2. In reference to the Ohio flood sufferers, the following action is recommended:

We deeply sympathize with our brothers in the Ohio Valley who have suffered so much in the recent floods, and who have been so severely afflicted. In view of the disastrous results, we would most heartily recommend to all our churches that the pastors present the matter to their various congregations, urging them most strongly to do all in their power, at once, to assist in rebuilding and reëstablishing the churches and Sunday-schools which have been partially or totally destroyed.

3. In answer to the Resolution committed to us on the White Slave Traffic, the following answer is recommended for adoption:

Believing that the time has come for the Church to speak out upon the White Slave Traffic, the General Assembly orders the appointment of a Special Committee of five, to be appointed by the Moderator, to consider the enormous violation of the Seventh Commandment involved in the traffic, and the Church's duty to the youth and family life of the nation, in view of those foul interests that corrupt and threaten the nation's life, and also toward that large unfortunate class for whom the heart of Christ bleeds, and for whose souls His Church cannot evade responsibility.

4. In answer to *Overtures 201* to *223* inclusive, *291*, *292* and *306*, relative to the Loose-leaf System, the following is recommended:

That the use of the Loose-leaf System be permitted, provided each set of records be kept on leaves of uniform size and style, numbered consecutively in uniform type by some printing mechanism, held securely in an automatic locking binder, from which they cannot be removed without unlocking, and ultimately bound in permanent book form in volumes of not more than 400 leaves.

Respectfully submitted,

The Standing Committee on Foreign Missions, through its Chairman, Rev. William R. King, D.D., presented its Report, which was accepted, and, after addresses by Rev. A. W. Halsey, D.D., Secretary of the Board, Rev. Edward W. Koons, of Korea, and others, and prayer by Rev. George N.

Luccock, D.D., was adopted. At the conclusion of the consideration of the Report, the Assembly was led in prayer by Rev. George Alexander, D.D., President of the Board. The Report is as follows:

Your Committee on Foreign Missions, in presenting to you the Seventy-sixth Annual Report of the Board, desires to call to your attention a few of the general facts therein contained; and, also, some of the convictions that have come to us through a study of this magnificent Report.

It is with much regret that we note the announcement of the death of several of our most noted and successful missionaries; but we rejoice in the fact that eighty-nine new missionaries have been sent out the past year, making our total force now under commission by the Board 1,157—the largest number our Church has ever had in the foreign field.

We note also with gratification the increase last year in the gifts from the churches, Women's Boards and Sabbath-schools, amounting to $38,000 more than the preceding year, and $12,000 more than was ever before received from these sources in the Board's history. The total gifts from all sources amounted to almost $2,000,000; and the Board's operations are now the largest of all the 349 mission boards and societies of all denominations in the world.

It is with profound gratitude to God that we report to the Assembly the liberal response on the part of many of the churches to the special China Emergency Appeal, authorized by the last Assembly. More than $300,000 have already been pledged, and about forty men and women have offered themselves to go to China. But we would urge upon the churches and congregations, which have not already contributed to this fund for reinforcing the China Mission, to do so without delay, in view of the extraordinary opportunity now confronting the Church in the Republic of China. The China campaigns as carried on last year not only did not interfere with the other benevolences of the Board, but, so far as can be judged from the testimony of pastors and elders in whose churches the campaigns were held, it was a great spiritual benefit to the Church and the community. The appeal sent forth by the Chinese Cabinet, asking that the Christians of China set apart Sunday, April 27, as a day of special prayer for the new Republic of China; the recognition of the Republic of China by the United States Government; the enthusiasm shown by thousands of students in connection with the meetings held under the auspices of the World Missionary Conference; the reports from many mission stations of increased attendance at services; and the very large number of those who confessed Christ, present an emergency call to the whole Church that is imperative. Not to listen to this call would be to lose an opportunity which has never before been given in all the history of Foreign Missions.

Your Committee is impressed, first of all, with the unparalleled opportunity now offered to the Church for the evangelization of the world. We can take but a bird's-eye view of the field in this Report; but even a hasty review will disclose the marvelous opportunity.

I. SYRIA.—Despite the uncertainties and unsettled conditions attendant upon the Balkan War, the Syrian Mission reports a most prosperous year. One of the most prominent of our missionaries in Syria stated to your Chairman a few months ago, that more men in Syria had inquired about Christ and Christianity in the last six months than in the preceding six years.

II. PERSIA.—Never since Mohammedanism arose, to curse and blight its millions, has there been so hopeful an interest and opportunity for the Christian Church as is now offered in Persia. The entire North Persia is being left for evangelization almost exclusively to our Church. In this territory there are about 5,000,000 people, with only two ordained men to carry on the work.

III. AFRICA.—In Africa, God's favor is marvelously manifest. The work has increased 1,000 per cent. in seven years. Mere weight of numbers is a problem; audiences number thousands; converts, hundreds; multitudes are accessible and receptive, and pleas for instruction pour in. Self-support and evangelism characterize the Church. Native pastors, native evangelists, supported by native funds, native teachers scattered through jungle towns, prophesy a self-propagating, self-perpetuating Church. One native church supports twenty-three evangelists. Along with these the value and necessity of industrial work is more and more evident.

Romish opposition is a difficulty and incentive. The approach of Moslem propaganda constitutes at once a menace and a challenge to the Church. Large reinforcements are a necessity that the day of opportunity be not lost.

IV. INDIA.—The following are significant facts in India:

1. A distinct renaissance, or awakening, of the country; visible politically, in the recent unrest and demands, which were allayed only by the reforms of Lord Morley, and the King-Emperor's visit; visible socially, in the rise of the low castes, the education of women, and the adaptation of caste

to modern conditions; visible religiously, in the activity of the Arya Samajh, and other reform movements.

2. A coming to its own of the Indian Church, as seen in a growing desire on the part of many leaders for a comprehensive Church; and a growing desire for freedom to develop along such lines as will conduce to the natural expression of the spiritual instincts of Indian Christians; and, furthermore, in the conviction that churches and missions should make a distinct advance by placing capable Indians on a footing of complete equality in status and responsibility with Europeans.

3. A very marked growth in the spirit of unity and brotherhood in the spirit of missionaries in the various denominations.

4. A marked growth in the scientific temper and method in mission work exemplified especially in various conferences held under Mr. Mott, 1912–1913.

V. SIAM.—In Siam our mission work is becoming more hopeful. This is the land of the white elephant, the yellow-robed priest, and Presbyterians. The Presbyterian Church is practically the only Protestant body working in this country. Siam has been one of our most difficult fields, but now shows hopeful signs. Last year there was a net gain of 20 per cent. in the membership of the churches. While the total number of Christians in Siam is very small after seventy-six years of faithful work, we must remember that our force of missionaries has been also small; and that, in addition to the extremely trying climate, which has compelled many of our missionaries to return after a few years of service, we have also had to face in Siam that extremely southern type of Buddhism which is so difficult to meet; there is also in Siam one yellow-robed priest for every forty-five of the population.

VI. LAOS.—Northern Siam, or Laos, is perhaps the second greatest mission field of our Church to-day, in its need and its opportunity. We believe that the time is ripe for bringing before the whole Church the situation in the Laos field. Within the past two years a series of providences has given us unprecedented opportunities for investigation and exploration among the Laos in Tonkin and China. We now know our field as we never before did. Our task in Laos is distinct, important, and immense. It is distinct because our Church is the only Church working among these people. It is important because the people themselves are important. It is immense because of the number of the people. There are at least fourteen, and, possibly, sixteen millions, most of whom have never heard the name of Jesus Christ. These people are scattered over a territory of 400,000 square miles; three times as large as Japan; five times as large as Korea;

nearly half as large as that part of the United States, east of the Mississippi River.

Siam and Laos are distinctively Presbyterian missions, and call loudly for reinforcements at this time.

VII. Korea.—It has been Korea's opportunity to refute once more the charge of "Rice Christians." Through these days of imprisonment there have come from the prisoners reports reminding us of Paul's incarcerations, when he converted his guards and fellow-prisoners.

During the year the first Korean General Assembly has met, composed of four branches of the Presbyterian Church. Is this prophetic?

In the midst of their severe trials they raised $1,000 to send two evangelists to China. Instead of the trying experiences of the past year hindering the work in Korea, they have in reality been a blessing, in driving the people to their knees in earnest prayer, in strengthening their faith in God, and in making them more determined to preach the Gospel of Jesus Christ, who is their only hope.

VIII. Japan.—The reports from Japan are very encouraging. The Three-Religions Conference shows the position Christianity has already gained in that empire. Its representatives were invited by the government to meet with Shintoists and Buddhists to consider the ethical and religious needs of the times. Then, too, one of the most earnest Christian laymen in the nation has been raised to the peerage; and the common people are feeling the power of the life set forth by Christian teaching.

We desire to unite with our missionaries in Japan in expressing our strong appreciation of the wise and statesmanlike course of President Wilson, in his effort to give full recognition alike to federal, State and Japanese interests in California; and to express our earnest hope that the Christian people of the United States will aid in creating a public sentiment which will effectively support our Government in this difficult and delicate situation.

IX. China.—The marvelous results of missionary work in China are before the world to-day as evidence of what the Gospel is accomplishing in that ancient land. To quote from the report of the China Council: "By means of the red cross, its hospital works far-reaching influence . . . . by means of the press, the schools, and rostrum . . . . by the Holy Spirit's working through the lives of native Christians . . . . through the 4,000 Christian missionaries, through Christian books, and in answer to the prayers of God's faithful ones in all lands, this great people is being slowly moved

Godward . . . . never since the days of Constantine has the Church faced such wide-open doors." Such a revolution as has recently been accomplished, almost bloodless, would have been impossible save for the missionary propaganda. It is the testimony of the missionaries and the leaders of the revolutionary movement, that no influence has been more potent in bringing about this great change than the work of the missionaries. General Li Yuan Hung, the man who led the revolutionary army to victory, and who is at present the Vice-president of the Republic of China, said: "China could never have done what she has done had it not been for the missionaries." For the first time in history a pagan people has asked for the prayers of Christians. At last China is opened for the Gospel. Many of the leading officials are Christian men, and in many places the officials are building houses for the preaching of the Gospel. The old temples have been converted into barracks for the army; idols have been hurled into the streets, and missionaries can even preach the Gospel to-day in heathen temples. Recently revival services were held in the Temple of Heaven at Peking. The gentry classes are becoming sympathetic; the cities have opened their gates to missionaries, and never before in all the history of missions has any such opportunity come to the Christian Church.

X. LATIN AMERICA.—A new day is coming also in Latin America. The rapid completion of the Panama Canal and the inspiration given to various commercial interests on account of this, together with the revolutions in South American countries, have brought vividly to our attention the needs of Latin America. It is the judgment of our Board that we should give more earnest attention to the work in these countries. The Catholic Church is not meeting the needs of the people. Religious indifference, agnosticism and infidelity, especially in the more enlightened Latin-American countries, have laid a strong hand upon most of the 71,000,000 people. There is a crying need and a great opportunity for Protestant missions in Latin-American countries.

XI. HOME DEPARTMENT AND THE HOME CHURCH.—The Home Department and the Home Church deserve a moment of our special attention. The vital importance of this department is being increasingly recognized. It must furnish the sinews of war, not only in money, but still more in men. It must do this double task by keeping the Church at home in constant and living touch with the work abroad. It must have its thoroughly organized system for the steady year-to-year work, but that system must be elastic enough to respond to sudden and great emergencies, like the present call from China.

Certain points need to be emphasized: 1. At the foundation lies the missionary education of the young; in this connection attention is called to the thoroughly organized and splendidly effective work of the present department of missionary education.

2. We desire to express our sense of the value of the library and periodical literature sent out by the Board. We raise the question whether the illustrated lectures ought not to be made free for all Presbyterian churches, the only charge being for expressage and breakage.

3. We would suggest also that missionaries on furloughs should be brought into contact with the churches as largely as possible. Even those who have no great gifts as speakers can render great service by making the field real to the Church. To this end we would suggest to the Board some more systematic way of using the missionaries who are on furlough.

4. We would urge upon the Presbyterial and Synodical Committees that the work in large measure depends upon the thoroughness of their organization and their fidelity in the cause. Where these committees take themselves seriously, accepting responsibility as an integral part of the machinery of the Church, results are bound to follow.

Such, in brief, is the opportunity that faces us on the foreign field. The widest, most hopeful, most pressing that has ever faced the Protestant Church. What does it mean? It is God's challenge to the Church. Brethren, these are awful days in which we are living. The opportunity is so great that it overwhelms us. The whole wide world is saying to the Protestant Church: "We would see Jesus"; and God is saying to us: "Go in and possess the land." Some one has said: "Again the world stands at the cross-roads of history. . . . . A few brief years will fix the course of centuries." The King's business requires haste. Already the reaction against Christianity is setting in in many countries. In India, Burmah and Japan the native religions are being revived; new temples are being built; controversial literature is being distributed; Buddhistic preaching is being encouraged, and our own methods of propaganda are being taken up by the advocates of non-Christian religions and being used for their revival.

The growth of infidelity is another alarming sign of the times in non-Christian lands. The educated people are breaking away from their old false religions, but are refusing to accept our faith. One thing is sure, the old non-Christian religions cannot stand in the light of modern education and civilization. They must go and are going, but what shall take their place?

The impact of unholy influences from the Western world upon the East is making it increasingly hard to evangelize the nations; and every day lost lessens by that much the chances of our success.

Your Committee feels, Mr. Moderator, that this is the day of the Lord; that to-day is the day of salvation for the great non-Christian world. Never again will China be so receptive as she is to-day; never again will the Church be so able to meet the power of Mohammedanism in Africa as to-day; never again can we hope for such an open door to all the fields of the world. The Church must enter the door while it is open. It has been truly said: "We blame the Church of the past—of Judea, of the Roman Empire, of the Crusades, of the Reformation, of the American Colonies—because it did not know the day of its visitation, but let so many opportunities slip from its grasp. What will the future say of us?" We are paying to-day for the neglect of the Church in former centuries. Who will pay for our sin of neglect if we fail God in this day of opportunity? No generation ever faced such an opportunity; it is marvelous and alarming; it staggers us with its appeal. It is God's challenge. Will we meet it? Can we meet it? By God's grace, we can. In God's name, we will.

Resolutions.—We submit the following resolutions:

1. That the Minutes of the Board, and the Financial Report, which have been examined and found in perfect order, be approved.

2. That the Assembly expresses to the Board and its Secretaries the great confidence which it reposes in them; and extends to them its sincere thanks for their wise and faithful administration, invoking upon them the blessing of God during the coming year.

That the following members of the Board, whose terms expire with this meeting of the Assembly, be reëlected to serve for three years in the Class of 1913–1916: *Ministers*—Eben B. Cobb, D.D., James B. Dennis, D.D., John McDowell, D.D.; *Ruling Elders*—Mr. John Stewart, William F. Stiger, Esq., Mr. Alfred E. Marling, T. H. Cobbs, Esq. In recommending the reëlection of William F. Stiger, Esq., the Assembly wishes to express its high appreciation of his twenty years of loyal and unremunerated service as Special Counsel for the Board; and extends to him its thanks.

3. That the Assembly notes with great satisfaction the liberal response on the part of many of the churches to the

China Emergency Appeal authorized by the last Assembly. It renews that appeal, and directs that it be pressed till the whole meed of men and money is completed. At the same time it urges upon the Board the necessity of securing in the near future a much larger force of missionaries for China than is now proposed; and appeals to the churches to rise to the present unparalleled opportunity in the entire East, so that we may have in every field as large a proportionate force of missionaries as the Church's response of five years ago enabled us to pour into Korea.

4. In view of the unparalleled opportunities for the investment of life in the foreign field, we urge all Sunday-school officers and teachers to pray, labor and expect pupils to consecrate their lives to this service. As an aid to this end, we commend the use of the educational material provided by the Board.

5. That the Assembly notes the splendid work accomplished by the Women's Board, and commends their consecrated and faithful presentation of the great needs of the world-wide field, through which they have secured during this past year nearly one-third of the entire gifts reported from the Church.

6. That the Foreign Board be commended for its wise and vigorous campaign of missionary education, and encouraged to use every effort, in harmony with the policy of the Assembly, to thoroughly and speedily inform the Church of the needs of the great non-Christian world, and arouse it to its opportunity and responsibility; giving special attention to the churches in small towns and rural districts.

7. That while fully appreciating the value of the budget system of finance, we would call attention to the necessity for adding to the mere act of giving, intelligence concerning fields and needs; and would, therefore, urge the use of the Board's literature, our Church periodicals and other means, for creating and maintaining a sustained interest in the varied causes in which we invest. More especially would we urge that Synodical and Presbyterial committees consider themselves as responsible for their share of the work as the Board and Secretaries themselves.

The matter of the payment of extra expenses of Commissioners for Entertainment in Atlanta, voted in the negative on Tuesday, was taken up by reconsideration and was referred to the Committee on Finance.

The following was adopted:

Resolved, That the General Assembly of the Presbyterian

Church in the United States of America, in session at Atlanta, Ga., heartily commends President Woodrow Wilson for his recognition of the Republic of China; and expresses its gratification that he, an elder in our Church, and a child of Calvinism, whose political expression is republicanism, should welcome into the fellowship of nations this latest born of the world's republics.

Resolved, That this action be transmitted to the President.

The Special Committee on Graded Lessons, through its Chairman, Rev. Charles Little, D.D., presented its Report, which was amended and adopted, and is as follows:

The Committee on Graded Lessons in the Sunday-schools appointed by the General Assembly of 1912, in session at Louisville, Ky., respectfully reports as follows:

The Committee was appointed under the following Resolutions:

"WHEREAS, The Graded Lessons now in use in the Sunday-schools are unsatisfactory to a portion of the Church; and

"WHEREAS, Our Board of Publication and Sabbath-school Work is one of a syndicate publishing said Graded Lessons, therefore be it resolved,

"1. That the Assembly, through its Moderator, appoint an *ad interim* Committee, to which shall be referred, in connection with the Board of Publication and Sabbath School Work, the whole matter of the Graded Lessons.

"2. That the Assembly directs the Board of Publication and Sabbath School Work, and the *ad interim* Committee to be appointed, to withdraw from circulation such Graded Lessons as the Committee finds objectionable.

"3. That said *ad interim* Committee report to the General Assembly which shall meet in Atlanta, Ga., in 1913, all matters concerning said issue" (*Mins. G. A.*, 1912, p. 153).

The following-named persons were appointed by the Moderator on the Committee: *Ministers*—Charles Little, D.D., Chairman; Frank W. Sneed, D.D.; William R. Taylor, D.D.; Thomas N. Weaver, D.D.; Robert Scott Inglis, D.D.; Marcus A. Brownson, D.D.; *Ruling Elders*—Hon. John W. Foster; Hon. John Wanamaker; Mr. James Yereance; Dr. George W. Bailey; Pres. John H. Finley. President Finley resigned from the Committee on account of the pressure of other duties, and the Moderator appointed in his place, Prof. Malcolm MacLaren.

In pursuance of the duties assigned to it, the Committee has held four meetings, all in the city of Philadelphia, and in the Witherspoon Building. All the meetings were opened and closed with prayer for divine guidance.

The Rev. Dr. William H. Roberts has served as Secretary of the Committee.

The first meeting was held on June 11, 1912.

The Board was represented by Hon. Robert N. Willson, *President*; Rev. J. Harvey Lee; Rev. Frank W. Lukens and Mr. Franklin N. Sheppard, all of whom were heard.

The Committee requested the Board to appoint a Committee of its members for future conference with a view to coöperative action, and the following resolutions were passed:

1. That a sub-Committee be appointed to inquire into the origin, development and present status of the Graded Lessons.

2. That the Board of Publication and Sabbath School Work be requested to provide each member of this Committee with a full set of the Graded Lessons and accessories issued to date, and also with copies of the majority and minority Reports of the Editorial Committee of the Board on Graded Lessons.

3. That the members of this Committee be requested to examine all the Board's documents carefully, and to submit any criticisms and suggestions, which they may deem worthy of consideration, to a sub-Committee to be hereinafter provided for.

4. That a sub-Committee be appointed to receive these criticisms and suggestions, with any others that may be sent in by persons not members of the Committee, together with such as have been published in newspapers and pamphlets, and that the results when tabulated shall be sent to each member of the Committee for consideration.

During the summer the members of the Committee carefully examined the Graded Lessons issued, and the second meeting of the Committee was held November 12–14, 1912.

The representatives of the Board of Publication were present, and a resolution was passed inviting all the members of the Board to sit with the Committee at all its sessions.

A carefully prepared report of the sub-Committee on the Origin, Development and Present Status of the Graded Lessons was presented by Dr. Bailey, and was accepted.

An extensive report of the sub-Committee on Criticisms of the Graded Lessons, published in religious papers, and also communicated by letter to the Committee by church Sessions, ministers, Sunday-school teachers and others, was presented by the Rev. Dr. William R. Taylor. A supplementary report on the same subject was presented by the Rev. Thomas N. Weaver, D.D. Representatives of the Board of Publication and Sabbath School Work stated that all documents, letters, etc., upon this matter, in possession of the Board, were subject to the call of the Committee. The majority Report of the Editorial Committee of the Board, approving the Graded Lessons now in use, was submitted, and also the minority Report of the same Committee. Further, the resolutions and actions of the Board on this matter were submitted by the Secretary, Rev. Alexander Henry, D.D.; and in addition, Rev. Milton S. Littlefield, writer of many of the Graded Lessons of the Intermediate Series, with Mrs. J. W. Barnes, Chairman of the Graded Lesson Conference, were heard at length.

Rev. R. W. Miller, D.D., Secretary of the Sunday-school Board of the Reformed Church in the United States, by invitation, presented a statement of the practicability of issuing a system of Sunday-school Graded Lessons, by the Publishing Agencies of the Presbyterian and Reformed Churches in the United States.

After full consideration the following resolutions were unanimously adopted by the Committee:

Resolved, 1. That while favoring a system of Graded Lessons, the Board of Publication and Sabbath School Work be instructed to cease the publication of its Graded Series of Sunday-school Lessons above the Junior Grade, on September 30, 1913, or at an earlier date if practicable.

Resolved, 2. That a sub-Committee of five be appointed to prepare a tentative report to the General Assembly, and that the sub-Committee be authorized to report a plan of revision of the Beginners', Primary and Junior Series of Graded Lessons, in connection with the Board of Publication and Sabbath School Work; and, further, a plan for the Intermediate and Senior Graded Lessons of an International Uniform Lesson Series.

Resolved, 3. That we request the Board of Publication and Sabbath School Work to enter into no new obligations for the preparation of new lessons for the existing series.

Resolved, 4. That the Board of Publication and Sabbath School Work be requested to withdraw all advertising of the Graded Lessons other than the Beginners', Primary and Junior Lessons.

Resolved, 5. That the sub-Committee of five, and the Board of Publication and Sabbath School Work, be requested to confer with the Boards of Publication and Sunday School Work of the Churches in the United States holding the Presbyterian System, with the view of securing coöperation in lesson publications, in accordance with the recommendations of the Council of the Reformed Churches. And the Committee, further, approves of a syndicated service in the interest of large economy and good fellowship with other religious bodies, providing that the lessons issued by the Board absolutely conform to the Presbyterian Standards.

Resolved, 6. That the sub-Committee of five, and the Board of Publication and Sabbath School Work, be requested and directed to report their acts and recommendations in connection with the above resolution to this Committee at its next meeting.

The third meeting of the General Committee was held on January 28, 1913, and preparatory thereto a conference was held between a sub-Committee of this Committee and the Board's Committee, on Friday, December 27, 1912.

The action of the Board of Publication, November 26, 1912, was presented as follows:

Resolved, 1. That this Board wishes to communicate to the General Assembly's Committee on Graded Lessons, through its sub-Committee, its endorsement of the principle of the Graded Lessons; and also to express to the Assembly's Committee its belief that no system of Uniform Lessons, of which the Board has knowledge, lends itself to the carrying out of this principle.

Resolved, 2. That the Rev. William Beatty Jennings, D.D., be appointed on the Board's sub-Committee to fill the vacancy caused by the death of the Rev. Samuel McLanahan.

Resolved, 3. That the Board, through its sub-Committee, confer with the Boards of Publication and Sunday School Work of the Reformed Churches in the United States holding the Presbyterian System, with reference to coöperation in lesson publication.

Resolved, 4. That the sub-Committee of the General Assembly's Committee be requested to have an early conference with the sub-Committee of the Board.

The question of the Board's embarrassment with reference to furnishing material for the Fourth Year Intermediate Graded Lessons to some 125,000 scholars of our Presbyterian churches, now using the same, in view of the action of the General Assembly's Committee directing the Board to cease publication and sale of the Graded Lessons above the Junior Grade, on or before September 30, 1913, was considered. After prolonged discussion, and with the understanding that the Board will publish this material independently of the syndicate heretofore publishing the Graded Lessons, and will secure a writer who will prepare this material in conformity with the Standards of our Church, the following action was taken:

Resolved, 1. That no objection is offered by this Committee to the issuing of a fourth year of an Intermediate Series of Lessons, as suggested by the Board of Publication and

Sabbath School Work, it being understood that the Board takes the responsibility of such publication.

Former action of the Committee, as embodied in Resolution No. 3, adopted November 14, 1912, is therefore modified in this particular.

It was further, in this matter of revision of the Graded Lessons,

Resolved, 2. That we recommend the revision of the Beginners', Primary and Junior Lesson Helps, so as to express, with greater clearness, the fundamental Scripture doctrines which are in common most surely believed by the coöperating bodies of the syndicate and other evangelical bodies, namely:

(1) The Scriptures as an authoritative revelation from God.

(2) The sinfulness of human nature and the need of regeneration.

(3) The atonement offered by Jesus Christ.

Resolved, 3. We recommend that, as a rule, in the revision of the Beginners', Primary and Junior Series of Graded Lessons, the Bible text be made the basis of instruction, and that there be a substantial reduction in the number of extra-Biblical lessons.

Resolved, 4. That in the revision, especially of the Junior Course, greater emphasis be laid upon the spiritual side of our work, and that in the "Forewords" of the Teachers' Text-books there be incorporated some suggestions on the best methods of leading scholars to Christ.

As to the revision of the elementary Graded Lessons which have been retained, the Committee has prepared a list of specific sentences and paragraphs in these lessons requiring to be rewritten, in order to set forth evangelical truths plainly taught in, or to be inferred from, the Scripture passages explained.

These exceptions, and others which may be noted, were presented to the Board of Publication, as suggestive of the lines on which the Committee desires the revision to proceed.

Furthermore, the Committee recommends that certain statements in the "Forewords," and in other instructions to teachers, inculcating the doctrine that salvation comes by the development of character, rather than by the regenerating grace of God in Christ through the power of the Holy Spirit, be made to conform to the Standards of our Church as based upon Holy Scripture. For example, the statement in the Junior Teachers' Text-book, 3d year, Part 11, pp. 119, 120:

"Why may not the child's spiritual life be made continuous, as well as his physical and mental life? If this is possible—

and that it is possible there is abundance of testimony from actual experience—then conversion, as ordinarily understood, is not necessary. Conversion consists in a moral change, a turning of life in a new direction. But our efforts should be to make such a change unnecessary in the case of the child. He should be so rightly guided as to call for no change. Moving in the right direction, he should simply continue on a way leading to ever-increasing light."

Our Church, of course, believes in Christian nurture, and this Committee has not overlooked the qualifying words of instruction to teachers which follow the quotation cited; but as this is set forth as a common experience of all children, whether born of Christian parents and trained in Christian homes or otherwise, and as there is no recognition of the regenerating work of the Spirit of God, the statement quoted above is misleading.

To the presentation of the purpose and aim of the Graded Lessons stated in the "Forewords" and in the instructions to teachers, the following should be added: "*To lead the scholar to accept by faith the salvation offered in the Gospel to sinners.*" For surely, the prime object of the Sunday-school is to lead the scholars to Christ the Saviour, and then to train them in the Christian life with its privileges and duties.

These instances are cited as illustrations of the points to be observed in the revision or rewriting of the elementary graded lessons. All quotations which inculcate doctrines at variance with the teachings of our Standards, and recommendations of books for study by teachers, which are open to the same objection, should be omitted.

As to the Grades above the Junior, of the present series of Graded Lessons, the Committee, exercising the power conferred upon it by the last General Assembly, directed the Board to cease the publication and sale of the same, on or before September 30, 1913, the end of the Sunday-school year, for the following reasons:

1. The large number of extra-Biblical lessons included. It is the strong conviction of the Committee that the time for the study of the Bible itself in the Sunday-school is so limited —twenty-six hours a year at most—that the study of the Word of God should occupy the time and attention of teachers and scholars. Occasional lessons on the lives and works of great religious leaders, the history and influence of Christian Churches, or the missionary, moral and social questions, now engaging the attention of the Church, might be most helpful; but the Committee is of the strong conviction that, for the most part, such material can be readily introduced as illustrative of Biblical Lessons, the Word of God itself being

the authority upon and furnishing the principles for the study and solution of all such questions, for it is "the only infallible rule of faith and practice."

2. The point of view and the working out of the aim of these higher grades. The failure to make sufficiently clear and emphatic the doctrines held by the Evangelical Churches, noted in the Beginners', Primary and Junior Lessons, is still more evident in the Intermediate and Senior Grades. In particular these essential doctrines: (1) The Scriptures as the supreme authoritative revelation of God. (2) The innate sinfulness of human nature and the need of regeneration by the Spirit of God. (3) The Deity of Our Lord Jesus Christ and His atoning Sacrifice. The scholars need the most explicit and forceful instruction upon these and kindred great and essential truths.

While favoring a system of Graded Scripture Lessons on the uniform lesson topics for the higher grades, in such schools as prefer them, the Committee, after consultation with the Board of Publication, and with other expert Sunday-school leaders, is not able, at present, to recommend a system of Scriptural Lessons, lending itself to such gradation, better than the present system of International Uniform Lessons with its well-graded Lesson Helps, enabling teachers to adapt these lessons to different ages and degrees of intelligence.

The fourth meeting of the General Committee was held on April 1, 1913, and the Committee once more reviewed the work committed to it. The following statement was adopted:

The Committee desires to express its hearty commendation of the Westminster Helps in the International Uniform Lessons, and to declare that no action of this Committee in providing for a series of Graded Lessons is to be interpreted as expressing an opinion as to the relative merits of the Graded and the Uniform Lessons.

The Secretary of the Board of Publication and Sabbath School Work reported that, after conference with the representatives of the publishing agencies of Presbyterian and Reformed Churches in the U. S. A. and the Presbyterian Church in Canada, he was able to state that there is a prospect of a syndicated service, by those bodies, in publishing Sunday-school Graded Lessons, in accordance with the recommendation of the Council of the Reformed Churches.

The Committee hereby expresses its high appreciation of the cordial coöperation which it has received from the Board of Publication in the execution of the difficult and delicate task entrusted to the Committee by the General

Assembly, and also of the earnest and self-sacrificing devotion of the members of the Board in the service of the Church. The Committee would also recognize most heartily the enterprise and ability with which the Board has endeavored to meet the demand for a complete system of Graded Lessons, and would not have the need which has been discovered for changes in certain particulars cause any to overlook the many excellencies of the Lessons.

The following recommendations are presented to the General Assembly for adoption:

Resolved, 1. That the action of this Committee, at its meeting, November 14, 1912, in directing the Board of Publication and Sabbath School Work to cease the publication of the Graded Lessons above the Junior Grade on or before September 30, 1913, be and is hereby confirmed.

Resolved, 2. That the Board of Publication and Sabbath School Work is directed to secure a careful revision or rewriting of the Beginners', Primary and Junior Grades of Lessons, in harmony with the clear and positive teachings of our Standards of Doctrine, for the use of such schools as may prefer these to the International Uniform Lessons; unless the proposed plan of preparation of lessons of a Graded Series by the publishing agencies of the Presbyterian and Reformed Churches of the U. S. A. shall be carried out within a reasonable time. (In case of the adoption and execution of this plan, the Elementary Lessons now in use would not be required.)

Resolved, 3. That the General Assembly approves of a syndicated service in the publication of the Lessons, in the interest of large economy and fellowship with other religious bodies, provided the Lessons issued are not at variance with our Standards, and that, in particular, the Assembly approve of a syndicated service with the Churches of the United States of America holding the Presbyterian System, in accordance with the recommendation of the Council of the Reformed Churches.

Resolved, 4. In view of the action taken by the representatives of the Boards of Publication of the Presbyterian and Reformed Churches looking toward the production of a new series of Graded Lessons, that, to relieve the Board of Publication and Sabbath School Work of embarrassment in providing lessons above the junior grade after September 30, 1913, no objection is offered to the issuing by the Board of an independent course of Graded Bible Lessons for these grades, and for the use of such schools as may desire them, while this whole subject is being adjusted, it being understood that whatever is done shall be under the conditions indicated in Resolution of this Committee contained in an earlier portion of the Report.*

Resolved, 5. That the General Assembly earnestly and affectionately calls to the attention of the superintendents and teachers in the Sunday-schools under its care, the essential aim and object of the Church in its teaching function, which is, to lead the scholars to accept Jesus Christ as the Saviour from sin, and to train them up in the knowledge of God and of human life as revealed in the Holy Scriptures.

The above Report and Resolutions were unanimously adopted.

CHARLES LITTLE, *Chairman.*

The Assembly took recess, and was closed with prayer.

THURSDAY, May 22, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

A vote of thanks was rendered to Rev. Robert M. Russell, D.D., Moderator of the United Presbyterian General Assembly, for his pamphlet donated to Commissioners.

The Rev. Joseph W. Cochran, D.D., presented a paper, which was referred to the Executive Commission.

The Special Committee on Work on the Continent of Europe, through its Chairman, Rev. Sylvester W. Beach, presented its Report, which was amended and adopted, and is as follows:

The Committee on Work on the Continent of Europe respectfully reports to the General Assembly:

This Committee made its first report to the General Assembly in 1904. This is, therefore, the Tenth Annual Report. In view of a decade of life and work on the part of its Committee, it is natural and right that the Assembly should ask the question: Has the Committee on Work on the Continent of Europe vindicated the wisdom of its constitution and continuance? Or, in other words, does our Presbyterian Church need to maintain work on the Continent of Europe? Is it worth while to maintain a Committee for the prosecution of such work?

Your Committee would beg that the Assembly give an emphatic affirmative answer to these vital questions. It is essential to the success of the work that your Committee is trying to do, that it should have the hearty endorsement and substantial support of the Church.

---

* See Resolution No. 1, p. 147.

The Committee itself is unanimous in the conviction that our work in Europe should be not only continued, but pushed with redoubled zeal. And to convince the General Assembly of this, if possible, is the purpose of this Report.

I. There is a growing demand for churches in Europe to reach Americans. More every year, our people are crowding into the Continental towns and cities. The American colony in Paris is 30,000; in Berlin it is approaching 10,000. In Vienna, Munich, Carlsbad, Wiesbaden, Frankfurt, study, business, pleasure, the pursuit of health, are rapidly increasing the American population. Students were once the most numerous class, but now "dollar diplomacy" is so fast opening the marts of Europe to American business enterprise, that the commercial colonies will soon outnumber any other element. If our flag follows these our representatives abroad, much more should our Gospel. And the practical and Christian thing to do is to establish American chapels in all the towns and cities where our people congregate in sufficient numbers to justify it, and to maintain preaching in the English language. Such centres of Christian influence would do much to counteract the drift toward worldliness, immorality, and lax standards of life. And better even than a restraining influence, they would be a positive force in saving the lost and reinforcing the faithful. No adequate realization of the urgency of this need, and the greatness of the opportunity, has yet been had by the Presbyterian Church.

II. The good example of other Churches should stir in us a spirit of worthy emulation. The Episcopal Church of England has about 400 places of worship on the Continent. The Presbyterian Church of Scotland and the United Free Church sustain forty-five preaching stations. The Episcopal Church of America is seizing some strategic points. The Methodists and Baptists are doing what they can and are not unmindful of the responsibility that opportunity brings. It is an anomaly much to our discredit, that while other great Communions are entering this open door, the American Presbyterian Church is disobedient to the vision. Since the American colonies in Europe are fast out-numbering those of any other country, and since a fair proportion of these our fellow-citizens are Presbyterians in faith or proclivities, we owe it to ourselves, as well as to them, to give them the Gospel in their own tongue and by ministers of their own Communion. Nothing else will hold them fast to the faith of their fathers and the traditions of their fatherland.

There are a number of cities on the Continent of Europe that at this moment offer open doors for the entrance of our Church. More than this, they make an urgent appeal for us to help. While other Churches, less qualified than our own to do this work, are measurably meeting their responsibilities, the Presbyterian Church in America is hesitating and halting at the door of great opportunity. There is no lack of strong and devoted men in our ministry who stand ready to offer themselves for this work at a minimum of expense to the Church, so soon as we are willing to sound the note of advance. Such men would do effective ministerial and pastoral service to congregations of Americans, in some cases very small at the outset, but which would, in time, grow into self-supporting churches, that would bring these European-Americans into touch with our evangelistic methods and the life and work of the Presbyterian Church.

III. A third reason that should commend and vindicate the work of this Committee is found in the successes already attained in the limited field where work on the Continent has been fairly tried out.

First, look at Paris. The work there is no longer an experiment. It has had an uninterrupted history of more than fifteen years. For the past seven years it has been carried on under the direction of Rev. Ernest W. Shurtleff, D.D. It is an effort to reach the 3,000 American students in that great European metropolis. The purpose of the work is twofold: (1) to provide for the students living in studios, pensions, apartments, etc., a sympathetic, uplifting, homelike Sunday evening meeting, or "Reunion," as it is called. (2) To meet in a practical way, during the week, the manifold needs of this large body of young men and women. The "Reunions" are held in the Atelier of the École Spéciale d'Architecture, 254 Boulevard Raspail, a fine edifice in the Latin Quarter. The Atelier has a seating capacity of over 400, which is taxed to the utmost, the crowd often overflowing into the adjoining room and hallway. The programme for the meeting includes the following features:

(*a*) Singing of the old familiar Gospel hymns of the home churches.

(*b*) Responsive readings from the New Testament and Psalms.

(*c*) An address, founded upon Christian truth, direct and pointed in appeal.

(*d*) The best vocal and instrumental music, rendered by professional musicians of Paris and their pupils, and by others who give their invaluable aid to this prominent feature of the meeting.

(*e*) A concluding prayer, holding in remembrance the kindred ties of the homeland, and the needs of those present; followed by the benediction.

The pastoral side of the work during the week is practical and imperative. Some of its details are as follows:

(*a*) Assisting students, upon their arrival in Paris, to find suitable studios, pensions, and apartments.

(*b*) Giving advice with reference to schools, teachers, academies, etc., and the detailed counsel so necessary for the safety, comfort and general welfare of the stranger in Paris.

(*c*) Calling upon the sick; recommending physicians; sometimes taking entire charge of students who are alone and ill; seeing that they are cared for while in such condition.

(*d*) Giving aid, sympathy and advice in times of personal difficulty. Complications frequently arise in which students so far from home and parents need special counsel in solving their problems. The minister's house is always open to such, and hardly a day passes during which young men and women do not come with some problems, moral, physical or spiritual.

(*e*) Receptions, afternoon teas, etc., given in the minister's home, where students may be brought together socially.

The work has the enthusiastic approval and interest of many prominent men, among whom are the Ambassador, the Consul-General, ministers and others from America, who have attended the "Reunions," addressed the students, and given counsel and substantial aid.

Our only other field of operation is Frankfurt am Main. Here a Presbyterian Church was organized in 1907 with forty members. We have a strong man on the field, Rev. J. Canfield Van Doren, formerly pastor of our church in Waterville, N. Y. He follows Rev. Stuart Bready, the incumbent last year.

Mr. Van Doren entered upon his work February 1. On March 11 he wrote: "Having been on the field a month and having had five Sunday services, I think that I can safely say that there is a promise of a good year. We are having excellent attendance, much better than last year. We have found the people very gracious and courteous. They seem to be very appreciative of my work in the pulpit. The Bible school has a good attendance."

This work is comparatively small, but of the utmost importance. Frankfurt promises to be one of the largest cities of Germany. It is a great commercial centre where thousands of American houses have established, or must soon establish, business connections. A great university has recently been opened, and many American students will be attracted there. It is a shopping centre for tourists in the various health resorts within easy reach of Frankfurt. It may be regarded as a strategical point. If we were not already there, this would be the psychological moment to take possession of the field. But we are there, and no other American Church ministers to the English-speaking people. Is it not our duty to hold fast that which we have obtained? But how are we doing it? Last year the Board of Home Missions made an appropriation of $400 to the field. This year the Committee is left to bear the load of meeting the expenses of the church unaided by any agency or Board. The little congregation is contributing liberally for their means. They pay their pastor $800. Your Committee try to secure from Presbyterians in America $400 more, to total a salary of $1,200, for a pastor to live in the most expensive city of Europe. Of that amount at least $200 must be deducted for expenses to and from the field.

The people in Frankfurt feel, and justly enough, that the American Church is playing at work there, when it should command our earnest sympathy and substantial support. How can the Committee deal with such criticisms from the field? Already it has been suggested by some of the most loyal members of the little church, that perhaps it would be better for the Presbyterians to hand over the work to some other denomination ready to push it more vigorously. At present the services are held in the Imperial Hotel because there is no church edifice. A few years since a laudable effort was made by the congregation to raise a building fund, and some money was paid in; but there came no response from this side of the ocean, and the undertaking seemed too large for that feeble folk to finance unaided, and consequently the enterprise had to be abandoned.

That, fathers and brethren, is the story of the work that your Committee would seek to lay on your hearts and consciences. We are doing the best we can, but our best is very little. If we could have your distinct and imperative command to go forward, carrying with it the purpose of our great Church to unequivocally endorse, and generously support, our work on the Continent of Europe, your Committee would take new heart as they enter upon another year of work.

Therefore, your Committee would respectfully offer the following recommendations:

I. *Resolved*, That the Committee be and is hereby continued, constituted as follows: Rev. Sylvester W. Beach, *Chairman;* L. Y. Graham, D.D., J. Gray Bolton, D.D., Albert

E. Keigwin, D.D., W. H. Roberts, D.D., W. L. McEwan, D.D., W. H. Oxtoby, D.D., Herbert A. Manchester, D.D., Joseph W. Cochran, D.D., Charles Wood, D.D., L. T. Chamberlain, D.D., C. T. Edwards, D.D., Chauncey W. Goodrich, D.D., Henry vanDyke, D.D.; and Hon. W. P. Potter, John E. Parsons, Esq., Mr. Ralph W. Harbison, George W. Bailey, M.D., and Charles S. Holt, Esq.

II. *Resolved,* That the General Assembly hereby reiterates and emphasizes its previous endorsement of the work of this Committee, as carried on in Paris and Frankfurt am Main; and authorizes and directs the Committee to extend similar work into other cities on the Continent of Europe, to the full extent that the means put into its hands by the Church will allow.

III. *Resolved,* That the Assembly hereby directs this Committee to bring the interests of its work again to the attention of the Board of Home Missions, with a view of discovering whether some arrangement may not be feasible whereby the beneficiaries of the Board who are to be sent to the Continent on Fellowships may be utilized in maintaining preaching stations and establishing Presbyterian churches in cities of the Continent where there is a sufficient American colony to justify such a movement; and that the Board of Home Missions is hereby directed to extend aid to the Church at Frankfurt am Main, and to such other missions as this Committee may be authorized by the Assembly to establish in behalf of Americans in Europe.

IV. *Resolved,* That the General Assembly hereby heartily commends the work of this Committee to the Churches within our bounds, and especially to generous laymen; and the Assembly believes that the sum of $4,000 is the least amount that may reasonably be expected for Work on the Continent of Europe for the year 1913–14.

In behalf of the Committee,
SYLVESTER WOODBRIDGE BEACH, *Chairman*

Mr. James Yereance, Chairman of the Finance Committee, presented a Report, recommending that the necessary expenses of Commissioners who could not go to their places of entertainment for lunch or dinner, be paid by the Assembly, at the rate, if necessary, of 50 cents for each lunch and 75 cents for each dinner. The Report was adopted.

The Standing Committee on Church Erection, through its Chairman, Rev. John F. Patterson, D.D., presented its Report, which was accepted, and, after addresses by Rev.

William Russell Bennett, D.D., President of the Board, and Rev. Ford C. Ottman, D.D., was adopted. It is as follows:

The Standing Committee on the Board of Church Erection presents the following Report:

The record of the year's work of the Board shows that a large and comprehensive service has been rendered to the Church. One cannot read the Report of the Board without feeling that there are great opportunitues within its reach through a faithful and efficient administration. From every part of the Church there come appeals for aid in the erection of suitable houses of worship, and it is the duty of the Board to make cheerful and generous response to these appeals.

Your Committee note with satisfaction the progressive policy for the Board which has been recommended by the Executive Commission, and adopted by the General Assembly; and it is earnestly hoped that, by the hearty acceptance of this action, the Board will enter upon a new era of prosperity and usefulness.

Your Committee have pleasure in noting the election by the Board of the Rev. Jesse C. Bruce, D.D., to be the Field Secretary of the Board, in accordance with the instruction of the General Assembly of 1912. It is believed that Dr. Bruce will greatly assist the Board in carrying out the terms of the progressive policy already referred to.

The number of applications for aid has been so large, and the amount asked for has been so much in excess of the receipts of the Board, that your Committee feel warranted in calling upon the churches to materially increase their contributions to this cause this year

The receipts during the past year from the ordinary sources, such as churches and Sabbath-schools, have been $65,509.71. Much more than this amount could have been profitably used, and many applications have had to be denied for lack of funds.

To quote the language of the Report:

"The Board of Church Erection never incurs debt. When the demands exceed its resources, it must choose between two possible courses when it reaches its limits. It must either defer action upon applications, or else approve the applications and defer payments until funds permit." Your Committee, however, venture to express the belief that, with the release of so large an amount from the Kennedy Fund for immediate use in making loans, the churches will feel encouraged to increase their contributions, that the good work of this Board may be carried on with greater success than ever before.

The Committee submits the following recommendations:

1. That the minutes of the Board be approved, with the following exceptions:

(*a*) That no blank spaces should be left in the records.

(*b*) That all loans or grants made by the Board should be duly recorded.

2. That the report of the Treasurer be approved.

3. That the following members of the Board, whose term of service expires in May, 1913, be nominated for reëlection: *Ministers*—William Raymond Jelliffe, Arthur C. McMillan, John H. Boyd, D.D.; and to take the place of William H. Holliday, D.D., who declines reëlection, Rev. John B. Donaldson, D.D.; *Laymen*—James A. Frame, E. Francis Hyde, Edward C. Van Glahn, Edward C. Stringer.

That W. Linn Bruce be nominated to take the place of Frederick G. Burnham, resigned, in the class of 1914.

That the election of Rev. Paul L. Hickok to succeed Rev. R. B. Beattie, resigned, in the Class of 1916, be confirmed. That the election of the Rev. Jesse C. Bruce, D.D., as Field Secretary of the Board, be confirmed.

4. That in view of the fact that a new and progressive policy has been adopted by the Assembly for the Board, we call upon all our churches to enlarge their gifts to the general work of the Board.

Respectfully submitted,
JOHN F. PATTERSON, *Chairman.*

The following supplementary Report was submitted by the Standing Committee on Church Erection, and was approved:

Your Committee has received the following communication:

ATLANTA, GA., May 22, 1913.

To the Board of the Church Erection Fund of the General Assembly of the Presbyterian Church in the U. S. A.:

MY DEAR BRETHREN:—By reason of the action yesterday of the General Assembly in directing the Board to withdraw a portion of the Kennedy money from the Permanent Fund and to place it in the Loan Fund to be administered under the Loan Fund rules, and under the conviction that such a use of that money is not only unlawful, but in violation of the confidence which that godly man, Mr. Kennedy, reposed in the Board in committing to it his general bequest, I cannot conscientiously remain longer the Secretary of the Board under this instruction of the General Assembly, and being a loyal Presbyterian, I cannot disobey the high court of the Church of my fathers and my Church. I therefore most respectfully decline reëlection to the office of Corresponding Secretary.

With profound and heartfelt gratitude for the confidence which you have ever reposed in me, and the good, sweet fellowship of the members of the Board, I am as ever,

Your obedient servant and brother,
DUNCAN J. MCMILLAN.

It is recommended that the letter be referred to the Board, and that the Board accept the resignation of Dr. McMillan.

JOHN F. PATTERSON, *Chairman.*

A true copy.
Attest: WM. H. ROBERTS, *Stated Clerk.*

The Committee also presented a Report upon Overtures referred to it, which was adopted, and is as follows:

We recommend that *Overture No. 153*,* from the Presbytery of Milwaukee, be referred to the Board of Church Erection.

On *Overture 299*, from the Synod of Kansas, we recommend that the expenses of members of the Board of Church Erection in attendance upon meetings, be paid for one meeting during the year.

On *Overtures 272*, *308* and *309*, as to applications by churches to the Board of Church Erection, we recommend that no action be taken.

The Standing Committee on Polity, through its Chairman, Rev. Daniel E. Jenkins, D.D., presented its Report, which was adopted, and is as follows:

The Standing Committee on Polity reports to the Assembly concerning the following matters which have been referred to it for its consideration:

Overture No. 93, from the Presbytery of Phœnix, concerning the powers of the Home Mission Board, asking for an interpretation of the Constitution of the Church and certain deliverances of the Assembly, with reference to the powers and prerogatives of the Board of Home Missions in its relations to Synods and Presbyteries, in particular matters set forth in detail in the Overture.

It is recommended that no action be taken, inasmuch as the last Assembly made adequate and clear deliverances on this subject (see *Minutes*, 1912, pp. 191 and 194) and in view of the discussions cognate with it which are being conducted on the floor of this Assembly.

Overture No. 94, from the Presbytery of Southern Arizona, making complaint against the Home Mission Board, declaring that it is "encroaching upon the rights of Presbyteries in the administration of Home Mission affairs," etc., and petitioning the Assembly in the following terms:

---

*See List of Overtures, p. 48.

"1. To direct the Home Mission Board to cease its exercise of administrative powers within the Presbyteries, and to confine its activities to the lines prescribed by the Charter.

"2. Or to submit to the Presbyteries for ratification an amendment to the Constitution of our Church, which shall give over to the Board of Home Missions the direction and administration of all Home Mission work within aid-receiving Presbyteries, to the end that dual administration may be brought to an end."

For the same reason as given under *Overture 93*, it is recommended that no action be taken.

Overture No. 244, from the Presbytery of Willamette, with reference to the election of women as deacons, asking that they shall be made eligible to said office by amending the Constitution of the Church, an amendment for that purpose being set forth in the Overture.

It is recommended that this Overture be answered in the negative, on the ground that the contemplated amendment is incomplete in what it proposes to effect, in that it does not provide for necessary corresponding changes of expression in the context of the Form of Government.

Overture No. 249, from the Synod of Idaho, relating to a change in Synodical lines, petitioning the Assembly in the following terms:

"To transfer from the jurisdiction of the Synod of Washington to the Synod of Idaho, all ministers and churches within the State of Idaho, indicating the number and boundaries of the Presbyteries to be erected from said ministers and churches, and to appoint conveners, time and place for the convention and organization of such Presbyteries, under the jurisdiction of the Synod of Idaho."

It is recommended that the Assembly do not at this time approve the proposed change in Synodical boundaries, because the Synod of Washington has had no opportunity of being heard in regard to the contemplated change, and because the two Presbyteries of Walla Walla and Spokane, which are most immediately concerned in the proposed change, have not themselves approved of it.

Overture No. 250, from the Synod of Idaho, relating to a change in Presbyterial lines, petitioning the Assembly to "change the boundary line between the Presbyteries of Boisé and Kendall, so as to make the said boundary, north of Twin Falls Presbytery, the 115th meridian of longitude west of Greenwich."

It is recommended that the Assembly answer the petition favorably, and approve the proposed change.

Overture No. 251, from the Presbytery of Southern Oregon, relating to the formation of a new Presbytery, petitioning the Assembly to "divide said Presbytery, and erect within its bounds a new Presbytery, to be called the Presbytery of Southwestern Oregon."

The Overture contains details as to the geographical boundaries of the proposed Presbytery and the churches to be embraced therein.

It is recommended that the Overture be referred back in order that Synodical action with reference to it may be first secured in compliance with the provisions of the Form of Government, Chapter XI, Section 4.

Overtures Nos. 252 to 254, from the Presbytery of Los Angeles, the First Church of San Diego, Cal., and the Women's Missionary Society of said Church, relating to the formation of a new Presbytery, to be known as the Presbytery of San Diego. The first of these Overtures petitions for the new Presbytery, and the others make protest against such action.

It is recommended that these Overtures, which really consist of one Overture and two protests against the petition of the Overture, be likewise referred back to the Presbytery of Los Angeles, in order that the approval of the Synod of California may be first secured in compliance with the requirement of the Form of Government, Chapter XI, Section 4.

Overtures Nos. 255 and *256*, from the Presbytery of Omaha and the Synod of Nebraska, relating to the transfer of a church, concurring in the petition made by the Bohemian Church of Wahoo, Nebraska, that said church be transferred from the Presbytery of Omaha to the Presbytery of Central West (Bohemian).

Whereas the constitutional requirements involved in this proposed transfer have all been complied with, it is recommended that the transfer be approved and made.

Overture No. 257, from the Presbytery of Milwaukee, relating to the transfer of a church, petitioning the Assembly to transfer the German Church of Richfield, Wis., to the Presbytery of Galena (German), in the Synod of the West, German.

Whereas it appears that the German Church of Richfield, Wis., does not wish the proposed transfer, and the Presbytery of Milwaukee did not take the necessary steps to sufficiently acquaint itself with the wishes of this congregation, it is recommended that no action be taken.

Overture No. 258, from the First German Church of Independence, Iowa, relating to the transfer of said church from the Presbytery of Dubuque, Synod of Iowa, to the Presbytery of Waukon (German), Synod of the West, German.

Both the Presbytery of Dubuque and the Synod of Iowa having concurred in the petition of the First German Church of Independence, Ia., to be thus transferred, it is recommended that the Assembly approve the transfer.

Overture No. 259, from the German Church of Platteville, Wis., relating to the transfer of said Church, from the Presbytery of Madison, Synod of Wisconsin, to the Presbytery of Galena, in the Synod of the West, German.

It is recommended that this proposed transfer be made when concurred in by the Presbytery of Madison and the Synod of Wisconsin.

Overture No. 260, from the Presbytery of Los Angeles, being an interrogatory relating to the transfer of a candidate from one Presbytery to another, in the following terms:

"When a person who has been received by a Presbytery as a candidate for the ministry, is to be transferred to another Presbytery, is it necessary that a letter of transfer be taken from both the church of which he is a member and the Presbytery, in order to a proper transfer?"

It is recommended that this interrogatory be answered by saying that the words "Proper testimonials," in Chapter XIV, Section 9, of the Form of Government, do not necessarily involve or imply a letter of transfer of membership of the candidate from the individual church to which he belongs, but that this transfer is desirable, and is contemplated by the Book as the usual and most regular procedure.

The second part of this Overture inquires, "What record shall be made in reporting members ordained from the membership of a church to the Gospel ministry?" It is recommended that reply be made to the effect that record of ordination should be made in the minutes of the Session of the church to which the person ordained belongs, and then the name of the person ordained should be removed from the roll of church members.

Overture No. 261, from the Presbytery of Los Angeles, being an interrogatory relating to the licensure and ordination of a candidate, in the following terms:

"Is it constitutional and right for a Presbytery to receive, and act upon, a request for examination, licensure and ordination of a person whose membership is known to be in a church that is without the bounds of the Presbytery acting?"

It is recommended that this interrogatory be answered in the affirmative, subject to the requirements of the Form of Government, Chapter XIV, Section 9.

Overture No. 262, from the Presbytery of Lackawanna, relating to application by a minister of another denomination, for admission into a Presbytery, petitioning the Assembly to ask the Presbyteries to adopt a Rule on the subject, the proposed Rule being set forth in the Overture as "Constitutional Rule No. 4."

It is recommended that no action be taken, inasmuch as the ends sought by the proposed constitutional rule are amply provided for in the Form of Government, Chapter XV, Section 16, taken along with the Acts of the Assembly as recorded in the *Minutes* of the Assembly for 1800, p. 200; 1821, p. 23, and 1891, p. 177.

Overture No. 295, from the Presbytery of Nashville, petitioning the General Assembly, "To amend that amendment of the Form of Government, Chapter XI, Section 4, Of the Synod, which was adopted in 1910, and is printed at the bottom of p. 395 of the 1912 edition of the Form of Government, by striking out the words "Subject to the approval of the General Assembly," and substituting therefor the words, "Except that Presbyteries shall not be divided without the previous consent of the General Assembly."

It is recommended that no action be taken.

West Tennessee Presbytery Case.—The Permanent Committee on Commissions has already brought to the attention of the Assembly the action of the Synod of Tennessee in erecting the Presbytery of West Tennessee, by uniting the Presbyteries of Obion-Memphis and Hopewell-Madison, without the approval of the General Assembly, as required in the Form of Government, Chapter XI, Section 4, as amended in 1910. Attention was also drawn in the Report of the said Committee, to the questionable regularity and propriety of the action of the Synod of Tennessee in certain other respects. Furthermore, it was reported by this Committee that Rev. R. W. Lewis and Ruling Elder R. J. Parnell presented themselves as Commissioners from the Presbytery of West Tennessee, but without the proper certificates of their appointment, and on the recommendation of the Permanent Committee on Commissions, these persons were seated as members of this Assembly, subject to and conditional upon the action of the Assembly on the report of the Committee on Polity.

As regards the action of the Synod of Tennessee in this matter, the essential facts may be ascertained by quoting from the Minutes of the last meeting of the Synod of Tennessee, held in Maryville, Tenn., September 24 to 26, 1912.

The procedure adopted by the Synod is seen in the following excerpt of the Synod's Minutes, p. 27:

"(2) That it appears to us that it would be greatly beneficial to our cause in West Tennessee for the two Presbyteries to be united into one, as is overtured by the Presbytery of Obion-Memphis, but we deem it wise that the Presbytery of Hopewell-Madison should have full opportunity to consider the matter, and that definite action should not be taken without such full consideration. Therefore we recommend that the Presbytery of Hopewell-Madison be requested to give prayerful consideration to this proposed change, and if this Presbytery will join Obion-Memphis Presbytery in the overture by April 30, 1913, then the Executive Commission of the Synod shall have, and is hereby given, power to effect the consolidation as of March 31, 1913, the end of the ecclesiastical year, and to arrange all details for the meeting and temporary organization of the consolidated Presbytery. If the Hopewell-Madison Presbytery does not concur in the overture by the date mentioned, then the Executive Commission shall make recommendation to the next Synod, concerning the action to be taken on the Overture from the Presbytery of Obion-Memphis."

The Executive Commission of the Synod of Tennessee effected the proposed union of Presbyteries pursuant to the instruction contained in this minute, and has certified this fact to Rev. Dr. S. T. Wilson, the Stated Clerk of the Synod, who in turn has reported and certified the fact to the Stated Clerk of the General Assembly, and made record of it in the Minutes of the Synod of Tennessee. This minute, however, has not as yet been approved by the Synod, owing to the fact that the Synod has not met since the meeting in September, 1912, at which time it authorized its Executive Commission to effect the consolidation of Presbyteries into the new Presbytery of West Tennessee.

The Committee on Polity submits the following recommendations in this whole matter:

1. That the judgment of the Assembly be that the procedure of the Synod of Tennessee, particularly in erecting and organizing the new Presbytery of West Tennessee, without securing, and without so far taking any steps to secure, the approval of the General Assembly, has been unquestionably irregular.

2. That it is questionable whether the power to erect new Presbyteries, whether by uniting or dividing already existing Presbyteries or otherwise, should be delegated to an Executive Commission.

3. That notwithstanding the irregularity and incomplete-

ness of the action of the Synod of Tennessee in this matter, the Assembly approves of the uniting of the two Presbyteries of Obion-Memphis and Hopewell-Madison into the Presbytery of West Tennessee, for the reason that to withhold this approval would greatly embarrass the work in West Tennessee, the understanding being that this action of the Assembly must not be regarded as setting a precedent.

4. That the Assembly approves of the action of the Permanent Committee on Commissions in seating as members of this Assembly the Rev. R. W. Lewis and Ruling Elder R. J. Parnell, and that their names be enrolled as Commissioners.

5. That WHEREAS, the Constitution of our Church provides for the appointment of Executive Commissions by the General Assembly, Synods and Presbyteries, and

WHEREAS, There is no adequate constitutional or other provision regulating and specifying the power of, or duties to be performed by, or what authority may be conferred upon them, except a few deliverances of the General Assembly (see *Minutes*, General Assembly, 1911, p. 220, and 1912, p. 169), and

WHEREAS, The importance of some standard established by the General Assembly has been made manifest by a special case before your Committee on Polity, and in every recent meeting of the General Assembly; and

WHEREAS, In view of the uncertainty that exists as to the authority that may be delegated to these Commissions by the several Church judicatories, and as to the matters that may be submitted or entrusted to them, and as to the power and effect that may be given their acts, be it

Resolved, That the General Assembly hereby appoints a Committee of seven, consisting of four ministers and three ruling elders, of which the Stated Clerk of the Assembly, Dr. Roberts, shall be a member, to take into consideration this whole matter, and formulate such amendments to the Form of Government as shall clearly define the duties and powers of these several Commissions; to report to the next General Assembly for its approval and for submission to the Presbyteries.

Respectfully submitted,
D. E. JENKINS, *Chairman*.

Rev. Thomas Verner Moore, D.D., spoke of the condition of the Evangelical Protestant Church in Greece, and presented the following, which was adopted:

Resolved, That this General Assembly extends its most hearty fraternal greetings to the Evangelical Protestant Church in Greece. We commend it to the sympathy and prayers of our people, and we ourselves pray for God's richest blessing upon it.

Gen. Robert N. Adams and Adjutant Gen. John G. Laughlin, Commissioners in this Assembly, both of whom had taken part in the battles in and around Atlanta during the Civil War, were called to the platform, and made brief addresses.

They were asked by the Moderator to telegraph Gen. John W. Foster, of Washington City, who is also a veteran, and who had been in the Assembly to-day.

The completion of the Report of the Executive Commission was made the Order for 10 o'clock to-morrow.

A Paper presented, was referred to the Finance Committee.

Upon Report of the Committee of Nominations for the Executive Commission, the following were duly elected, the Permanent Clerk having been authorized to cast the ballot of the Assembly:

For the Class of 1913–16:

Ministers—John Timothy Stone, D.D., Edward H. Pence, D.D.

Ruling Elders—Henry P. Crowell, Benjamin F. Edwards, John L. Severance.

The Committee on the Next Place of Meeting presented its Report, which was adopted, and is as follows:

The Committee on the Next Place of Meeting respectfully reports that invitations have been received from the Fourth Presbyterian Church of Chicago, Ill., and the First Presbyterian Church of Atlantic City, N. J.

The invitation from the Fourth Presbyterian Church of Chicago, Ill., is endorsed by the Presbytery of Chicago, and is accompanied with the promise that free entertainment will be given to the officers of the Assembly, and such additions made to the Entertainment Fund as will provide comfortable entertainment for all concerned.

In connection with this invitation it is proper to state, that the Central Presbyterian Church of Rochester, N. Y., which last year withheld its invitation to the General Assembly until another year, in order that the Assembly might accept unanimously the invitation to Atlanta, Ga., has been further withheld, because of the fact that its pastor accepted a call to, and is now installed in the Lafayette Avenue Presbyterian Church, Brooklyn, N. Y. The way is therefore open for the Assembly, with entire courtesy to the Rochester brethren, to accept another invitation.

With reference to the invitation to Atlantic City, N. J., the Committee recommends that thanks be returned for the same, with appreciation of the cordial offer of hospitality by the churches and the people of that city.

The Committee recommends the following action by the Assembly:

Resolved, 1. That the invitation extended by the Fourth Presbyterian Church of Chicago, Ill., to meet in Chicago, and in the edifice of that church, in 1914, be, and is hereby cordially accepted.

Resolved, 2. That the thanks of the Assembly are extended to the Fourth Presbyterian Church of Chicago for its tender of hospitality as indicated in the invitation, and that the same is cordially accepted.

Resolved, 3. That the Pastor and Session of the Fourth Presbyterian Church of Chicago, with the Stated Clerk of the Assembly, be the Local Committee of Arrangements, with power to add to their number.

Respectfully submitted for the Committee,
WM. H. ROBERTS, *Secretary*.

The Assembly adjourned, and was closed with prayer.

THURSDAY, May 22, 8 o'clock P.M.

A Union Meeting was held in the Auditorium, in the interest of the Church and Education.

FRIDAY, May 23, 9 o'clock A.M.

The Assembly met, and was opened with devotional services.

The Minutes of yesterday's sessions were read and approved.

The Committee on Bills and Overtures presented a Report, which was amended and adopted, as follows:

In reference to *Overture No. 317*, your Committee would report as follows, viz.:

The General Assembly recognizes with pleasure the progress made by the Winona and the Stony Brook Assemblies, congratulates them upon their fidelity to the cardinal principles of evangelical religion, and commends them to the hearty moral and financial support of congregations and ministers.

It is recommended that *Overtures Nos. 315* and *318* be referred to the special Committee on Christian Life and Work.

It is recommended that the *Memorial 313*, together with other papers attached, be referred to the Executive Commission, with power to act.

The following was presented and adopted:

Resolved, That the General Assembly place on record its conviction that our country ought to resume its stand in the front rank of the nations, regarding the traffic in opium and other hurtful drugs, and that to this end Congress ought as speedily as possible to enact an effective law to prevent interstate transportation of opium, cocaine and other similar drugs, except for guarded medicinal uses, and to prevent their sale, except for such purposes, in all places under the direct jurisdiction of the Government.

Resolved, That a copy of this action be transmitted to the proper authorities at Washington.

The Executive Commission continued and completed its Report.

Paragraph iv, on p. 138, was withdrawn by the Commission.

Section X was amended and adopted.

Section XII was adopted.

Paragraph iv, on p. 159, was adopted.

XX. The Budget.

I. MEETINGS.

The Executive Commission met during the sessions of the General Assembly, at Louisville, Ky., May 16 to 24, 1912, and the first meeting of the Commission as at present constituted by the incoming of a new Chairman and members was held at Winona Lake, Ind., August 23–25, 1912. Subsequent meetings were held at New York, N. Y., October 30 and 31, 1912, and February 26 and 27, 1913. The Commission is also in session at Atlanta, Ga., and awaits the pleasure of the General Assembly.

II. MEMBERS.

The class of persons whose term of service closes with this General Assembly is composed of: *Ministers*—Rev. Charles Little, D.D., LL.D., and Rev. William Foulkes, D.D.; *Ruling Elders*—George D. Scudder, Esq., Prof. John M. Coulter and Isaac H. Orr, Esq.

III. EXECUTIVE SECRETARY.

The honored and efficient Executive Secretary of the Commission, and the Secretary also of the Joint Executive Committee of the Benevolent and Missionary Boards, passed from his earthly labors to the rest that remaineth for the people of God, on January 29, 1913. He had been in failing health for some time, but continued in his work for the Church until near the end. The Executive Commission presents to the Assembly the Memorial Minute which is spread upon its records, which was adopted also by the Conference of the Boards and the Commission, February 27, 1913, and which reads:

"The Executive Commission reverently places on record its deep sense of bereavement in the severing by death of the ties of fellowship which bound all its members to the Rev. William Henry Hubbard, D.D. Generous by nature, earnest in speech and act, and consecrated to the service of our Lord and Saviour, he endeavored in all his labors for the Church, to attain the high ideals of those who press ever toward the prize of our high calling in Christ Jesus. Associated with the Executive Commission, first as a member from 1908 to 1911, and since then as Executive Secretary, and as Secretary of the Joint Executive Committee of the Benevolent and Missionary Boards and the Executive Commission, he won appreciation and esteem by his unstinted devotion to the work entrusted to him by the Church of his and our affection. We shall see his kindly face no more on earth, nor come again here into touch with his genial personality, nor feel the power of his living faith in the great Head of the Church, but we are assured that he has passed through death into life, and that his is the blessed condition of those to whom Christ has spoken, saying, 'Well done, good and faithful servant, enter thou into the joy of thy Lord.'"

A copy of this Memorial Minute was sent to the family of our departed brother.

It is proper to add that the office of the Executive Secretary of the Commission has been discontinued, and its duties assigned to the Executive Secretary of the Joint Executive Committee of the Commission and the Boards. This office is now vacant.

V. CHURCH ERECTION.

Since the printing of its Report in the Blue Book, the Commission has adopted the following:

Resolved, That the Report of the Commission on the Board of Church Erection be presented to the General Assembly as printed in the Blue Book; that in connection therewith the statement be made that the Commission has had lodged with it a protest signed by four ministers and four laymen, composing a minority of the Board in question; that the Commission has carefully considered such protest and has listened to arguments thereon, and that after such consideration and argument, the Commission finds no reason to change the Report as previously adopted.

The Executive Commission considered the interests of the Board of the Church Erection Fund and its relation to particular churches at each of its meetings, and through its Committee on Church Erection conducted negotiations with reference to the disposition of the funds of the Board, and such modification of its rules as seemed to be required by the needs of the churches. The report on these matters is submitted under two heads:

1. Appropriations for Particular Churches.—Several churches presented petitions to the Executive Commission, at its meetings at Winona Lake and New York City. After careful consideration of the subject, the Commission on the recommendation of its Committee on Church Erection adopted the following:

Resolved, That all appeals coming from churches, requesting aid in the erection of church edifices, be transmitted to the Board of Church Erection, without recommendation.

2. THE RULES OF THE BOARD.—The Committee on Church Erection of the Commission, in response to the several communications which, in the name of the Commission, it addressed to the Board of the Church Erection Fund, and after protracted conferences, submitted to the Commission the following Report, which was adopted by the Commission, and which, it is understood, has been approved by the Board:

The Committee appointed January 23, 1913, at the meeting of the Committees of the Executive Commission and of the Board of Church Erection to recommend revision of the rules of the Board of Church Erection, makes the following recommendations:

1. That the Board shall hereafter adhere to the following principles in the granting of aid to churches:

(*a*) The Board shall exercise the utmost care to grant aid only where that aid is actually needed, and in an amount not in excess of actual need.

(*b*) Grants not exceeding $1,000 and loans without interest not exceeding $3,000 may be made to feeble churches from the income of the Board for the purpose indicated in Article "C" hereof, and also for "aid in the establishment of schools and chapels among the exceptional populations," but it is expected that churches able to pay interest on loans will do so, and will accept them under the provisions of the Loan Fund.

(*c*) Except as to appropriations for the erection of manses or for work among exceptional populations, no grant or loan, either with or without interest, shall be made to a church other than for aid in the erection of a house of worship, or for aid in the payment of a debt actually contracted in the erection thereof.

(*d*) The Board shall exercise the utmost care in its consideration of applications, to take into account the entire Church, that no one section of the Church may be benefited at the expense of any other section.

2. That the Board adopt the policy of making loans from the Loan Fund for aid in the erection of houses of worship for feeble congregations, on bond and mortgage, at a fixed rate of interest, to be determined by the Board from time to time, and for amounts not exceeding 50 per cent. of the value of the buildings and land upon which, in each instance, the church building is erected. The valuation of the land and buildings shall be verified by a competent judge of such values living in the locality, said valuation to be approved

by the Board. These loans shall be secured by a satisfactory collateral personal bond, and by a satisfactory insurance policy covering the amount of the mortgage, as in the past. All titles to church properties so loaned upon shall be carefully examined by an attorney acceptable to the Board, and approved by him before the loan is consummated; but the Board may, in its discretion, make loans upon property covered by restrictions common generally to a particular neighborhood, when such restriction is intended to enhance the value of such property.

That in pursuing the aforesaid policy the Board shall be governed by the fixed principle that it shall make no such loans except where there is actual need.

3. That the sum of $500,000 from the John S. Kennedy Fund be added to the Loan Fund. Loans on bond and mortgage at interest may be made from this Fund to feeble congregations in connection with the General Assembly, to aid them in the erection of houses of worship, and shall be made and secured as heretofore provided in Article 2. No church can secure a loan from the Loan Fund so long as it holds a loan from the Board without interest.

4. That the Board respectfully report to the General Assembly that no funds under its jurisdiction are legally available for the purchase of sites, and that the utmost it could do would be to administer such a fund as may be created by action of the General Assembly for that purpose.

5. That the "Plan" of the Board and all amendments and revisions be harmonized in accordance with the above, and codified, and that a committee of three be appointed by the President of the Board, who himself shall be *ex officio* a member of the Committee, to prepare and submit to the Board, not later than at the April meeting, such codification, which after adoption by the Board shall be submitted to the General Assembly for its approval through the Executive Commission.

VI. FINANCES.

The various matters dealt with through its Finance Committee and approved by the Executive Commission are herewith submitted to the Assembly:

I. MODERATOR'S EXPENSES.

In the matter of the payment of the expenses of the Moderator of the General Assembly of 1911, ordered by said Assembly, by Resolution adopted May 24, 1912 (*Minutes*, p. 267), the Commission authorized the Treasurer to send to the Rev. John F. Carson a check for $1,350, drawn upon the Financial Campaign Fund in the hands of the Commission (*Minutes*, pp. 448[21]). This was done.

II. FINANCIAL PLAN OF THE ASSEMBLY.

The following changes in the financial plan of the Assembly (*Minutes*, 1912, p. 448) were approved by the Commission. The changes are such as to simplify the methods of payment of Commissioners' bills at the Assembly, and will inure to the business advantage both of the Commissioners and of the officers of the Assembly. The changes read:

1. Under duties of the Treasurer, change paragraph (c) so as to read: "To pay the mileage and entertainment bills of commissioners at the meetings of the General Assembly. For the payment of these bills the Treasurer may deposit sufficient funds, as provided in the budget, in a local bank or trust company to be selected by the Treasurer in the place where the Assembly meets, and the Treasurer, or his representative, shall draw a check to the order of each commissioner, upon the mileage statement of each commissioner, signed by each commissioner, and countersigned by the Chairman of the Mileage Committee, and this mileage statement shall be a voucher for payment; also a check to the order of each commissioner upon the entertainment statement of each commissioner, signed by the commissioner, and countersigned by the Stated Clerk or his representative, and such entertainment statement shall be a voucher for payment. All checks for mileage and entertainment shall be countersigned by the Stated Clerk, and distributed by the Treasurer to the commissioners, in such manner as he may deem best.

2. Under the duties of the Stated Clerk, paragraph (b), change the paragraph after the first sentence so as to read: The mileage statements, duly filled out, shall be presented by the commissioners with their credentials at the time of enrollment, to the Stated Clerk, who shall deliver them to the Chairman of the Mileage Committee, which Committee shall examine, and if found correct, approve them, and the Chairman of the Mileage Committee shall countersign the mileage statement of each commissioner, and deliver the same to the Stated Clerk for transmission to the Treasurer, as vouchers for payment. The entertainment statements of commissioners duly filled out shall be presented by the commissioners to the Stated Clerk, shall be countersigned by him, and delivered as vouchers for the payment of the entertainment bills of commissioners, to the Treasurer for payment.

The Stated Clerk shall have power to appoint a representative to sign for him.

The entire Financial Plan appears in the *Manual* of the Assembly for 1913.

III. THE BUDGET OF THE ASSEMBLY.

The Budget for the Assembly for 1913–14, submitted by the Stated Clerk and revised by the Finance Committee, was adopted by the Executive Commission. The Budget is as follows:

Budget—April 1, 1913, to March 31, 1914.

Commissioners and Officers, Assembly, 1913:	
Mileage	$57,000 00
Entertainment (see note No. 3 below)	
Salaries:	
Stated Clerk	5,000 00
Permanent Clerk	750 00
Assistant Clerk	3,000 00
Minutes, 1913:	
Printing and Mailing	11,000 00
Office Stated Clerk:	
Clerical Services	3,472 00
Postage, Expressage and Telegrams	450 00
Supplies and Sundries	300 00
Miscellaneous Printing	1,600 00
Executive Commission	4,000 00
Judicial Commission	1,500 00
Legal Expenses	5,000 00
Apportionments, various bodies:	
World Presbyterian Alliance	1,940 00
Council of the Reformed Churches	200 00
Moderator's Expenses	500 00
Special Committees	3,000 00
Total	$100,092 00
Estimate of Receipts:	
Apportionments	$105,600 00
Sales of *Minutes*	600 00
Interest	500 00
Total	$106,700 00

Attention is called to the following explanations in connection with the Budget:

1. The salaries of the Stated Clerk, Permanent Clerk and Assistant Clerk have been fixed by the Assembly.

2. The amount recommended for the Executive Commission covers the expenses of the regular meetings of the Commission, also the expenses of its sub-Committees, and is $1,000 less than last year.

3. The expenses of Commissioners at the meeting of

the General Assembly for 1913 are estimated for mileage at $57,000. There is no estimate submitted for the cost of entertainment, for the reason that the churches and the city of Atlanta tendered free entertainment to the commissioners and officers. In this connection it is proper to state that it is understood that the Entertainment Fund, so far as necessary, will be used to make good the deficiency in the Mileage Fund.

4. The Budget provides $3,000 for the expenses of the Special Committees, which it is believed will be sufficient.

5. The special appropriations approved are in part the same as those for previous years. This year the Finance Committee omitted the appropriation of $1,350 for the Federal Council of the Churches of Christ in America.

6. The provision for legal expenses, $5,000, includes the salary of the General Counsel of the Committee on Legal Matters connected with Reunion, which may cover a year of salary and expenses, amounting to a total of $2,800, and provides in addition some funds for other legal expenses.

7. The possible increases in the Budget may be along two lines: (*a*) The unsettled legal cases in the Federal Courts. (*b*) The expenses of the Permanent Committee on Vacancy and Supply. Both of these are dealt with in the Reports of other Committees.

VII. BOARD OF HOME MISSIONS.

The Executive Commission, at its meeting in February, 1913, received a Paper having to do with the question of the policies and administration of the Board of Home Missions, and the expenditures made in connection therewith. The Commission, realizing the need of careful consideration of the paper, which consideration could only be had after full information had been obtained from all sources, referred it "to a Committee of three to consider the matter in connection with the Board of Home Missions, or others having the information, ascertain all of the facts, and report at the next meeting of the Commission." The Committee appointed for the purpose consists of the Rev. William P. Fulton, D.D., Rev. Wallace Radcliffe, D.D., and Isaac H. Orr, Esq.

The Committee of three, appointed to consider the matter of the methods and expenditures of the Board of Home Missions, having made a careful inquiry into all matters so referred to it, reported, in detail, to the Commission, at Atlanta, Ga., May 14, 1913, stating fully the result of its inquiry; and submitted, with its Report, all papers and testimony upon which it was based. The report was received and carefully considered by the Commission and, with amendments in certain particulars, was adopted.

Also the Commission has had referred to it by this General Assembly certain *Overtures* numbered *97–117*, *119*, *120*, *267–269*, *279–287*, asking for an endorsement of the Board of Home Missions and its methods; and also *Overtures* numbered *75–92*, *95*, criticising some of the methods of the Board, and asking for certain changes therein. All of these Overtures relate to matters covered by the inquiries of the Commission, and this report is intended also as an answer to said Overtures.

The Executive Commission desires to state that it regrets exceedingly that publicity was given to the Paper referred to in the Blue Book, and that its publication was unfair and unjust to the Board and produced wrong and erroneous impressions.

The Executive Commission desires also to state that it finds no misappropriation of funds, nor has any such misappropriation been charged, intimated or suspected; nor any form of malfeasance; nor is there any question as to the honesty or efficiency of the management, or of the integrity of the members of the Board or of its officers, nor any usurpation of Presbyterial authority.

The questions raised, prompting the inquiry by the Commission, were questions of methods of work adopted by the Board, expenditures made under these methods, and differences of opinion as to what portion of the expenditures should properly be charged to administration and what to missionary work.

A better understanding of these questions will appear by setting forth the methods of work in general and the character of the work now conducted by the Board.

It is but fair to the Board to say that the present methods of work have had the recognition and approval of the General Assembly.

The Board (in 1912) had on its pay-roll 1,637 Home Missionaries, whose salaries were paid in part by the churches they served, supplemented by grants from the Board, upon the recommendation of the Presbyteries within whose bounds they labored. These home missionaries were in charge of churches, devoting their efforts and energies to the work of reaching the unsaved, gathering in the unchurched, building up their congregations in religious and spiritual life. They are the men on the "firing-line," winning victories for Jesus; the laborers in the Lord's harvest-field, sowing with one hand

and reaping with the other; the soul-winners, going into the streets and lanes, by-paths and hedges, and compelling men to come in. There is no question raised concerning these 1,637 employés of the Board, as to their need or service. They are home missionaries, simply and purely, doing Home Mission work.

In addition to these, the Board (in 1912) had on its pay-roll, upon the recommendation of Presbyteries, about 75 pastor-evangelists, whose salaries were paid by the Board, at a total cost of $85,982.68, of whom the Board says, "They are giving their whole time, morning, noon and night, to the handling, in some form or other, of Home Mission administrative problems." We find, however, that the duties of pastor-evangelists are to visit, encourage and strengthen the Mission churches of the Presbytery, supplying on Sabbaths the fields that are vacant, holding evangelistic or protracted meetings with a view to adding to or reviving the membership, stimulating all the activities of the churches, including their benevolences, organizing and promoting methods of raising funds for local church support, doing pioneer work in communities not supplied with church privileges, bringing back to life languishing churches, and securing in such churches the settlement of permanent pastors. Inasmuch, therefore, as these workers are vitally in touch with the Home Mission field and are virtually home missionaries placed over several vacant churches, there seems to be no good and sufficient reason for charging any part of their salaries ($85,982.68) to expenses of administration.

Furthermore, the Board (in 1912) had on its pay-roll, upon the recommendation of Synods, 8 Synodical missionaries and evangelists, whose salaries and expenses were paid by the Board at a total cost of $21,113.55. Synodical missionaries belong to another era and are gradually being eliminated. Synodical evangelists (or superintendents) are a class of officers brought into existence by the Presbyteries of a Synod adopting a "unified plan of operation of their missionary work," and the Synodical evangelist (with perhaps an assistant or pastor-evangelist associated with him) is placed over the several Presbyteries within the bounds of the Synod. He works under the direction of the Synod or Synod's Committee as the "Executive Arm," putting into execution the policies of the Committee. His work is to seek missionaries for needy fields, to keep in touch with the field forces, to have State-wide or Synod-wide responsibility for the Mission churches and Mission work within his territory, to rally into vigorous life and service the membership of local churches. Inasmuch, therefore, as these Synodical evangelists are under the direction of Synod or Synod's Committee as to their work, and are in touch with the vital work in the churches, and are, for the most part, occupied with directing, supervising and stimulating the work in vacant churches, it seems that this item of expense ($21,113.55) should not be charged to expenses of Administration.

Also the Board (in 1912) had on its pay-roll four Field Secretaries, appointed and commissioned by the Board, whose salaries and expenses amount to $30,117.30. The Field Secretaries work on a much larger scale than pastor or Synodical evangelists. The Home Mission territory, west of the Mississippi and south of the Ohio, is divided into four districts: (1) South and Southwest, including the Synods of Alabama, Arkansas, Kentucky, Mississippi, Missouri, Oklahoma, Tennessee and Texas (a territory of 700,000 square miles), with headquarters at St. Louis. (2) Northwest, comprising the Synods of Minnesota, Nebraska, North Dakota and South Dakota, with headquarters at Minneapolis. (3) Rocky Mountain, comprising the Synods of Colorado, Montana, New Mexico, Utah, Idaho, with headquarters at Denver. (4) Pacific Coast, comprising the Synods of Washington, Oregon and California (a territory of 1,025,154 square miles), with headquarters at Portland. The Field Secretaries are the representatives of the Board, "appointed, commissioned, salaried by the Board," report to the Board and receive all their instructions from the Board, stand in the same relation to the Board as any other secretary or officer, and are occupied with conferences with the field forces, Home Mission Committees, Synodical and pastor-evangelists, and with the supervision and direction of Home Mission work.

Also, within the past few years, the Board has organized special departments, or bureaus, defined as Social Service, Church and Country Life, Immigration, Indian Missions, Mexican (organized recently). Each of these departments has its superintendent, office, stenographers, stationery, printing, postage, traveling expenses. To each are committed certain duties of inspiration and administration. The expenses of these four departments are as follows: Bureau of Social Service, $13,325.81; Department of Immigration, $6,468.37; Department of Church and Country Life, $17,076.17; Department of Indian Missions, $6,139.14. The cost of communicating information was $22,632.65.

From the foregoing it appears that during the year 1912 the Board expended the following amounts for the following purposes, viz.:

Home Office Department	$51,649 32
Expenses of Communicating Information	22,632 65
Bureau of Social Service	13,325 81
Department of Church and Country Life	17,076 17
Department of Immigration	6,468 37
Department of Indian Missions	6,139 14
Field Secretaries and Expenses	30,117 30

The necessity and authority for these expenditures are not questioned. An attempt to state what portion thereof should be charged to Administration expenses and what to Missionary Work, at once develops differences of opinion. The question is purely an academic one, and the answer to it is one about which there may be, and is, an honest difference of judgment. The Commission does not believe that it is necessary for it officially to answer this question.

Why should the Board maintain the present system of supervision under pastor and Synodical evangelists and Field Secretaries? Would larger results be obtained on the field by employing more home missionaries and fewer field men? Dr. Dixon (Secretary) answers in substance as follows: "The reason for field men is simply this, that one out of three of all our churches in Mission territory is without a pastor. We have Presbyteries where there will be all the way from eight or twelve to twenty or twenty-five Home Mission churches without any pastor at all, and no way of getting one. . . . . Now, in order to supply the spiritual needs of these churches, even in the hop-skip-and-jump, hap-hazard method of pastor-evangelist, it is necessary to have some one who can go from field to field. He will probably cover his territory several times in a year, but he just simply keeps life in the church, keeps the organization from disappearing until such time as it is able to get a minister."

"The pastor-evangelist is a necessity growing out of a situation, and a very poor make-shift. In my humble judgment, what the Presbyterian Church needs, if the men were available and the Board had the power to do it, is 1,000 young men, fully trained, full of the Holy Ghost, who might be given pastorates. This going around once, or twice, or three times in a year among twenty churches is of no permanent value, and the duty which the Presbyterian Church is put to, in the matter, is between letting these churches die without pastors, or keeping them alive, waiting for the coming of a pastor, and this keeping of them alive is the business of these field men." (Minutes of Conference.)

Does the Board need all the present machinery? Why the Field Secretaries? May they be dispensed with? Dr. Thompson (Secretary) answers in substance as follows:

"Just as soon as we become convinced that less or simpler machinery will do the work, you may be sure that the Board will be swift to adopt that step. We have no desire to put in wheels for the sake of wheels, but only to increase the efficiency of the machine. To refer a moment to Field Secretaries, it is my very earnest conviction that without the work of Dr. Fullerton in the Southwest in the last few years, since he was appointed Field Secretary, our work down there would be set back indefinitely, would be left in a chaotic and almost hopeless condition; and the most effective thing I know in the way of Home Mission work is the administration, in the sense in which we use it, of Dr. Fullerton in that immense territory of the West and Southwest; the way he has arranged those Synods, got them unified and harmonized, and even among discordant elements, the way he has awakened the spirit of action down there in churches, Presbyteries and Synods, the way he has commanded the respect of all the people in that district, so that his counsel is accepted at full value, and thus has stimulated and inspired the Church and unified the work and given it a new impetus, until it is the outstanding feature of Home Mission service in this country at the present time. We are more indebted to Dr. Fullerton than to any other dozen people; and without him I do not know how we would ever have unified and harmonized the elements down there in our Church, in the Cumberland Church, during the last five or six years." (Dr. Thompson spoke in praise of the work of the other Field Secretaries.) (Minutes of Conference.)

In view, therefore, of present conditions in Home Mission fields, and in view of the lack of men for Home Mission work, the Executive Commission believes that the Board's policy of maintaining a system of supervision through pastor and Synodical evangelists and Field Secretaries has been wise and commendable and, in most instances, has been efficient, and good results have been accomplished thereby.

The Executive Commission, however, is of the opinion that the system of supervision now prevailing should be temporary only, and that the policy of the Board should be to increase and develop Synodical and Presbyterial supervision and administration through their Home Mission Committees, so as to discontinue gradually, but as speedily as possible, the field men; that it should be the aggressive policy of the Board to secure at once a goodly number of consecrated men (1,000 if possible) who should be placed in charge of these numerous vacant churches and destitute and neglected fields; also, in view of the high cost of living, and that they may be free from worldly cares and avocations, it should be the policy of the Board that the salaries of all home missionaries should be increased so as to provide them a competent support. The laborer is worthy of his hire, and the needs of these heroic missionaries, doing work in Home Mission fields, oftentimes enduring hardship and making sacrifices, should be amply provided for.

As to the Work and Value of Special Departments.—Five special departments have been erected in recent years, four of these (Mexican excepted) having headquarters in New York, with superintendents, assistants, clerks, stenographers, experts, specialists, etc., costing the Church (in 1912) $42,009.49. These special departments are "Mexican," "Indian," "Church and Country Life," "Immigration," "Bureau of Social Service."

(*a*) Why the "Mexican Department"? Only recently this department was created to have charge of the Mexican work in five States in the Southwest. Mexicans are increasing by leaps and bounds, and pouring, in large numbers, into Texas (estimated at 300,000) and into Southern California (estimated at 150,000); Colorado, 35,000; New Mexico, 120,000; Arizona, 45,000. In 1909 the Pueblo Presbytery overtured the General Assembly "to consider the advisability of instructing the Board of Home Missions to put into effect a plan for the independent management of the Mexican work similar to that in force for Indian work." (*Minutes*, 1909.) This Overture was referred to the Board. The Board did not take immediate action, but later established a separate Budget for Mexican work, and only recently completed the organization of the Mexican Department by appointing a superintendent (Dr. McLean). The difficulty is to secure preachers, leaders and teachers qualified to do efficient missionary work among these people. As the work of this department is just beginning, it is impossible to speak of its real value.

(*b*) Why the "Indian Department"? This department has charge of the Home Mission work among the Indians in 20 States, 57 tribal divisions, having 116 organized churches, 118 mission stations, a total communicant membership of 7,200, an enrollment of 6,500 in Sunday-schools, supplied by 84 ordained ministers (45 white, 39 native). The superintendent's time is taken up with executive plans and conferences, public addresses and correspondence, a number of months each year being spent in visiting the widely scattered mission fields from the Atlantic to the Pacific, and from the Canadian to the Mexican border. The home office is a clearing-house for literature and information on Indian subjects.

The Executive Commission is of the opinion that these two departments (Mexican and Indian) are valuable for the time being, but should be regarded by the Board as temporary, and just as soon as careful surveys of their several fields have been made, and their mission work properly organized, these departments should be discontinued, and the work turned over to be supervised by the Presbyteries within whose bounds these churches and missions are located and these exceptional peoples reside.

(*c*) Why the "Department of Church and Country Life"? This department seeks to establish the "rural" pastor and make him the "efficient leader" of the community. Of the 9,852 churches of our denomination there are, at least, 7,000 country churches, located in communities of 2,500 population or less. Few country churches have pastors who reside where their churches are located, but live in cities and towns and go out for an hour or two of service, and then return. This department, therefore, endeavors to secure pastors who will reside in the country and become leaders in their communities; they must have insight into the common needs of their people, and teach them how to solve their needs; pastors must be trained; schools are opened, institutes and conferences are held, the main theme being "efficiency." Such subjects as these are considered: "Better farming," "agriculture," "fruit-raising," "rural evangelism," "the rural pastor," "efficient methods," "recreation and rural morality," thus furnishing post-graduate study for country ministers. Also, surveys are made by this department to ascertain the prevailing social and religious conditions in the country, and the findings of these surveys are given to the public in graphic exhibit and printed report.

The Executive Commission, while in fullest sympathy with every effort to revive, foster, strengthen and perpetuate the country church, and with every movement to evangelize and Christianize the rural population; and, while most heartily commending the main purpose and aim of this department, "to provide efficient pastors for country congregations," nevertheless, after careful inquiry, expresses its judgment that this department is unnecessary, and should be discontinued; and that the vital interests and real needs of country churches should be specially commended to the careful consideration of Home Mission Committees of Presbyteries as deserving fields for evangelistic and Home Mission effort; and that investigations or surveys, in the interests of Social Service and religious conditions, should be conducted, if deemed advisable by the Presbytery (when the expenses are to be paid by the Board), by the Bureau of Social Service.

(*d*) Why the "Department of Immigration"? In 1908, owing to the inflow of foreigners and the rapidly increasing stream, the Department of Immigration was erected, in order that special effort might be made to bring these immigrants under the influences of the Gospel. The department at present conducts its work along five distinct lines: investigation, information, interpretation, coördination, leadership. During the year ending March 31, 1913, the department conducted mission work among immigrants in 67 centres, with some 80 pastors, visitors, lay-workers, commissioned at a cost of over $75,000, doing work in eight languages (Italian, Magyar, Ruthenian, Bohemian, Syrian, Scandinavian, Armenian, Polish), coöperating with the cities of New York, Brooklyn, Newark, Baltimore, Cleveland, Gary, Indianapolis, St. Louis, Kansas City, San Francisco.

The Executive Commission believes that, owing to the vast multitudes of immigrants that have been coming to our shores during recent years, and that continue to come in ever-increasing numbers, this department is necessary at present, and should be continued, its efficiency commended and its work encouraged and pushed vigorously.

(*e*) Why the "Bureau of Social Service"? In 1903 the Board established a "Workingmen's Department," which later became known as the "Department of Church and Labor," and in 1911 was changed into "The Bureau of Social Service," whose functions should be "to study social conditions as they are related to the progress of the Kingdom of God, and to suggest to the Church practical ways of realizing the social ideals of the Gospel."

The work of this department embraces a study of moral and social problems, such as "labor and capital," "child welfare," "charities," "woman's work," "public health and housing," "recreation." Original research is conducted, such as, "workingmen's leisure time," "economic aspects of the liquor problem," "attitude of organized labor toward the saloon," "the labor press," "surveys in cities," "efficiency methods for the church."

The Executive Commission has heard considerable criticism of this department, but is inclined to the opinion that the criticisms relate to methods rather than to functions; that a Bureau of Social Service "to study social conditions, etc.," is needed and should be continued, but with such modifications of *methods* as will more fully exalt and magnify the Church as the Body of Christ, and with such enlargement of scope as to include Social Service in Country Life.

As to Labor Temple and Home Mission Work among Foreigners in New York Presbytery.—The Home Board expended upon Labor Temple, during the year ending March 31, 1913, $17,457.65, and for foreign work within the bounds of New York Presbytery, $31,573.64, a total of $49,031.29. Why should the Board use Home Mission funds for Labor Temple and for mission work among immigrants in New York City? As the Synod of New York is a self-supporting Synod, why should not the Presbytery of New York be self-supporting, or receive its aid from New York Synod? It is answered that the Labor Temple has been and is conducted as a demonstration of the principles for which the Bureau of Social Service is contending, furnishing a concrete illustration as to how the Church may minister to and evangelize the populations of "down-town" neighborhoods. As to work among foreigners, it is answered, that by a plan of coöperation between New York Synod's Committee and the Home Board, immigrant work within the bounds of Presbytery is to be carried on with the assistance of the Board. Furthermore, the churches of New York Presbytery turn into the Home Board's treasury all their offerings for Home Missions, with the understanding that said Home Mission offerings include mission work among foreigners in their own Presbytery, the offerings from the churches being larger for this reason.

The Executive Commission believes that Labor Temple should be transferred to the supervision and support of New York Presbytery, to be conducted as, in its wisdom, the Presbytery shall determine. As to mission work among immigrants in New York Presbytery, the Executive Commission believes that the Presbytery is wholly within its constitutional rights in applying to the Home Board for assistance; and the Home Board, in commissioning missionaries to work among foreign-speaking peoples in that great city, teeming with its masses of immigrants, is pursuing a policy that is commendable. In this the Board makes no exception of New York Presbytery, but stands ready to assist in mission work, among immigrants, in all Presbyteries that apply.

In closing, the Executive Commission desires to say that, in making its inquiry, in meeting in Conference with the Board, in listening to the Board's answers to our questions, in studying its literature, it has been deeply impressed with the *magnitude* of the Home Mission problem, the perplexing difficulties with which the Board is frequently confronted, the wise and statesman-like policies it has generally adopted in meeting existing and changing conditions, and the assurance that the Board is ever ready and willing to receive counsel as to supervision and methods of administration. The

Executive Commission desires also to place upon record its commendation of the Board, its Secretaries and other officers, for their faithfulness to duty, and successful achievements; and expresses the hope that the benign favor of God may continue to rest upon the great cause of Home Missions, that greater showers of blessing may descend and more abundant harvests be reaped, that *speedily* He shall reign Whose right it is, and *this* become Immanuel's land.

The Executive Commission submits the following recommendations:

(1) That, inasmuch as the discussion concerning the "Cost of Administration" is largely an academic one, and the usage of the word widely varies in different business managements, any exclusive definition, at this time, by the Commission, is not considered wise or necessary.

(2) That the system of supervision under field men, now prevailing, should be temporary only, and that it should be the policy of the Board to increase and develop Synodical and Presbyterial supervision and administration, through Home Mission Committees, so as to discontinue gradually, but as speedily as possible, the field men.

(3) That the Mexican and Indian Departments, while valuable for the time being, should be regarded by the Board as temporary, and, when careful surveys of their fields have been made and their mission work properly organized, these departments should be discontinued, and their mission work turned over to be supervised by the Presbyteries within whose bounds these churches and missions are located.

(4) That, while in fullest sympathy with every effort to revive, strengthen and perpetuate the country church, and with every movement to evangelize and Christianize the rural population, nevertheless, the Department of Church and Country Life should be discontinued as soon as practicable; that the vital interests and real needs of country churches be specially commended to the careful consideration of Home Mission Committees of Presbyteries, as worthy and deserving fields for evangelistic and Home Mission effort; and that, when investigations or surveys are necessary in the interests of religious conditions or Social Service in the country, said investigations or surveys, if deemed advisable by Presbytery, should be made by the Bureau of Social Service.

(5) That, owing to the vast multitudes of immigrants that have come to our shores during recent years and that are continuing to come in ever-increasing numbers, the Department of Immigration is necessary for the present, and should

be continued, its efficiency commended, its work encouraged and pushed vigorously.

(6) That, although considerable criticism is made of the Bureau of Social Service, these criticisms seem to relate to methods rather than functions; that a Bureau of Social Service "to study social conditions as they are related to the progress of the Kingdom of God, and to suggest to the Church practical ways of realizing the social ideals of the Gospel" is needed and should be continued, but with such modifications in methods as will more fully exalt and magnify the Church as the Body of Christ, and with such enlargement of its scope as to include Social Service in Country Life.

(7) That Labor Temple should be transferred to the supervision and support of the Presbytery of New York, to be conducted as, in its wisdom, the Presbytery shall determine.

VIII. LEGAL MATTERS CONNECTED WITH REUNION.

The General Assembly has entrusted to this Executive Commission jointly with the Legal Committee, oversight of two important matters connected with all law-suits having to do with the Reunion effected in 1906 with the Cumberland Presbyterian Church. These matters are:

1. *Initiation of Suits.*—While the Legal Committee has power as to all general litigation now in progress, the Assembly of 1912 provided, "That no new suits be approved, except after consent given by the Executive Commission of the General Assembly" (*Minutes*, 1912, p. 211). This action was the continuation, however, of similar action taken by previous Assemblies.

2. *Appropriations.*—The Executive Commission was also authorized, jointly with the Committee on Legal Matters, in the following words, "To make appropriations on behalf of the General Assembly, to assist in meeting the expenses of suits where general questions are involved. But this resolution shall not be considered as authorizing appropriations for the expenses of litigation, which involves only the ownership of local church property" (*Minutes*, 1912, p. 211). In connection with this matter of appropriations, there was naturally included from year to year the appropriation for the salary and expenses of John M. Gaut, Esq., General Counsel.

During the year the Executive Commission, upon the presentation in due written form of reports by the Committee on Legal Matters connected with Reunion, took action as follows, through its Finance Committee, and by approval of the Report of said Finance Committee.

1. Appropriations were voted for the salary of John M. Gaut, General Counsel, for the six monthly periods ending June 1 and December 1, 1912, and advised the continuance of his appointment until June 1, 1913.

2. The appropriation of $1,000 was recommended for the suit in the Federal Court in Missouri, subject to the discretionary action of the Committee on Legal Matters.

3. The action of the Executive Committee on Legal Matters was approved in certain cases, stated in the Report of said Committee as follows:

" (*a*) The Executive Committee has given careful consideration to the Marshall, Mo., Odell Ave. Church case, through the legal members of the Committee, Messrs. Chapman, Gilpin and Schick, and decided that the case in its present condition was purely local in its character, and, therefore, did not come within the general class of cases whose expenses might be met from the funds of the Assembly in the discretion of the Executive Commission and of this Committee." Approved.

" (*b*) The Executive Committee further draws the attention of the Executive Commission to the consistent policy of the Committee from 1907 down to the present time, of declining to become in any manner responsible for fees and costs in suits, unless the Committee has been first consulted. It is the conviction of the Committee that authority should be given both by the Committee and the Executive Commission, not only for the bringing of suits, but also for the expenses of suits, prior to the incurring of any liabilities for expenses." Approved.

4. The cases in the Federal Courts have great importance and the Executive Commission authorized the Committee on Legal Matters to ask the Assembly for the continuance of the services of John M. Gaut, Esq., for so much of the next ecclesiastical year as may be necessary in order to complete legal business. Other expenses than those of Mr. Gaut will be considered by the Executive Commission when circumstances require.

X. UNION OF TWO BOARDS.

The Presbyterian College Union presented to the Commission at its meeting in February, 1913, a communication looking toward the union of the College Board with the Board of Education. In view of the importance of the paper, it was referred to a Special Committee, consisting of Jos. L.

Weaver, D.D., Charles Little, D.D., and William Foulkes, D.D., to report at the meeting of the Commission at Atlanta, Ga., May, 1913.

The Executive Commission, having considered the whole matter, and heard representatives of the Board of Education and the College Board, and of the college presidents, is of the opinion that no such union is at present feasible or expedient; and that any action on that subject should be based upon a more careful and exhaustive consideration of the whole subject of Christian Education.

It therefore recommends that no such action be taken at present.

In view, however, of the great importance of the subject of Christian Education, and the growing confusion in the minds of their constituency as to the functions of the various Boards and Agencies which are engaged wholly or in part in providing such education, and of the increasing danger of friction between said Boards and Agencies, and of the duplication of their work, the Commission further recommends that the whole subject of Christian Education be referred to a Special Committee of nine to be appointed by the Moderator, which shall consider the matter and report to the next General Assembly its conclusions thereon and its recommendations.

XI. OVERTURES FROM SYNODS.

The Executive Commission received directly from two Synods Overtures upon certain matters hereinafter named, and referred the question of the powers of the Commission in connection therewith to a Special Committee whose Report was approved by the Commission, and is herewith submitted for the approval of the General Assembly. The Report is as follows:

The Commission has received:

1. An Overture from the Synod of Kansas, as to the payment of the expenses of the Western members of the Board of Church Erection by said Board.

2. An Overture from the Synod of New Jersey, as to certain acts of the Hungarian Reformed Church.

Having considered said Overtures, the Commission reports as follows:

The Executive Commission represents, at least in a limited sense, the General Assembly between its annual meetings. It must, as such representative, receive all communications coming, under whatever name, from the Presbyteries, Synods or recognized agencies of the Church, even though it may appear, from the examination of the papers, that the Commission has not jurisdiction of the matters therein referred to.

As an answer to the prayer of these Overtures and as a statement of the position which the Commission must, for the future, take with reference to all similar communications, the Commission declares:

1. That the Commission has no power or authority except such as has been expressly conferred upon it by the General Assembly.

2. That the General Assembly has not conferred upon the Commission any authority to interfere with the purely administrative work of the Boards and kindred agencies of the Church, except as to a few exceptional matters as to which such authority has beeen specially conferred by the General Assembly.

3. That the matter referred to in the Overture from the Synod of Kansas is purely a matter of administration of the affairs of the Board of Church Erection, and is not within the exception referred to in the last article, the election of the Western members of the Board, which was referred to the Commission, having been accomplished.

4. The Overture from the Synod of New Jersey presents a matter of Church polity, over which this Commission has no jurisdiction.

Because, however, the matters presented by both of these Overtures are of importance and should be considered by the General Assembly; and as there will be no meeting of either of these Synods prior to the next meeting of the General Assembly, the Commission, expressly disclaiming the intention to make such action a precedent, places both said Overtures in the hands of the Stated Clerk as the medium of transmission to the General Assembly, without recommendation.

5. The Commission requests the Synods, Presbyteries, and other agencies and bodies to refrain from bringing to the Executive Commission matters which are not within the express jurisdiction of the Commission; but to bring them, in the usual manner, to the attention of the Boards, or, if it be deemed necessary so to do, to the attention of the General Assembly. Such a course will, in the judgment of the Commission, operate most expeditiously and effectively to secure the required relief. It will also result in saving the Commission from misunderstanding and criticism, and in allaying any suspicion that the Commission is seeking to usurp in any way, the functions of the Boards and permanent agencies of the Church.

XII. GENERAL TREASURER AND PURCHASING AGENT.

The subjects of a General Treasurer and a Purchasing Agent for the Benevolent and Missionary Boards have been under careful consideration for some time by the Executive Commission, as appears by the Reports herewith presented.

I. THE GENERAL TREASURER.

We find upon examination of the *Minutes* of the General Assembly, that the proposal to have one Treasurer for several of the Boards, or all of the Boards, has been before the Assembly a number of times. In 1896 (*Minutes*, p. 86), the subject was brought up and referred to the Committee on Bills and Overtures. At that time, it was suggested that one Treasurer be appointed for all the Boards in New York and one Treasurer for all the Boards in Philadelphia. The subject was referred to a Committee of nine, which made a report the following year (*Minutes*, 1897, p. 51). The full Report of the Committee is to be found on pp. 50 and 56, *Minutes*, 1897. The conclusion to which this committee came was, that "In the light of our investigation we are convinced that the consolidation proposed is not practicable, and would not, under present arrangements, be either in the interest of economy or efficiency."

Since 1897, the matter has been brought up several times. In 1911 (*Minutes*, p. 158), the Assembly took the following action:

"*Resolved*, That in view of the need for a more efficient administration of all our benevolences, whether or no any of the Boards be federated under the foregoing or any other plans, the following recommendations be adopted as the action of the General Assembly, report to be made to the next Assembly.

"1. That the Executive Commission of the General Assembly be instructed to confer with all of the Boards with reference to the propriety of having one General Treasurer for all of the benevolences of the Presbyterian Church, which Treasurer shall be charged to receive all moneys whatsoever for the varied work of the Boards, and to pay out the same to the Boards in such way as may be prescribed hereafter by the General Assembly."

In 1912 (*Minutes*, p. 228), "the Assembly also directed the Executive Commission to consider the matter of a General Treasurer."

Following the instruction of the Assembly, that the Executive Committee confer with all the Boards with reference to the propriety of having one General Treasurer for all the benevolences of the Presbyterian Church, your Committee reports that written communications were sent to all the Boards, and that the Chairman of your Committee has had personal interviews with a number of the Secretaries and Treasurers of the Boards. The communications from the Boards discuss the question of a General Treasurer in detail and present arguments for and against the proposition.

The Committee, having considered the whole question, is of the opinion that the time has not yet come for the appointment of one Treasurer for all the Boards, though we believe that the Church is moving in this direction. We recommend that the matter be held for further consideration.

II. THE PURCHASING AGENT.

The Committee on Purchasing Agent and Treasurer would report:

That our work has been attempted under the following instructions of the General Assembly of 1912:

"In view, therefore, of the whole situation, it is recommended that the Executive Commission be empowered by the General Assembly to employ an efficiency expert, for such time as may be necessary, with the view of utilizing him, in coöperation with the Boards, in seeking to devise the very best methods of conducting our Church business in the manner most efficient and economical.

"It is to be said, further, in support of this larger provision, that it would, if adopted, include the matter of the General Treasurer, as well as a Purchasing Agent, as part of the above proposed plan."

We have had several instructive conferences with the U. S. Supply Commission, which has been in operation about three years, in an expert oversight of the supply expense in the Executive Departments of the United States Government. They furnished us with the printed copies of detailed lists of Awards in General Schedule for 1912, and schedules, lists, prices, blanks, etc., which may be useful in the subsequent organization of this work if this be our decision.

We are also very much indebted to our dear brother Dr. Hubbard, who among his last services sent to us a summary, elaborate and very helpful, of prices paid by one of our Boards for certain printing, compared with estimates of same printing by other firms.

It proved to be a characteristic work of his remarkable executive ability, a fine tribute to the efficiency and economy of the Foreign Board, and a welcome aid and inspiration to the Committee.

We sent out to the executive departments of the Church certain inquiries concerning office supplies for the year 1912. From the careful consideration of these reports we believe that through combination and coöperation some system of retrenchment and better results is possible. This system, however, should not tend in any way to relieve the Boards of individual interest and responsibility, but some response should be made to the general demand for retrenchment. But any change should be simple, comparatively temporary, and of such character as to continue the full responsibility of the Boards, and retain the control within this Commission.

We recommend:

(1) That a Committee on Supplies be appointed, consisting of three persons:

(*a*) A representative from the Executive Commission.

(*b*) A representative from the Boards and Agencies of the Church.

(*c*) A business man from the membership of the Church.

The Committee shall be appointed by the Executive Commission at its first meeting following the meeting of the General Assembly, and shall be subject to the control of the Executive Commission. It shall have the responsibility of determining the prices and purchases of all office supplies for all the Boards and Agencies of the Church, and for the office of the Stated Clerk of the Assembly. This Committee shall be authorized to employ a Purchasing Agent at an annual salary of not more than three thousand dollars ($3,000), to be paid by the respective Boards and Agencies in proportion determined by this Committee.

(2) That the appointment of an expert as suggested in the action of the last General Assembly is not considered expedient at the present time, as any expert investigation, if thought wise, would be very properly in the hands of the Committee on Supplies.

(3) That the Treasurers of the respective Boards and Agencies be instructed to itemize their reports to the General Assembly, so as to give clear and definite information as to the salaries paid to the different Secretaries, Treasurers and other officers, clerks and employés, and also the annual expenditures for postage, furniture, rentals and other incidental expenses.

XIII. RELIEF AND SUSTENTATION.

The Executive Commission was authorized by the General Assembly "to do any and all things that may be necessary to put the plan of the combination of the Presbyterian Board of Relief and the Ministerial Sustentation Fund into effect" (*Minutes*, 1912, pp. 235, 236).

The Executive Commission entrusted the details of the completion of the combination of the two Agencies to its Committee on Relief and Sustentation, the Rev. Charles Little, D.D., Chairman.

The Committee met with the two Boards on October 2, 1912, to consult and coöperate with them, and to advise them as to procedure. The results of the consultation and co-operation had is concisely stated as follows:

The name of the Board for popular use, chosen by the Boards themselves, and confirmed by the Commission, is the Board of Relief and Sustentation. The Rev. William Hiram Foulkes, D.D., was elected Secretary; the Rev. John R. Sutherland, D.D., Associate Secretary, and the Rev. William W. Heberton, D.D., was elected Treasurer. A vote of hearty thanks was extended to the Rev. William H. Roberts, D.D., for his voluntary services as Treasurer of the Ministerial Sustentation Fund. Steps were taken, also, for the raising of the proposed endowment fund of ten millions of dollars. Matters of detail in connection with this Combination will be found in the Reports of the two Boards as submitted to the General Assembly.

XIV. RESOLUTIONS AS TO ASSEMBLY BUSINESS.

Two matters submitted to the Assembly of 1912 were referred to the Executive Commission to prepare answers thereto, and the Commission entrusted the same to the Moderator. The report of the latter, as approved by the Commission, is hereby submitted to the Assembly for adoption.

The paper containing the matters referred by the Assembly reads:

"*Resolved*, That the Executive Commission be requested to consider the following matters to facilitate the transaction of business by the General Assembly, and to report upon the same at the next Assembly, viz.:

"1. That all papers having to do with judicial cases coming up to the Assembly by appeal or complaint, be placed in the hands of the Judicial Commission, rather than the Judicial

Committee, at the time when the Judicial Commission has been called to meet at each Assembly.

"2. That the Committee of Arrangements or the Judicial Commission be authorized to nominate the Committees on Synodical Records, and to have such nominations printed with the Roll of the Assembly previous to the opening of the Assembly, and, further, that said Committees shall report to the Judicial Committee early in the Assembly, which Judicial Committee shall then be made a Commission, and shall finally pass upon all Synodical Records, and the Chairman of the Judicial Committee shall authenticate them."

The report of the Executive Commission is as follows:

I. PAPERS CONTAINING APPEALS AND COMPLAINTS.

The present rule as to the disposition of appeals and complaints is Standing Rule 41, which reads:

"41. It is expedient that judicatories appoint a Standing Committee, to be known as the 'Judicial Committee,' to whom shall be referred all papers and questions of a judicial nature, and whose duty it shall be to recommend to the judicatory answers to judicial questions and orders of procedure in all judicial cases. In the General Assembly the province of the Judicial Committee shall be to pass upon the regularity of the papers and the record in all cases referred to it by the Assembly; to determine, upon the face of the papers, whether questions of doctrine or Constitution are raised, and, if, *prima facie*, there is a case, to recommend the same to the Assembly for reference to Judicial Commissions. The members of the Judicial Committee are not debarred by their appointment from sitting and voting as members of the judicatory."

The above rule is a general rule modified in phraseology from time to time, and the practice in all the judicatories of the Presbyterian Church has been conformed thereto for many years. It is recommended that there be no change for the following reasons:

1. Rule 41 above given was carefully considered by the Permanent Judicial Commission in 1908 in conference with the Judicial Committee, and the rule as previously existing was modified in the direction of a more definite determination of the province of the Judicial Committee.

2. Inasmuch as the Permanent Judicial Commission considered the matter, and did not itself ask a complete change of the rule, it would appear that it was the opinion of the Judicial Commission that the Judicial Committee should continue to pass upon the regularity of the papers, etc.

3. The Permanent Judicial Commission exists by virtue of Section 125 of the Book of Discipline. The closing sentence of said Section reads: "The General Assembly may transmit to this Commission any judicial case for hearing and decision." There is in the Section no power given the Commission to act in determining the regularity, etc., of appeals. This belongs to the judicatory which may transmit the case. It would appear, therefore, that the proposed modification in the duties of the Judicial Commission is without authority under the Constitution of the Church. The Commission can have transmitted to it only the appeals which the Assembly has decided are in order upon the Report of its Judicial Committee.

II. APPOINTMENT OF COMMITTEES ON SYNODICAL RECORDS.

It does not seem wise to the Commission to authorize the proposed changes in the appointment of Committees on Synodical Records, and for the following reasons:

1. Because appointments made as proposed would seriously interfere with the appointments of commissioners to Standing Committees by the Electing Sections under Standing Rule No. 9. It is the custom to appoint Committees so that every commissioner shall serve on some Committee. At the next Assembly there will be forty Committees on Synodical Records, each composed of four ministers and three elders, or a total of 280 appointments. To make these appointments beforehand, would be to limit decidedly the Electing Sections in the choice of members of Standing Committees.

2. Because it is a departure from the practice of the Church, which has invariably, in all the history of Presbyterian Churches, involved the review by a higher judicatory of the records of a lower judicatory, through Committees appointed directly by the reviewing judicatory.

3. Because the Book of Discipline, Sections 72 to 77, deals with this matter of review fully, and in Section 72 the mandatory clause appears: "Every judicatory above a session shall review at least once a year the records of the proceedings of the judicatory next below." This law, in the judgment of the Commission, requires the action of a sitting Assembly in order to give to it due effect, both as to the membership of Committees and the transaction of judicial business.

XV. VACANCY AND SUPPLY.

The Permanent Committee on Vacancy and Supply was chosen by the last General Assembly in accordance with the provisions of Constitutional Rule No. 4. The Assembly also directed that the appointment of the Corresponding Secretary should have the confirmation of the Executive Commission, and in addition adopted the following: "The expenses of management of the Permanent Committee, when the work has been organized, shall be determined by the Executive Commission, both as to amount and as to the method of securing the moneys" (*Minutes*, 1912, p. 190).

Upon the two matters above indicated the Executive Commission took action, confirming the election of the Rev. Walter H. Houston, Columbus, Ohio, as Corresponding Secretary, and requesting the Presbyteries to take action with a view to providing for the expenses of the Permanent Committee for the fiscal year ending March 31, 1913, over and above the sum of $1,000 voted by the General Assembly. The Stated Clerk of the Assembly, as Secretary of the Commission, transmitted to the Presbyteries its request in the following paper:

WHEREAS, In the judgment of the Executive Commission, the work of the Permanent Committee on Vacancy and Supply belongs properly to the administrative and not to the benevolent activities of the Church, and should not, therefore, be placed upon the Budget of the Boards as a benevolence; and

WHEREAS, The General Assembly's Contingent Fund is not sufficient to carry this additional charge; and there is, therefore, no present source available from which to derive the funds required to put the Permanent Committee's plans into operation; and

WHEREAS, The plans were adopted and the Committee appointed by the General Assembly in response to overtures from a large majority of the Presbyteries; therefore, be it

Resolved, That the Presbyteries be and they are hereby requested to add to their budget for the present ecclesiastical year an additional quarter-cent per member for the General Assembly's Contingent Fund, and that the amount derived from this additional one-quarter cent be used as may be needed from time to time to pay the Secretary and other contingent expenses of the Permanent Committee on Vacancy and Supply, it being distinctly understood that this provision is made to meet a contingency, and is for the current year only.

The Secretary reported to the Executive Commission at its meeting February, 1913, as follows:

"I have to report that in accordance with your instructions, I communicated with all of the Presbyteries in the matter of the expenses of the Permanent Committee on Vacancy and Supply. Up to February 15, 1913, the number of Presbyteries making payment was 40, the sum total of payments being $572.93. The number of Presbyteries promising payment after the spring meetings is 11. The number of Presbyteries declining payment is 14. The number of Presbyteries that have acted on the matter is 65, and the total number of Presbyteries is 296. There are 231 Presbyteries, therefore, still to hear from. The expenses of the Committee thus far amount to $693.62. The resources of the Committee, including the vote of $1,000 from the General Assembly, and the receipts from the Presbyteries are at this date $1,572.93. This leaves to the credit of the Committee the sum of $879.41. There is in hand a request from the Committee for $335 for the expenses, the salary of the Secretary included, for the month of February. The sum of $240 will be required for the month of March. Subtracting these sums from the balance subject to the order of the Committee, there will be left for the next fiscal year, the sum of $304.41."

At the meeting February 27, 1913, the Executive Commission adopted the following recommendation, which is submitted to the Assembly for action:

It is recommended that the Assembly be requested to ask the Presbyteries to contribute one-half cent per communicant for the expenses of the Permanent Committee for the ecclesiastical year ending March 31, 1914.

The reasons for this recommendation are to be found, as already intimated, in the character of the work of the Permanent Committee on Vacancy and Supply, which is purely administrative, and in the fact that it will be and is exceedingly difficult to secure funds from individual sources for the support of this work, which in a peculiar sense belongs to Church administration as a whole. The probable expenses of the Committee are estimated at $7,000, of which $3,500 is for the salary of Secretary, and if the Presbyteries assent to the suggested apportionment of one-half cent per communicant, the receipts will be about $6,500 per annum. The recommendation is submitted in the following Resolution:

Resolved, That the Presbyteries be requested to contribute one-half cent *per capita* of the membership of the congregations under their care, respectively, for the expenses of the Permanent Committee on Vacancy and Supply.*

XVII. THE BUDGET—SPECIAL CAUSES.

The Executive Commission received from the Committee on Evangelistic Work, and The American Bible Society, requests that these organizations be placed on the Budget. After consultation and consideration, the following paper was adopted:

---

*See pp. 133 and 225.

The General Assembly has, for twelve successive years, appointed a Special Committee on Evangelistic Work. This Committee has now a clearly defined place in the life and work of the Church, having established a definite helpful relationship to the churches, especially through its coöperation with our Presbyteries and Synods. The majority of these bodies, in accordance with the recommendations of the General Assembly, have appointed Evangelistic Committees for the purpose of coöperating with the Assembly's Committee, to which they are now looking for inspiration and guidance.

In view of these facts, the Executive Commission agrees with the members of the Evangelistic Committee, and of those who are most familiar with its programme, that it is the part of wisdom for the Church, without interfering with the General Budget, to make such provision for the Committee's needs as will enable it to carry forward the work and fulfill without delay the instructions of the General Assembly; and we would respectfully call the attention of the churches to the provision made by the joint action of the representatives of the Boards and the Executive Commission, that in adopting a definite Budget scheme for sustaining the work of said Boards, that "other causes than those indicated in the Budget scheme can be dealt with by the Session at its discretion."

The application of the American Bible Society for a place in the Budget was ordered dealt with in a manner similar to the foregoing action.

XVIII. REPORT OF THE JOINT EXECUTIVE COMMITTEE.

The Joint Executive Committee of the Boards and the Executive Commission in presenting its Second Annual Report, would call the attention of the General Assembly to the great loss which the Church has sustained in the death of the Secretary of the Joint Executive Committee, the Rev. William H. Hubbard, D.D., who departed this life on January 29, 1913. For nearly a quarter of a century Dr. Hubbard had devoted time, strength and money to the one mastering thought of his life, viz.: the development of the Church in systematic beneficence. The thought of many years culminated in the present plans now being carried out under the auspices of the Joint Executive Committee of the Boards and the Executive Commission. While he did not suggest all the details of the scheme, and would fully accord to all others the honor due to them in connection with the development of the benevolences of the Church, yet it is only just to say that to him, more than to any other one man, the Church owes the present development of its benevolent work.

The Committee wishes to place on record its appreciation of the faithful, efficient and painstaking labors of Dr. Hubbard. He brought to the work of the Committee a great aptitude for dealing with matters financial, a clear, clean-cut conviction of the necessity of developing in the individual church systematic beneficence, a full knowledge of the whole subject from every point of view, a deep and abiding interest not only in the entire Church, but, in particular, in the smaller and weaker churches, and a burning passion for all the work of the Church so that the Kingdom of our Lord and Saviour Jesus Christ might be advanced at home and abroad: "A workman that needeth not to be ashamed."

The Committee wishes to bear record to the unfailing courtesy, uniform kindness, and abounding generosity shown by Dr. Hubbard during these months when it has been the privilege of the members of the Committee to be associated with him in this blessed service. The Committee recommends that the Conference of the representatives of the Executive Commission and of the Boards should pass suitable resolutions regarding the work and worth of our beloved associate.*

The Committee held nine meetings during the year. Two of these meetings were held in the city of Auburn, the first at the request of Dr. Hubbard, because of his illness which prevented him from coming to New York; the second was held after his death in order that the Committee might thoroughly inspect everything connected with the Auburn office, and confer with Mrs. Hubbard regarding plans for the future.

At the request of the Committee, early in the year, the Secretary prepared a letter dealing with various matters connected with the benevolent work of the Church. The letter was signed by the Moderator of the Assembly, and sent to pastors and church Sessions. This letter was productive of much good, judging from the number of replies received at the Auburn office, and the questions evoked by it. With this letter were sent marked pages from the General Assembly *Minutes* and the Boards' *Reports*, calling attention to the contrast in the amount of contributions as given in these two Reports.

---

*See p. 172.

The Committee has given considerable attention to the matter of the promotion of the Budget through Presbyterial and District Conferences. As far as can be ascertained, the total number of orders for envelopes for the Budget Plan from April 1, 1912, to April 1, 1913, exceeded 500; the total number of envelopes sent out during the same period amounted to 2,608,000. As a large number of churches obtained their envelopes from other sources than the Auburn Office, these probably, if included, would add another 500 churches to the above list. The correspondence at the Auburn Office has greatly increased, and gives evidence of much interest on the part of the churches and societies on the whole matter of benevolences.

The Committee submitted a plan for the promotion of the Budget to the Conference of the Executive Commission and Boards, which, after amendment, was adopted. It is included in the Report of the Conference.

Since the death of Dr. Hubbard the work of the Auburn Office has been under the general direction and superintendence of the Joint Executive Committee, with Mr. James W. Burroughs in charge. Arrangements have been completed for printing 8,000 copies of the Financial Reports of the Boards. Copies of the Tentative Budget for 1913–14 were sent to the Commissions and Committees of Presbyteries.

The Committee reports having received from Mrs. Hubbard the following letter of gift:

98 North Street, Auburn, N. Y.
February 15, 1913.

To the Joint Executive Committee of the Boards and Commission of the Presbyterian Church:

In tribute to the memory of my beloved husband, the Rev. William H. Hubbard, D.D., and to carry out his last wishes, I desire to convey to the Joint Executive Committee of the Presbyterian Church, so soon as it is in my possession, a new Harris Automatic Press machine for the purpose of furnishing envelopes to the churches at as small a cost as possible. As it was one of the plans of Dr. Hubbard's life to place the weaker churches on a financial basis through the Duplex Envelope method, he was led to say to me during his last week's illness: "The Church must have the machine for carrying on its work."

There is also in the Auburn Office a Mergenthaler Linotype, with its galleys, type, etc., used by Mr. Hubbard for about three years, in printing his circulars, letters and reports. This also he would convey to you, believing that in its use many expenses in printing would be saved.

Of course it would be a joy to me if you found that you could use the Auburn plant, free of rent, and Mr. Hubbard's work could, satisfactorily to the Committee, be carried on here. But I place no restrictions on the machines; they are yours by his gift, to be used in the Master's service.

Kindly allow me to thank you all for having the Combined Reports printed as he planned. He told my son the day before his death to go to Utica to see about the work.

At Mr. Burroughs' earliest opportunity I will have an inventory of the other articles in the office, which are yours either by purchase or gift.

Thanking you for the sacred interest shown in Mr. Hubbard's work the day you were here, I am,

Most sincerely,
(Signed) MRS. WILLIAM H. HUBBARD.

For the Committee,

XIX. CONFERENCES WITH THE BOARDS.

The Official Conference, established by the General Assembly of 1911, composed of the duly appointed representatives of the Boards and also of the entire Executive Commission, met twice during the past fiscal year, on October 31, 1912, and on February 27, 1913. Both meetings were held in New York and fully attended.

The plan of the Conference and its purposes are printed in the *Manual* of the General Assembly, pp. 39–41.

The acts and recommendations of the Conference at both meetings are arranged under the following heads: (1) The Docket; (2) Moderator's Expenses; (3) Ministerial Relief and Sustentation; (4) Members and Work of the Joint Executive Committee; (5) Crediting Special Gifts; (6) Subscription Blanks and Envelopes; (7) Undesignated Gifts and Presbyterial Percentages; (8) Budget System and the Synods; (9) Various Plans as to the Operation of the Budget System.

I. THE DOCKET.

Resolved, That the Docket for the Conference, to be prepared by the Joint Executive Committee, be supplied to the members of the Conference a week in advance of the sessions of the Conference (October 31, 1912).

II. EXPENSES OF THE MODERATOR.

The subject of the expenses of the Moderator of the General Assembly was considered at both of the official conferences with the Boards, and in view of the fact that the itineraries of the Moderator of the General Assembly of 1912 were requested by the Boards, through the Joint Executive Committee, see *Minutes*, 1912, p. 266, last paragraph, the following action was taken:

"In the matter of the expenses of the Moderator in making his itineraries throughout the Church, the Executive Commission recommends that said expenses be paid out of the funds of the General Assembly, under the direction of the Finance

Committee of the Executive Commission, and, as the Moderator's itinerary is in part connected with the work of the Boards, that the Stated Clerk be authorized to draw upon the funds of the Joint Executive Commission for one-half of the Moderator's expenses, in an amount not to exceed $1,000."

For the future expenses of Moderators the Executive Commission and the Official Conference of the Boards unite in the following recommendation:

"That the General Assembly be asked to appropriate $500 annually out of the contingent funds of the General Assembly for the Moderator's expenses. Furthermore, should the Joint Executive Committee at any time desire the services of the Moderator to present its work, said Committee shall provide for his expenses."

III. MINISTERIAL RELIEF AND SUSTENTATION AS ONE AGENCY.

In view of the fact that the General Assembly of 1912 federated the Board of Ministerial Relief and the Ministerial Sustentation Fund under one control, and in view of the further fact that hitherto only the Board of Ministerial Relief has been represented in the Joint Conferences of the Executive Commission and the Permanent Agencies, it was

Resolved, That it is the judgment of the Joint Conference of the Executive Commission and the Permanent Agencies in session in New York City on October 31, 1912, that henceforth the federated agencies of Ministerial Relief and Sustentation be represented in all conferences as one agency; and further be it

Resolved, That the General Assembly be asked to approve the foregoing resolution, making it the action of the Assembly.

IV. JOINT EXECUTIVE COMMITTEE, MEMBERS, WORK, ETC.

Resolved, 1. That the Joint Executive Committee be advised to employ an Executive Secretary and such clerical assistance as may be necessary during the fiscal year 1913–14, and

Resolved, 2. That the election of members of the Committee for the ensuing year, be as follows:

(*a*) Two by the Executive Commission from its Budget Committee.

(*b*) One by the Home Board.

(*c*) One by the Foreign Board.

(*d*) One by the other seven Boards jointly.

And that the representatives of the Boards assume their duties on the first of April in each year, and the representatives of the Executive Commission on the second Friday of the Assembly's sessions.

Resolved, 3. That a budget of $12,000 be ordered for the work of the Committee during the next fiscal year, and that authority be given the Committee to draw on each Board for its *pro rata* share, on last year's basis, of as much of the money as may be required from time to time.

Resolved, 4. That the Committee be instructed to accept for the Church the gifts proffered by Mrs. W. H. Hubbard in her letter, cited in the Joint Executive Committee's Report.

V. METHOD OF CREDITING GIFTS TO SPECIAL OBJECTS, ETC.

Upon *Overture No. 239*, from the Presbytery of Lackawanna, referred to the Joint Executive Committee with power, and submitted by the Committee to the Conference, the following was adopted:

The Board of Foreign Missions and the Board of Home Missions are directed to give credit, on their books, and in their reports, to all churches, Sunday-schools, Young People's Societies, Missionary Societies, and other organizations in our churches that contribute to the support of Foreign or Home Missionary work, whether or not such contributions are made to individual workers, special objects, or to the general fund; provided, however, that all money to be so credited shall be sent through the proper Board, and not to the individual or to the special objects direct; and provided that the object for which the money is given is in the approved budget of the Board for the year, or provided that the church involved assures the full provision of its apportionment, and that the contribution is for an object approved by the Board, and further provided that this rule shall apply so far as practicable to similar contributions to the other Boards and Permanent Agencies.

VI. RULE AS TO SUBSCRIPTION BLANKS AND ENVELOPES.

In response to certain requests for subscription blanks and envelopes to be printed without the names of the Boards, and on the basis of a single blank and single envelopes for Church Expenses and Benevolences, the proportion for each to be determined by the church officers before the circulation of the subscription blanks and envelopes, the Joint Executive Committee reports to the Conference of the Executive Commission and Boards its judgment, "That while every church is entitled to secure and use those forms of subscription blanks and envelopes that may appear best suited to its needs, the Joint Executive Committee should not prepare and distribute other forms of subscription blanks and envelopes than those similar to the ones now in use, and that representatives of the Boards should not encourage the use of any forms of subscription blanks and envelopes inconsistent with the plans already adopted by the Conference of the Executive Commission and Boards."

VII. RELATION OF UNDESIGNATED GIFTS TO PRESBYTERIAL PERCENTAGES.

Resolved, That while recognizing the right of a Presbytery to secure from the churches within its bounds offerings for the various benevolent causes of the Church, a fixed proportion of which is to be sent by the Presbytery to the Permanent Agencies, it is not equitable to include designated gifts sent directly by the church to the Permanent Agencies in the percentage to be sent by the Presbytery to that cause, except when such designated gifts are for objects which are included in the regular budgets of the Boards, and provided this does not interfere with any arrangement now in force between any Board and any Presbytery or Synod.

VIII. PRESENTATION OF THE BUDGET SYSTEM TO THE SYNODS.

Resolved, 1. That each Synod be requested to set aside one hour at its meeting in the fall of 1913 for the thorough consideration of the Budget Plan.

Resolved, 2. That in connection with this consideration of the matter in each Synod, a Secretary or other authorized representative of each Board should be present to set the whole project adequately before the Synod, to answer any questions, and to deal with any difficulties arising in connection with the new system of benevolences.

Resolved, 3. That the Joint Executive Committee be requested to work out a scheme of visitation for the Synods in the fall of 1913, providing, if possible, for the presence of at least one representative of the Boards at each Synod, who would present the Budget Plan in behalf of all the Boards.

IX. VARIOUS PLANS FOR THE OPERATION OF THE BUDGET SYSTEM IN THE CONGREGATIONS.

a. Plan to Secure the Adoption of the Budget System in Non-participating Congregations.

In view of the fact that the present plans of coöperative work on the part of the Boards on the budget basis do not reach the churches which have not adopted the budget, and that there is danger, accordingly, that in these churches there may be a falling off in benevolent offerings—

It is the sense of this Conference:

1. That each Board seek through its agents, in any contact which it may have or can secure with any of these churches, to secure the adoption of the Budget Plan, with the personal canvas and the weekly subscription.

2. That the Executive Committees of Synods and Presbyteries and the Synodical and Presbyterial Committees on Home Missions and Foreign Missions, and any other such committees on the Boards of the Church, be urged to press upon these churches the advantages and claims of the Budget Plan and its accompaniments.

3. That the activities of the various Boards in seeking to reach these churches with information and to secure the maintenance and enlargement of their offerings be encouraged, with the understanding that all that is done to coöperate with them in carrying forward their work successfully on the old methods until they can be persuaded to adopt the new, shall be done with a recognition of the claims of all the Boards, and with a steady effort to induce them to adopt the Budget Plan.

4. That all Synodical and Presbyterial agencies be requested to see that the churches still depending on special offerings for benevolences, do not omit any of the offerings which they ought to make for the Boards, and to urge upon them the need of early and largely increased gifts in view of the urgent and unprecedented opportunities both at home and abroad.

b. Plan to Secure Offerings from New Members and Non-subscribing Persons.

In order to provide for the benevolences of such persons as have not subscribed to the Budget, viz., new members and others: That (1) The plate offerings, apart from envelopes be divided between local support and benevolences in an equitable proportion, to be agreed upon by the Session and the Trustees of the local church, or (2) A special day be set apart, preferably the second Sabbath in March, for the taking of a special supplementary offering, the same to be distributed among the several agencies, or (3) Special Sabbaths be set apart during the year whereby the plate offerings should go to designated causes.

c. Plan for an Adequate Educational Presentation of the Causes Represented by the Boards.

To secure in churches which have adopted the Budget Plan the adequate educational presentation of the causes represented by the different Boards, it is recommended:

1. That the Sessions of our churches arrange that a sermon be preached to their respective congregations on the work and needs of each Board at least once a year, and that a definite opportunity to contribute to each Board be given to those in the congregations not otherwise contributing through the Budget Plan.
2. That the Joint Executive Committee frame and recommend to the Boards a plan by which printed information provided by the Boards may be supplied to congregations in an orderly way, and that such plan supersede or include other joint plans already in operation.
3. That the Sessions be urged to arrange an orderly and effective plan for the distribution of such printed information supplied.
4. That in other ways Sessions keep their congregations informed and interested in the regular benevolent work of the Church committed by the General Assembly to its several Boards.

d. Plan for Securing Contributions from all the Members of a Congregation.

Resolved, That it is the sense of this Conference that the churches which have adopted the Budget Plan, and eliminated special collections for the different Boards, should make a systematic effort to reach all the members of the church and congregation who have not made subscription pledges. The Conference would cordially recommend:

1. That the pastor, in the name of the Session, should send out sometime during the year a letter to every member of the church and congregation whose name does not appear on the subscription list. This letter should state briefly the Budget Plan, and give in full the amount to be expected from the church, and should make clear that any donor can designate to what object or objects he wishes his gifts bestowed.
2. That at certain times of the year, quarterly or semi-annually, announcements should be made from the pulpit on a designated Sunday or Sundays that an opportunity will be offered for those who are not regular subscribers to the Budget Plan, to give to all the benevolences of the

church, and for subscribers who so wish to increase the amount of their offerings.

3. That a competent man be appointed by the Session as Treasurer of the Benevolent Fund of the church. The Treasurer should not only be efficient in the handling of money, but be himself a giver and a tactful man who will be able to deal with individual cases in a systematic and Christlike way. The name and address of the Treasurer of the Benevolent Fund should appear on all letters sent out, and should be mentioned frequently from the pulpit. It would be well also for the Treasurer to have at certain times of the year office hours in the church where he could be consulted in reference to the Budget Plan.

e. *Plan for a United Campaign in Support of the Budget.*

Whereas, The General Assembly recommends the adoption, by all our churches, of the every-member plan of supporting the whole missionary and benevolent work with a weekly offering, based on an individual subscription, and presented as a part of the public worship; and

Whereas, The effective carrying out of this plan necessitates the supply of information and inspiration continuously to the members of the Church; and

Whereas, The conducting of such a course of education and the giving practical effect thereto in a financial way involves the service of an efficient Missionary Committee in each church; and

Whereas, The carrying out of this plan, affecting as it does the interests of all the Boards and Agencies, depends upon the coöperation of all concerned, and especially upon initiative on the part of the forces in each Presbytery;

Therefore, it is recommended:

(1) That plans be laid with a view to carrying out simultaneously a Church-wide, every-member canvass, preceded by an intensive course of missionary education, in the month of March, 1914, and annually thereafter during the same month for the enlistment of the entire membership of the Presbyterian Church in the U. S. A., to contribute weekly for the support of the whole missionary and benevolent work of the Church.

(2) That there be constituted in each Presbytery and Synod a United Committee representing the Executive Commission and the Permanent Agencies of the Church, whose duty it shall be to coöperate with the Joint Executive Committee of the Boards and the Executive Commission of the General Assembly in effectively carrying out the foregoing plan.

(3) That for the necessary expenses incident to the effective carrying out of this plan, Presbytery make provision through its contingent fund or otherwise, without using therefor any portion of the contributions of the churches to the Permanent Agencies.

(4) That in order to give effect to the foregoing plan, the representatives and members of all our Boards and Agencies, and of Synodical and Presbyterial Committees, be called upon to coöperate with the pastors and members of our churches in unremitting effort and unceasing prayer for this purpose.

Furthermore, be it recommended:

(1) That Presbyteries and Synods be requested to take early steps in preparation for carrying out the every-member canvass to be conducted simultaneously throughout the Church in the month of March, 1914, and annually thereafter.

(2) That in order to give effect to the plan for a Church-wide every-member canvass, the Boards be requested to provide for such coöperation as may be required and as they may be able to furnish.

XX. THE BUDGET.

A. THE GENERAL BUDGET.

The Executive Commission presents to the Assembly the following recommendations in regard to the Budget:

II. That the Assembly approve of the apportionments as made to the several Presbyteries by the Executive Commission.

B. BUDGET OF THE WOMEN'S BOARDS.

The Executive Commission, after conference with the Central Committee representing the six Women's Foreign Mission Boards of the Presbyterian Church, U. S. A., in reference to the relationship of these Boards to the General Budget System of the Church, recommends that these Boards be included in the Budget System of the Church, subject to the same general rules and regulations as at present govern all the Permanent Boards and Agencies of the Church.

It being understood that the Executive Commission shall confer with them, through the Assembly's Board, as to the amount of the Budget each year, and it being still further understood that all moneys pledged for Home or Foreign Missions in a local society in a church cannot be diverted to any other object.

Respectfully submitted,
MARK A. MATTHEWS, *Chairman.*

At the request of Commissioners, Rev. Mark A. Matthews, D.D., Chairman of the Executive Commission, made further explanation of the Report on the Church and Country Life Department of the Home Mission Board, adopted by the Assembly.

The Committee on Finance, through its Chairman, Mr. James Yereance, presented its Report, which was adopted, and is as follows:

The Committee on Finance has given careful consideration to the matters referred to it, and after due deliberation respectfully submits the following Report:

1. As to the financial statements which have been duly certified as correct by Vollum, Fernley, Vollum & Rorer, certified public accountants:

(*a*) Report of William H. Roberts, Stated Clerk, accepted and approved, with commendation for continued faithful services of our efficient Stated Clerk.

(*b*) Report of William H. Roberts, Treasurer of the Executive Commission, accepted and approved.

(*c*) Report of the Land Title & Trust Company, Treasurer of the General Assembly, accepted and approved.

In connection with the death of Mr. Dingee, the Committee recommends to the Assembly that it record its high appreciation of the long and devoted service rendered by him as a trustee of the Assembly.

3. On *Overtures No. 246*, from the Presbytery of Pittsburgh, and *No. 247*, from the Presbytery of St. Cloud, relating to the Moderator's itinerary, your Committee recommends that, in accordance with the recommendations of the Executive Commission and the Joint Executive Committee, the General Assembly appropriate $500 annually out of the contingent funds of the General Assembly for the Moderator's expenses. Furthermore, should the Joint Executive Committee at any time desire the services of the Moderator to present its work, said Committee shall provide for his expenses.

4. The General Assembly having adopted the recommendations to continue the connection of the Presbyterian Church in the U. S. A. with the following organizations, your Committee recommends the following appropriations:

(*a*) The Federal Council of the Churches of Christ in America, $1,350.

(*b*) The World Presbyterian Alliance, $1,940.

(*c*) The Council of Reformed Churches, $200.

5. In the matter of the expenses of the auditorium meetings, your Committee recommend that $500 be contributed on the part of this Assembly and its Boards toward such expenses.

In accordance with the suggestions made to this Committee, it is recommended to the Assembly that the attention of the Executive Commission and the several Committees of the Assembly be directed to the necessity of careful economy in the expenses incurred.

All of which is respectfully submitted,
JAMES YEREANCE, *Chairman.*

Rev. Alexander J. Kerr, D.D., was appointed Chairman of the Committee on Resolutions of Thanks.

Entertainment accounts of Commissioners, still unsettled, were referred to the Stated Clerk, to be settled after adjournment on the basis already adopted.

This being the thirtieth anniversary of the election of Rev. William H. Roberts, D.D., to the office of Stated Clerk, the following Committee was appointed to bring in appropriate resolutions for the adoption of the Assembly: *Ministers*—Maitland Alexander, D.D., F. J. Sauber, D.D.; *Ruling Elder*—Richard H. Wallace.

In this connection the thanks of the Assembly were tendered the Assistant Clerk for "his remarkable use of his remarkable voice," in fulfilling his duties.

The Standing Committee on Narrative, through its Chairman, Rev. Frederick J. Sauber, D.D., presented its Report, which was adopted, and is as follows:

Your Committee on Narrative desires to call the special attention of all our Commissioners to the unusually good Report of the Special Committee on Christian Life and Work, found in the "The Blue Book," pp. 94–128.

It is filled with evidences of clear vision, profound insight, deep spirituality and wise counsel to the Church. If it is prayerfully and carefully studied, it will result in quickening and greatly strengthening the cause and Kingdom of God upon earth. But what about this Kingdom in its relation to the world? The narratives are many of them tearful, some are joyous, but none suggest to us that the highest limit of efficiency has yet been attained. There are causes for thanksgiving, there are also many things that should lead to penitence, tears and reformation. Let us for a moment or two look at some things alarming.

There are Presbyteries and Synods that report fewer members than they did a year ago. Nor were these Synods and Presbyteries in depopulated territory. They are in our most flourishing and populous regions. Is it not alarming that with all our great and splendid machinery, our wealth and culture, such a state of things should exist? Again, is it not an alarming state of things when members in good and regular standing in our Presbyterian churches are found on the Lord's day not in God's house, but on the golf course or on automobile drives?

What does it mean that in Christian America we are learning that there exists in our country a veritable "White Slave Traffic," and that men and women of good address are using all the arts of which they are master, to so blast character that the ruined victims, sinking into despair, fall an easy prey to those who traffic in human bodies? Many of these victims do not want to go wrong. They are misled and deceived. Why have they not been more carefully sheltered and defended? Why are we told on good authority that the hirelings of wicked men and women in this traffic sometimes even ply their trade in Young People's Society, Christian Endeavor, and church and Sunday-school meetings? Fable says that Circe changed her victims into beasts, but this traffic makes the fable become a fact, and the transformation goes on before us, sometimes under the shadow of the church. Why not rise up and stop it?

But look at the field from the side of the Church, and note that one Synod of almost 31,000 members reports addition of only 1,206 by examination. What does this mean? Simply this: it took almost twenty-six members a whole year to bring one soul into the Church. Or, put in another form, it took one Christian 9,490 days to bring one person to Christ. At this rate, how long will it take to bring the world to Him?

Another cloud on the horizon is the fact that last year (1912) there were 3,691 churches that reported no additions on examination. It is true, many of them are small, but what of that? Think of it, 3,691 churches with not one person led to Christ in one year! Presbyteries and pastors and Sessions are certainly lax when such a state of things exists!

Another sad thing is the fact that there seems to be such a great lack of family worship. In the Report on Christian Life and Work (p. 126) occur these timely words, words that should be carefully pondered by all:

"The Church will do its full duty when the Church in the home is established. It started in the home, it ought to continue in the home, and be magnified in the family life. Let us bring back the family altar to the home, establish the Bible school in the family altar, and reintroduce in family worship the hymns of the Church. Bible knowledge, Bible study, and a love of the Bible, the erection of the family altar, and the singing of the hymns of the Church in the homes of this country, will not only set the Church on fire, but it will guarantee the safety of the Republic."

This is a matter of such vital importance that your Committee calls attention to it in a resolution submitted elsewhere.

It is also a cause for deep concern that a vast majority of reports complain of the poor way in which the midweek service is attended. Some of the churches have abandoned it altogether. Are we not safe in saying that if the prayer-life were more general, the midweek service would be better sustained? And if the prayer life is neglected, will not the individual and the Church suffer greatly?

"More things are wrought by prayer than this world dreams of." Let us, therefore, not forget the ministry of prayer. We here take pleasure in again quoting from the Report on Christian Life and Work (pp. 126, 127):

"Prayer from the human side is the dynamic of the Christian life and work, the potent force of evangelism and missions. Without prayer, organizations, offerings, enthusiasms, labors, sacrifices, training, learning, skill, are powerless. Victory—real, permanent—comes not by might, nor by power, but by prayer.

"The Lord Jesus Christ has promised that all the resources of the Godhead shall respond to His people's prayers. 'Whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask anything in my name, I will do it' (John xiv : 13, 14). Christ stands with all the forces of omnipotence to aid His people pleading in His name and for His sake, that they may promote His glory and authority. There is additional assurance to united prayers. Matt. xviii : 19: 'If two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in Heaven.' What may we not hope for when all earth's believing millions shall agree in prayer? To God's Church comes the challenge, 'Ye have not because ye ask not.' Cannot Christ's Church be brought to ask?"

But let us look at the encouraging side of this matter, for there's a bright side to it. As in the days of old, when one of God's prophets was utterly discouraged, and thought all but he had apostatized, there are thousands who have not lost faith in Israel's God, nor forsaken His altars, nor neglected the work which He gave them to do. There are many homes in which God's name is honored daily at the family altar, and where His Sabbaths are sacredly kept. And there are thousands of our people who recognize their responsibility as God's servants to evangelize the world, and are doing all they can to bring the lost to Christ. The tide seems to be turning in favor of the old Gospel, and, therefore, in the direction of earnest evangelistic work. As a consequence, while the reports are not all in, we are able to say that never in the history of our Church were there so many additions on confession of faith as during the past year. So far the reports show that 85,741 were received by examination. Last year there were 79,432. So the gain so far is 6,309. Our whole membership is now 1,387,267. This naturally leads to a few words on the

Growth of the Church.—It has not been rapid, but it has been regular and solid. The placing of so many under the suspended column has cut down our membership fearfully. We are not arguing against this, except to say that we fear that in many cases it was done not from a holy ambition to benefit the careless church member, but from mercenary motives. This has not been done often; but, as we have seen, there are Synods (four of them) that report a net loss of membership. And we know that, at least in one Synod, the suspended roll was used to lower the assessments of particular churches. While our rolls should be purged, it should be done from a spiritual, and not from a worldly motive. But in spite of all that we have said, there is growth in the Church. Let your Committee again quote a very good passage from the Christian Life and Work Committee (p. 124):

"The feeling is abroad that the Christian Churches of the country are not increasing in membership in a manner such as might be expected, in view of their organization and resources. Utterances, pessimistic in tone, have appeared in both the secular and the religious press. These critics, however, fail to observe the growth of Christianity even in our country, from a broad viewpoint. It is interesting to note, therefore, that in the year 1850 there were 149 Church members for every 1,000 of population in the United States, and that the Census of 1906 showed that there were at that time 391 Church members for every 1,000. In 1890, further, the membership of the churches was 32 per cent. of the total population, and in 1906 had risen to 39 per cent. Recent figures show that Church membership is still gaining somewhat on the population. This is an important fact, and should greatly encourage all active Christians, and stimulate every Christian to take an active part in the advocacy of the Christian religion.

"A further ground for optimism is found in connection with the facts as to the religious affiliations of college students. One hundred years ago, only 5 per cent. of students in American colleges were members of the Church. The figures for 1910 show that 54 per cent. of the students are Church members.

"When we come to our own Church we have reason for added gratitude to God. There was an increase of 6,552 in additions to Church membership on confession of faith in 1912 as over against 1911; and the statistics, so far as obtainable for the present year, show a still further increase.

"It is to be noted that four Synods reported a net loss in membership—Canadian, Indiana, Mississippi and Nebraska. All the other Synods reported a net gain in membership, over and above the losses through death and suspension for absentism. The net gain in the Church for the year 1912 was 24,350."

Your Committee also points, with gratitude to the great Head of the Church, to the remarkable evidences of the desire for closer relationship between the different denominations. The spirit of union is certainly, as we say, "in the air." God grant it may also, soon, be in the hearts of all His children. We certainly have seen precious evidences of this spirit in our meetings here in Atlanta.

The awakening on social and civic matters is also a cause of profound gratitude to God. He is giving us visions of duty and glorious possibilities of service for the welfare of humanity which will count mightily in bringing the world to Christ.

We also believe that the work of evangelism is being more faithfully cared for than in any other period of our history. There may not have been as many so-called great meetings as in some years, but your Committee believes there has been more quiet personal or individual work done for individuals; and, as we know, with the best results in our history—the high-water mark of additions by examination having been reached in the year closing March, 1913. And we are sure we are on the right track, for as soon as every individual member of the Church realizes that his loyalty to Jesus Christ demands that he do his utmost to bring men to Him, will His Kingdom come in such power that the whole earth shall speedily be filled with His glory.

"Right is right since God is God,
And right the day must win.
To doubt would be disloyalty,
To falter would be sin."

Your Committee begs to submit the following Resolutions for adoption:

Resolved, 1. That, in view of the fact that complaints are frequently made that the young are falling away from the Church, more time and attention be given to the careful training of our young people:

(*a*) In the Sunday-school the children should be taught to memorize Scripture, so that its gracious lessons might be forever stamped upon the soul, that in all the years to come the Word of God might become a lamp unto their feet, and a light unto their path.

(*b*) That our children be taught the Intermediate Catechism, just adopted by our Assembly, and that pastors be recommended to teach it to communicant classes.

(*c*) That our pastors and Sessions be requested to see to it that our excellent little paper, *Over Sea and Land*, be found in every home where there are children, so that early in life they may become interested in mission work.

Resolved, 2. That, in order to the more speedy salvation of the world, the claims of individual work for individuals be urged upon all our churches, and that ministers and elders do all in their power by prayer and teaching to create a revival among all Church members, of a deep sense of personal responsibility for the bringing of men to Jesus Christ. The ministry of gifts spoken of in God's Word should be more universally exercised, for only thus will the Kingdom of God on earth come speedily and fully.

Resolved, 3. That while the Assembly would not in the least discourage the use of earthly means of thorough organization and of culture in advancing the Church of Jesus Christ, yet we would remind our churches that, after all, our dependence and our hope must be in God. "Not by might nor by power, but by my Spirit, saith Jehovah of hosts."

Resolved, 4. That we call upon all our people, and especially upon the heads of families, to reconsecrate the family altar, or, where it has not been built, to erect one, that the name of God may be honored in the presence of all in the home. Where there is by lack of training or disposition a feeling of inability to lead in free prayer, we most heartily recommend the use of the prayers found in our excellent "Book of Common Worship," which should be in every home.

Resolved, 5. That the General Assembly, as already stated in the Report of the Committee on Church Coöperation and Union, expresses its sincere sympathy with the purpose of the Federal Council of the Churches of Christ in America, and its interest in the progress of the work of the Council. We rejoice in every movement which gives expression to the spiritual unity of the disciples of Jesus Christ, and to cooperation by them in work which can better be done in union than in separation.

"The Assembly also heartily approves of the recognition by the Council of some of those social needs which the Christian Church has so long pointed out, and called on men, in the name of God, to supply. At the same time, the Assembly expresses its conviction, that the power of the Gospel, as the source of all true social progress, should be increasingly recognized by the Council in its advocacy of social service."

We call particular attention to the last sentence in the above resolution.

Resolved, 6. That we urge upon all our ministers and elders the duty of placing a copy of *The Assembly Herald*, and one or more of our Presbyterian weeklies, in every home.

Resolved, 7. That we heartily approve all the resolutions in the Report of the Committee on Christian Life and Work, and ask the Assembly to adopt them as resolutions of this Report, as follows:

Resolved, 8. That the attention of all the Presbyteries and Synods be again called to the imperative need of better arrangements for the reporting of the Narrative, and to that end the Assembly would suggest to each of them that there be a Standing Committee of at least three rotating members, together with the Moderator and Stated Clerk, *ex officio*, making five, to prepare the Narrative, and that a period of at least one hour be allotted to the Report at the close of a morning session of the judicatory, to be accompanied with exercises of praise and prayer.

Resolved, 9. That the Stated Clerks of Synods be and are hereby appointed as advisory members of the General Assembly's Special Committee on the Narrative of Christian Life and Work, and that the Synods be requested to direct the said Clerks to coöperate with the Committee in the preparation of the Narrative for the Assembly.

Resolved, 10. That the Narrative of the Special Committee, when approved by the Assembly, be printed in full in the Appendix to the *Minutes*.

Resolved, 11. That the churches are again advised, wherever the way is clear, to unite with the churches of other denominations in the communities in which they are located, for the purpose of carrying on coöperative Christian work, and Presbyteries and Synods are requested to stimulate this work within their bounds.

Resolved, 12. That the Committee on Christian Life and Work communicate with the Presbyteries on the subject of the laws of the State, and of the United States, both as to marriage and divorce, recommending action by each, in order to secure proper regulations by the State in connection with marriage, and also to secure such legislation as will make the laws of divorce more strict and more nearly in accordance with the law of God.

Resolved, 13. That the Board of Publication and Sabbath School Work be authorized to issue literature prepared by this Committee in connection with the work entrusted to it by the Assembly.

Resolved, 14. That the Assembly hereby heartily commends the Presbyterian Brotherhood, and expresses the hope that it will prove to be a bond of union between all men's societies in the congregations, and a source of spiritual uplift to the Church in general.

Resolved, 15. That the Committee on Christian Life and Work be and is hereby charged with the duty of sending out to the Church a solemn call for a year of intercession, beginning October 1, 1913, for the outpouring of the Holy Spirit throughout the world in both home and foreign fields. The call when prepared shall be signed by the Moderator and Stated Clerk on behalf of the General Assembly, and shall be communicated to the proper authorities of other Christian denominations.

In behalf of the Committee,
FREDERICK J. SAUBER, *Chairman.*

The Necrological List was read by the Stated Clerk. The Assembly was led in prayer by Rev. Charles L. Thompson, D.D., and an appropriate hymn was sung.

The Report of the Standing Committee on Narrative as to the Committee on Vacancy and Supply was presented, and, after addresses by the Moderator, Rev. Walter H. Houston, Corresponding Secretary of the Committee, and others, was adopted. It is as follows:

Having examined the Report of the Permanent Committee on Vacancy and Supply, your Committee on Narrative would heartily commend it, and the work inaugurated by this new Committee of our Church. On page nine of Secretary Houston's admirable Report we learn that "more than 90 per cent. of the Presbyteries reported vacant churches within their bounds." This shows that the vacancy problem is almost universal in its range. We also learn that to man all these vacant churches it would require "about 1,000 pastors, in addition to those already serving in that capacity." These facts bring upon the hearts and consciences of all pastors and Christians, the duty of praying the Lord of the harvest to thrust forth laborers into His harvest.

The Report shows that the Committee has worked wisely and well, and, from the beginning now made, we believe that, by the blessing of God and the help and sympathy of the Church, it will be able to solve this problem which for years has greatly vexed the Church.

It is therefore with great pleasure that we ask the Assembly to adopt the recommendations offered by this Committee, and which follow:

1. That the time of removing the office of the Permanent Committee on Vacancy and Supply from its present location be left to the discretion of the said Committee.

2. That the Presbyteries be urged to coöperate cordially with the Permanent Committee on Vacancy and Supply, in their efforts to organize and effectively administer the work committed to them by the General Assembly.

3. That the first half of Section III of the Plan adopted

by the Assembly of 1912, for the guidance of this Committee, be amended so as to read as follows:

"The officers of the Permanent Committee shall be a Chairman, a Corresponding Secretary, a Treasurer, and such others as may be necessary, and these, with the exception of the Corresponding Secretary, shall be elected annually."

4. That the Assembly recognizes the insistent demand from the Church that this problem be struggled with until solved, and that the plan adopted by the Assembly of 1912 is entitled to a thorough trial, continuing through a period of years, with adequate financial support.

5. That the Assembly approves the judgment of the Executive Commission, in reckoning this Committee an administrative agency of the Church, its expenses to be included in the Assembly's Budget.

We also ask that the following members of the Committee, whose one-year term expires with this Assembly, be elected for the term of three years, namely, *Ministers*—S. S. Palmer, D.D., and Paul B. Jenkins, D.D.; *Ruling Elders*—A. A. Loetscher and William R. Farrand.

Respectfully submitted,
FREDERICK J. SAUBER, *Chairman*.

The following was adopted:

Resolved, That the Moderator and Stated Clerk, through whatever agency may seem best, communicate with pastors, urging them to press upon young men, the claims of distinctive Christian Service.

On motion of Mr. James Yereance, the thanks of the Assembly were tendered to Ex-Moderator Matthews for his Itinerary Observations printed in the Blue Book.

The Mileage Committee, through its Chairman, Mr. John R. Gregg, presented its Report, which was adopted, and is as follows:

The Mileage Committee of the General Assembly respectfully reports as follows:

The Committee has carefully examined, vouched and audited the accounts of each Commissioner, and the same have been approved by the Committee, the checks being signed by the Treasurer and countersigned by the Stated Clerk, in accordance with the plan adopted for 1913.

The number of Commissioners on the roll is 857; the whole number of Presbyteries is 296; the number of advisory members is 12, and the number of Presbyteries not represented is 5.

The Foreign Mission Presbyteries are exempt from payment, and the Presbyteries composed of Indian and colored ministers and churches are not in a position ordinarily to pay the apportionments in full.

The Presbyteries of Clarion and Kittanning have not paid the Entertainment Fund.

The receipts and disbursements are as follows:

RECEIPTS.

From Apportionments,	Mileage Fund	$46,759 37
" "	Entertainment Fund	19,683 35
" "	Contingent Fund	40,498 23
Total		$106,940 95

DISBURSEMENTS.

For Mileage Bills	$51,259 17
Entertainment Fund (balance)	15,183 55
Contingent Fund	40,498 23
Total	$106,940 95

The balances of these funds are in the hands of the Treasurer of the Assembly.

We make the following recommendations:

1. That the Assembly again urge upon all Presbyteries, including those heretofore exempt, the absolute necessity of their contributing in full to the Mileage, Contingent and Entertainment Funds, and the importance of forwarding these contributions to the Stated Clerk of the Assembly at least ten days prior to its next meeting.

2. That the apportionments for next year be 7½ cents for each communicant, apportioned as follows: To the Mileage Fund, 3 cents; to the Entertainment Fund, 1½ cents; to the Contingent Fund, 3 cents. Further reduction is not practicable, owing to the expenses to be incurred in connection with litigation, the expenses of the Executive Commission, and the provision for the Committee on Vacancy and Supply.

3. That the Stated Clerk and the Treasurer of the Assembly be empowered, jointly at their discretion, to pay Commissioners such other and further sums as they may consider justly due to them, by reason of their having underestimated railroad charges and other expenses incurred in returning home.

5. That the details of the plan of financial administration be referred to the Stated Clerk, and to the Finance Committee of the Executive Commission, with the view. if necessary, of further modification.

6. That the Stated Clerk and the Treasurer be authorized

to have the accounts for Mileage and Entertainment of this Assembly duly audited, after the adjournment of the Assembly.

7. That the thanks of the General Assembly be extended to such railroads and other transportation companies as have carried Commissioners at reduced rates.

8. The Committee further reports that the Executive Commission referred to it the matter of the proposed apportionment for the expenses of the Committee on Vacancy and Supply, and they recommend that the sum of one-half ($\frac{1}{2}$) cent per communicant be added to the Presbyterial apportionment for the expenses of said Committee, and that it be also for the present year.

All of which is respectfully submitted,

JOHN R. GREGG, *Chairman.*

The Stated Clerk and Treasurer were authorized to pay the expenses of Commissioners who cannot reach their homes before Sabbath.

Also, to pay the traveling expenses of members of the Committee on Brotherhood in attendance upon its first meeting, in an amount not to exceed one hundred dollars.

The thanks of the Assembly were tendered to Rev. William E. Boggs, D.D., for his donation, to Commissioners, of his pamphlet on Marriage and Divorce.

The Standing Committee on Theological Seminaries, through its Chairman, Rev. Alfred H. Barr, D.D., presented its Report, which was adopted, and is as follows:

Twelve reports have been received and examined by your Standing Committee on Theological Seminaries. A mere roll call of the seminaries under the control of the General Assembly—Princeton, Auburn, Western, Lane, Kentucky, McCormick, San Francisco, Dubuque, Newark, Lincoln, Biddle, Omaha, The South (allied with Lane in 1910)—stirs the imagination by the very magnitude of the effort to provide the Church with a thoroughly educated ministry.

The reports tell a story of earnest effort to maintain high standards, meet new conditions, increase equipment and resources, and plan wisely and largely for the future. The seminaries are for the most part keenly alive to the pressing needs of to-day. A knowledge of the real facts would disarm not a little of the vague criticisms which have become the habit of the day.

The tone of the reports, which will be found printed in full in the Appendix to the *Minutes,* is distinctly hopeful. The following data set forth in part the reasons for this: While 22 fewer students matriculated this year than last, 20 more graduated this year than last, and the total enrollment shows a gain of 19 over last year, and of 44 over the year previous. The reports show 30 fewer Juniors this year than last. Endowments, equipment and property show a gain of over $900 this year.

We note the earnest effort of the seminaries on the one hand to maintain and advance their standards of scholarship, and on the other to deal fairly with the exceptional students who, without the required college training, are recommended by their Presbyteries, and who often prove to be men of special fitness and capacity. It is plain, however, that the Presbyteries must not place too heavy a burden upon the seminaries in this matter, and should recommend such men with great reserve and care.

Some of the seminaries report the interesting fact that men in the active ministry in our own and other denominations, who have had inadequate preparation, are returning in increasing numbers to take, often at great sacrifice to themselves, complete theological courses.

A brief résumé of items of special interest in the various reports is of importance.

Princeton has suffered an incalculable loss, in which the whole Church shares, in the resignation of President Patton, who as Professor and President has been connected with Princeton Seminary for over thirty years (see recommendation No. 2). The Board of Directors report the election of Rev. Duncan MacMillan, B.D., to the chair of Church History, left vacant by the resignation of the Rev. Prof. John DeWitt, D.D., LL.D. A Summer School of Theology is announced May 20 to June 6, the main teaching courses in which will be given by members of the faculty, though there will be some thirty speakers in all.

Auburn again emphasizes the stringent regulations she enforces with reference to entrance requirements and to conditioned students coming from other seminaries. To the Summer School of Theology, now in its third season, will be added this year a Summer School for Christian Workers, to continue the last two weeks in July.

Western enlarges her extensive work to include organized courses for lay workers, Christian social settlement work and institutes for pastors and lay workers. A gift of $100,000 has been received from an alumnus, the Rev. Nathaniel W. Conkling, D.D., for the endowment of the President's Chair.

Lane reports the largest attendance of students in its history. The Board of visiting examiners emphasizes the efforts of the faculty to raise the standard of scholarship. After twenty years of efficient service as trustee, instructor and professor, Rev. Alexander B. Riggs, D.D., LL.D., resigned the chair of New Testament Exegesis and Introduction, and was made Professor Emeritus.

Kentucky Seminary, which, under the joint control of the Presbyterian Church, U. S. and U. S. A., occupies a very strategic position, reports a gain of 14 in the number of students enrolled this year, and states, furthermore, that definite action was taken at the last meeting of the Board of Directors with reference to the vigorous prosecution of a campaign to secure a greatly needed addition to the permanent funds of the institution.

McCormick continues to emphasize her purpose of bringing her students into close contact with the real needs of the world, and with all great movements of a social and spiritual nature. To this end, among other things, a Practical Department is maintained at a high level of efficiency, which this year used continually, in various city mission activities, nearly half the entire body of enrolled students.

San Francisco rejoices in a rising tide of spiritual life, reaching its highest point in the year just closed. A Spanish Department for the training of Mexican lay-workers is planned by the Faculty and Directors. A circulating library of several hundred selected volumes has been arranged for the ministers of the coast. The Rev. W. H. Oxtoby, D.D., of Philadelphia, has accepted his election to the chair of Hebrew Exegesis and Old Testament Literature, left vacant by the resignation of Rev. Thomas Franklin Day, D.D.

Bloomfield, with its improved polyglot academic and collegiate departments, leading up to the theological course, and with its new Knox Hall Fund of $70,000 fully subscribed, stands better equipped than ever to provide trained leaders for the vast task presented by the surrounding metropolitan population of 7,000,000 within a radius of thirty miles, 43 per cent. of whom are foreign born.

Dubuque is paying the price of success. The new campus and fine buildings have attracted more students than can be accommodated; eighteen nationalities are represented among the students. Picture if you can a Bohemian, German, Frisian, Slav, Dane, Magyar, Chaldean, Kurd, Russian Jew, Mexican and Cuban in one class. Twenty-three of the 174 students are in the seminary, and the majority of the 151 students passing through the thorough academic and collegiate courses are candidates for the ministry. The pressing need for an immediate endowment has led the Board of

Directors to make to the Assembly a special petition which will be found in Recommendation No. 3.

Biddle shows a slight falling off of students in its Theological Department, but the number of candidates for the ministry in other departments shows an increase. One member of this year's class, a man of unusual gifts, has been accepted by our Foreign Board of Missions, and will be sent to Africa.

Omaha is making an effort to secure $100,000 for endowment of professorships and $25,000 in $1,000 scholarships. The great majority of her graduates enter work on Home Mission fields.

Lincoln reports the death at 87 of her President *ex honore*, the Rev. I. N. Rendall, D.D., whose fifty years of vision, faith and patient labors made possible this great institution of learning for colored people. Over 2,000 young men have graduated from college and seminary during this period and are scattered to-day over the United States, West Indies and Africa. Two graduates this year go to the Zulus in South Africa. The most pressing need of the institution just now is for a building where the religious and social life of the students can find more adequate expression.

Your Committee recommends:

1. That the General Assembly hereby approves the election of all Directors and Trustees, and the election and transfer of all Professors, in our Theological Seminaries, as recorded in the accompanying reports.

2. That in view of the retirement of the Rev. Francis L. Patton, D.D., LL.D., from the Presidency of Princeton Seminary, the General Assembly makes grateful acknowledgment of his long, fruitful and brilliant services to the Church, in her pulpits, courts and institutions of learning.

3. That the General Assembly approves the decision of the Board of Trustees of Dubuque College and Seminary, to attempt to raise $500,000 for endowment and expansion of work, and of their selection for the purpose of the following committee: Rev. David G. Wylie, D.D., Ph.D., Frank Armstrong, Ralph W. Harbison, J. Milton Colton, W. S. Bennet, and L. H. Severance.

4. That the General Assembly heartily commends to the generosity of the Church, the effort inaugurated by the Bloomfield Theological Seminary to raise an additional endowment of $200,000.

5. That the General Assembly commends to all our Seminaries, the action of the pre-Assembly Conference of Seminaries, requesting that in connection with the entrance requirements the catalogues print the statement suggested

by the Conference, of the minimum amount of work to be denoted by the term "college degree."

6. That in view of the slow increase in the number of our students for the ministry, the General Assembly again lays upon the conscience of every pastor, his pressing obligation to bring systematically to the attention of young men of leadership, through preaching and personal contact, the high claims and great privileges of the Gospel ministry.

Respectfully submitted,
Alfred H. Barr, *Chairman.*

A Paper offered by Rev. William McKibbin, D.D., was referred to the Board of Education.

The Committee on the thirtieth anniversary of Dr. Roberts as Stated Clerk, through its Chairman, Rev. Maitland Alexander, D.D., presented the following Report, which was unanimously adopted by a rising vote:

Your Committee, appointed to express the congratulations of the Assembly to Rev. W. H. Roberts, D.D., on the thirtieth anniversary of his election as Stated Clerk, beg to report as follows:

We are reminded on this occasion of Dr. Roberts' long and faithful service to the Presbyterian Church:

First, as the Stated Clerk of this Assembly. The minutes of the General Assembly are accurate, full and informing. The work of the office is always done on time, and is the envy of all the churches. We are also mindful of his knowledge of our law and procedure, and we feel that the day which would terminate his service in this respect would make our Church indeed poorer.

Second, We are reminded that more than $2,000,000 has passed through Dr. Roberts' hands in these many years, and that his use thereof, and his fidelity, have been continually approved by the General Assembly.

Third, We are reminded that no man has done as much for Church coöperation and union, not only in our own country, but throughout the world, as Dr. Roberts, and that our own denomination, through his guidance, has felt the impulse of Christian unity, and the substantial results in this regard are largely due to him.

Finally, the Presbyterian Church recognizes that this man, who has served in one capacity, requiring patience, fidelity, tact and strength, for so many years, deserves the respect, recognition and thanks of his Church. Therefore:

Resolved, That the General Assembly extend their congratulations to Dr. Roberts on the thirtieth anniversary of his election as Stated Clerk, and express their gratitude to him for his fidelity in the performance of his trust. We pray that he may be continued in health and strength, and commend him to the love of God.

The Moderator expressed his personal appreciation of Dr. Roberts' services.

Dr. Roberts made appropriate response. At the request of the Moderator, Rev. S. S. Palmer, D.D., led the Assembly in thanksgiving and prayer.

The following was adopted:

WHEREAS, The Rev. William H. Roberts, D.D., the Stated Clerk of this Assembly, as the American Secretary of the World Presbyterian Alliance, has been appointed a member of the Deputation from the United States, along with Rev. Newman Smyth, D.D., of the Congregational Churches; Bishop Hamilton, of the Methodist Episcopal Church; Rev. Peter Ainslie, of the Church of the Disciples, and Rev. John Henry Jowett, D.D., of the Presbyterian Church in the U. S. A., to visit the Churches of Christ in Europe, in behalf of the proposed World Conference on Faith and Order of the Churches; therefore,

Resolved, That the Assembly grants him two months' leave of absence from his office for this duty, and wishes him godspeed therein.

The Special Committee on Legal Matters connected with Reunion, through its Chairman, Rev. William H. Roberts, D.D., presented its Report, which was adopted, and is as follows:

The Special Committee on Legal Matters connected with the Reunion presents its Report to the General Assembly as follows:

By action of the last General Assembly, this Committee was continued, with the same general powers as heretofore (see *Minutes*, 1907, p. 140; 1908, p. 28; 1909, p. 240; 1910, p. 71; 1911, p. 246; 1912, p. 208).

During the past year, there have been no changes in the Committee's membership, organization or methods. John M. Gaut, Esq., has been continued as General Counsel for the Committee, and still serves in that capacity. The Committee desires to reiterate and emphasize its former expressions as to Judge Gaut's professional ability, also his industry, energy and faithfulness in acting as Committee's Counsel.

General Character of this Litigation.—In this connection, the Committee desires to make the following quotation from a communication which the General Counsel addressed to the Committee with reference to the character and importance of this litigation.

"As you doubtless realize, the litigation to which we have sustained a mutual relation must be recorded in history as the most remarkable known to the judicial history of any country. The United Brethren cases originated in eight States of this Union, and involved much property and questions of great importance. The litigation with which we have been connected arose in thirteen States, involved directly and indirectly probably not less than six millions of dollars of property, affected a very large number of people and involved questions of great importance. It called for a judicial determination of the relation, in this country, between Church and State, between ecclesiastical and civil courts, the fundamental nature of ecclesiastical government, and the powers of all ecclesiastical judicatories. A serious indictment was brought against the doctrines of the Presbyterian Church in the U. S. A., materially affecting the Church's theological standing. It is evident that by this litigation the law of this country relating to the subjects above indicated will be thoroughly settled, and much light from it will radiate across the seas to foreign countries. Many fundamental principles of law affecting religious societies will be established, which are of vital importance to all Churches in the United States, and of great importance to Churches throughout the world."

Present Status of Litigation.—In the Committee's Report to the last Assembly, it was stated that a case taken up by appeal from the lower court was pending before the Supreme Court of Oklahoma. That case has since been decided. The Court handed down an opinion sustaining the validity of the Union. This is the tenth State in which the Union has been sustained by the Court of last resort, the opinions having been delivered in the States in the following order: Georgia, Kentucky, Texas, California, Indiana, Illinois, Arkansas, Alabama, Mississippi and Oklahoma. Colorado, where litigation terminated favorably for the Union, is the only State in which no appeal was taken to the Supreme Court. The Supreme Courts of Tennessee and Missouri (and in this order) rendered adverse decisions in 1908 and 1909.

The Supreme Court of Tennessee, during the early part of 1912, decided in favor of the congregation adhering to the Reunited Church, in each of two cases, one case involving the property at McMinnville and the other involving the property at Greenfield. The ground on which these decisions were based is, that in those congregations the members who renounced the union contributed such a trivial amount to the acquisition of the property, that it would be unconscionable for a court of equity to decree the property to them. This decision will give the United Church other property in Tennessee.

After the Tennessee decision holding the Union to be void for irregularities in the proceedings by which it was formed, non-residents of Tennessee filed bills in the United States Circuit Court at Nashville to save to the Reunited Church, the Publishing House and the Grace Church property, both located in that city. That Court dismissed both bills for supposed want of jurisdiction. On appeal, the Supreme Court of the United States reversed the holding of the Circuit Court, and held that the latter Court did have jurisdiction. On December 28, 1912, these cases were tried on their merits, and are still held under advisement by the Circuit (now District) Court. It is hoped that decisions will be rendered soon.

The case of the Odell Avenue Church, Marshall, Mo., was argued before the Supreme Court of Missouri, on January 23, 1913. In this case the effort is being made, among other things, to get the Court to overrule its decision in the Warrensburg case. No opinion has as yet been handed down.

In the Federal Court at Kansas City, Mo., July 10, 1912, a decision was rendered in the case of Barkley *et al.*, *vs.* Hayes *et al.*, sustaining the jurisdiction of the Court, but the case has not yet come to trial on its merits.

Judge Gaut, as General Counsel, encourages the Committee in the hope that the end of this litigation is not far distant.

Reports to the Executive Commission.—By direction of the General Assembly, this Committee reports to the Executive Commission, for its approval, questions dealing with the institution of suits, appropriations for suits, and other matters connected with litigation. The Committee gave due consideration to the Odell Avenue Church case, Marshall, Mo., and made report thereon to the Executive Commission, which report was approved. The Committee also reported to the Commission with reference to the appropriation for the salary and expenses of Judge Gaut, as General Counsel. For details in both these matters, see the Executive Commission's Report to the Assembly.

Finances.—During the fiscal year, ending March 31, 1913, the Legal Committee, with the approval of the Executive Commission, paid out the following sums: To John J. Vertrees, Esq., Nashville, Tenn., $800; to John M. Gaut, Esq., General Counsel, salary for the semi-annual periods ending June 1 and December 1, 1912, $2,716.35; total, $3,516.35. The sum due to John J. Vertrees, Esq., was reported to the Assembly of 1912, but the payment was made during the fiscal year just closed. The balance to the credit of the Legal Fund, as reported to the Assembly of 1912, was $742.71. This has been now all expended, and the additional payments connected with the services of the General Counsel were paid out of the Contingent Fund of the Assembly. Provision should be made by the Assembly for further payments on account of legal expenditures. The legal situation in the opinion of the Committee requires the continuance of John M. Gaut, Esq., as General Counsel, for the six months ending December 1, 1913, and there will be due him on June 1, 1913, salary and expenses for the six months' period then ending. It may be that it will be needful to continue Mr. Gaut for an additional period, and there may be expenses in connection with the cases in the Federal Courts. The Executive Commission has placed in the Budget the sum of $4,000 to meet legal expenses during the present fiscal year.

The following recommendations are submitted:

Resolved, 1. That the Committee on Legal Matters and the Executive Commission of the General Assembly are hereby authorized, in their discretion, to make provision, in behalf of the General Assembly, to assist in meeting the expenses of law suits where general questions are involved, but this Resolution shall not be construed as authorizing provision for the expenses of litigation which involves only the ownership of local church property.

Resolved, 2. That the Committee on Legal Matters and the Executive Commission be authorized, when deemed advisable, to appoint a commission, consisting of one or more ministers or lay members of the Church, with authority, after consultation with, and approval by, the Committee on Legal Matters, to institute as well as to defend suits for the above purposes, to wit, to protect the contract of Union, to prevent the misinterpretation of our doctrinal standards, to preserve our ecclesiastical authority and to defend our property rights, provided the Committee on Legal Matters shall have power to determine the amount of expenses to be incurred.

Resolved, 3. That the Committee be continued, with power as to all general litigation now in progress, in connection with the Reunion of 1906, but that no new suits be approved by the Committee, except after the consent of the Executive Commission of the General Assembly.

Resolved, 4. That the Committee be empowered, within its discretion, to continue the employment of John M. Gaut, as General Counsel, and in such manner and for such time as it may deem wise, subject to the advice and consent of the Executive Commission.

Resolved, 5. That no appropriations for expenses in connection with any law suits shall be regarded as final, and as involving obligations on the Church at large, except as first approved by the Committee on Legal Matters and the Executive Commission.

In behalf of the Committee,
Wm. H. Roberts, *Chairman;*
S. Spencer Chapman, Bernard Gilpin,
R. M. Schick, Wm. P. Fulton,
Ira Landrith.

Also a supplemental Report, which was adopted, and is as follows:

Your Committee would report that since the meeting of the Executive Commission, held on February 27 and 28, 1913, at which meeting the Executive Commission took action in the Odell Avenue Church case of Marshall, Mo., as recorded in its Report, on p. 142 of the Blue Book, certain facts have come to the knowledge of this Committee, which have caused it to modify and amend its action in connection with the costs and fees in said case as follows:

Your Committee would report that it has referred to the Executive Commission the facts above referred to, and has requested the Executive Commission to authorize its Finance Committee, in conjunction with this Committee, to approve and pay the sum of $1,439.63 (the amount of the costs, together with $500 on account of fee of W. M. Williams, Esq., and $150 on account of fee of Virgil V. Huff, Esq.), and also that said Finance Committee and this Committee be authorized to pay the additional sum of $700—$500 to W. M. Williams, Esq., and $200 to V. V. Huff, Esq.; provided that such payments, aggregating $700, be authorized and approved by the legal members of this Committee, Messrs. Schick, Gilpin and Chapman.

The Committee would further report that, having presented to the Executive Commission, at its meeting held on May 20, 1913, the matter of the institution of a suit in the United States District Court at Nashville by S. Spencer Chapman and William J. Darby *vs.* The Cumberland Presbyterian Theological Seminary *et al.*, with the request that inasmuch as the said S. Spencer Chapman, in pursuance of the action of the General Assembly of 1912, has only been authorized to defend the suit as Commissioner of the Church, and by reason of the urgency of the matter, and the impossibility of obtaining the necessary authorization, had assumed the responsibility of commencing said suit, that the Executive Commission approved said action and favorably recommended, through this Committee, the following resolution to the General Assembly for its action:

Resolved, That the General Assembly does hereby approve and ratify the action of S. Spencer Chapman in joining with the Rev. William J. Darby in a certain suit in the United States District Court at Nashville, Tenn., against the Cumberland Presbyterian Theological Seminary *et al.*, and does hereby authorize, empower and direct the said S. Spencer Chapman as a Commission to prosecute said suit with the same force and effect as if he had been expressly authorized so to do before the institution of said suit.

The Executive Commission acted favorably on such request, and approved the foregoing resolution for presentation to this Assembly.

The Committee would further report that at the same meeting of the Executive Commission this Committee presented for action and recommendation to the Assembly the following preamble and resolution, which are self-explanatory:

WHEREAS, On the 24th day of May, 1906, when the reunion of the Cumberland Presbyterian Church with the Presbyterian Church in the United States of America was consummated, there was in the hands of William Guthrie Secor, one of the trustees of the Cumberland Presbyterian Church at Greenfield, Ill., the proceeds of the sale of the interest of that congregation in a lot and house of worship in the town of Greenfield, Ill., amounting now to $1,700 or more; and

WHEREAS, The congregation has become extinct, there being but one member, and she a woman between seventy and eighty years old; and

WHEREAS, The Presbytery of Alton, to which the congregation belonged, and to which the Greenfield Presbyterian Church, of Greenfield, Ill., belongs, has ordered that the fund referred to be turned over to the trustees of the Greenfield Presbyterian Church, and has relinquished to that congregation whatever right, title, claim or interest the Presbytery has in the fund; now, therefore, be it

Resolved, That this General Assembly does hereby approve and ratify this action of the Presbytery, and does hereby, in behalf of the Presbyterian Church in the United States of America, direct that the fund be applied as directed by the Presbytery, and that when recovered by the trustees of that congregation, or the congregation itself, in the pending suit or otherwise, it be held as part of the property of the congregation, in the same manner as its other property is held.

And that after due consideration the Executive Commission unanimously approved said preamble and resolution for presentation to the Assembly.

All of which is respectfully submitted.

WM. H. ROBERTS, *Chairman.*

The Report of the Special Committee on Religious Education, which had been placed on the docket, was taken up and its consideration completed. Recommendations 4 and 5 were adopted, the Report as a whole was adopted, and is as follows:

The Special Committee on Religious Education respectfully presents its Report to the General Assembly as follows:

Pursuant to the instructions of the Assembly of 1912, this Committee and the Board of Publication and Sabbath School Work have jointly prosecuted the two matters entrusted to us, namely, the continuance of the work of religious education, as we had previously done, and the formulation of a plan for the transfer of the whole work to the Board. This has been done through a Joint Committee composed of Samuel McLanahan, John Harvey Lee, Cheesman A. Herrick, Edmund G. Rawson, representing the Board, and Alexander H. McKinney, William H. Boocock, and George B. Stewart, representing the Committee. On November 3, 1912, Mr. McLanahan was suddenly taken from this life, and from our fellowship in this service. We desire to place on record our high regard for him, and our appreciation of his work on this Joint Committee. From the beginning of the Joint Committee's work he was a laborious, faithful and wise member of it. His clear mind and practical wisdom made him a counselor much esteemed in our deliberations; and his spirit of candor, consideration for the views of others and gentle firmness in holding his own, gave him a warm place in our affections.

The Rev. Edmund G. Rawson was appointed by the Board to succeed Mr. McLanahan as a representative on the Joint Committee.

The Assembly's Committee has had one meeting. Pursuant to the plan adopted two years ago, when the Assembly's Committee and the Board undertook this work jointly, most of the work has been done through the Joint Committee, which has met monthly in Philadelphia. The Secretary of the Board, Dr. Henry, has met with the Joint Committee and given valued aid to it in its work.

Under the direction of the Joint Committee there has been prepared by Professor Charles R. Erdman, of Princeton Theological Seminary, "Coming to the Communion: A Manual of Instruction for Preparatory Classes and Private Study"; by Rev. Alexander H. McKinney, Ph.D., "Home Training in Religion: Suggestions to Parents in the Religious Instruction and Training of Children." Both of these books have been published and marketed by the Board. Professor Robert Hastings Nichols, Ph.D., of Auburn Theological Seminary, has written "The Growth of the Christian Church," a manual for use by pastors and others in giving instruction to the young in Church History. This manual will be ready for the market during the summer. Their titles indicate the character of these books and their purpose. They have been prepared particularly with reference to the needs of pastors and other teachers, and the best pedagogical ideals have been kept in mind.

The Joint Committee has given attention to the curriculum of religious education and to the coördination of the agencies in our churches engaged in this work. We have held local conferences of Presbyterial committees and others, and have carried on an extended correspondence with many persons in our own and other Churches. Through correspondence, circular letters and public addresses we have promoted the organization of Synods, Presbyteries and particular churches in the interest of this work.

As a partial illustration of what we think may be done in this work, we would refer to the plans and work in the Presbytery, city and First Church of Buffalo, N. Y., under the inspiration and guidance of one of our Committee, Rev. William H. Boocock. The First Church has organized its educational work under the title "a church school." "It includes a school of worship (Church service), a school of instruction (the Sunday-school), and a school of training for service (the young people's societies)." In the city of Buffalo there has been organized a teacher-training institute for the purpose of promoting religious education along all lines and through all agencies, beginning with the Sunday-school. In the Presbytery of Buffalo there has been constituted a committee on religious education, which holds local conferences, visits Sunday-schools and young people's organizations, makes a survey of actual conditions, devises plans for promoting efficiency of existing organizations, and effects new organizations where necessary. We refer to this work not because of the largeness of the results secured, for the work is new and the time for fruit has not arrived, but because of the excellent lines along which the work is being carried forward. This beginning has been made in other churches, cities and Presbyteries, and we are seeing in a small, but promising, way the adoption of correct pedagogical ideals and the unification of the educational forces in the sphere of religious education. We entertain the hope that this is prophetic of a wiser and more effective nurture of our youth in religion than prevails at present.

There are certain important phases of this problem of religious education which your Committee thinks should be referred to in this Report. Some of them have been presented in different form in previous Reports and others we present for the first time. As this is our final Report to the Assembly, we cannot lay down this most attractive duty the Church five years ago laid upon us without at this time calling attention to them.

THE CHURCH'S TASK.—The sense of the magnitude of the task which is imposed upon the Church for the adequate nurture of her children and youth in religion and morals grows with a consideration of it. Whether it be viewed from the point of view of the area to be covered, the field of religious truth, the field of Christian service, the field of Christian character; or from the point of view of the agencies and forces to be guided, the home, the organized educational agencies, such as the Sunday-school, and the young people's societies, the multiplied and diverse individual influences and forces that are persistently operative for good or ill in the region of character; or from the point of view of the handicap in the prosecution of this work due to the scant time available for it, the defective teaching force, the lack of authority over the teachers and the pupils, the indifference of those most concerned in the results of the work, the divided mind among the officials of the Church as to the materials and the methods of religious education, and the opposition of reactionaries aroused by every advance in it; or from the point of view of the far-reaching and eternal consequences of it in human character and destiny—we must be profoundly impressed with the extent and importance of this work.

Pastors and others charged with the direction of the affairs of the Church have no graver responsibility laid upon them than the nurture of the youth of their parishes. The governing bodies of the Church, and especially the General Assembly, should have a keen sense of the far-reaching significance of this work and of their obligation to promote it at any reasonable though large expenditure of money and effort. That it does not appeal to the imagination, that it is lacking in dramatic elements which inhere in other forms of Christian service and which make their appeal to us so attractive, that it does not thrill or charm or alarm us as do other excellent Christian activities, should not lead us to neglect it and to allow it to wait upon our convenience.

Where so much is at stake we may not be slothful. Where there is so much to be accomplished we may not be half-hearted or careless in our performance. If this generation of children is to be instructed in Christian truth and trained in Christian service, the Church must make it her business to see that this is done through the home, through individual and associated and organized Christian effort. She must make it her serious business to a degree and after a fashion which will make her previous and present efforts in this direction appear to be but the beginnings of a great and potent movement.

THE HISTORIC POSITION OF OUR CHURCH.—We should not forget the emphasis put upon religious education in our standards. They provide that parents are to be required to teach their children to read the Word of God, and to instruct them in the principles of our holy religion, as contained in the Scriptures of the Old and New Testament, "an excellent summary of which we have in the Confession of Faith of this Church, and in the Larger and Shorter Catechisms of the Westminster Assembly, which are to be recommended to them, as adopted by this Church, for their direction and assistance, in the discharge of this important duty" (Directory for Worship, VIII, 4). The Directory for Worship (X, 1) further provides that "Children, born within the pale of the visible Church, and dedicated to God in Baptism, are under the inspection and government of the Church, and are to be taught to read and repeat the catechism, the apostles' creed, and the Lord's Prayer. They are to be taught to pray, to abhor sin, to fear God, and to obey the Lord Jesus Christ."

No one familiar with the deliverances of our General Assemblies can have doubt as to the official attitude of our Church throughout the whole of her history concerning this duty of instructing our children in the knowledge of Christian truth, to the end that in them may be formed Christian character.

That Christian parents do not teach their children the Catechism or the Holy Bible as did those of a former generation, that the home has in a regrettable degree ceased to be the agency for religious instruction that it was, that the secular schools have eliminated religious instruction from their curriculum, that, in fact, all educational agencies have either wholly or partially withdrawn from the field of education in religion, and that thus the Church is almost the only educational agency which still believes it to be important for children to be instructed in religious truth and given the religious motive power, that this is the present educational situation is so obvious as to be indisputable. Whatever interpretation we may put upon these facts, whether we think they indicate a decay of religious interest and a falling away from the good old days and ways, or that they are a wise discontinuance of faulty methods and a promise of a better day for religion itself and for its effectiveness in character building, yet there can be no disagreement among us that these facts reveal the imperative and insistent duty of the Church to address herself with fresh zeal and wisdom to this great task of teaching religion to her children. This is a big job. It is directly before us. Other educational agencies have abandoned it. It is the Church's almost exclusively.

It is a job in many vital respects, new and difficult and immediate. It is not sufficient to say that the Church has always been active in this field and is now doing much superb work, all of which no one will dispute. For we have come into a place where new conditions must be met, new problems must be solved, new methods devised, new agencies enlisted, and that right speedily, if we are to do this work which by common consent is laid at the door of the Church and nowhere else.

If we have the spirit of our fathers, their loyalty to the Scriptures, their faith in the religious values, their zeal for the adequate training of the children, then we will address ourselves without delay and without regard to cost to the performance of this task. If we are worthy successors to those superb spirits who believed supremely in the worthwhileness of teaching, whose very preaching and parish labors were pedagogical, then we must meet the conditions in our day as they met those of their day. We need only to know the history of the pioneer Church and ministry in this country to be impressed with the seriousness of the new situations they had to face in this work of instructing their people in religious truth, and their ingenuity, skill and resultfulness in the performance of their task. Their spirit in us will impel us courageously, seriously, hopefully, to look upon the new elements in this same work as a challenge to our zeal, resourcefulness and practical wisdom. They solved their problem with the best means and by the best methods they could devise, and we must do the same. The one imperative thing is that the problem must be solved.

THE FIELD OF RELIGIOUS EDUCATION.—A survey of the field of religious education reveals a body of facts, numberless, varied and lying in almost hopeless confusion. Yet they may be helpfully classified under the three categories of The Agencies, The Curriculum and The Materials of Religious Education.

The Agencies of Religious Education.—The most potent of these agencies is the home. Doubtless the religious influence of the home is less to-day than in the preceding generation, but whatever may be said concerning the waning of its power it still remains *facile princeps* among the agencies which make for the religious nurture of the children and youth. The duty of the Church at this point is to inspire, guide, and aid the home in the exercise of its high function as the nursery of piety. It doubtless would be a safe statement to say that the home has always depended upon the Church for substantial help in these respects. In the present situation it most assuredly is true that the Church must address herself with fresh zeal and wisdom to the promotion of family religion by methods adapted to the present family and social conditions.

Among the organized agencies the most conspicuous is the Sunday-school. It is so much in evidence as to constitute it, in the eyes of many, the only organized agency for religious instruction worthy of much consideration. Many persons in thinking of the work of this Committee have thought of it as not much more than a committee for the promotion of the work of the Sunday-school, although the Committee in its Reports and in other ways has indicated that in its judgment its work is infinitely much more than that. Many persons think that it is through the Sunday-school the Church is to do all but an insignificant part of her educational work. Yet without in the least degree subtracting from the high value of the Sunday-school, it may be said that it is only one of many, and many powerful agencies, for religious instruction.

Our Mission Boards have discovered a large portion of this field which the Sunday-school does not cover and for which they have devised other and growing agencies, such as mission bands and mission study classes.

The Young People's Societies constitute another extended group of agencies operating in this field. One of the interesting facts with reference to these thousands of societies is that they are employed not for impression so much as for expression. While the Sunday-school is organized preeminently for the purpose of giving instruction in knowledge, these societies are organized preëminently for the purpose of giving training in Christian service.

The minister of the church, though he is much more, is in fact the one agency upon which the Church must rely for the adequate nurture of her children. Through the church services, the sermon, the catechetical classes, pastoral activity and oversight, he is and ought to be a great educational force and the most efficient educational agency within the particular church.

There are other educational agencies. Their name is legion, some of them efficient and eminently worthy of respect and improvement, and others of lesser value. It is not necessary here to enumerate them, as has been done in a previous Report. It is sufficient now to indicate that they furnish an important group of facts in this field, to which serious and careful attention must be given. For example, these agencies must be coördinated, and be brought into some real and harmonious adjustment. How shall the field be divided among them? How much and what time shall be allotted to them? How can each be brought to its own highest efficiency and at the same time make its largest contribution to the highest efficiency of the other agencies? What agencies have proven their inherent strength and title to advancement? What agencies have shown themselves so extravagant in the consumption of energy for their own maintenance as to be too expensive for an ordinary congregation to adopt them? These are a few of the questions that naturally arise with reference to this group of facts and which the Church ought to be able to answer.

The Curriculum of Religious Education.—The area of subjects to be taught, their variety, their diversity and their essential unity, make necessary their organization into a curriculum and at the same time make possible such organization. We must instruct our children in the knowledge of Christian truth, in the proper worship of God, and in the Christian life. Here are three most vital lines for religious nurture, but as soon as you begin to consider them either with reference to their separate development or their mutual relations you are brought face to face with two significant sets of facts.

The first of these groups of facts is that these lines of nurture differ from each other in such fundamental respects as to require distinct methods of treatment. Christian worship, for example, can be best taught by practicing worship, while Christian truth can be best taught by precept and the ordinary methods for imparting information. As a further illustration of method, if, when giving the children nurture in the Christian life, we deal with the history of the Church, and the organization of the Church for purposes of government and administration, we will use the methods of instruction, and if we deal with service through the Mission Boards or the Church's local benevolences we will use the method of training, giving opportunity and guidance in expression. This set of facts makes the organization of a curriculum necessary to systematic and effective effort in these great departments in Christian nurture.

The other set of facts is revealed when we consider that this process of nurture has to be carried forward through a term of years, during which the pupil is being subjected to other and potent educative influences. In other words, the nurture of the child by Christian teachers begins when he is a mere infant and continues through eighteen years or more, during which time he is passing through a process of constant change, some of which is nothing short of revolutionary, in which he is the subject of many formative forces operating from within and without. The religious teacher must reckon with this set of facts, just as the secular teacher does, and must adapt his method and his material to the changing pupil. This makes necessary a curriculum organized with reference to the pupil, just as the previous set of facts required the organization of the curriculum with reference to the material.

Secular education finds a curriculum necessary not only to an orderly educative process, but also to efficiency both in the matter of economy of time and effort, and also the attainment of the maximum of result. Religious education is under the same necessity.

The Materials of Religious Education.—The larger portion of the material for religious education is found in the Bible, but under any system or lack of system this material has to be put into some sort of shape for use by the teacher, and aids for its interpretation and application have to be provided. Outside of the Bible, there is the large and increasing body of material found in the history of the Church, her missionary enterprises, and her varied human relations. This material must be organized, illuminated, adapted, published and brought to the hand of the pastors and other Christian teachers. The incredible wealth of material and its endless and fascinating variety constitute a difficult and an imperative task in the field of religious education, requiring many skilled workers of differing gifts and attainments, and considerable expenditure of time, patience and money.

This brief and incomplete survey of the field of religious education may be sufficiently comprehensive and accurate to convey some adequate impression of the magnitude of the task that awaits the Church in this field of service.

The Task is Twofold.—Any serious attempt by the Church adequately to care for the Christian nurture of her children will bring to view two distinct but related kinds of work to be done. One might be called the pedagogical, and the other the administrative educational work.

The Pedagogical Work.—As an educational process religious education has much in common with secular education, and as such it presents much work and many problems which primarily are pedagogical and which require the attention of the trained pedagogue. While this line of inquiry may be technical and lacking in popular interest, it is yet fundamental to any correct performance of the more practical part of educational work. It is a tedious and laborious task to make a survey of the field of religious education, to gather the data to be found there in endless profusion and hopeless tangle, to work out and apply the principles for the systematic arrangement of the data, to see the real problems and patiently to solve them, to discover the extent to which the ideals and methods of secular education may be applied to religious education, to see the way by which secular and religious education may be unified under some large categories and be made harmonious parts of a single and complete educational system.

These and related subjects must be studied for the local church and for the whole Church. There must be in every parish a group of qualified persons at work upon them, and every Presbytery should have another group helping the local groups and at the same time working at the larger presbyterial problems of the same nature. The Assembly should have some agency busy about these matters in their larger relations and aiding the Presbyterial and particular church groups. The Assembly's agency should be a connecting link between our own denomination and the other denominations having agencies working in the same field.

These and related subjects may be summarily dismissed by a practical church, bent upon "doing things" and getting immediate results, as the amusing but profitless employment of theorists and mere pedagogues. But this will not be the attitude of any one who knows how the laboratories of our technical schools are filled with men busy with the most intricate mathematical formulæ and the most abstruse investigations in order to prepare themselves to solve the practical problems of our industrial world. This will not be the attitude of anyone familiar with the large amount and high practical value of similar investigation and study being done by foremost men in the field of secular education. This ought not to be the attitude of anyone who believes one of the fundamental principles of our Church, which is "That truth is in order to goodness," and that it makes a deal of difference with a man's life whether he is ordering it according to the laws of truth and right conduct or those of falsehood and wrong conduct.

It is the conviction of your Committee that this service to religious education in the present juncture is a most urgent and a most practical duty of the Church. It lies at the foundation of wise, systematic, resultful religious nurture. As an illustration of the basic character of this pedagogical work, let anyone seek an answer to the question, What is the informing purpose in the Church's educational work? Is it the promotion of a great cause, such as the evangelization of the world? Is it the building-up of a great institution, such as the Sunday-school? Or, is it the nurture of the child in the Christian life? These are purely pedagogical questions and lie in the realm of theory. Yet the answers to them will have a determining effect upon our educational practice. If it be answered that we are to promote a cause or an institution, then we will select our material, decide on our method, organize our agency, in order that our pupil may become most favorably disposed toward that cause or institution. It is even conceivable that our interest in the cause or institution may be so engrossing that we will quite forget the pupil, and merely use him and our efforts in his education as a means for making a favorable impression upon others, who become approving spectators of our work, or who, by virtue of being the child's teachers, thereby themselves become interested in the cause. If, however, it be answered that the purpose of the Church's educational activity is not to promote a cause or an institution, but to bring the child to his spiritual maturity, we will adapt material, method and agency to the needs of the pupil. In the one case, our interest in the educational work centres in the cause or institution; in the other, it centres in the child. In the one case, we use the child as a means for the promotion of a great work, while in the other case we use a great work for the welfare of the child. It makes all the difference between using your child as a means toward an end or regarding him as an end in himself. Thus our educational practice turns upon our educational theory, whether we will or not. It is inevitable. There is nothing more significant in the educational world to-day, both the secular and the religious, than the commanding insistence of the best educators upon the preëminent and all-inclusive importance of the child. It is for him that all education exists, and it is to him that all education must be adapted.

Other illustrations might be given, but this is sufficient to indicate that the technical pedagogical work which the Church must do is fundamental, far-reaching, and practical.

The Administrative Work.—To set into operation an educational system and to maintain it at a fair degree of efficiency requires administrative machinery and work. Teachers must be trained, the details of school management must be provided, text-books must be prepared, various parts of the system must be adjusted to each other. These are matters of administration which must be attended to, and if the system be an extended one, as is the Church's educational system, these matters are multiplied indefinitely. Pastors, Sessions, Presbyteries, Synods and the Assembly's agency have much of this kind of work to do. In the particular church, the home, the Sunday-school, the public worship of the sanctuary and many organizations must be made efficient educational agencies. Presbyteries and Synods must supervise this work within their bounds, and the Assembly must promote these activities throughout the whole Church, giving all needed encouragement and help with wisdom, magnanimous confidence, and open-handed generosity. The machinery of an educational system, like other machinery, must be made, kept in repair, renewed, oiled, constantly watched, and supplied with motive power. Machinery will not run itself. The Church must have a school system and must maintain it at a high standard.

This twofold work lies at the door of the Church. Much of both sides of this work is being prosecuted by capable and interested men and women within our Church and Assembly agencies. But there is need at present for coordination of efforts and for more systematic and thorough method. Neither portion of this twofold task may be neglected. Both must be carried forward with equal enthusiasm, aggressiveness, unselfish devotion to the interests of the child, and forgetfulness of the interests of the system, agency or cause.

OUR CHURCH'S OPPORTUNITY.—There is an awakening conscience on this subject. Thoughtful men are writing on it for the religious and secular press, in the magazines and n books. Organizations, not ecclesiastical, such as the Y. M. C. A., United Society of Christian Endeavor, American Institute of Sacred Literature, International and State Sunday-school associations, Religious Education Association, are working in this field with spirit and aggressiveness. Other denominations than our own, as, for example, Protestant Episcopal, Disciples, Canadian Presbyterian, Lutheran, Baptist, Congregational, Methodist Episcopal, have committees or commissions, which are carrying forward both lines of this work. Five years ago the Assembly appointed this Committee in response to overtures from sixty-four Presbyteries. Such results as may appear from our labors represent much painstaking effort. The printed Reports of your Committee have been in demand far beyond the supply and have been freely used by workers in our own and other denominations.

These facts emphasize the opportunity awaiting our Church. In other Churches and beyond there is a growing body of workers along the lines, especially the new lines, indicated in this and previous Reports, in which body our Church may easily occupy a position of commanding influence, if she will address herself to this task with vigor and in a large-minded way. For the leadership in this great and imperial field of service is for the Church which will be most alive to its superb opportunity.

A large and growing number of our own most thoughtful people feel the vital character of these things we are now discussing, and are seeking for help in the solution of the problem they start in their own churches, schools and societies. They naturally and properly look to their Assembly to give them the needed help. It will not be enough for us to offer them the help and material we gave a quarter of a century ago, for good as these may have been then, they will not be of service to present workers, for now are new problems. If we refuse or neglect to meet these new demands, we need not be surprised if our best workers turn to agencies outside of our denomination for the guidance and aid which they need and which they legitimately expect from their own Church. For us to fail to give our Sunday-schools, young people's societies and other organizations the best things educational is to abdicate in favor of other Churches that will. For us to refuse to give these best things, because they are new and many Sunday-schools and others are satisfied with the old, is the sheerest folly. For us to keep back the growing, progressive, developing schools and workers to the pace of the unprogressive, stagnant and contented schools and workers is suicidal. Our Church must keep abreast of the advancing column of educational forces, or she will miss her great opportunity among the denominations and at the same time lose her influence over her own most eager and devoted workers.

THE RELIGIOUS ATTITUDE OF OUR YOUTH.—Those who have concern for the religious character of our youth must be impressed with the inadequacy of the results of our present educational efforts. The output of our educational activity is not satisfactory either in quality or quantity. Our children do not know the Bible, are not acquainted with Christian truth, are not interested in the things of the Christian life, nor are they disposed toward reverence and the worship of God, as we have a right to expect from a competent educational system. This is not a sweeping condemnation of our young people, large numbers of whom are devout and devoted Christians, nor is it a lament that we have fallen upon evil times, for possibly the former days were no better, nor is it a pessimistic view of a situation in which there is much to encourage and cheer us. It is, however, an indictment of our present educational methods and work. Our machinery has broken down at certain vital points and is not getting results.

A frank recognition of this fact is one of the first steps toward the improvement of the condition. It is true there are many Christian homes in which there are faithful and conscientious parents; there are many wise and laborious pastors who are giving themselves without stint to the nurture of their youth; there is a multitude of devoted and skillful Sunday-school teachers who are leading their scholars into Christian discipleship; there are numberless young people's societies and other organizations which are zealously performing their functions. Nevertheless, we must see that our system is failing to produce the number and the type of young Christians we ought to have from it. It must be reconstructed.

The reconstruction will require time, patience, courage, knowledge of the best educational theory and practice. It will involve changes in ideals and methods, the abandonment of some old ones that are no longer serviceable and the rejection of some new that cannot be made to work. The reconstruction cannot be begun too soon nor be too honestly and frankly carried forward. This is no time for a reactionary attitude toward such an attempt to bring our educational system and labors to that efficiency which will save our young people from irreligion.

Our Church by her history and her position should be in the forefront of the rapidly increasing army of those engaged in this promising task in the interests of the betterment of our system. Mistakes are doubtless being made and will be made, for progress is rarely along straight lines. But we may well be patient with those who have caught the vision of the newer things in this field of service and who with a noble consecration are seeking to accomplish better results among our young people.

A RELIGIOUS EDUCATION BOARD.—Your Committee has given large attention to plans for the Assembly's supervision of this work. This was one of the two matters assigned us. From the first it was evident that there ought to be an Assembly's agency explicitly charged with this important and extensive work. The erection of a Commission, somewhat after the pattern of the Executive Commission, has been strongly pressed upon our attention, and there are many arguments favoring it. Nevertheless, the obstacles in the way of creating such a Commission seemed to us insuperable and we have not deemed it wise to recommend it.

Early in our deliberations it became clear to us that the Board of Publication and Sabbath School Work was the logical agency for this work, provided the conditions necessary for the effective prosecution of the work by this Board could be established. We were encouraged in this view by the action of previous Assemblies, particularly that of the Assembly of 1909. To that Assembly a Special Committee on Administrative Agencies made a report in which was an extended section (*Minutes*, 1909, pp. 230–234) dealing with this subject. A recommendation of that Committee, which was adopted by the Assembly (*Minutes*, 1909, p. 238), was "That the Assembly unify its educational work among the children and youth by committing it for general supervision to the Board of Publication and Sabbath School Work, to which the Assembly has already committed it in part, and it is hereby so committed." It ought to be stated that your Chairman was also Chairman of the sub-Committee of that former Committee which prepared the section and recommendation referred to. Your Committee unanimously took the same view as that expressed by the former Administrative Agencies Committee and by the Assembly of 1909.

In view of this opinion, your Committee held frequent conferences with the officers and members of the Board, with the result that the Board on March 28, 1911, after expressing its interest in the matter, "*Resolved*, That should the Special Committee of the General Assembly now having this subject under consideration concur in such a plan, this Board will be glad to amplify the scope of its present 'Department of Young People's Work,' designating such department as the 'Department of Religious Education and Young People's Work,' said department to be suitably officered, and to employ such expert assistance as the means at the disposal of the Board will justify." Again, on March 25, 1913, the Board took action reaffirming the above resolution.

On the recommendation of your Committee to the Assembly of 1911, and again to the Assembly of 1912, the Board and your Committee were instructed jointly "to perfect a plan for the transfer of the work to this Board." We are happy to be able to report that a plan for the transfer of this work to the Board has been agreed upon by your Committee and the Board, by which it is hoped a new and strong leadership in this great work, in which your Committee has so haltingly labored, and in which the Board has for many years done most excellent service, may be effected.

The principal features of the plan are the following:

1. That the Board be regarded, and that it regard itself, as preëminently an educational Board, whose main function is the promotion of the nurture of the children and youth in Christian knowledge and life through all available agencies in the particular church. In consideration of this emphasis upon its educational function the Board should give the most earnest attention to the whole field of religious education, and should aim to increase the educational efficiency of the Sunday-schools, Young People's Societies, the home, and all other agencies in the particular church. It should be the Assembly's agency in this field of service.

2. Pursuant to this interpretation of its function, the Board should erect a Department of Religious Education, in which should be assembled all the educational work now being cared for under the other departments, such as the Sabbath-school, Young People's, and Editorial departments. It should be authorized to make such changes in the names and administration of all its work, both in the office and on the field, as may be found expedient in view of the creation of this new department.

3. The Board should be authorized to elect at an early date a superintendent of religious education and to give to his office all clerical help necessary to its largest efficiency.

4. The Assembly should authorize the Board to make such additions to its Budget as may be necessary adequately to maintain this new department. It certainly will involve increased expenditures, which on the surface may appear to some as administration expenses and, hence, unjustifiable. But no one who is keenly alive to the supreme importance of making our children intelligent and earnest Christians will regard this work as mere administration or the money spent in doing it as unwisely used. The silent appeal of the child waiting for the Church to guide its feet in the way of Christian truth and life should awaken the Church to the largest giving and the Board to the most strenuous activity.

5. The Assembly should expect, and should take all

necessary means to see, that this Board shall be a great educational Board, occupying a field of commanding importance and discharging an imperative duty of the Church. There must be a liberal and generous attitude of the Church toward this new emphasis and this new work. The Board must be given the support of the Church in its new interpretations of educational values and new solutions of educational problems, and must be assured that it will be inspired, not chilled, in its progress toward new and large things for the nurture of the Christian life in the children, whom God has given to our charge.

RECOMMENDATIONS.—We offer the following resolutions for adoption by the Assembly:

1. That the Assembly affirm anew its conviction that the education of the children and youth in Christian knowledge and the training of them in Christian service is a paramount duty of the Church, which should be discharged with the utmost earnestness in the use of the most approved methods and according to the highest ideals by all pastors and others charged with the performance of it.

2. That particular churches are advised anew to form Councils of Religious Education, which, under the direction of the Session, shall have charge of the educational work within their bounds, and Presbyteries and Synods are advised to appoint Standing Committees on Religious Education for the same purpose.

4. That the Board of Publication and Sabbath School Work be commended to the pastors and all others engaged in educational work in our churches as the appointed agency of the Assembly for helping them in their work and as worthy of their support and coöperation in this field of service.

5. That your Committee be discharged.

Respectfully submitted, in behalf of the Committee,

GEORGE B. STEWART, *Chairman.*

The Assembly took recess and was closed with prayer.

FRIDAY, May 23, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Minutes of this morning's session were read and approved.

The following was adopted:

The General Assembly, while not deeming it judicious to place the American Bible Society on the Assembly's Budget of Benevolence, puts on record its deep sense of the value and necessity of the Society's work. As declared by previous Assemblies, its service is indispensable to our Missions, both Home and Foreign. Its absence from the Assembly's Budget, therefore, should not and does not mean its absence from the heart of the Church.

We therefore again strongly recommend all our churches to place the Society on their own Budgets, if they have them, or in some orderly and regular way to contribute yearly to its support, and to do this with due regard to the increased Bible needs of the world. The Society should be furnished with an enlarging revenue adequate to the supply of these needs.

The following Memorial was accepted and approved:

The Presbyterian Historical Society respectfully memorializes the General Assembly in session at Atlanta, to direct Synods and Presbyteries to deposit with the Historical Society, for safe-keeping, and for convenience of access, the records of all defunct Presbyteries and churches, and the records of all Presbyteries and churches which shall hereafter be dissolved.

By order of the Council of the Presbyterian Historical Society in Session in Philadelphia, Pa.

May 12, 1913.

Attest: JOSEPH BROWN TURNER, *General Secretary.*

The Moderator in due form declared that Overture No. 7 and Overture No. 8 had been duly adopted, and announced that the amendment of the Form of Government, Chapter IX, Section 10, and of the Book of Discipline, Section 50, were now parts of the Constitution of the Presbyterian Church in the United States of America.

The Committee on the Records of the Synod of Colorado presented its Report, which was adopted and is as follows:

Your Committee appointed to examine the Minutes of the Synod of Colorado respectfully reports to the General Assembly that the said records have been carefully examined, that they are corrrectly kept in accordance with the requirements of the General Assembly relating to printed Minutes, and their approval is recommended with the following exceptions:

1. On p. 13, papers were presented to the Synod by the Stated Clerk and their disposal then made, instead of being presented to the Committee on Bills and Overtures as called for by Rule XI of Rules for Judicatories.

2. In the same connection a paper was referred by title only to the Committee on Home Missions, which Committee, in reporting concerning the same, on p. 42, also referred to it by title only in presenting its recommendation, which was adopted. The title does not sufficiently indicate the nature of the paper.

3. On p. 18, a recommendation advising the abolishment of Synod's Executive Commission, was referred to the Committee on Bills and Overtures, but it is not referred to in that Committee's report found on p. 45.

4. On p. 65, Synod added to the Duties of the Executive Commission certain duties, which by Rule XI of Rules for Judicatories are assigned to the Committee on Bills and Overtures.

Respectfully submitted for the Committee,
J. R. MacGillivray.

For the Committee,

The Roll of the Standing Committees was called, and they, having reported their work completed and papers returned, were discharged, as follows:

Bills and Overtures, Judicial Committee, Church Polity, Home Missions, Foreign Missions, Education, Publication and Sabbath School Work, Church Erection, Theological Seminaries, Ministerial Relief, Freedmen, Colleges, Correspondence, Narrative, Temperance, Leave of Absence, Presbyterian Brotherhood, Finance and Mileage.

The Committee on Editions of the Constitution presented its Report, which was adopted, and is as follows:

The Committees on Editions of the Constitution, of the Digest, and on the Reprinting of the *Minutes*, respectfully present a joint Report as follows:

1. A new edition of the Constitution has been issued by the Board of Publication and Sabbath School Work, including all changes up to the year 1912.

2. The new edition of the Digest has been delayed by the fact that it is felt that it would be well to await the final issue of certain law proceedings before issuing the volume. In addition, the demand for it has not been insistent, inasmuch as the last edition was issued in 1907, and, further, the Board of Publication has published a new edition of Bittinger's Manual of Law and Usage, bringing the report upon ecclesiastical decisions up to date.

3. The question of the reprinting of the *Minutes* of the

Cumberland Presbyterian General Assembly, is one that is receiving due consideration.

Respectfully submitted,
William H. Roberts,
William B. Noble,
Alexander Henry.

Rev. J. S. Lyons, D.D., Moderator of the General Assembly of the Presbyterian Church in the United States, was introduced, and addressed the Assembly.

The Moderator responded to his address.

The Commissioners present handed their names to the Permanent Clerk to be checked upon the Roll, and about 420 were found present. The Stated Clerk was authorized to correspond with reported absentees, in order to correct the list of absentees to be published in the *Minutes*. The following were finally found absent without leave:

The Minutes of this afternoon's session were read and approved.

The Committee on Resolutions of Thanks, through its Chairman, Rev. Alexander J. Kerr, D.D., presented the following Report, which was unanimously adopted by a rising vote:

This General Assembly would be untrue to the deepest feelings in the hearts of its members, did it not give expression to its profound sense of gratitude to Almighty God, for the loving kindness that has brought us together, and kept us in fraternity and peace during these memorable days.

Meeting for the first time in the very heart of the Southland, we have found the heart of the South open to us. It is unquestionably true that never has an Assembly received a more cordial welcome to any city in the land than has been accorded us by the citizens of Atlanta; and where so many have combined to make our sessions memorable, it is difficult to make selection for special mention. Nevertheless, we feel constrained to give peculiar honor to the following:

1. To the Moderator, Rev. John Timothy Stone, D.D., for the urbanity, fairness, ability, wisdom and cheerful Christian spirit, which he has manifested in the conduct of the business of the Assembly. The delightful seasons of praise and prayer, which often brightened the hours set apart for business, we recognize as being due to his desire that sweetness and light should pervade all our work.

2. To the Vice-Moderator, Mr. Frederick A. Booth, for the dignity and unvarying courtesy with which he has discharged the duties of his high position.

3. To the Stated Clerk, Rev. William Henry Roberts, D.D., LL.D., whose experience, ability, courtesy and devotion seem to increase, if increase be possible, as the years go by. Of the thousand details that belong to the work of the Assembly nothing seems to be overlooked or misplaced under his constant care. This Supreme Court of the Church can never know to the full, how largely its comfort, its efficiency, and the speedy dispatch of its business, are due to Dr. Roberts' genius.

4. We express our thanks also to the Permanent Clerk, Rev. William B. Noble, D.D; to the Assistant Clerk, Rev. J. M. Hubbert, D.D.; to the Temporary Clerks, Rev. Walter H. Bradley, Ph.D., Rev. Charles E. Craven, D.D., Rev. L. Harold Forde, and Ruling Elder Charles A. Hartley, and to Mr. L. A. Davis, of Philadelphia, Secretary of the Land Title & Trust Company, Treasurer of the Assembly. We also extend thanks to the clerks and stenographers who have assisted with care and ability in promoting the work of the Assembly.

5. Special thanks are due, and are gladly given to the General Committee of Arrangements in the city of Atlanta, of which Mr. J. K. Orr is Chairman, the Rev. Jere A. Moore, Pastor-host, of Harris Street Presbyterian Church, Executive Secretary, and Mr. W. E. Newill, Treasurer; to the Committee on Reception, Mr. S. M. Inman, Chairman, the Committee on Hospitality, Marion M. Hull, M.D., Chairman, and the other Chairmen and members, for their untiring zeal, their large-hearted efforts and their abounding success in providing for the entertainment, welfare, comfort and pleasure of the Assembly.

6. We owe very much to the Committee of the three General Assemblies that have been holding simultaneous meetings in Atlanta, the Rev. R. O. Flinn, D.D., Chairman; to the statesmanlike vision that originated and brought about the gathering of these three Assemblies at the same time, and the splendid efforts of the Committee to promote the spirit of unity between these bodies. The great union evening meetings which so enlightened the minds and stirred the hearts of all who attended them, call forth our best enthusiasm, and we mention in an especial manner the Rev. D. H. Ogden, D.D., who arranged the great union communion service, which lifted us into heavenly places in Christ Jesus.

7. We make special acknowledgment of the courtesy of the families who generously opened their houses to us; and of the untiring efforts of the citizens and various organizations of the city of Atlanta, who have made every endeavor for the pleasure of the Assembly; and particular mention is made of the President, Faculty and students of the Agnes Scott College, on whose beautiful campus, the Presbyterians of Atlanta and Decatur gave us a reception so delightful, that it will ever be like a shining star in the memories of all who were fortunate enough to be present. We also are deeply grateful to the Atlanta University for similar kindnesses to our colored ministers and elders. We owe much in addition to the pastors and officers of the various churches of Atlanta

and vicinity, for many courtesies, and to Dr. Atkinson, who led the singing in the devotional services of the Assembly.

8. To the newspapers of the city of Atlanta special thanks are due for the careful reports which, at large expense to themselves, they have given of the proceedings of our body.

9. We acknowledge with gratitude the special courtesy of the Atlanta National Bank to the Commissioners.

10. We record our sense of obligation to the U. S. Postmaster of Atlanta and his clerks, and to the Telephone and Telegraph Companies for the favors they generously granted us.

11. Large thanks are due, and are gladly given, to the officers and Trustees of the Tabernacle Baptist Church, in whose splendid house of worship our business sessions have been held, for their earnest, cheerful and successful endeavors to promote our comfort, and especially to Mr. C. G. Himebaugh, who was in charge of the Information Bureau.

And now, in the closing hour of this Assembly, under a renewed sense of obligation to our Heavenly Father, we pledge ourselves anew to the work of His Church, and we pray that His richest blessing may abide with the churches, institutions and people of this fair and historic city of Atlanta.

The attention of the Assembly was called to the fact that the Alumni of Auburn Theological Seminary had presented a handsome chair to the Moderator, and it was ordered that special mention of it should be made in the *Minutes*.

Addresses were delivered for the Atlanta Committees by Rev. Hugh K. Walker, D.D., Rev. Richard Orme Flinn, D.D., Rev. Jere A. Moore, D.D., Mr. J. K. Orr, and Mr. S. M. Inman.

Rev. C. A. R. Janvier, D.D., who goes to the Presbyterian Church of India, addressed the Assembly by request.

The Moderator responded to the addresses with appropriate words.

The business of the Assembly having been completed, and a vote taken for dissolution, the Moderator dissolved the Assembly, saying:

"By virtue of the authority delegated to me by the Church, let this General Assembly be dissolved, and I do hereby dissolve it, and require another General Assembly, chosen in the same manner, to meet in Chicago, Ill., in the Fourth Presbyterian Church, on the third Thursday of May, 1914."

The sessions were closed with prayer, singing, and the Apostolic Benediction.

WILLIAM BROWN NOBLE, *Permanent Clerk.*
WILLIAM HENRY ROBERTS, *Stated Clerk.*

XIX. Resolutions.

I. Purposes.—1. In order to make clear the purposes of the Committee, the action of the General Assembly of 1906, constituting the Committee, and indicating its sphere of work, is here quoted in full:

"It is recommended that the following resolution be adopted:

"That a Special Committee on Christian Life and Work is hereby appointed, to consist of eleven members, of whom two shall be the Moderator for the time being and the Stated Clerk; the other nine members to be appointed by the Moderator. Of the nine members to be appointed one-third shall be changed each year. The duties of the Committee shall be to consider and report upon the Narratives of Christian Life and Work from the Presbyteries, annually prepared for the Assembly, and also to report from their own knowledge upon any related matters connected with the general spiritual condition of the Church. The Committee shall not report upon any matters within the jurisdiction of other Committees, or of the Boards and Agencies of the Church. The Stated Clerk of the Assembly shall be the Secretary." (*Minutes*, 1906, p. 222.)

In the performance of its duties, it is proper to state that the Committee, each year, has acted through sub-Committees, and their reports on special subjects are made parts of this Report.

II. Meetings.—The Committee held, during the year, three meetings, each at Philadelphia, Pa., the dates being February 25, March 25 and April 3, 1913. For the careful consideration of all subjects entrusted to the Committee, an Executive Committee was constituted, as in previous years, composed of members residing in and near Philadelphia and New York, and they met in Philadelphia, Pa., January 3 and April 3, 1913.

---

* See for action on this Report, p. 39.

III. Membership.—The membership of the Committee is composed of three classes. The one whose term expires this year consists of the Rev. Hugh B. MacCauley, D.D., Rev. William Kirk Guthrie, D.D., and Mr. William H. Scott. The Committee recommends that the following persons be chosen for the term of service from 1913 to 1916, namely, Rev. Hugh B. MacCauley, D.D., Rev. John T. Stone, D.D., and Mr. William H. Scott.

IV. Synodical Narratives.—Attention is drawn again to the fact that the Synods hold a highly responsible place in the administration of Church affairs, as is shown by the provision found in Chapter XI, Section 4, of the Form of Government, where it is said that the Synod has power, "finally to propose to the General Assembly, for its adoption, such measures as may be of common advantage to the whole Church."

With a view to utilizing in part this constitutional power, the General Assembly, now for two years in succession, has made the Stated Clerks of Synods corresponding members of the Committee on Christian Life and Work; has requested each of the Synods to appoint a Standing Committee on Narrative, and to place the report of this Committee on the docket at a morning session, to be accompanied with exercises of praise and prayer. It is felt that each of the Synods should in some manner provide for this Report, and regret is expressed that some of them have not as yet complied with the recommendation of the Assembly. Further, we note that the following Synods have made no report upon the Narrative of Christian Life and Work in their Synodical Minutes: Arizona, Atlantic, California, Canadian, Catawba, Mississippi, New York, Philippines, Utah and West, Ger. The reports, either in printed or manuscript form, received by the Assembly's Committee, are presented below in concise form, and, in so far as practicable, under the main heads given in the Annual Congregational Narrative of Christian Life and Work. These are as follows:

1. Congregational Services,
2. Sabbath-schools,
3. Societies,
4. Spiritual Conditions.
5. Family Religion.
6. Benevolence,
7. Miscellaneous.

I. Alabama.—There is a growing interest in the Synod of Alabama in personal evangelism, evangelism in the Sabbath-school, the various phases of missions, federation and coöperation in Christian and civic work, and a broadening of the scope of the work of the Church to conserve the whole range of human need and betterment.

II. Arizona.—(No report.)

III. Arkansas. (1) *Membership and Services:* Added on examination, 519. Only a few churches without prayer meetings.

(2) *Sabbath-schools:* All the additions on examination came from the Sabbath-school.

(3) *Societies:* Most of the progressive churches have Young People's Societies.

(5) *Family Religion:* Little time and stress given to religious instruction of youth. Family prayers neglected.

(6) *Benevolences:* Have come in better shape than before.

IV. Atlantic.—(No report.)

V. Baltimore.— (1) *Membership and Services:* Total membership, 30,863. Added on examination, 1,206—gain of 2 per cent. In nearly all churches regular Sabbath services have been held, and in most of the churches two preaching services held each Sabbath. Churches have practically all been supplied with pastors, and in no period of the Synod's history have all the churches been as fully supplied as in the past year. Reports indicate that services generally have been well attended, and that the churches have been blessed in the in-gathering of souls.

(2) *Sabbath-schools:* Schools maintained in all the churches, in most of them for the entire year, and a number of mission schools have also been maintained. In nearly all the schools the Westminster Helps have been used. A large percentage of those uniting with the Church on profession of faith came from the Sabbath-schools.

(3) *Societies:* A goodly number of churches have the men organized in Bible Classes and Brotherhoods. In a large number of churches there are societies

of women for Foreign and Home Missions. A large number of churches have organizations for the young people, such as Mission Bands, Boys' Clubs, Scouts, etc.

(4) *Spiritual Conditions:* Healthy and encouraging.

(6) *Benevolence:* A large percentage of churches now using the budget system, with good results. The reports of the offerings to the several Boards of the Church indicate a growth in giving as an act of worship.

(7) *Miscellaneous:* Question: Whether we have not "about reached the limit of useful organizations in the Church" and whether we need not "be careful lest we be more liberal with organizations outside of the Church, over which we have no control, than we are with the Church itself?"

VI. CALIFORNIA.—(No report.)

VII. CANADIAN.—(No report.)

VIII. CATAWBA.—(No report.)

IX. COLORADO.—(1) *Membership and Services:* Membership, 20,826—gain of 576, 3 per cent. Children and youth at preaching, few. Prayer meeting attendance, small, and indifference evident.

(2) *Sabbath-schools:* Large proportion of Church accessions come from Sabbath-schools, 600 having come in by confession of faith during the past year.

(3) *Societies:* Few men's organizations, and lack of concern. Women's organizations flourishing, and intensive study of missions and missionaries becoming popular.

(4) *Spiritual Conditions:* Alarming indifference and inertia on the part of the great body of men in the Church. Indifference of parents towards spiritual welfare of the children.

X. EAST TENNESSEE.—(1) *Membership and Services:* Prayer meeting attendance is on the increase.

(2) *Sabbath-schools:* While the attendance is good, it is to be deplored that so small a percentage of the pupils are being brought to Christ.

(3) *Societies:* Just beginning to organize societies of the Brotherhood.

(4) *Spiritual Conditions:* Not what they should be, but, for a new Synod, fair. An evangelistic tendency is to be noted.

(5) *Family Religion:* Family worship not found in many homes, which accounts in some measure for the worldly tendency of the young people.

XI. IDAHO.—While religious conditions are not as bright as they might be, much vigorous work is being done, especially through union and coöperative efforts in mission and Sabbath-school organizations. Considerable being accomplished in behalf of immigrants, Chinese, Spaniards, Greeks and Austrians. Lamentable over-churching in many of the new towns.

XII. ILLINOIS.—(1) *Membership and Services:* Membership shows net gain, but not commensurate with efforts made in many centres. Church attendance not increased except in a few churches. The second service on Sabbath is a "nominal function, rather than a vital force." Weekly prayer meeting not a real force, and is numerically weak, the attendance being less than 10 per cent. of membership.

(2) *Sabbath-schools:* The Sunday-school membership has grown, especially in adult classes. Greater interest in Men's Bible Classes than ever before. Catechism no longer generally taught in the Sunday-school. Sabbath-schools furnish many of the Church accessions by examination.

(3) *Societies:* Greater interest in Men's Clubs and Brotherhoods. Men and Religion Movement has given enthusiasm. Women's and Young People's Work is encouraging.

(4) *Spiritual Conditions:* Men are organized and trained to do more personal evangelistic work for their fellow-men than ever before, this work receiving new emphasis and strength in many parts of the Synod. Many churches have started Communicant Classes.

(6) *Benevolences:* A continued increase, last year showing $6.43 per member. Per capita gifts have tripled in five years. More than half the churches have increased their gifts to all the Boards, and many Sabbath-schools are giving to more of the Boards, though comparatively few give to all.

XIII. INDIANA.—(1) *Membership and Services:* Membership, 50,345—gain of 181 past year; but 580 less than two years ago. One might be tempted to say there is a "stagnation of Presbyterianism in Indiana," and yet one sees much to make him optimistic. While there are a great many weak country churches, some of them dying, some dead, and only half the churches have prayer meetings, and the attendance is only 10 per cent. of membership, the Church is adapting itself to the changing order, and there is a healthy tone of morals which will result in better spiritual conditions.

(2) *Sabbath-schools:* Slight decrease in the total membership. The Sabbath-schools continue to be the "recruiting ground of the Church." Catechism not gaining in favor. Libraries scarce and teachers' meetings rare. Marked improvement in adult department.

(5) *Family Religion:* Family altar passing away.

(6) *Benevolence:* "Standing still as regards this important part of our work." Sum total of gifts to Boards 3 per cent. less than in 1911, and 11 per cent. less than in 1910.

(7) *Miscellaneous:* Contributions for congregational expenses have been "mounting higher." Local finances improved by modern methods, such as budget system, every-member canvass, etc.

XIV. IOWA.—Only meagre data obtainable from Presbyterial reports, but these indicate the following conditions: (1) *Membership and Services:* Fair attendance of members at Sabbath services, also of non-church members and children. Prayer meeting interest and attendance poor in the country, but better in towns.

(2) Sabbath-schools flourishing, but Catechism unknown in majority of schools.

(3) Men's organizations few, but numerous and excellent Ladies' Aid and Missionary Societies, and Christian Endeavor practically universal.

(4) Spiritual conditions reported normal and healthy. The Synod especially interested in work among Bohemians and Germans.

(5) *Family Religion:* Family altar in the life of the people seems to be of decreasing importance, and a laxness in the observance of infant baptism.

(6) *Benevolence:* Budget plan gaining in favor among the churches.

(7) *Miscellaneous:* Churches in good financial condition and meeting their obligations promptly.

XV. KANSAS.—(1) *Membership and Services:* Communicants 38,670, a gain of 501. Received on examination, 2,755.

(2) *Sabbath-schools:* Number organized in Bible classes, 5,607. Two-thirds of all schools use Westminster Helps. Good reinforcement of Church membership from Sabbath-schools.

(3) *Societies:* Little accomplished by men. Women's work well sustained. All Presbyteries except one report earnest work on the part of young people.

(4) *Spiritual Conditions:* A spirit of unrest generally prevails that may be auguring better things.

(6) *Benevolences:* Generally strengthened, while there is an increasing number of churches adopting the Budget System.

XVI. KENTUCKY.—(1) *Membership and Services:* Membership reported in 1912, 12,014—"a gain of 8 members, as a result of the labor of 95 ministers and 12,000 members for a period of twelve months." Additions by examination reported in 1912, 283, or 97 less than in the year before. The large "deadly Suspended Roll is a discouraging problem."

(2) *Sabbath-schools:* Decrease of 843 in membership.

(4) *Spiritual Conditions:* Pulpits better supplied than usual, and reports refer to good spiritual conditions in the churches, with good attendance on public worship, and some churches have good prayer meetings.

(5) *Family Religion:* One Presbytery reports "unusual attention to family worship, with revived interest in the duty of consecrating children in baptism."

(6) *Benevolence:* Increase in offerings for Sabbath-school Work, Church Erection, and Ministerial Relief, but a decrease in gifts for all other causes.

XVII. MICHIGAN.—(1) *Membership and Services:* Church membership, 39,088—net increase of 3 per cent.

(2) *Sabbath-schools:* Membership, 35,620, which is a slight advance in enrollment. Most schools use helps published by our Board. Very few schools teach Catechism.

(3) *Societies:* Many men's societies have died, and men's activities have not been fruitful of results to the extent hoped for. Women's societies show

encouraging conditions in all their activities. Young People's Societies dependable, loyal and faithful.

(4) *Spiritual Conditions:* No great widespread revivals, but large accessions in a few cases. Less evangelistic effort than usual, but percentage of growth by confession and baptism is as large as in former periods of evangelistic effort.

(5) *Family Religion:* Almost 1,000 children baptized. A desire on the part of Christian people faithfully to present the Gospel in the home.

(6) *Benevolences:* Gifts equal $3.27 per capita.

(7) *Miscellaneous:* Church a little more than holds its own ground.

XVIII. MINNESOTA.—(1) *Membership and Services:* Membership shows slight growth, but no marked increase. Prayer meeting in one-third of the churches, with small attendance.

(2) *Sabbath-schools:* Membership same as last year. Some advance in efficiency. Small number of scholars have united with churches. Schools generally use helps published by Board. Small but growing number of schools use Graded Lessons. Few schools report any use of Catechism.

(4) *Spiritual Conditions:* In many respects discouraging, but many bright signs.

(7) *Miscellaneous:* Finances of churches in fairly good condition, yet few are prompt in their payments for local support. Budget System is gradually gaining ground.

XIX. MISSISSIPPI.—(No report.)

XX. MISSOURI.—(1) *Membership and Services:* Present membership, 41,191, a loss of 88 in past year. Received on confession, 2,062. Decline in attendance of membership at church services, especially with the young.

(5) *Family Religion:* Absence of family altar in the home and of the family pew in the church.

XXI. MONTANA.—(1) *Membership and Services:* Total membership, 5,444—gain, 488. Received on examination 571—gain 10 per cent. "In not a few churches the prayer meeting is impossible. In the great majority of them it is attended by comparatively few."

(2) *Sabbath-schools:* Membership, 7,164—gain of 957. Catechism not taught.

(4) *Spiritual Conditions:* "Far from being satisfactory." Sabbath observance in decline. "Worldly amusements have a large part in the life of our church people."

(5) *Family Religion:* "Family worship is rare."

(6) *Benevolence:* Amount for Boards, $8,741—gain, $580.

(7) *Miscellaneous:* Decided gains in every department of Church activities. Progress due to normal activities and agencies, as there has been no special religious interest and but few special revivals. Gain in contributions for congregational purposes.

XXII. NEBRASKA.—(1) *Membership and Services:* Membership, net loss, 420. Additions by examination slightly larger than last year, yet only ten more than the number suspended; and 45 per cent. of the churches had no additions by examinations. The small attendance of children at public worship is a sign of weakness. In most churches the morning attendance is larger than the evening. Prayer meeting discouraging, and abandoned in some churches: about 12 per cent. of membership attend this service.

(2) *Sabbath-schools:* Schools generally in a prosperous condition, with introduction of Graded Lessons, higher standards of efficiency, improved methods, better facilities, and increased benevolences.

(3) *Societies:* Men's organizations reported in most of the larger churches, but only in a few of the smaller. Women's Missionary Societies increasing in numbers, interests, and gifts, and a strong spiritual force. Young People's Societies have lost much of their earlier enthusiasm, but there is promise of deeper consecration and more effective activity.

(4) *Spiritual Conditions:* While not to be called "discouraging," reports show "comparatively little special interest, or a lack of zeal for the salvation of souls," and there is a dearth of conversions.

(5) *Family Religion:* In many homes the family altar has decayed; in many it has never been erected: in which may be found an explanation of some of the defects and deficiencies of Church membership.

(6) *Benevolence:* A real advance in methods for the finances of local churches, also in gathering offerings for the Boards.

XXIII. New England.—Synod newly erected, and working under conditions making it difficult to secure data for making satisfactory exhibit of Christian Life and Work.

Communicants, 11,000.

"The Synod is neither financially nor spiritually up to the mark, but making progress." Most of the people know little of the real history and activities of our Church at large. Nevertheless, valiant service is being rendered by many, who are helping in a real way to solve the problem of the churches in New England. One serious hindrance is in the fact that many church buildings are inadequate and poorly located.

XXIV. New Jersey.—(1) *Membership and Services:* Communicants, 81,979. No percentage given on gain or loss. Sunday morning service "holding its own, but the evening service tells a different story." The prayer-meeting attendance ranges from one-seventh to one-thirteenth of the membership.

(2) *Sabbath-schools:* Membership, 74,667. Adult Bible classes winning substantial recruits.

(3) *Societies:* The spirit of organization manifests itself in numerous societies for men, women, boys and girls.

(4) *Spiritual Conditions:* The narrator speaks of "the difficulty of setting out in cold type the gracious influences of religious experience," but emphasizes the "notes of encouragement." Some Presbyteries have "communion classes" and "special meetings for spiritual instruction."

(5) *Family Religion:* Baptism administered to 2,300 infants.

(6) *Benevolences:* Steady advance.

(7) *Miscellaneous:* Money raised by both pew rents and voluntary offerings. Whether financial obligations promptly met, "is often an open question."

XXV. New Mexico.— (1) *Membership and Services:* Members, 7,174—net gain of 400. Added by examination, 399.

(2) *Sabbath-schools:* Enrollment, 6,637. Encouraging reports from the Presbyteries, as to general conditions.

(3) *Societies:* Interest shown in organizations for men, women, and young people.

(4) *Spiritual Conditions:* Nothing discouraging, but hopeful aspect generally.

(5) *Family Religion:* Encouraging fact that there were 262 infant baptisms.

(6) *Benevolences:* Increase reported in some Presbyteries, but depression in others. Some churches adopting budget plan.

XXVI. New York.—(No report.)

XXVII. North Dakota.—(1) *Membership and Services:* Church services well attended. . Prayer meetings dying out.

(2) *Sabbath-schools:* Some Presbyteries reported that considerable success had attended work done for the Sunday-schools.

(3) *Societies:* Some Presbyteries report an increased interest in Young People's Societies, both as to number and membership.

(4) *Spiritual Conditions:* Two Presbyteries report much interest in evangelistic work and services, with large gains in membership and more Bible study. Sabbath desecration deplored in some parts of the Synod, but Sabbath well observed in some Presbyteries.

(5) *Family Religion:* So far as reports refer to this, they speak of "the passing of the time-honored family altar."

(6) *Benevolence:* Reports from only two Presbyteries speak of this, and in these contributions for all purposes have doubled in the past year.

(7) *Miscellaneous:* Churches generally well supplied with preaching, and many preaching stations will develop into organized churches in the near future.

XXVIII. Ohio.—(1) *Membership and Services:* While no material gain in membership over last year, there have been numerous revivals and large accessions to many churches. Prayer meetings not hopeful.

(2) *Sabbath-schools:* Encouraging increase of 4,000 in membership, and one-fourth of those in Sabbath-schools are members of the churches.

(3) *Societies:* Many organizations, of both men and women, the latter being large givers to the work of the Mission Boards.

(4) *Spiritual Conditions:* A broad view shows encouraging conditions, and that Christian service is not waning.

(5) *Family Religion:* No indication of deep spiritual life, except in isolated cases.

(6) *Benevolences:* Large increase in offerings for the Boards, especially for Home Missions, Foreign Missions and Ministerial Relief.

(7) *Miscellaneous:* Temporalities generally well managed and financial obligations faithfully and promptly met. Increase of 50 per cent. in congregational offerings.

XXIX. Oklahoma.—(1) *Membership and Services:* Total membership, 15,907—gain of four per cent. Added by examination, 1,515. Added by certificate, 1,510. Increasingly large number on suspended list.

(2) *Sabbath-schools:* Number in Sabbath-schools, 15,833—gain of 10 per cent. Westminster literature largely used. Increasing number of schools adopting the Graded Lessons.

(3) *Societies:* Ladies' Aid and Missionary Societies in good condition. Few data for ascertaining condition of Young People's Societies.

(4) *Spiritual Conditions:* Fair. Little special effort along the line of evangelistic services.

(5) *Family Religion:* Continual decline.

(6) *Benevolences:* Marked decrease in everything except Home Missions.

XXX. Oregon.—(1) *Membership and Services:* Aggregate membership, 14,482. Added by examination, 986.

(4) *Spiritual Conditions:* Many churches aggressive along evangelistic lines, and pastor-evangelists in all Presbyteries are doing a helpful work.

XXXI. Pennsylvania.—(1) *Membership and Services:* Membership, 276,443, a gain of 3,368. Added on examination, 14,674, a gain of 702 over last year. Nearly all have two Sabbath services: only one in some rural districts. Special evangelistic services have resulted in some large additions. In rural churches, attendance often larger than membership, while in cities and towns it varies from 65 per cent. to 10 per cent. of the membership. Evening service increasingly difficult to maintain. Few non-church members attend. Children not generally present on Sabbath. As to prayer meeting, "spiritual mercury is near the freezing point"—is becoming a "delegated body, a faithful few who meet to pray, while the vast majority attend to business and society affairs."

(2) *Sabbath-schools:* This the "continuous glowing bright spot in all the reports." Almost without exception every church has a school. From the schools come 75 to 90 per cent. of all who unite by confession. Adult Bible classes for men and women increasing in number. Catechism is only a memory, and is slowly passing out of use.

(3) *Societies:* Young People's Societies of various orders, and their value is beyond doubt or controversy in the general and local work of the church. Men's Societies increasing in number, such as "Clubs," "Leagues," "Brotherhoods," etc., and they are justifying their existence. Women's Societies—difficult to estimate the untold good the faithful women are doing. In many churches their offerings form the large part of the total gifts.

(4) *Spiritual Conditions:* In large number of cases general religious conditions healthy and strong, yet tide of worldliness becoming stronger. Church not recruited from the world, but from her own children.

(5) *Family Religion:* "Only in a few cases is the family altar still standing."

(6) *Benevolence:* Majority of churches adopting business methods in the financial work of the Church. People generally given opportunity to contribute to every Board. Gifts for some Boards have increased, but a decline for others.

(7) *Miscellaneous:* Financial obligations usually met. Only a few churches observe all the special days designated by the General Assembly.

XXXII. Synod of the Philippines.—(No report.)

XXXIII. South Dakota.—(1) *Membership and Services:* Total membership, 8,009—net gain of 156 over preceding year. Added on examination, 515. Two services on Sabbath. Morning service fairly well attended. While a few churches have larger attendance in the evening than in the morning, the larger churches find the Sunday evening service a vexing problem. Attendance on part of children is discouraging.

(2) *Sabbath-schools:* Sabbath-school membership, 8,009, exceeding church membership, and an increase over last year. Reasons for encouragement: in organization of Bible classes, maintenance of mission boards, teachers' meetings, etc. Few of the members of the Sabbath-school attend public wor-

ship. Westminster Helps almost universally used. Few schools report that the Shorter Catechism is taught.

(3) *Societies:* Men's Societies few and not very vigorous and active. No Brotherhoods. Women's Societies in flourishing condition. Young people fairly well organized, but generally lack definiteness in their work.

(4) *Spiritual Conditions:* There is an absence of a true evangelistic spirit. Very few report the spiritual life of the Church and Sunday-school as good. Deplorable dearth exists in every part of the field.

(5) *Family Religion:* A decline of family worship, and religious instruction in the home is sadly neglected. The old-time family pew has passed into history.

(6) *Benevolence:* While fewer churches have made contributions to all the Boards, there has been a gain in missionary and benevolent offerings, except that the College Board shows a loss. Many churches beginning to take hold of their finances in a more business way, introducing the "Budget Plan" and the "Duplex Envelope System."

(7) *Miscellaneous:* Very noticeable how fully various Narratives touch upon the subject of intemperance, the churches recognizing it as the great evil of the day. Everywhere there is a growing disregard for the Sabbath.

XXXIV. TENNESSEE.—(1) *Membership and Services:* Membership, 14,093 —net gain of 181, or less than 1½ per cent. Added on examination, 871, an increase of 160 over last year.

(2) *Sabbath-schools:* Smaller percentage of gain than in church membership.

(5) *Family Religion:* Large majority of homes without family worship.

(6) *Benevolence:* A gain of $447 over last year.

(7) *Miscellaneous:* Between two-thirds and three-fourths of the Synod's churches are country organizations.

XXXV. TEXAS.—(1) *Membership and Services:* Communicants, 24,963, a net gain of 368. Added by examination, 1,734.

(2) *Sabbath-schools:* In the Synod 428 churches, in 283 of which are schools, with total membership of 18,757. Added to church membership from schools, 218.

(3) *Societies:* Few men's organizations, but Women's and Young People's Societies give encouragement by numbers and character of work.

(4) *Spiritual Conditions:* Zeal and activity in behalf of Bohemians, and a growing interest in work for Mexicans, Texas having a larger Spanish-speaking population than any other State in the Union.

(6) *Benevolence:* Cheering interest in benevolences, and fair offerings for the Boards.

XXXVI. UTAH.—(No report.)

XXXVII. WASHINGTON.— (1) *Membership and Services:* Membership, 24,918 —gain of 874, or 2¼ per cent. Added by examination, 1,912 members, 400 less than in each of the preceding years. Eighty-three churches report none added by confession, but these are mostly small and vacant churches. Communion services usually well attended, and very good attendance at all Sabbath services. Good percentage of church attendants not members. Reports indicate about 68 per cent. of membership attend prayer meetings, and one Presbytery (Seattle) reports three prayer meetings with attendance of 50 to 105 per cent. of the church membership, and goodly number of youth.

(2) *Sabbath-schools:* The schools are credited with 44 per cent. of the additions by profession. Catechism fallen into disuse. Encouraging features of Sabbath-schools are in the number of teacher-training classes, teachers' meetings, adult classes and Home Departments.

(3) *Societies:* A few flourishing men's organizations. Slight mention made of Men and Religion Movement. A large number of active women's organizations. Christian Endeavor Societies and various forms of clubs are caring for the boys and girls.

(4) *Spiritual Conditions:* While the situation gives occasion for confession of sin and calls for renewed consecration, there is also occasion for joyous thanksgiving.

(5) *Family Religion:* Prevalent neglect of family prayer. Parents fairly faithful in presenting children for baptism. The Alaskan Indians peculiarly zealous in this matter.

(6) *Benevolence:* Have decreased more than 10 per cent. The loss sustained

is chiefly by Church Erection and College causes. Budget Plan coming into more general use.

XXXVIII. SYNOD OF THE WEST, GERMAN.—This being a new Synod, no report has been received, but much may be expected as showing the results of the current year's activities.

XXXIX. WEST VIRGINIA.—(1) *Membership and Services:* Membership, 9,710, a gain of 868 the past year.

(2) *Sabbath-schools:* Membership, 8,747, a gain of 524.

(4) *Spiritual Conditions:* General mention made of gifts, prayers, local and general Christian and philanthropic efforts, missionary endeavors, and attendance upon religious services, as evidencing a deepening spiritual life of the churches.

(7) *Miscellaneous:* General reference to number of organizations in the churches, educational work, Y. M. C. A. and State Sabbath-school Work, also zeal for prohibition.

XL. WISCONSIN.—(1) *Membership and Services:* Communicants, 18,030—gain of 576 in past year.

(2) *Sabbath-schools:* Number enrolled, 19,024—loss of 181 in past year. Schools increasing in efficiency.

(3) *Societies:* Women's Societies flourishing. Men's Societies dying out. Boy's Societies, such as Scouts and Brigades, increasing in number.

(4) *Spiritual Conditions:* Nearly all Presbyterial Reports encouraging, and optimism marks the outlook.

(6) *Benevolences:* Of 207 churches in Synod, 43 contributed to all of the eight Boards. The movement for improved methods of church finance, both for local support and benevolences, is making progress.

V. THE DEACON.—The office of Deacon is, by the Presbyterian standards, scriptural in its origin and warrant. It was originally intended, as shown in the Book of Acts, to provide for the conduct of church work along the line of what is known in these days, in a distinctive manner, as "Social Service." Its use, however, has been and is largely limited, in modern times, to the doling out of a narrow charity and the performance of usher duty at religious services. That the office, for various reasons, at present, is not in use in many sections of the Church, is evidenced by the following table, exhibiting the number of churches, in each Synod, having deacons, as over against the total number of churches:

CHURCHES WITH DEACONS, 1912.

Minnesota	270	309	Wisconsin	43	207
Mississippi	26	57			
Missouri	231	497	Totals	4,884	9,912

In the above table, the Synods having a majority of congregations with deacons are Alabama, California, Colorado, Idaho, Illinois, Iowa, Kansas, Michigan, Minnesota, Montana, Nebraska, New Jersey, New Mexico, thirteen in all, while in such a Synod as Pennsylvania 71 per cent. of the congregations are without deacons. In the Church as a whole 51 per cent. of the congregations lack this officer.

The General Assembly has repeatedly emphasized the importance of the office, and one of the Presbyteries recently approved the following statement in relation thereto: "It is flexible and comprehensive, a scriptural office for social administration, affording room for all forms of men's brotherhoods and social activities. In these days the diaconate could and should be made one of the most conspicuous and blessed agencies of the Church." The Committee is in full agreement with these sentiments.

Attention is drawn to the fact that there is no provision in the Form of Government indicating any relation between the Board of Deacons and the pastor and Session of the church. Full provision is made for the Session in Chapter IX of the Form of Government, and provisions for the election of both deacons and elders are made in Chapter XIII; but there is no indication of any responsibility on the part of the deacons to any other judicatory of the Church. Both the office and its duties are dealt with fully in a pamphlet entitled "The Deacon and His Office," by Harry Pringle Ford, published by the Board of Publication and Sabbath School Work. An examination of the publication will emphasize the lack of constitutional provision for the work of the diaconate.

In view, therefore, of the present trend toward "Social Service," of the need for a more adequate use of this apostolic office, and also of the inadequacy of the provisions in the Form of Government for the work of the Board of Deacons, the Committee on Christian Life and Work recommends to the General Assembly, the adoption of the following resolution:

Resolved, That the subject of the Deacon, his office and work, be and is hereby referred to the Committee on Christian Life and Work, with directions to report upon the same to the next General Assembly, and to include in the report provisions, in the way of proposals for amendments to the Form of Government, in connection with the work of the deacon, and the relations of the Board of Deacons to the judicatories of the Church.

VI. EVANGELISTIC WORK.—The Committee is glad to report that general spiritual conditions, in so far as congregations are concerned, appear to be improving. Need, however, still exists for earnest, aggressive and systematic work. To particularize. The Evangelistic Committee received from the Stated Clerk of the Assembly a paper entitled "Evangelism and the Sabbath-schools," showing that there were in our denomination 1,997 churches, having a total of 122,486 teachers and scholars, that reported no additions on confession of faith, during the year ending March 31, 1912. It was also shown that there were for the same year 1,694 churches, having 39,297 communicants that reported no Sabbath-schools. There may have been in a few cases of these churches a failure to report, but the situation indicated is a serious one and requires the careful attention of the Presbyteries and the Synods. The paper was published by the Board of Publication and Sabbath School Work, and was distributed throughout the Church.

Attention was drawn a year ago to the fact that during the year ending March 31, 1911, 3,739 churches had reported no additions to membership on examination. For the year ending March 31, 1912, the number of such churches is 3,691. Of these churches 2,236 were supplied with the services of a minister, and 1,455 were vacant. While the number of churches making no additions on confession of faith has been diminished in the last twelve months by 46, it is encouraging to note that there has been a decided advance in spiritual conditions in the congregations which are self-supporting, and which during both years have made additions to membership on examination. Comparing the figures of 1911 with those of 1912, the congregations which may be regarded as self-supporting and which number 6,851, show the following advance: 200 more ministers at work and 6,617 more additions on confession of faith. Those self-supporting congregations, further, received into membership 62,706 of the 79,432 additions on confession. It is hoped that for the ecclesiastical year ending March 31, 1913, there will be shown still further advance. The table for 1912 is as follows:

The table above given emphasizes the obligation of the Church. It is its duty to evangelize the world. It is evident, however, that the Church has not come into the full consciousness of its mission. In a sense we have been playing at the business of evangelizing. We have not given sufficient time, thought, or money to the problem. The controlling passion ought to be the passion for souls. No minister, Christian, church Session, or church should be satisfied to pass through the week without having led men to Christ. The Church that does not have its accessions on profession of faith is a monument to a declining passion for souls, or a criminal condition of spiritual paralysis.

It is the business of the elders of the church to be the leaders of lay evangelism in their own congregations. The inactivity of the elders is largely responsible for the small amount of evangelistic work being done in some local congregations. The position of the elder in the Church of to-day ought to be the position of a lay evangelist. It is his business to visit the members of the church over which he has been placed. The elders are not visiting the families in the congregations, and they are not performing all the duties essential to the great work of evangelizing their respective communities. It is not only the church's duty to evangelize the community, but it is the church's duty to indoctrinate and develop the individual church member. It must be admitted that we are neglecting much of this work.

VII. Conference with Home Mission Boards.—The last General Assembly took notice of the fact, called to its attention and clearly shown by the statistical tables pertaining to vacant churches and unemployed ministers, that in many communities the spread of Home Missions and general Church work in all denominations, is hindered by having so many fields where churches are weak and overlapping, or wanting altogether.

In order to remedy this condition, the General Assembly recommended (see *Minutes* of General Assembly, 1912, p. 195) that this Committee on Life and Work open correspondence with the Churches in the Federal Council, and especially hold conference with the various Home Mission Boards and Home Mission Committees of the judicatories connected with the Churches in the Council of the Reformed Churches in America.

According to these directions, your Committee opened correspondence with the Home Mission Council, as the most feasible way of reaching the Churches in the Federal Council. One of our number, by appointment, visited the Home Mission Council at its session in Chicago last December, and again at its session in New York last February. Definite proposals were made by our sub-Committee to the Council with regard to comity relations and closer coöperation. It is gratifying to report that the subject is already under consideration and that some progress has been made. A notable instance was the "Coöperative advance in Home Missions," undertaken by the Council last year, which consisted of a journey taken through the principal Western Home Mission Synods by Home Mission Secretaries, traveling together for the purpose of holding conferences with the various Synodical and Home Mission agents in the said territory. This pilgrimage was a proof of practical Church coöperation. The conferences held have led to a better understanding of the situation and to the taking of definite forms of remedy for existing conditions.

The Council also replied to our correspondence, that steps were being taken to bring about a better understanding in the field covered by the Council.

It is, however, our strong impression that further steps should be taken in this matter. The final authority in the matter of a rearrangement of the churches rests with the supervising Presbyteries, Conferences, etc. The approach should be made to them. Furthermore, there is a widespread demand for information as to the principles upon which comity relations might be established. This appears in the agreements already made in this behalf by State and local Interchurch Federations. We accordingly submit as a part of our Report a code of principles for comity relations in Home Missions and Church Extension Work. These principles have for the most part been followed for twenty years by the Interdenominational commissions of Maine, New Hampshire and Vermont, and have been added to by the Interchurch Federations of New Jersey, Pennsylvania and West Virginia, to meet the pressing conditions of their work among the foreign-speaking peoples.

The Committee, further, is persuaded that the time has come for the Churches in the Council of the Reformed Churches to go still further, and to form some plan of comity and coöperation between themselves, that shall positively stop competition, the placing of churches in overchurched communities, and that will remedy the situation in those communities where the changed circumstances call for a new alignment of the churches. This subject, however, belongs rather to the Committee on Coöperation and Union, to which it might appropriately be referred.

The following are the comity principles submitted for consideration:

"Recognizing the evident desire of the Evangelical denominations to do more efficient work for their common Lord.

Believing that the Holy Spirit is leading Christians of the various communions toward practical comity and coöperation.

Rejoicing in the progress already made in this direction, and

Acting in an advisory capacity, but in that only, toward the churches:

The State Council of the Interchurch Federation makes the following statement of its earnest convictions regarding such comity and coöperation and of the principles which should govern in effecting the same, to wit:

Section 1. That the Churches of the various denominations or Church bodies in the several counties of the State, and also those in the larger cities, ought to coöperate in their several localities in accordance with the aims and plans of the Federal Council of the Churches of Christ in America, and should organize for this purpose as Interchurch Federations, to be local branches of the State Federation and of the Federal Council.

Section 2. That as one feature of comity and coöperation, Church extension into communities believed to be without adequate religious privileges should be conducted, as far as practicable, by all the denominations in harmony with the following principles:

(1) A community in which work is already established by one or more denominations, should not be entered by another denomination for the establishment of new work until conference has been first had with the proper representatives of those already located there, for the purpose of mutual information, advice, and, if possible, agreement.

(2) A feeble church should be revived, if possible, rather than a new one established to become a rival.

(3) When the numbers of the community or particular race or constituency sought, do not justify more than one new enterprise, the preference of the majority of the community as to the particular denomination desired should be regarded by denominational committees, missionary agents and individuals.

(4) Other things being equal, that denomination having a church nearest to a needy field is in the most advantageous position to encourage and aid a new enterprise in the vicinity.

(5) Temporary suspension of Church work in any field by a denomination should not be deemed sufficient warrant in itself for the entrance into that field of another denomination. But suspension should be deemed abandonment if there has been no preaching or other meetings regularly held for an entire year or more.

(6) In all communities where there are two or more churches of different denominations, each receiving missionary aid and without reasonable prospect of self-support, such churches and also the proper missionary or ecclesiastical authorities aiding or controlling them, should confer with a view to possible union, or federation, so that the community might have a larger and more efficient church, and that missionary force and funds might be saved for use in really destitute fields. The same policy should be followed in communities where there are a number of churches with small constituencies and inadequate support, even if missionary aid is not received. Also there should be raised, in such communities, the question whether a plan of precedence or assignment might not be agreed upon by the church authorities concerned, whereby the right of way might be granted to one denomination in one locality, to be equalized by grants in other localities to other denominations.

(7) In large cities, or throughout a county, where the work among immigrants or foreign-speaking peoples, or a particular race, presents a great problem, there should be a conference between the local Interchurch Federation and the Church Extension Committees having jurisdiction, for the purpose of devising a plan to be common to all, whereby it should be decided before missions

are established, whether there should be an assignment of territory to particular denominations, or whether it be necessary to have interchurch control.

(8) There should be investigation of the question, particularly in overchurched communities, whether one of the church edifices or other suitable building might not be used in common for social and other community purposes. Such church building might continue to be under its proper denominational oversight during such communal use.

(9) Questions of the interpretation of these principles or of friction between denominations in the matters covered by them may be appropriately referred to the Comity Committee of the State Federation or the local Federation, which is empowered to advise and assist in effecting coöperation among the churches. Such Comity Committees might include some representatives of Church Extension Committees of the various denominations federated."

The following resolutions in connection with the above principles are submitted for adoption:

Resolved (1). That the General Assembly hereby regards with favor the above Comity Principles for Interchurch Federations, as related to coöperation and Church Extension work, and recommends that they be called to the attention of all our subordinate judicatories as suitable for effecting coöperation with other denominational bodies occupying the same territory, and that the said judicatories be requested to give the same due consideration and, so far as practicable, take steps to carry them into effect.

Resolved (2). That the Committee on Life and Work be directed to continue its efforts in this behalf and report further information and results to the next Assembly.

Resolved (3). That the matter of effecting a close coöperation with power, by the Churches included in the Council of the Reformed Churches in America, in the carrying on of interchurch work in common territory, be referred to the Committee on Church Coöperation and Union, with request that a beginning be made at the earliest practicable moment.

VIII. INTERCHURCH FEDERATION.—We have formerly called the attention of the General Assembly to the matter of advising the Churches in every locality to advance the cause of coöperation by forming interchurch federations. With added emphasis we would press the matter at this time. The forces of intemperance and social vice are more defiant than ever. In many quarters indifference to local betterment has increased. The interest in child welfare and jury reform needs a new stimulus. These movements are not the property of partisans or the spoils of party strife. They are vitally related to public morals and civic righteousness. They need the backing up of the united Churches.

Besides the domain of morals, there is the work of charity. The duty of applied benevolence belongs especially to the Church. The very first miracle of the Apostolic Church is a deed of charity. There must be a great development by the Churches of this blessed work within their own respective parishes. The Church has made a great mistake in handing over her charities to outside voluntary agencies, which are unspiritual and unsupervised. There is also a certain relation which the Church charities must sustain to the State charities. Besides these two great departments that are permanent, there is a third one occupied by the voluntary societies. Some of these have a precarious existence. Most of them are unsupervised by any public authority, and many instances of overlapping and duplication are found amongst them. Accordingly, the condition is unsatisfactory. It is expensive, bewildering, chaotic. No one Church can solve this problem. There must be a federation of the Churches. We cannot rely upon the Roman Catholic churches to advance this work. The Protestant Churches must take the lead.

More sacred still is the ever-increasing need of evangelistic work. The masses never have thronged the churches, except in times of revival. It is the duty of the Church to promote revivals, and to go out into the streets and lanes of the city and the highways and hedges, and preach the gospel to every creature. That gospel must ever consist in the proclamation of the glad tidings of the rescue of the soul from sin by means of repentance toward God and faith in our Lord Jesus Christ. Here again the Churches should definitely arrange for coöperation. We note with interest, the formation by the Federal Council of the Churches of Christ in America of a Commission on Evangelism.

It would help this movement if the General Assembly would again remind the inferior judicatories of the great need of their taking some effective steps to promote the federation of the churches within their borders.

IX. Marriage and Divorce.—We call the attention of the General Assembly and, through it, of all our ministers and churches to the sad and alarming situation pertaining to marriage and divorce. Accurate statistics on this important subject are accessible to all. These items are recorded at the county-seats. The United States Government has published full reports, covering two periods of twenty years each from 1867 to 1906, and will furnish the same on application. From these statistics it appears that the evils are steadily increasing. The average for the entire second period of twenty years was one divorce to fourteen marriages. In 1910 there were 80,000 divorces, or at the rate of one divorce to ten marriages.

This matter is preëminently the care of the Church. It touches the very heart and life of the home. It reaches down to the vitals of both Church and State. Your Committee has corresponded, as directed by the last General Assembly, with the authorities in several of our Synods and Presbyteries, regarding the taking of advanced steps pertaining to marriage and divorce. We report a desire on the part of many to do something practical and definite. Your Committee has, also, through one of its members (Rev. Hugh B. MacCauley, D.D., the General Secretary of the State Interchurch Federations of New Jersey and Pennsylvania), acted with various committees of Churchmen and lawyers, especially in New Jersey, Pennsylvania and Delaware, in behalf of new improved codes on marriage and divorce, and is able to report some considerable advance.

But it is evident that our ministers and churches are not grappling with this great evil as they should. They are not keeping themselves informed as to the situation, except in a very general way. Only a few, comparatively speaking, of the lawyers and physicians are aroused. The result is that the movement for reform needs a great new stimulus of thought and effort.

We recommend the following resolutions, to wit:

Resolved, 1. That our ministers and churches be earnestly urged to organize a new and widespread campaign of education in the churches, regarding the sacredness of marriage and the evils of divorce, and to arouse all classes in the community by means of the press, the school, and the social agencies, to the need of reform.

Resolved, 2. That all our ministers and Church courts be urged to study the present laws in each State on marriage and divorce, with the aid of earnest Christian lawyers and other laymen, with a view to the introduction of new and improved codes pertaining to marriage and divorce, with a view also of eventually securing uniformity of legislation if practicable, and to that end that competent committees be created to prosecute the matter successfully.

X. Men's Societies and the Presbyterian Brotherhood. — One of the duties with which the Committee was charged by the Assembly of 1912 is stated in Resolution No. 7, of the Report of the Standing Committee on the Narrative, *Minutes*, p. 271, and reading:

"That the Assembly recognizes, with gratitude to God, what has been done by the Presbyterian Brotherhood, the Men and Religion Movement, and other efforts for the improvement of spiritual conditions in our country, conducted by men's organizations. It is certain, however, that there should be a closer relation between all such movements and the churches, and the Committee on Christian Life and Work is charged with the duty of conferring with the leaders of such movements, with a view to bringing them into closer unity with other departments of Church work."

The Committee met with the representatives of the Presbyterian Brotherhood on February 25, 1913, and with the Advisory Committee on the Brotherhood appointed by the General Assembly on March 25, 1913. The principles and resolutions of that conference were submitted to the Council of the Presbyterian Brotherhood by the Advisory Committee, and are contained in large part in the Report of that Committee to this Assembly. The Committee on Christian Life and Work cherishes the conviction that there should be a closer relation between all Men's Movements and the Church, and is convinced that the Brotherhood can be so managed as to be a bond of union between them.

An examination of the Narratives on Christian Life and Work of the Presbyteries, as submitted to the Assembly of 1912, shows, in many parts of the Church, lack of interest in men's organizations. The table given below cannot be regarded as complete, but it appears to be the best exhibit obtainable at present. The figures were gathered first from the Congregational Narratives furnished by the Sessions of the churches, and then compiled by the Chairman of the Presbyterial Committees on Narratives:

All Synods appearing to have less than 300 members have been omitted from the table.

XI. Multiplication of Societies.—The multiplication of religious and philanthropic organizations within and without the Church calls for serious thought. This is not only an age of organization, but of consolidation, and if the world realizes that there is greater economy and efficiency in combination, the Church ought to see if this is not also applicable to religious bodies. Every new idea for the benefit and blessing of mankind suggests a new society, and the time has come when greater care should be exercised as to their formation, and to inquire if there is not already some organization in existence which could exploit the thought, without the necessity of creating another agency.

First, as to organizations without the Church. Had the Church in the past been alive to its mission, some of these would never have been formed. While such are composed of good men and women who have for their aim the welfare of mankind, yet they seem to be separate from the body of Christ, and the danger is that, instead of being subordinate, they occupy first place in the hearts and minds of their adherents. In some cases, not only the Church, but Christ, its founder, is ignored, notwithstanding all true Christians know that even the purely philanthropic institutions owe their existence to the Church of Jesus Christ. A notable illustration is that called Christian Science, which has done and is doing so much injury to the Church. Had the Evangelical Churches emphasized more the ministry of healing, the power of prayer in the recovery of the sick, and the influence of the mind and affections on the health of the body, this cult, which inculcates some good, but much false and dangerous teaching, would not have arisen to draw away so many from the faith. Besides, there are in existence many fraternal organizations, which are good enough in themselves, but not preëminently so, as many assert. There should be as much, if not more, fraternity in the Church than there is in purely fraternal societies. This is not an argument for more societies, but more concern on the part of the members of the Church as to the welfare of their fellows. We hear to-day much about Social Service. Some would divorce it entirely from religion, and there are those in official position who are not even nominally Christian. While good may be done apart and separate from the body of believers, surely Social Service calls for the exercise of the graces of Christ's people, and can only be permanently effective when linked to the Church of Christ.

Many outside organizations are doomed to fail, and only those will survive that are closely allied with the Kingdom of Christ. We may say of them:

Crowns and thrones may perish,
  Kingdoms rise and wane,
But the Church of Jesus
  Constant will remain.

As to the organizations within the Church, such as the Sabbath-school, the organized Bible Class, the Young People's Society, the Men's Brotherhood, the Woman's Guild, the Woman's Missionary Society, the Athletic Club, the Boys' Brigade, the Boy Scouts, etc., great care should be exercised in their formation and in their control. The Session is the constituted authority of each Presbyterian Church, and no organization should be formed without its approval, and when formed its management and work should be wisely guarded. It seems almost impossible to get along without so many societies within the Church, and yet their multiplication interferes with home and Church life, notably the prayer meeting, which few churches report as satisfactory. If the young people have one evening in the week, the Men's Club another, and other societies other evenings, it is not surprising that the congregational prayer meeting is neglected, and seems to depend largely upon those advanced in life who are not specially identified with other activities. The solemn pledge of the Christian Endeavor Society is frequently broken, so that in some churches the attendance at the meetings of the society early Sabbath evening is greater than the attendance at the Church service following. Grand and glorious as is the Sabbath-school, it was never intended that it should supersede the Church, and it is a matter for serious thought when the Church life of teachers or scholars consists of attendance at the Sabbath-school, to the neglect of public worship. It is possible for persons to be so absorbed in the society with which they are connected as to forget and even neglect in a measure the rest of the church. The uppermost thought may be not what is best for the whole Church, but what will promote the work of the subordinate organization. Societies can become selfish as well as individuals, and it may be said of them, "There is that scattereth and yet increaseth, and there is that withholdeth more than is meet, but it tendeth to poverty." Many a church has been weakened by a society within its fold. That church will be most successful that can coördinate the various organizations so that they will all help to improve the attendance and interest at the Sabbath-day services and at the weekly prayer meeting.

The need of the Church to-day is not more organization, but more concentration on the one supreme object of making known to mankind the love of Christ, which includes every possible form of benevolence, either within or without the Church.

XII. LAYMEN ON COMMITTEES.—On all of the missionary and benevolent Boards, by the provision of their Charters, laymen may be appointed to membership, whether they are ruling elders or not. Laymen are not appointed, however, on committees of the General Assembly, Synods or Presbyteries, unless they are ruling elders, solely for the reason that they are not members of these judicatories, nor eligible for membership therein, under the Form of Government. By the Form of Government only ruling elders can be associated with ministers in the official administration of ecclesiastical affairs. There are, however, laymen, in the Church, of great ability, who could be highly useful in positions of honor and responsibility, but who at present are not used on Committees of Judicatories, owing to the fact that they are not in any official Church position. The question has been submitted to the Committee on Christian Life and Work, by members of different ecclesiastical organizations, as to whether other persons than ministers or ruling elders are eligible to perform duty upon Committees of Presbytery, Synod or General Assembly. Put concisely, the question amounts to this: Does communicant membership in the Presbyterian Church in the U. S. A. constitute eligibility for service upon Committees of ecclesiastical bodies, or must such Committees be composed solely of ministers and ruling elders? It is recommended that this question be referred to the Executive Commission for consideration and report to the next Asesmbly.

XIII STATISTICAL BLANKS.— The committee has carefully considered the blanks for the gathering of church statistics, and recommends that changes be made in them as stated below:

1. Annual Report of Church to Presbytery:

(*a*) In the explanations dealing with the filling of the columns in the Report, it is recommended that Item No. 11, line 2, be changed by the omission of the word "expenses," and the insertion in its place of the word "purposes," preceded by the word "church," so that, instead of "local expenses," the phrase will read "local church purposes." In the same item, insert after the word "debts" the words "church endowments." The entire item will then read:

"11. *Congregational.*—To include all moneys collected in or by the congregation for local church purposes—the salary of the minister, the support of the church Sabbath-schools, the relief of the poor, building and repairing edifices, the liquidation of debts, church endowments and other objects. Moneys received from any other church or Board for the salary of the minister or other expenses should not be included."

(*b*) In the Statistical Return of the Annual Report, insert a new column, to be headed "Evangelistic Work," next after the column headed "American Bible Society." The importance of Evangelism is so great that at least this much of a place should be assigned it in the Report.

2. Statistical Report of the Presbytery:

The number of manses is increasing steadily, in accordance with the wise policy which seeks to provide dwelling places for pastors. To furnish promptly available information about manses and congregations, it is recommended that in the third column of the Statistical Reports of Presbyteries, there be placed after the names of churches a small letter "m," indicating that the church possesses a manse.

XIV. The Suspended Roll.—There is only slight improvement in the situation as to absentee members of the congregations. There is an average, the last ecclesiastical year, of five members for each congregation, so long absent, that Sessions felt compelled to transfer their names from the active lists to the rolls of the suspended. The overture sent down by the last Assembly on this subject has been approved by the Presbyteries, but new laws are useless without a new spirit back of them. The comparative statistics for five years in this matter are given herewith.

The Chairman of the Committee regards the "Suspended Roll" unfavorably. He holds the opinion that "The Suspended Roll" in the *Minutes* ought to be abolished, and the rule by which people are put automatically on the suspended roll ought to be abrogated. He says, "It is in violation of the genius of our doctrine and of our Church. The Suspended Roll is a black-faced monument to the inactivity of Sessions, church workers and pastors."

"We have no right to let people get beyond our reach or our knowledge of their whereabouts. The follow-up work is needed in the Church to-day more than ever before in its history, because the complications of a godless society, of a pagan commerce, and of siren-sung pleasures are drawing the ungrounded, the immature, and the undeveloped from the fields of consistent Christian living. Therefore, it is the duty of Sessions, of individual elders, upon whom the responsibility of the individual church rests, to follow, follow, follow up the members of the church.

"The spiritual life, the church loyalty, and the progress in Christian growth are all problems for the elders to solve, and if the spiritual life, the individual consistency, the church loyalty, and the progress in Christian growth are not what they ought to be, the Session, the elders of our churches, are to blame. They are not visiting the congregation, and they are not following the members, and they are not catechizing the children as their oaths of ordination require them to do. If the individual member of the church is to reach his highest degree of perfection and usefulness, the leaders of the church must be perfect, persistent, insistent and constant in season and out of season.

"The Suspended Roll is a disgraceful monument to our laziness, and perhaps to our desire to save a per capita tax to the General Assembly. Perhaps, if the individual church were made to pay its per capita tax to the Assembly on every man who is not on the Suspended Roll, the elders and pastors would find those members on the Suspended Roll, and bring them back to the fold and collect of them at least the Assembly tax.

"Incessant work will accomplish the thing that God wants accomplished. Presbyterians ought to persevere, they ought to be industrious, and they must work at the business for which the church is intended."

XV. Growth of the Church.—The feeling is abroad that the Christian Churches of the country are not increasing in membership in a manner such as might be expected in view of their organization and resources. Utterances, pessimistic in tone, have appeared both in the secular and in the religious press. These critics, however, fail to observe the growth of Christianity even in our country, from a broad viewpoint. It is interesting to note, therefore, that in the year 1850 there were 149 Church members for every 1,000 of population in the United States, and that the Census of 1906 showed that there were at that time 391 Church members for every 1,000. In 1890, further, the membership of the Churches was 32 per cent. of the total population, and in 1906 had risen to 39 per cent. Recent figures show that Church membership is still gaining somewhat on the population. This is an important fact, and should encourage greatly all active Christians, and stimulate every Christian to take an active part in the advocacy of the Christian religion.

A further ground for optimism is found in connection with the facts as to the religious affiliations of college students. One hundred years ago, only 5 per cent. of students in American colleges were members of the Church. The figures for 1910 show that 54 per cent. of the students are Church members.

When we come to our own Church we have reason for added gratitude to God. There was an increase of 6,552 in additions to Church membership on confession of faith in 1912, as over against 1911; and the statistics, so far as obtainable for the present year, show a still further increase.

Below will be found a table showing the Additions and Losses by Synods for the year ending March 31, 1912.

It is to be noted that four Synods reported a net loss in membership—Canadian, Indiana, Mississippi and Nebraska. All the other Synods reported a net gain in membership, over and above the losses through death, and suspension for absenteeism. The net gain in the Church, according to this table, for the year 1912, was 24,350.

XVI. THE LIFE OF CONSECRATION.—A serious but not immovable condition confronts us. The blight of materialism has affected the Church and its spiritual life. Men have become accustomed to think in terms of dollars and put financial problems first. Consequently the Christian life has been very much affected.

Our *Church courts* have become to a large extent ways and means committees for the consideration of Church finance. We seem to think it is our business to discover some new and absolutely sure way of securing a definite amount of money. The money is essential from a human standpoint, but it is not the first essential. The people ought to give; but the newness and perfection of the machinery will not guarantee contributions. We have labored incessantly and more or less successfully in perfecting financial hydraulics. It is evident, however, that we should pay more attention to the means of grace by which the spirit of consecration may be increased. Absolute consecration must precede contributions.

The work of increasing the spirit of consecration, devotion and loyalty must be performed by the pastor and by the Sessions in the *local congregations*. Men usually give their money and their time to the thing in which they are deeply interested. Therefore, the supreme work of the denomination ought to be focused upon the local congregation in its effort to magnify the necessity for personal consecration and godliness.

The spirit of sacrifice is not abroad in the land. The spirit of self-indulgence, ease and luxury is universal. Retrenchment is not the practice of the individual when personal interests, wants, luxuries or pleasures are involved. Retrenchment seems to begin first with the individual at the Church, whereas it ought to begin on the luxuries, excesses, or even the comforts. The spirit of plain living and high thinking should be the characteristic spirit of the Church and of the individual Christian.

The world has a right to demand of the Church and of the individual Christian *consistency*. The most serious thing in the world is the Christian life, and it is the most important thing in the world. As the individual Church member presents to the world a consistent, godly, holy life, just in that proportion will the world be impressed with the importance of Christianity. The line between the world and the Church must be drawn, and, so far as the practices and conduct of the Christian are concerned, the chasm between the Church and the world ought to be impassable. The Christian must be the man recognized by the world as God's "peculiar" man; and the peculiarity must consist in abstaining from the things that are normal and natural with the worldly and the ungodly. Christians ought to live such holy lives that men would be forced by the power of their example to turn from their wicked ways to seek God. It is the business of the Christian to be an example, to be a living example, a living epistle, and a living testimony to the power of God, through Christ, to save. The vaudeville spirit of the world should have no place in the life and thought of the Church. Supreme love for God and for the souls of men should be the infallible proofs of the Church's divine origin and of the individual Christian's place and mission in the world.

XVII. Family Altars.—The Church will do its full duty when the Church in the home is reëstablished. It started in the home, it ought to continue in the home, and be magnified in the family life. Let us bring the family altar back to the home, establish the Bible school at the family altar, and reintroduce in family worship the hymns of the Church. Bible knowledge, Bible study, and a love of the Bible, the erection of the family altar, and the singing of the hymns of the Church in the homes of this country will not only set the Church on fire, but it will guarantee the safety of the Republic. Let us make our creed and conduct agree. We believe in the essentials, we have been saved by the operations of the vicarious atonement. We have a magnificent creed and a perfect Church polity; let us make the conduct of each compatible with the profession of the Church. The place where creed and conduct ought to meet in perfect harmony is in the home. If you cannot save the homes of the country and make the Church supreme in the family circle, your other problems are almost beyond solution. We therefore urge the Church to call the people back to godly living in godly homes in which the Bible and Jesus Christ are supreme.

XVIII. Prayer Life.—(1) Prayer from the human side is the dynamic of Christian life and work, the potent force of evangelism and missions. Without prayer, organizations, offerings, enthusiasms, labors, sacrifices, training, learning, skill, are powerless. Victory—real, permanent—comes not by might, nor by power, but by prayer.

The Lord Jesus Christ has promised that all the resources of the Godhead shall respond to His people's prayers. "Whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask anything in my name, that will I do." (John xiv. 13, 14.) Christ stands with all the forces of omnipotence to aid His people pleading in His name and for His sake, that they may promote His glory and authority. There is additional assurance to united prayers. Matt. xviii. 19: "If two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in Heaven." What may we not hope when all earth's believing millions shall agree in prayer? To God's Church comes the challenge, "Ye *have* not because ye *ask* not." Cannot Christ's Church be brought to ask?

(2) The Church needs a clear call from its recognized leaders to concerted and extraordinary supplication. The first call came upon all believers to united prayer from the Lord Jesus Christ Himself: "Depart not from Jerusalem, but wait for the promise of the Father." We know what that waiting meant and we know its results. Out of that waiting came Pentecost and all its products—a new-born Church with all its conflicts and all its victories for nineteen centuries. As from Christ, so from Paul, from the Fathers, from the Reformers, from Luther, from Calvin, from Knox, from Wesley, Whitfield and the Tennents, from Jonathan Edwards, from Dwight L. Moody, from the evangelists and the missionaries of all lands and all ages, have come those appeals for the united prayers of Christians for "prayer—more prayer." As these calls were heeded, came revivals, revolutions, reformations, past and present.

To-day God's Church needs more and greater revivals, more thorough and far-reaching revolutions, more complete and permanent reformations. Rather let us say God's Church needs that supreme and paramount blessing which can come only from the Triune God Himself—a world-wide outpouring of the Holy Ghost. Oh, for complete fulfillment of His promise in Joel (ii. 28): "It shall come to pass afterward that I will pour out my Spirit upon all flesh." No one doubts that the Heavenly Father waits to send His own promised Spirit in His own world-embracing way. That ancient prophecy ripens for its realization. No one doubts that the Lord Christ has the residue of the Spirit, and is waiting, willing, eager, to shed this forth as at Pentecost.

What hinders Father and Son from so sending the Holy Ghost? One thing only. The Church lacks the Pentecostal prayer and life. For then the disciples all "continued in prayer and supplication."

Believing that our General Assembly has authority, divinely given, to summon the Church to prayer, we herewith overture that reverend and venerable body to issue a solemn call to the great sacramental host under its care, to consecrate to God the year beginning October 1, 1913, as A YEAR OF INTERCESSION for the outpouring of the Holy Spirit upon all Christians throughout the world, on both home and foreign fields, in all their present and varied needs. We petition the General Assembly to call upon all Synods, Presbyteries, Sessions, ministers, families and individuals in Sabbath-schools and all other organizations, to fill the year, as far as possible, with giving of thanks, confession of sins, prayer and intercessions for all men, and especially for the speedy evangelization of the world, as divinely promised: "It shall come to pass in the last days, saith God, that I will pour out of my Spirit upon all flesh." (Acts ii : 17.)

XIX. RESOLUTIONS.—The following resolutions are submitted to the Assembly for adoption:

Resolved, 1. That the attention of all the Presbyteries and Synods be again called to the imperative need of better arrangements for the reporting of the Narrative, and to that end the Assembly would suggest to each of them that there be a Standing Committee of at least three rotating members, together with the Moderator and Stated Clerk, *ex officio*, making five, to prepare the Narrative, and that a period of at least one hour be allotted to the Report at the close of a morning session of the judicatory, to be accompanied with exercises of praise and prayer.

Resolved, 2. That the Stated Clerks of Synods be and are hereby appointed as advisory members of the General Assembly's Special Committee on the Narrative of Christian Life and Work, and that the Synods be requested to direct the said Clerks to coöperate with the Committee in the preparation of the Narrative for the Assembly.

Resolved, 3. That the Narrative of the Special Committee, when approved by the Assembly, be printed in full in the Appendix to the *Minutes*.

Resolved, 4. That the churches are again advised, wherever the way is clear, to unite with the churches of other denominations in the communities in which they are located, for the purpose of carrying on coöperative Christian work, and Presbyteries and Synods are requested to stimulate this work within their bounds.

Resolved, 5. That the Committee on Christian Life and Work communicate with the Presbyteries on the subject of the laws of the State and of the United States both as to marriage and divorce, recommending action by each in order to secure proper regulations by the State in connection with marriage, and also to secure such legislation as will make the laws of divorce more strict and more nearly in accordance with the law of God.

Resolved, 6. That the Board of Publication and Sabbath School Work be authorized to issue literature prepared by this Committee in connection with the work entrusted to it by the Assembly.

Resolved, 7. That the Assembly hereby heartily commends the Presbyterian Brotherhood, and expresses the hope that it will prove to be a bond of union between all men's societies in the congregations, and a source of spiritual uplift to the Church in general.

Resolved, 8. That the Committee on Christian Life and Work be and is hereby charged with the duty of sending out to the Church a solemn call for a year of intercession, beginning October 1, 1913, for the outpouring of the Holy Spirit throughout the world in both home and foreign fields. The call, when prepared, shall be signed by the Moderator and Stated Clerk on behalf of the General Assembly, and shall be communicated to the proper authorities of other Christian denominations.

In behalf of the Committee,

MARK A. MATTHEWS, *Chairman;*
WM. H. ROBERTS, *Secretary.*

WM. HENRY ROBERTS, *Stated Clerk.*

CORRESPONDENCE.

I. REPORT OF THE EXECUTIVE COMMISSION OF THE ALLIANCE OF THE REFORMED CHURCHES THROUGHOUT THE WORLD HOLDING THE PRESBYTERIAN SYSTEM.

To the General Assembly of the Presbyterian Church in the U. S. A.:

DEAR BRETHREN:—The Western Section of the Executive Commission of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System respectfully presents its Annual Report for the year 1912–1913, under the following heads:

1. MEETINGS.—The Commission, during the year 1912–13, held one meeting, the place being the Erskine Presbyterian Church, Montreal, Canada, and the time February 18 to 20, 1913. The Chairman, the Rev. Prin. John Scrimger, D.D., presided, and the Commission was honored by a Reception given at the American Presbyterian Church of the city, the Rev. Dr. Robert Johnston, pastor. The meeting at Montreal was characterized by decided interest in the proceedings on the part of the Presbyterians of the city, and will rank as one of the most profitable and inspiring in the history of the Western Section.

2. OFFICERS.—The officers for the present year are: Chairman, Rev. R. H. Fleming, D.D.; Vice-Chairmen, E. W. C. Humphrey, Esq., and Rev. Philip Vollmer, D.D.; Recording Secretary, Rev. J. C. Scouller, D.D.; Treasurer, Mr. Philip E. Howard; Chairman Executive Committee, General R. E. Prime. The American Secretary of the Alliance is Secretary of the Western Section, and completes, next June, twenty-five years of service.

3. NECROLOGY.—The Rev. Thomas Patton Stevenson, D.D., LL.D., one of the oldest members of the Executive Commission, died October 1, 1912. The son of a minister, after graduation from College and Seminary, he was ordained and installed pastor of the First Church of the Covenanters in Philadelphia, Pa., May, 1863, and in this pastorate he continued until the time of his death, in the seventy-fifth year of his age. He was one of the editors of the *Christian Statesman* from 1867, and was Moderator of the Synod of the Reformed Presbyterian Church in 1881. A man of unusual intellectual ability, he was a highly esteemed and beloved member of this body for many years.

4. EVANGELISTIC MOVEMENTS.—The Committee on Coöperation in Evangelistic Work has been in communication with the Committees entrusted with similar work in the United States, Canada, Great Britain and on the Continent of Europe. Arrangements are being completed for a conference of persons interested in Evangelism, at Aberdeen, Scotland, during the sessions of the Tenth Council of the World Alliance. The parties with whom correspondence has been had reported a deep sense of the need for revival in all the Churches of the Alliance, and also in other Churches connected with them by the common bond of Evangelical Doctrine.

It gives the Commission pleasure to report that the Australasian tour of the Chapman-Alexander Evangelistic Mission has been very successful. Letters have been received from committees of the Australian and New Zealand Christian Churches, appreciative of the services of the Rev. Dr. J. Wilbur Chapman, and indicating their desire to have share in whatever further coöperative movements may be undertaken. It is further understood that arrangements have been made for both Dr. Chapman and Mr. Alexander to be in Scotland during the fall of the present year.

Within the jurisdiction of the Western Section, particularly in the United States and Canada, there has been no widespread or extraordinary revival during the year. Faithful work has been accomplished, however, by the Churches, the Presbyteries, and the various agencies of the Church directly connected with the work of Evangelism.

It is also worthy of note that the Federal Council of the Churches of Christ in America appointed, at its meeting in Chicago, Ill., December, 1912, a Commission on Evangelism, with representatives of thirty denominations thereon, the Chairman being the Rev. William H. Roberts. The Federal Council sounded a high note for evangelistic work, officially acknowledging Evangelism to be the Supreme Mission of the Church.

The following resolutions are submitted for adoption:

(1) That pastors of Churches represented in the Alliance be urged to present more earnestly and more constantly, both in their preaching and in personal conversation with members of their congregations, the vital necessity of repentance and faith in Jesus Christ as the conditions of pardon and eternal life.

(2) That the Foreign Missionaries of Boards represented in the Alliance, be urged to consider prayerfully whether or not they are placing an undue emphasis on the educational and other subsidiary branches of their work, at the expense of Evangelism, that is, the preaching of the Gospel with the immediate object of winning souls to Christ, as their only Saviour from sin.

5. WORK IN EUROPE.—The problems connected with the religious situation on the Continent of Europe are too large for any discussion of them in a brief Report. Romanism, Rationalism, State-Churchism and Evangelicalism are struggling there in a mighty contention. The situation is also affected by the three great racial divisions which exist, viz., the Latin, the Teutonic and the Slavic. The Latin peoples have been in the past largely of the Roman Catholic Church; the majority of the Teutonic peoples are Protestant, and the Slavic nations, to a very great extent, are connected with the Greek Catholic Church. We note concisely the religious conditions in certain European countries:

Spain.—This land religiously is in a lamentable condition. There are only about 15,000 Protestants in a population of 27,000,000. The main characteristics of the religious life of the people are the absence of spirituality and the prevalence of formalism.

France.—In France there has been a union of the mediating party of the Huguenot Church with the Rationalistic wing. The evangelical part of the Reformed Church, however, has refused to enter into this combination. It is noteworthy that the Evangelicals are raising more money than when they were partly supported by the State. Numerous openings for work make, however, a great need for assistance from the strong Churches of the Alliance. As to the Roman Catholic Church, accredited reports show that the number of active Catholics in France is between 4,000,000 and 5,000,000. The greatest religious problem in Europe to-day has to do with the 30,000,000 of French people who are not connected directly with any Christian Church.

Germany.—In this country there is a great estrangement between the Clerical party, which represents Catholicism, and the government. The Evangelicals are drawing closer together, and the so-called Society Movement is quietly leavening Germany with spiritual power. Disestablishment, formerly not mentioned, is now openly debated. The general conditions are ripe for a forward movement in the direction of greater spirituality and more pronounced evangelicalism.

Bohemia.—The Bohemian Reformed Church is continuing its preparations for the Five-hundredth Anniversary, in 1915, of the martyrdom of John Huss. This will be a great occasion for Bohemia, and also a valuable opportunity for Protestants in other lands to strengthen the movement for which that distinguished Reformer gave his life.

Italy.—The Waldensian Church continues its aggressive work for a pure faith in this historic land. This year this most ancient Church of the Alliance is represented in America by the Rev. Prof. Giovanni Luzzi, and the Church is cordially commended to the prayers and the generosity of the Churches of the Western Section.

Hungary.—An interesting book on the Hungarian Reformed Church has appeared by Prof. Doumergue, of Montauban, entitled *Calvinistic Hungary.* The work takes up the great names and great epochs of Hungarian Calvinism, and closes with a description of the present condition of the Hungarian Church. Of the five theological faculties it is said that two are Orthodox, two are Rationalistic and one is Mystical. The greatest danger to the Hungarian Church, with its 3,000,000 of adherents, is its isolation in Eastern Europe.

English Summer Services.—The ninth season of the American Church at The Hague, Holland, was one of the most successful seasons thus far enjoyed. The minister in charge was the Rev. Taber Knox, pastor of the Reformed Church at Warwick, N. Y. The average attendance at the services, which were held during the months of July and August, 1912, was 101. The third season at Zurich, Switzerland, was much more encouraging and successful than the previous years. This was due to the fact that the services were held in the Cathedral, which belongs to the State Church of Zurich, which is Reformed. Some persons present at the services were from the four quarters of the globe, but the majority was composed of American tourists. The services were in charge of the Rev. James I. Good, D.D. The Church organized in 1907 at Frankfort-on-the-Main, was served during the year 1912 by Rev. Stewart Bready, and during the present year will be served by the Rev. J. Canfield Vandoren. The congregation receives aid from the Committee on Work in Europe, of the General Assembly of the Presbyterian Church in the U. S. A. Particular attention should be given to the need of preachers for American residents on the Continent. In Berlin there are 10,000, and in Paris 30,000 Americans.

The work in the Latin Quarter of Paris is in charge of the Rev. Ernest W. Shurtleff, D.D., and is as invaluable as it is successful as an agency in caring for the spiritual interests of the many American students who reside in the French metropolis.

Summer services should be established at other places, such as Munich and Carlsbad. The cost would be small and the blessings coming from them so great, that the Churches of the Presbyterian family should give far more attention to this European field than is now the case.

6. SABBATH-SCHOOL WORK.—The net gain for all the Churches of the Western Section, officers, teachers and pupils, during the year, is 34,000, the total for North America being now 2,426,532. The full significance of this seemingly small gain is realized when the conditions are indicated under which it has been achieved. There have been many barriers in the way of the increase of Sunday-school membership, among which are to be noted the neglect of home instruction, the increasing use of the Sabbath as a day of travel, recreation and social visiting, and the falling off in the attendance of children upon public worship.

Other profound and aggressive causes for the present crisis in Sabbath-school work are briefly mentioned.

The fact that only 40 per cent. of Sabbath-school pupils are brought ever to confess and accept the Lord Jesus Christ, or to become communicants in the Church.

The alarming increase of Sabbath desecration in the United States, though we are grateful to report this spread of the violation of the Sabbath does not extend to Canada, for we know the Sabbath-school cannot survive the destruction of the Sabbath day.

The concentration of our coming millions of immigrants in our Eastern States and cities.

And the race problem in the South.

The Executive Commission, Western Section, has requested its Chairman and Secretary to convey to the General Assemblies and Synods of its constituent Churches the deep concern of the Western Section concerning the present conditions of the Sabbath-school work in the Churches, especially concerning the spiritual life and fruitage of the Sabbath-schools.

With that end in view, it earnestly requests your venerable body to issue a solemn call to all officers, teachers and scholars of your Sabbath-schools:

(1) To seek a general outpouring of the Holy Spirit upon the Churches and Sabbath-schools of the American Section. Our only hope for a safe issue from the present condition is a genuine revival in our Bible schools.

(2) To call upon all pastors and Sabbath-school workers to give themselves to extraordinary prayer, with great and sincere searchings of heart and complete separation from the world, and renewed and entire consecration to the work of immediately bringing to Christ the hundreds of thousands of the unconverted in our Sabbath-schools.

7. DIVORCE.—The subject of Divorce in the Province of Quebec, Canada, at the last meeting of the Alliance, was presented in a very able report by the

Rev. Principal John Scrimger, D.D. The general situation in Canada is widely different from what it is in the United States. The matter of divorce is subject to the jurisdiction of the Federal Parliament, except in the Province of New Brunswick, and Parliament, though having the power to do so, has never passed any general Act, providing for divorces by any recognized procedure. It has, however, raised petitions for special or private Acts, in favor of divorce, affecting individual cases, and has generally granted them, when satisfied that there was reasonable cause.

The attitude of the Roman Catholic Church in Quebec makes it unlikely that any political party will deal with the subject of divorce as long as it can be avoided. That Church permits of judicial separations, which puts an end to all claims of the one party over the other, but does not give to either of the parties the right to marry again. On the other hand, it is to be said that the Roman Catholic Church, while refusing divorce on any moral ground whatever, virtually grants it under another name, on technical grounds. This is done under the provisions of the Canon Law relating to "prohibited degrees." These prohibited degrees are far more extensive than those laid down by any Protestant Church. They include all cousins, up to the fourth remove, and in addition purely spiritual relationships, such as godfathers and godmothers. Persons desiring divorce and distantly related can appeal to this canon law, through application to the Bishop of the Diocese in which they live, and he can declare the marriage to be null and void. After the Bishop has granted a decree of divorce, this is then presented for confirmation to the civil court, and the marriage is annulled accordingly. It is not likely that this unfortunate situation will be remedied until the attitude of the Canadian authorities toward the claims of the Roman Catholic Church has been wholly revised.

8. Social Service.—One of the great movements of the present day is the movement for Social Service. The Federal Council of the Churches of Christ in America has had, for four years, a Commission on this subject, which has been actively at work, and which has likewise been in touch with the Social Service Agencies of a number of the Christian denominations, notably the Social Service Department, of the Home Mission Board, of the Presbyterian Church in the U. S. A. The Federal Council, at its recent meeting in Chicago, approved of a platform for Social Service, which was submitted to the recent meeting of the Western Section at Montreal, Canada, and the Section took the following action thereupon:

Resolved, That the Executive Commission, Western Section, expresses its sympathy with the purposes of the Federal Council of the Churches of Christ in America, and its interest in the progress of the work of the Council. We rejoice in every movement which gives expression to the spiritual unity of the disciples of Jesus Christ, and to coöperation by them in work which can better be done in union than in separation.

The Executive Commission, Western Section, also approves of the recognition by the Council of some of those social needs which the Christian Church has so long pointed out, and called on men, in the name of God, to supply. At the same time, the Section expresses its conviction that the power of the Gospel as the source of all true social progress should have been more clearly recognized by the Council in its discussion of social service.

9. Education.—The Western Section has given considerable attention, through its Committee on Education, to the educational interests of the nations to which it is religiously related. It has had presented to it, from year to year, the results of careful inquiry into the processes of education now under way in both countries, and is glad to announce that they are becoming more and more sympathetic with the interests of evangelical religion. Materialism appears to be a back number at present. "The highest category of the best twentieth-century thinking is personality, and personality in philosophy means theism in theology and character in ethics. And this deep-toned note of intellectual interpretation lends itself in happiest accord to the fundamental Christian attitude of faith in the true and living God." The following resolutions in connection with Education were adopted by the Western Section at Montreal:

(1) That the Churches represented in this Section regard a merely secular education, under any auspices whatsoever, as perilous to the community,

and as an incomplete, and therefore a misleading, view of the truth which it presents.

(2) That we express our profound sense of the value to the Church and to the State of those schools of every grade, which, out of devotion to Evangelical truth, have been founded and developed by the Christian Church, and, so long as they are true to the faith in which they were founded, we commend them to the continued care and liberal support of all the Churches.

(3) That we recognize the growing importance of educational institutions under State control, and we appreciate the difficulties which interfere with a satisfactory accomplishment of their great work, and, therefore, we approve and commend all efforts which the Churches are making to put before the student body in such institutions the call of Christ and the opportunities of Christian service.

(4) That we affirm our confidence in the catechetical method in the religious instruction of our youth, and call upon all our Churches to be diligent in inculcating in the minds of the children the great fundamental and historical elements of the faith once delivered to the saints.

(5) That, above all, we express our firm conviction and devout faith that the Word of God is the ultimate standard of all knowledge that makes wise unto salvation, and that His Son, Jesus Christ our Lord, is at once the centre and the circumference of all our knowing, in ignorance of whom any perspective of the truth is distorted and incomplete.

10. FOREIGN MISSIONS.—The year has been one of notable advance and much encouragement. Never before have the opportunities been so great and the tokens of divine blessing so numerous, and yet anxieties have been not a few. Grave questions of world-wide importance have arisen, and the greatest of them is the situation in China, created by the Chinese revolution. This situation, however, will be dealt with in detail by the several denominational Mission Boards. We note other special matters as follows:

A call to prayer for the Moslem world was issued for October 16, 1912, and was largely observed. It has to do with a problem which appeals to the heart of the Church as it never did before. On the one hand, the peril of Moslem aggression in Africa is becoming more manifest, while on the other the large growth of the circulation of the Bible among Mohammedans and the increase of converts give ground for encouragement.

The war between the Balkan States and Turkey gave an opportunity of which advantage was taken to give the Turkish people to understand that the Christian people of America, who have long been doing missionary work among them, while neutral, so far as the conduct of the war was concerned, were, nevertheless, ready to respond promptly to the need of the sick and suffering Turkish soldiers. The missionaries in the Turkish Empire were foremost in kindly ministrations to the sick and wounded combatants, and also to the non-combatants who were impoverished by the ravages of the war.

The trying situation which arose in Korea has been handled tactfully, and we have reason to believe, effectively, by the representatives of the Boards having work in that country. The Korean conspiracy case is, in its details, well known to the Christian public, and it is not necessary to make any statement in connection with it. It is felt, however, that the call to prayer which was issued for the Korean Christians has been heard by Almighty God, and it is suggested that further prayer and supplication be made to Him, in particular for the Emperor of Japan, and all those officials in high places who carry out the imperial commands, so that righteousness, mercy and peace shall be extended to every subject, and to the remotest bounds of the Empire.

Special attention is drawn to the strength of non-Christian religions in the United States and Canada, and the duty of the Church to their adherents. The non-Christian faiths prevalent in these American lands can be divided into three classes: Unchristian, Antichristian and Non-Christian. Under Unchristian forces can be included the population that acknowledges no religious faith, also Hebrews, Mormons, Christian Scientists and Spiritualists. Under Antichristian bodies are included those forms of Socialism, represented by organizations which are antagonistic to all religion. Under Non-Christian bodies are listed Buddhism and Mohammedanism. It is significant that Mohammedanism reports twenty-four organizations and 1,280 adherents in the United States, taught by trained leaders. Buddhism is aggressively propagating itself in Seattle, San Francisco and Los Angeles. In addition, thousands of Hindus have come to the United States, and the worship of Krishna has been established at Los Angeles. The number of Japanese in the United States is estimated at about 130,000, and the number of Chinese at about 300,000. Orientals in Canada number about 40,000, and the non-Christian American Indians in the United States number 140,000, out of a total of about 300,545.

There should be, it is evident, a more far-reaching missionary propaganda at home in behalf of foreign missions. The situation demands concerted and aggressive action.

11. HOME MISSIONS.—The population of the United States is now estimated at 95,000,000, while Canada has not less than 7,000,000, making a total for the two nations of about 102,000,000. The Protestant Churches in these two countries have a membership of 23,000,000, while the Roman Catholics number 14,000,000. In order effectively to handle the situation, a few years ago the Evangelical Churches organized what is known as the Home Mission Council. This Council comprises about thirty Boards and Agencies, and represents nearly 17,000,000 communicants. The most important and practical work accomplished by it was the inauguration and observance of Home Mission Week, in November of 1912, which was very generally observed and aroused great enthusiasm throughout the country. It will probably be made a permanent annual feature.

The Presbyterian and Reformed Churches are seeking to meet their share of the responsibility of winning our country for Christ, as shown by the following figures, which are in part estimates:

TABLE OF THE STATISTICS OF THE BOARDS AND COMMITTEES OF HOME MISSIONS, CHURCH ERECTION AND FREEDMEN'S MISSIONS, 1912.

Reformed Church, U. S.	100	222	168,172
United Presbyterian Church	456	250	498,188
Reformed Church in America	259	300	166,215

Presbyterian Church in Canada	250	300	433,575
	5,007	5,136	$4,193,236

12. FOREIGN SEAPORTS.—The Western Section has had for some years a Committee on the Religious Needs of Americans and Europeans in foreign seaports. We are glad to report that the Annual Conference on Mission Boards for North America is handling this whole matter on its practical side, and, considering the limited resources in hand, with many important results. At Yokohama, Japan, a handsome church building, costing over $40,000, has been erected. The Union Church in Kobe, Japan, has been instrumental in the accomplishment of much good, and during a recent visit of the United States fleet many young men came out for Christ. Work is also being earnestly pushed in supplying the needs of Peking, China, and Rio de Janeiro, Brazil. Further, missionary libraries have been placed in the ships of the Pacific steamship lines, and also on the lines between Great Britain and India. It is earnestly hoped that financial aid will be given to this important cause through the several missionary Boards.

13. CHURCH HISTORY.—The Committee on Presbyterian and Reformed Church History has given careful attention to its work, and annually submits a list of publications in addition to those which from time to time have been reported to the Section. Preparatory steps for the campaign for placing works on our denominational Church History in local public libraries is progressing, but the inauguration of the movement is left to the reorganized committee to be named by the Tenth Council. No subject needs more attention than

this of our Church History, and we are glad to state the opinion that it is receiving far more careful attention than in previous years.

14. PERIODICALS.—The Committee on Periodicals, of the Section, has given attention to securing a wider publication of the proceedings of the Executive Commission, and also a larger interest in important occurrences in the life and work of the constituent Churches. It is to be regretted that thus far these efforts have been met with no considerable degree of success. In this line of endeavor the Western Section has requested the Alliance, at its coming meeting, to appoint a Joint Committee of the Eastern and Western Sections, to consider the whole question of the enlargement of the scope, size and circulation of the *Quarterly Register* of the Alliance. This magazine contains now, chiefly, articles connected with the Churches of the Continent of Europe. It is felt that it should also include suitable news concerning the British and American Churches. This matter will be pressed upon the attention of the Tenth Council.

15. THE TENTH COUNCIL.—The Tenth Council of the Alliance, as already announced, will meet at Aberdeen, Scotland, June 17 to 27, 1913. The opening session will be held in the Old Machar Parish Church, Aberdeen, at 10.30 A.M., June 17, the Very Reverend George Adam Smith, D.D., LL.D., Principal of Aberdeen University, in the Chair. After the service of public worship, the Council will be constituted by the retiring President, the Rev. David James Burrell, D.D., LL.D., of the Reformed Church in America, New York City, who will deliver the opening address. On the evening of June 17 a reception will be given to the delegates by the Lord Provost of Aberdeen, the magistrates of the city, and the Town Councillors.

16. APPORTIONMENTS.—The following table shows the number of representatives in the Tenth Council to which each Church in the Western Section is entitled, and the amount of money which each Church is requested to contribute during the next fiscal year toward the expenses of the world-wide work of the Alliance:

	227	$3,900 00

It is respectfully requested that the contribution from your Church be forwarded not later than October, 1913, to the American Treasurer, Mr. Philip E. Howard, 1031 Walnut Street, Philadelphia, Pa. The financial needs of the Alliance include the salary and expenses of the General Secretary, Rev. George D. Mathews, D.D., of London, England, and the expenses of the annual meeting of Western Section. The American Secretary continues to serve without salary.

17. TREASURER'S REPORT.—The receipts from the Churches on their apportionments, during the year ending February 1, 1913, amounted to $3,680, and there was received for interest the sum of $73.25, making a total of $3,753.25. The expenditures were as follows: General expenses, London office, $2,157.39; annual meeting, Western Section, 1912, $973.20; printing, $223.95; miscellaneous, $45.74; total, $3,400.28.

18. FRATERNAL DELEGATES.—The Commission has appointed the following delegates to carry to the several Churches in the Western Section of the Alliance, fraternal greetings:

Presbyterian Church in Canada	John Somerville, D.D.
Presbyterian Church in the U. S. .A	D. G. Wylie, D.D.
Presbyterian Church in the U. S	R. H. Fleming, D.D.
United Presbyterian Church	D. F. McGill, D.D.
Reformed Church in America	J. Preston Searle, D.D.
Reformed Church in U. S	John H. Prugh, D.D.
Associate Reformed Synod of the South	W. W. Orr, D.D.
Synod of the Reformed Presbyterian Church	R. M. Sommerville, D.D.
General Synod of the Reformed Presbyterian Church	J. Y. Boice, D.D.
Welsh Presbyterian Church	R. T. Roberts, D.D.
Presbyterian Church of Brazil	Rev. J. B. Kolb.
Presbyterian Church of Mexico	Rev. William Wallace.

THE FUTURE.—The time has come, in the judgment of the Western Section, when there should be an extension of the operations of the Alliance commensurate with the scope of its jurisdiction. What particular form this development should take is of course a matter for consultation with all the Churches. It would appear that we have come to a critical hour in both the history of the Christian religion and the progress of mankind. Our Churches were the first among the various communions of the Christian Church Universal to attain to an organized common life, as expressed in the Council. We should give, therefore, earnest and sober thought alike to the obligations which rest upon us, in connection with the spread of our religion and the welfare of humanity, and to the opportunities for service which God hath set before His Church in this twentieth century. As a part of the forces which make for progress and united effort, we should seek, more and more, in heart and life, to prepare for the incoming of His Kingdom who prayed saying, "that they all may be one, as thou, Father, art in me and I in thee, that they also may be one in us, that the world may believe that thou hast sent me."

Respectfully submitted,
R. H. FLEMING, *Chairman;*
WM. H. ROBERTS, *Secretary.*

III. REPORT OF THE EXECUTIVE COMMITTEE OF THE FEDERAL COUNCIL OF THE CHURCHES OF CHRIST IN AMERICA.

Brethren:—The Federal Council has ended its first Quadrennium, and as we pass in review its development, as revealed at the Second Quadrennial Session in Chicago, it appears to us that, under the direction of the Executive Committee, which served for the first Quadrennium, the policy enunciated at the organization of the Council has been faithfully carried out.

It has not advanced by the processes of reduction; its work has been constructive. It has not divided; it has united. Denominational values have not been reduced, but rather increased through all the common movements which it has inspired and initiated. "Not to destroy, but to fulfill," might well be stated as the motto and the policy of the Council during these four years.

In a report of such an organization as the Council, it is not possible to give a recital of its accomplishments in figures and statistics. These four years have been an experimental and initiatory stage, and the most important work of the Council has been its creation of a state of mind upon the part of the Churches and a deepening of their common consciousness. It is an inspiring force more than it is an organization, and its development, like the Kingdom of Christ, comes very largely "without observation."

While the Council has exercised initiative, and has given moral guidance and direction, it has existed not primarily as a detached entity, but rather as the sum of all its parts. It has avoided duplication, and has, we believe wisely, not attempted to do the work of the constituent bodies for them, but united them together in the work which they have in common. It has not acted as a voluntary association, has avoided the temptation to become a free lance, and has been true to its Constitution, and herein lies its permanency and its power.

Upon appropriate and warrantable occasions it has voiced the common consciousness of the Churches in the life of the nation.

At the same time, far more than has been realized, it has brought about more than a mere feeling of good-will, and, so far as Christian unity exists in fact and practice, it is largely comprehended in the work of the Council. The reports of the various Commissions at the Chicago Quadrennial rendered an important service in bringing before the Churches a record of the natural development of the Churches in unification and common action. They did more than this, however, and revealed an amount of initiative upon the part of the national office of the Council which, when brought together as a whole, was impressive and prophetic.

The initiatory work of the Committee on Home Missions, through co-operation with the Home Missions Council, the influence of unity at home upon the work of the foreign field, and still more the work of unification on the foreign field in its influence upon unity at home, in the report of the Committee on Foreign Missions, were significant revelations of the possibilities of Federal Unity.

The common work of the Churches in the conservation of the Christian Sabbath; the united advance in the interest of temperance; the need of common action on the part of the Churches in the preservation of the home, were effectively set forth in the reports of the Committees of Sunday Observance, Temperance and Family Life.

The Reports of the Committee on Religious Education; the work of this Committee in bringing together an important conference of representatives of the theological seminaries, and the impressive characterizations by the Special Committee on Week-day Instruction in Religion, all revealed in a conclusive manner the necessity for unity upon the part of the Christian Churches.

The Report of the Commission on the Church and Social Service not only set forth the possibilities of united action as the Church faces the problems of the social order, but revealed the fact that the various denominations are facing our social mission with a common programme and united action. The report of this Commission was written through and through with spiritual implications and its deep religious and evangelical spirit indicates that the Council is in no danger of losing its spiritual grasp as it enters more largely into the religious treatment of social problems. As an inspirational and initiatory influence this Commission has brought wide recognition.

The Report of the Committee on Evangelism emphasized this as the supreme and ultimate mission of the Church, and its proposed programme should receive the common endorsement of the Churches which should surely come together for the effective prosecution of evangelistic work.

The new Commission on Peace and Arbitration, although organized during the past year, has already become an effective force in the interest of this aspect of Christian Gospel.

The work of State and Local Federations, while still in its experimental stage, has, in certain particular localities where it has been seriously effected, shown its large possibilities.

Most significant of all, perhaps, was the Quadrennial Session itself, as indicating the spirit and temper of the Churches. The Committee on Correspondence sums up the Chicago Quadrennial, and the work of the four years which culminated in that meeting, with the following words:

"The value of this Federal Council is not to be measured by the work which it has accomplished directly, large as it is, but rather by the atmosphere of catholicity and fraternity which it is increasingly creating, in which all its constituent bodies are enabled to carry on their work more effectively, and with greater and more direct bearing on the common interests of the Kingdom. Religious leaders in all the Churches are coming to see that those who best serve the Kingdom of God serve best their own Church. It is now manifest to all, as it may not have been in the beginning, that this Federal Council does not interfere with the beliefs or conscientious convictions of any religious body or with its freedom of action, but that it is seeking through the voluntary action of the constituent bodies to manifest the unity to which we have already attained. God expects us to use what unity we have, and it is through the use of that, that He is to lead us into a closer and more perfect union. Your Committee believes that there are unmistakable signs that God is in this movement of His Churches, and that He is guiding it toward some splendid consummation. It is not ours to see the end; it is ours simply to know that the Lord is leading, and if we follow on, He will lead us into that blessed unity for which He prayed, and to that 'far-off divine event toward which the whole creation moves.' This was the feeling and the spirit, from the beginning to the end, of the three hundred and more delegates—of the twenty-eight communions who came with faith and went away with larger faith."

"The Council was clearly made up of men who believed in each other and who believed in the Federal Council, were glad of its progress, and believed in its immediate and remote future."

These four years have been largely of increasing exploration, and the discovery was in the nature of a revelation at Chicago. The Executive Committee profoundly believes that the sense of the 300 delegates at Chicago was that the permanency of the Federal Council is assured, that it has passed its experimental stage, and is now ready for such tasks and duties as the Churches may commission or permit it to attempt.

It is to be remembered, when the Council is under consideration by any one constituent body, that account must be taken of twenty-nine other denominations, and that the chief problem of the Council is that of holding the entire thirty in unity. There are those who express restlessness because the Council does not move with quicker steps. There are others who feel, with equal certainty, that it is moving somewhat too rapidly. We regard this as one of the best indications of its successful procedure. It is holding together the entire body of the Churches as a whole. A moderate progress which holds all the forces together is preferable to a more hasty procedure which would be divisive, and thus subversive of the very intent of the Council. We regard it as a great achievement that the Council came to Chicago with unbroken ranks. Moreover, no one denomination can estimate simply by the values rendered to that one, but must consider what has been done for and with all the others, in determining the extent of progress.

Appended to this Report is the letter of the Committee on Correspondence, addressed to the Churches, and there has recently been published a volume entitled "Christian Unity at Work," which we believe it would be well worth while for the members of your body to obtain and read.

It is our pleasant privilege to bear record that a large share of the success of the Council is to be attributed to the loyal and earnest support of the Presbyterian Church in the U. S. A., and the Presbyterian Churches and pastors. Among the leaders of the Federal Council and among those who have given it wise guidance and faithful service are the Stated Clerk of your own Assembly, who was the Permanent Chairman of the Inter-Church Conference of 1905, was Acting President of the Federal Council in 1908, also served as Chairman of the Executive Committees from 1905 to 1912, until the close of the Second Council, when Dr. Roberts notified the Joint Executive Committee that in order to give opportunity for others to share the service of the Council he should not be continued in that office. Many others of your leaders in thought and action have shared in conspicuous measure both the tasks and the honors of the Council.

We ask, for the Council, that in the consideration of your large denominational interests, you continue the support and sympathy which have been shown in the past on the part of the religious forces represented in the General Assembly of the Presbyterian Church in the U. S. A.

Wishing you grace, mercy and peace,

FRANK MASON NORTH,
Chairman of the Executive Committee.

By the generosity of a former student of the Seminary, in token of his thankfulness for a personal experience of the love of God, a sum of money was entrusted to the Faculty as a prize in the History of Doctrine, to be awarded on Thanksgiving Day, 1913. The prize is announced and the terms of its award are given on page 71 of the 1912–13 Catalogue.

Careful preparation for the Summer School of Theology has been made by the Faculty's Committee, and a substantial and varied programme has been provided. The Committee has been gratified at the cordial acceptance of the invitations to address the school. Altogether 30 speakers will be heard. May 26 to June 6 has been fixed upon for the sessions of the school. The school is being widely advertised.

VI. GENERAL.

The health of the Faculty and students has been excellent during the year.

For the first time since the change in the government of the Seminary to a single Board, the Seminary has been deprived of two of its Directors, by death: On January 2, 1913, Rev. Randal Pease, Hamden, N. Y., from the Presbytery of Otsego, and Col. Charles E. Walbridge, Buffalo, N. Y., from the Presbytery of Buffalo. Their respective Presbyteries have elected their successors.

For two seasons the Seminary has maintained a Summer School of Theology, with an attendance of forty and fifty-five ministers, respectively. During this summer the Seminary will maintain a Summer School of Theology for the first two weeks of July, to be followed immediately by a Summer School for Christian Workers, to continue during the last two weeks of that month. The indications are that both schools will be largely attended.

Our plan of "Ministers in Residence," adopted three years ago, continues to be a valuable method of bringing our students into personal touch with the prominent ministers of the world. These ministers remain "in residence" at the Seminary during several days, preaching, addressing the students, and meeting them in private interviews.

The plumbing and sanitary arrangements for our dormitory, Morgan Hall, have been entirely renewed, at an expense of about $6,000.

By means of our Summer Social Fellowships we are enabled to send six of our students to New York and St. Louis for the study of the city problem during the summer months. This is proving to be one of the most valuable, as well as the most approved methods for theological students to become acquainted with the great city problem. They devote eight months of undivided attention to their Seminary duties, and four months of their undivided attention to Social Settlement Work.

All of which is respectfully submitted,

GEORGE B. STEWART, *President.*

VI. CURRICULA.

During the past three years, the Seminary has been attempting to enter the field of Extension Work, in order to perform for the Christian public a service similar to that of University Extension. The following courses of lectures have been given at various centres:

"The Sacraments," four lectures, by Rev. David R. Breed, D.D.

"Social Teaching of the New Testament," six lectures, by Rev. William R. Farmer, D.D.

"Theology of the Psalter," four lectures, by President Kelso, Ph.D., D.D.

"The Fundamentals of Christianity," five lectures, by Rev. James H. Snowden, D.D., LL.D.

It is now proposed to enlarge this feature of the activity of the Seminary, making it meet a larger group of needs in the Church of this region. The following scheme was proposed by the Faculty, and was referred to the Executive Committee for their consideration:

(1) Organizing courses for lay workers, that is, Sunday-school teachers, superintendents, etc., these courses to be conducted as evening classes, say for a period of six weeks, with lectures by different members of the Faculty, and even by pastors and religious leaders. With this as a basis, to organize a school for lay workers as an institution affiliated with the Seminary. The organization of such a school would naturally be dependent on the demand for the courses. It should be distinctly understood that the classes of theological instruction proper would be kept entirely separate from classes for lay workers, but a large part of the plant of the Seminary, especially its library and its public buildings, could be used by both sets of students.

(2) The organization of a Christian Social Settlement as a fully recognized department of the Seminary, where students could get in touch with the problems of city evangelization. There are two possible arrangements: first, to effect a working agreement with some of the institutions already organized; or, second, to open a new institution.

(3) Conferences or institutes for pastors and lay workers might be organized at various centres, lasting a day, or longer. Such institutes might be held in connection with meetings of Presbytery.

(4) A congress or a retreat for ministers, meeting in the Seminary building and lasting two or three days. The Seminary dormitory could be used to house the ministers from the out-of-town districts. The aim of such meetings would not be to take the place of Bible schools and Chautauquas, but to bring men together, under the auspices of the Seminary, for the discussion of questions of spiritual life, Biblical scholarship, and the practical administration of the Church.

VII. Needs.

Since the completion of the new dormitory, with its magnificent equipment, and the endowment of the President's Chair noted below, the most imperative need of the Seminary is a new Chapel and Administration Building, a group to cost from one hundred and fifty to one hundred and seventy-five thousand dollars. Approximately one-fourth of this sum is already subscribed, and the Trustees propose making an active canvass for the remainder about the first of next November.

VIII. General.

During the past year the Seminary received a generous gift of $100,000 from an alumnus, the Rev. Nathaniel W. Conkling, D.D., of the Class of 1861, to be used for the endowment of the President's Chair, which is hereafter to be designated as the Nathaniel W. Conkling Foundation.

VI. Curricula.

During the past few years the elective schedule of the Seminary has been greatly enlarged, but the Faculty and Board have been careful to observe a proper balance between prescribed and elective studies. The effort has been to offer to the students such opportunities to enter upon special inquiries as will open to them the great subjects, both in scholarship and practical life. Personal investigation has been encouraged and breadth of vision stimulated. The Seminary endeavors to bring its students into the closest contact with the real needs of the world, and to cultivate a practical sympathy with all great movements of a social, moral and spiritual nature. Each department has, therefore, increased its facilities for study and research. The tendency has thus been practical and progressive, and the students are made aware of the great movements in human society as well as in the world of thought. An examination of recent catalogues will show the advances that have been made and the careful method of enlarging the curriculum so as to stimulate and train the young men who are entrusted to us by the Church.

The Practical Department has made large use of the students in the various missionary enterprises of the city, seventy-five men having been employed almost continuously throughout the seminary year. In such work our students are brought face to face with the vital problems of Chicago, and have shown an earnest desire to be of real help in the inspiring task of evangelizing this great city. That such work does not interfere with their class-room duties is shown by the fact, that the man who received the Barnardine Orme Smith Fellowship for general excellence in the studies of the course, has been also one of the most active social workers of this missionary band. Also, some of these students have been engaged in regular remunerative employment in city mission work, who otherwise would have found it almost impossible to continue their course in the Seminary.

VI. CURRICULA.

An extra hour per week has been granted the Department of Apologetics in order that the great variety of topics it presents may have more thorough treatment.

The subject of Missions has been temporarily transferred from the Department of Apologetics and Missions to that of Church History, as it is believed it can be conducted more efficiently in that way. A complete course extending over three years includes a thorough study of the History of Early, Medieval and Modern Missions, Ethnic Religions, Missionary Methods and Presbyterian Missions. Elections are also offered in a study of "Master Missionaries" for 1913–14, "The Missionary Opportunity" 1914–15, and "The Home Base" 1915–16.

VII. NEEDS.

The General Endowment Fund is in pressing need of a large sum of money, because it is overloaded with obligations. The Chair of New Testament Interpretation (unendowed) needs an Endowment of $50,000; and there should be an Endowment of not less than $10,000 each for the Library Fund (which now shows a deficit of $529.36) and the Alumni Fellowship Fund.

There should be an Endowment of $100,000 for the Chair of the President of the Seminary.

VIII. General.

The students as well as the Faculty have enjoyed excellent health. There has not been a case of sickness during the year that has interfered in any way with the students' work.

Mrs. George Dana Boardman, widow of the late Rev. George Dana Boardman, D.D., has recently presented to each member of the graduating class a copy of her husband's suggestive book on "The Problem of Jesus."

There have been some valuable additions to the library during the year, through the generosity of Captain Robert Dollar and one or two others. It is, however, always in need. Without an endowment it is a difficult matter to keep a theological library fully up to date. It is earnestly to be desired that some one may be found who will endow a library fund.

A letter has recently been received from Rev. Robert M'Lean, D.D., Superintendent of the Department of Spanish Work of the Board of Home Missions in California, Arizona, New Mexico, Texas and Colorado. He proposes a Spanish Department in our Seminary for the training of Mexican workers.

IX. Report of the Visiting Committee.

To the Board of Directors, The San Francisco Theological Seminary:

Your Committee appointed to attend the oral examinations of students in the Seminary report that Dr. Mount and myself attended all the classes with the exception that I did not hear the examination of the Senior Class with President Landon and that of the Department of Theology under Prof. Moore. The examinations were interesting and showed a high grade of intelligence and grasp of the subjects treated. Specimens of written work were submitted which exhibited a care in preparation that promises well for the future work of the men.

We found the personnel of the student body very good indeed, particularly the Middle and Senior Classes. The Junior Class does not appear to measure up to the standard of the other classes, with a possible exception of one member. The devotional spirit of the students seems to be of a high order. We take pleasure in recommending for diplomas from this Board the following men who have completed the course prescribed by the Seminary:

Daniel Sherrod Davis,
Albert Howard Gammons,
Alonzo Alden Pratt,
Shingoro Sato,
Frederick Samuel Shimian,
Benjamin Trueblood Smith,
Harold Werden Wylie.

(Signed) D. H. McCullagh, *Chairman.*

VI. Needs.

If the School is to keep pace, or even hold its own, additional endowment of $500,000 is absolutely necessary. This School is under the immediate care of the General Assembly, and all its funds revert to the Trustees of the General Assembly at dissolution, if such a crisis should ever occur. The demands for an educated ministry require enlargement of the college course and a more efficient Faculty for the Theological courses. Our President, the Rev. Cornelius M. Steffens, D.D., has for the past ten years carried the enormous burden of expansion and the securing of current expense funds. This burden has become a tremendous strain on his life and powers, and the Church should come to his assistance.

VII. General.

We are indebted to our many friends for the generous assistance given during the year: The gift of Mr. L. H. Severance of the splendid dormitory, now fully occupied; gifts for the central heating-plant; and many useful books for the library.

We enrolled this year 174. The classification is distributed as follows: Seminary, 23; College, 52, and Academy, 99. Nearly the entire number is either of foreign birth or of foreign-speaking parentage. Nearly all are candidates for the ministry, thus giving the Church a leadership for the evangelization of the foreign-speaking peoples of America such as is found in no other school connected with the General Assembly.

In our Theological course we have faithfully attempted to teach the doctrines of the Church, the Holy Scriptures, and such other studies as may be most useful in the ministry of Jesus Christ.

We are grateful to the Head of the Church for unnumbered blessings, and are praying that the Church may come more largely to our help.

VI. CURRICULA.

A catalogue accompanies this Report, giving the curriculum in detail. It is doubtful whether harder or more faithful work is done in any other Theological Seminary.

The Graduating Class cannot furnish near as many men as are called for from the wide field.

Of the Presbyterians, two will go to the Zulus in South Africa, one will go to a strategic church in Los Angeles, Cal., and another will go to the growing State of Oklahoma.

VII. NEEDS.

Instead of enumerating them, and they are many, we would lay emphasis on one. And in a certain sense we accept it as a parting charge from him who presided over the destinies of this School of the Prophets for nearly fifty years. Shortly before his death, Dr. I. N. Rendall repeated his longing for a building in which the religious and social life of the students might find scope. They need a place where the missionary societies, and other gatherings for the advancement of religious activity, can meet and work. In connection with it there might be also, with advantage, some of the features of a gymnasium, especially for exercise in the winter months. Such a building could be erected for $40,000.

VIII. GENERAL.

The 15th day of November, 1912, is the date most to be remembered in the year. It was the day of the translation of Rev. Isaac N. Rendall, D.D., who came here in his young manhood, as President, in April, 1865. His eye was not dim, his carriage was the most erect on the campus, his counsel was never more safe or sound: eighty-seven years were never more gracefully carried. When he first came he found one student wrestling with the problems of Theology and Philosophy, while blissfully ignorant of the multiplication table and of English grammar. One small public building, the second story of which was reached by a wooden stairway on the outside, and one residence for himself, constituted the buildings of Ashmun Institute. There was no endowment. When he left the sphere of his earthly labors, there was a thoroughly taught and furnished College and Theological Seminary curriculum, twelve public buildings, and a like number of individual residences, and about $300,000 worth of grounds and buildings, and nearly $700,000 of endowment.

More than 2,000 young men had been graduated from College and Seminary, and had been scattered over the United States and the West Indies and South and West Africa. The living of them call his memory blessed, and many a beautiful tribute has come from these alumni, telling of his influence of their lives.

On the 3d of June many of them will gather at the University to place on the chapel wall an "Alumni I. N. Rendall Memorial Tablet" and to present to the University an "Alumni I. N. Rendall Scholarship" of $2,500. The University is grateful to God for tokens of His favor, and while this year is especially marked by this great break in our ranks, yet we are thankful to a favoring Providence for sparing this life so long, and for making the borrowed years among the richest in wide-reaching and blessed influence.

3. The following were graduated: Robert Z. Beaty, Jordan E. Phifer, Lionel B. West.

IV. FINANCES.

Since the Theological Department of Biddle University has no holdings separate from the other departments of the Institution, and since most of the Theological instructors teach also in the Collegiate Department, it is neither convenient nor practicable to make a financial report on the Theological School.

V. LIBRARY.

Whole number of books in the Library, 8,000. Number added during the year: (*a*) Bound volumes, 1,000; (*b*) Pamphlets, 70.

VI. GENERAL.

While the number of students enrolled in the Theological Department during the current year is smaller than usual, the number of candidates for the ministry in the other departments of the University shows an increase. One of the men who will graduate from the Theological Department, May 29, will offer himself to the Foreign Board to be sent to the "Dark Continent" as a missionary. May God open a way for this young man to realize his long-cherished hope.

VI. GENERAL.

The Seminary desires the approval of the Assembly in its effort to secure $100,000 for the endowment of professorships and $25,000 in $1,000 scholarships—a total of $125,000. A contribution to this latter cause at the present time means a contribution to missions. The Seminary is situated within the mission field of our country, and most of her students come from, and most of her graduates return to, this field. The calls to the outgoing class of this year, as in other years, far outnumbered the membership of the class.

Abstract of the One Hundred and Eleventh Annual Report.

The Board of Home Missions respectfully presents to the General Assembly this its One Hundred and Eleventh Annual Report. An unusual number of our faithful missionaries have been called from their labors to their reward. The honor roll numbers sixteen.*

Mr. William H. Corbin, for seventeen years a member of this Board and valued in its council, especially in legal matters, ceased from his earthly labors on September 24. The Board records its earnest appreciation of his services, often professional and freely rendered.

* See list, p. 115.

At the very beginning of the new year, on April 4, the oldest member of this Board was called home, the Rev. Wilson Phraner, D.D. He was for a generation actively engaged in the service of the Home Board, chairman of its Application Committee for many years, and a frequent representative of the Board before Presbyteries and Synods. The Board of Home Missions mourns the loss of one of its most faithful and efficient members.

The report of the Treasurer gives full and exact account of the large financial outgo of the year. The largest expenditure, as usual, is in the Evangelistic Department, in the opening of new work and the nurturing of the old. On this we have spent more than in any previous year in the history of the Board.

The year has been one of marked progress along the many lines of the Board's activity. Perhaps the most notable movement has been in the line of synodical organization. The development of a synodical consciousness and responsibility has been pronounced in a large number of States, and has tended toward more compact and comprehensive forms of missionary service.

FEDERATION OF SELF-ADMINISTERING SYNODS.—The Assembly of 1912 approved, and recommended to the Board and the Synods concerned, a plan with two main features—the federation, in groups, of the self-administering Synods, and the establishment of intimate relations between them and the Board through corresponding members.

Three groups were authorized: the Eastern, the Central and the Western. The last two have been approved by the constituent Synods, and the representatives have met in their respective Federation Councils. These Councils consist of two representatives of each constituent Synod, with representatives of the Board sitting as corresponding members.

The Western Group, including the Synods of Iowa, Kansas, Nebraska, Missouri and Minnesota, held its Council meeting in Omaha, February 21. An entire day was devoted to the discussion, and action of great importance was recommended to the constituent bodies.

The Central Group, including the Synods of Indiana, Illinois, Ohio, Michigan and Wisconsin, held its Council meeting in Cleveland, January 28 and 29, in conjunction with other conferences in which the members were concerned. Organization of the group was effected, and recommendations made to the constituent bodies, which will enable the Council to render larger service in the future.

The Eastern Group has not been organized. One Synod voted in disapproval of the plan. Two others did not designate representatives. The New England Synod has been formed since the meeting of the Assembly. When the Council is fully organized it will include the Synods of New York, New Jersey, Pennsylvania, Baltimore, West Virginia and New England.

The other feature of the plan approved by the 1912 Assembly was the designation of corresponding members, one from each of the self-supporting Synods federated, to meet with the Board, at the Board's expense, at one of its meetings during each year. These members have also the right to attend such other meetings as they may be able to attend. The corresponding members were asked to be present at the March meeting in pursuance of this plan. A preliminary conference was arranged during the morning of that day. The conference continued also after the official meeting of the Board had adjourned. The discussion was most fruitful, and the plan commended itself to the corresponding members so fully that they asked for the designation of two days next year, when fuller discussion of common interests might be conducted and a wider range of topics considered.

PRESBYTERIAN DEPARTMENT OF MISSIONARY EDUCATION.—The Presbyterian Department of Missionary Education was created by act of General Assembly, May, 1912, uniting the educational work of the Home Board, the Foreign Board, and the Board for Freedmen. The year has been one of organization. The representative of the Home Board is the Rev. Jay S. Stowell. The coöperation between the three Boards mentioned and also the Missionary Department of the Board of Publication has amply justified itself.

There have been enrolled in the department, including all groups studying home and foreign missions, 2,975 classes. Of these 899 used home mission textbooks and 1,759 foreign.

The work reported through the department in this first year of its existence is considerably larger than the total work previously reported in any one year by its constituent Boards.

SPECIAL DEPARTMENTS.—Attention should be called to the fact that with the tendency toward cities and the increase of the problems of city life, the Board is increasingly called on to give service in one form and another to our great centres, both East and West.

The work of the various new departments has been extensive and encouraging. Thus the demands from Presbytery and Synod for the service of our Social Service, Immigration, and Church and Country Life Departments have been far in excess of our ability to meet them.

BUREAU OF SOCIAL SERVICE.—Each year during the past three or four years the Bureau of Social Service has been called upon to direct an important interdenominational movement, because it is generally acknowledged that the Board of Home Missions is well equipped to handle such campaigns. In each case the major part of the expense of these campaigns has been borne by the coöperating agencies, the Board merely paying its own allotment.

The most recent of these movements was the publicity campaign conducted under the direction of the Rev. Charles Stelzle, superintendent of the bureau, for the Home Missions Council and the Council of Women for Home Missions. This campaign occupied the attention of the bureau for a period of six months, culminating in Home Mission Week, November 17 to 24, 1912. One of the unique features of this movement was the fact that it touched the remotest church in the open country as well as the biggest church in the town. The bureau corresponded with representatives in the nearly 2,500 cities having a population of 2,500 and over, for the purpose of organizing local committees which should have charge of the arrangements for Home Mission Week. Such campaigns were actually organized in fully 1,000 cities, 22 out of 28 larger cities in the country had meetings of some kind during the period.

April 1, 1913, marked the tenth anniversary of the beginning of the Home Board's work in behalf of workingmen. At that time Mr. Stelzle was called from the pastorate of the Markham Memorial Church in St. Louis to become a "general missionary" among the workingmen of the United States. Soon the Department of Church and Labor was organized, which, later, was merged into the Bureau of Social Service. Following are some of the outstanding accomplishments of the ten years' work:

The changes in sentiment between Church and labor have practically undergone a revolution in the past decade. There is no longer the hopelessness on the part of the Church nor the superficial attitude on the part of labor. Social service workers have come to realize that the Church is adequate to meet the modern social and religious conditions, especially in our great cities. "Labor Sunday," now observed by practically every Protestant denomination throughout the United States, was established, as was also the plan of sending ministers to central labor unions as fraternal delegates. These ministers are in many cases serving as chaplains to organized labor and are having a most wholesome influence on workingmen. Almost from the beginning of the Board's work in this connection special articles have been syndicated to every labor paper in the United States and Canada, there being something like 350 of these. This has proved to be one of the most effective methods inaugurated. It has resulted in a complete change in the attitude of the labor press and of the labor leaders toward the Church. In the great workingmen's mass meetings conducted on Sunday afternoons during the winter season, fully 500,000 workingmen have been addressed. Important shop campaigns have been conducted which were attended by 250,000 men and women. The bureau undoubtedly holds the record for men's meetings.

DEPARTMENT OF CHURCH AND COUNTRY LIFE.—The Department of Church and Country Life, the Rev. Warren H. Wilson, Ph.D., superintendent, has become a practical efficiency bureau. The work has grown, as it was initiated, out of requests by Presbyteries and Synods for special service on behalf of country churches.

What the Department Advocates.—The incessant traveling of the workers in the department furnishes them with their message. They are constantly observing the efficient work of men in the country and advising others of the principles and the methods involved in this work. They are teaching everywhere only that which churches are teaching somewhere in the country. The effective evangelistic, educational or social work of any country pastor is by the department published to other pastors and churches as an example and stimulus. What is not done in the churches is not taught in the department. By the demand for practical guidance we have been forced to reduce our proposals to the barest essentials, namely: the survey of the field, either by a presbytery or a community, as a preliminary to Christian ministry there; evangelistic work, where it may be followed up with the work of the pastor; institutes for the training of the people in the churches in the conception of an efficient church; the establishment of rural pastors who will live with country people and serve them at first hand. The Board believes that it is useless to hope for the maintenance of Christian life and character or for the survival of the country church, without the resident and devoted pastor's living in the country.

Department of Immigration.—The work of the Board of Home Missions among the recent immigrant populations is carried on through its Department of Immigration, the Rev. William Payne Shriver, superintendent. All the studies and missionary work of this department are effected directly on the field and only upon the request of Presbyteries and Synods.

In the past year the Board coöperated with 22 Presbyteries, from coast to coast, in carrying on work in 67 different centres in as many immigrant communities. Over 80 missionary pastors, visitors and lay workers have been commissioned and over $75,000 granted directly to the field. Eight languages are regularly employed: Italian, Magyar, Ruthenian, Bohemian, Syrian, Scandinavian, Armenian and Polish.

Daily Vacation Bible Schools.—The child life of our city and immigrant communities makes an irresistible appeal; and 26 of these schools were set up under the general auspices of the Board's Immigration Department in New York, Brooklyn, Newark, Baltimore, St. Louis and Cleveland, in 1912. They enrolled over 5,000 children.

Leadership.—While fully recognizing the place which young men of foreign birth or origin may be expected to take in the Church's work among our recent immigration, the Home Board's increasing experience leads it strongly to the conviction that conditions in our great cities and at the tense centres of industrial life create a field for the same type of young American that is volunteering for work in foreign lands. To emphasize the urgent need of this type of American leadership and to facilitate its training, the Home Board announced its series of Immigration Fellowships, open to recent graduates of theological seminaries, duly licensed or ordained by a Presbytery. Three appointments were made to these Fellowships last year. With the close of the year, four additional appointments were made to become effective in the new fiscal year. Of the seven thus chosen, four received the highest honors of their respective seminaries. Fields are already waiting the return of these men.

The chief publication of the department in the year has been a 44-page pamphlet, "The Presbyterian Church and the Immigrant."

In the large city and industrial centres where immigration work is to be set up or carried on, the Board makes it a policy to require proper equipment as a basis for coöperation in maintenance. In the past two years this policy has facilitated the investment, by local Presbyteries and Synods, of $135,000, for new buildings for immigration work, to which may be added $40,000, the value of the new building of the Green Street Church in San Francisco—a total of $175,000.

Department of Indian Missions.—There is much of encouragement in the report of the Department of Indian Missions and its advance in the last year. The advance may be summarized as follows: Churches, 116; mission stations, 118; ordained ministers and helpers, 84, with 78 assistants; total number of communicants, 7,777; and estimated adherents, 18,608, not including 1,500 native Alaskan Presbyterians.

The superintendent, the Rev. Thomas Clinton Moffett, D.D., spent five months of the year in visiting the missions on the various reservations, which are widely scattered throughout many of the Western States, thus keeping the Board closely in touch with the missionaries, their difficulties and needs.

The 14 national Boards represented in the Home Missions Council, which are engaged in work for the Indians, have coöperated and have exemplified comity and the unity of effort in relation to Indian missions, to a marked degree. Most of the correspondence, and the efforts for a united advance in this interdenominational work, have been carried forward through the department of our Board, and one of the largest gains in efficiency and influence, since the erection of this department, has been along the line of mutual service with our sister Churches. The Indian Committee has vigorously prosecuted efforts in New York by interdenominational conferences, and in Washington by hearings before the Secretary of the Interior and the Commissioner of Indian Affairs, to secure just recognition by the Government of the large work, and influential coöperation of the mission forces laboring for the uplift of the Indians of the whole country. In interdenominational relations our Church has been blessed in a special place of privilege and leadership.

The District Work.

The District of the South and Southwest.—For the section, comprising the Synods of Alabama (including Florida), Arkansas, Kentucky, Mississippi, Missouri, Oklahoma, Tennessee (including our work in Georgia and North Carolina) and Texas (including our work in Louisiana), the field secretary, the Rev. B. P. Fullerton, D.D., LL.D., presents the following statement:

Material conditions in the District of the South and Southwest have not greatly changed from what they were a year ago.

The prospective opening of the Panama Canal has led far-sighted statesmen and Church leaders to believe that the South will become the rendezvous of immigrants from southern Asia as well as southern Europe.

The disturbed condition in Mexico has resulted in a large immigration into Texas.

During the summer, conferences on home mission methods and work were held in connection with the Bible school at Lebanon, Tenn., and the Presbyterian Assembly of the Southwest at Hollister, Mo. At the latter place the Rev. Moses Breeze, D.D., special representative of the Board, held conferences and delivered addresses that have been productive of good.

An arrangement was made between the representative of the Foreign Board in the district and the representative of the Home Board to carry out a program at the meetings of the Synods in the interest of benevolences, with special reference to home and foreign missions and the budget. The Synods very graciously gave a day and evening to this program.

All of the Synods adopted a plan for the reorganization of the field force, providing for a superintendent of home missions for the Synod, with a sufficient number of assistants to cover the field adequately, all of whom should be appointed and commissioned by the Board, with the consent of the Synod and the advice of the Synod's Home Mission Committee.

District of the Northwest.—For the year's work in the District of the Northwest, which comprises the States of Minnesota, Nebraska, and North and South Dakota, the field secretary, the Rev. William H. Kearns, D.D., presents the following statement:

This district has an area of nearly 307,000 square miles, and a population of almost four and one-half millions of people. About one million are classed as foreigners. There are 27 Presbyteries, including Dakota (Indian), with 870 churches, having a membership of nearly 62,000. About 50 per cent. of these churches are more or less dependent upon home mission aid in the supporting of their ministers.

In the matter of local supervision of the mission work, there has been considerable progress. The presbyterial and synodical committees have been more compactly organized, with the view of more thoroughly supervising the work in their territory. Each Synod of the district now provides for synodical review, and recommendation to the Board of the budget of aid needed by the Presbyteries. The results of this method of procedure are apparent in the increased interest manifested by the committees, and in setting apart more time at the meetings of Presbyteries and Synods for the discussion of the problems and work of home missions. The committees are also more fully recognizing the responsibilities of the work laid upon them by their respective bodies, and it is now not an unusual thing to find a Synod's committee meeting from two to four times a year and continuing in session two days at a time.

The relations of the ecclesiastical bodies to each other are more cordial than formerly. Comity sentiment has increased with the year. Work along this line is probably the best organized in Nebraska, where an executive secretary and an assistant devote their entire time to the work. In South Dakota the state federation meeting was the most enthusiastic and successful thus far held. As one result of this growing sentiment in a few small towns two or more churches have been federated under one minister. As our mission fields are more carefully studied, it is apparent that there is not a great deal of overlapping. In many places ours is the only English Protestant church. At the meeting of one Synod's committee it was brought out that in one Presbytery, out of 21 churches asking aid, only 3 were in towns having other English Protestant services.

In some parts of the district there is spiritual destitution. This is mostly in the sparsely settled parts of western North and South Dakota, and in northern Minnesota. How are we to serve these people? Two or three Presbyteries are trying the plan of placing ministers at strategic centres from which they shall reach five or six churches and out-stations.

Rocky Mountain District.—For this section, which includes Montana, southern Idaho, Utah, Wyoming, Colorado, New Mexico and Arizona, the field secretary, the Rev. Robert M. Donaldson, D.D., presents the following statements:

This district comprises 6 Synods and 24 Presbyteries. Initial steps have been taken to organize Wyoming into a separate Synod, which will make one Synod for each State in the district.

Several events of more than passing interest mark the closing year. The needs and opportunities of country life were emphasized in a summer conference of two weeks, held in Estes Park and attended by 35 ministers. Planned as an interdenominational conference, it was attended only by Presbyterians. They represented our rural work in the States of Colorado, Wyoming, Utah, Arizona, New Mexico, Kansas and Nebraska. Local conferences have been held in churches and communities, growing out of the suggestions received in the above institute. The fact that about one-third of all churches in the Rocky Mountain District are of this type, and that nearly all our new organizations are in rural regions, make this study imperative.

In June the initial conference concerning work among Spanish-American people in the United States was held at Albuquerque. This was interdenominational, including secretaries and field workers from all denominations enlisted in this enterprise. The results were so far-reaching that a permanent Council has been established. This includes all evangelical work in the five States of California, Arizona, New Mexico, Colorado and Texas. This makes imperative the training school for evangelists which is contemplated in connection with Menaul School at Albuquerque.

Pacific Coast District.—For this section the field secretary, the Rev. William Sylvester Holt, D.D., presents the following statement:

This district covers Washington and northern Idaho, Oregon, California and Nevada, having 3 Synods and 25 Presbyteries.

The largest development at present in this district is in the famous San Joaquin Valley. Large tracts of land heretofore used for farming, cut up into smaller tracts, are being sold out to settlers. New towns are developing along the Southern Pacific and the Santa Fé Railroads, and new irrigation projects are bringing land under more intensive cultivation. This has largely increased the population, and the demand for home mission work.

In all three Synods the most marked growth is in the great cities. The following facts, from the Statistical Department of the Census Bureau for the year ending December 31, 1912, are most significant:

Tacoma	in 1910,	82,972;	in 1912,	96,404
Spokane	" "	104,402;	" "	124,657
Portland	" "	207,214;	" "	240,597
Los Angeles	" "	319,198;	" "	399,240
Seattle	" "	237,194;	" "	286,322
San Francisco	" "	416,912;	" "	437,241

City home mission work manifestly needs immediate and careful attention if we would meet the situation. The Presbyteries are alive to it. This means that the demands for home mission work in the cities are growing faster than the demands of the country about them. The Presbyteries are alive to the situation, and are doing their utmost to meet it.

ALASKA.—*Yukon Presbytery.*—The work in interior and northern Alaska differs this year somewhat in its personnel. From *Barrow*, as was noted last year, Dr. and Mrs. Marsh and their family returned from the rigors and loneliness of that distant station among the Eskimos on the Arctic coast.

Finding no ordained missionary physician to succeed them, the Board availed itself of the presence at Barrow of the Rev. Delbert W. Cram, a minister of the Congregational Church. By the courtesy of the Bureau of Education, Mr. Cram was transferred temporarily to the work of this Board.

At the last Assembly an earnest message was brought from the Presbytery of Yukon in behalf of the field in and about *Cooks Inlet*, with increasing population and utter lack of Church influence. In response to this plea, the Board, the latter part of the summer, secured the Rev. Thomas P. Howard, who had proved his right to greater privilege of service through years of home mission work in the Northwest.

Our Church will want to become acquainted with the names of some of the stations in his far-reaching frontier itinerary: Knik, Willow Creek, Susitna, Beluga, Tyonic, Turnagain Arm.

The third of the Board's new appointees to Yukon Presbytery is the Rev. Ernest N. Bradshaw, D.D., who from his pastorate at Leon, Ia., is on his way to the new section centering at *Ruby*, beyond Fairbanks.

Our remaining field in Yukon Presbytery lies far to the south of Fairbanks and on the coast—*Cordova*. Here the Rev. M. Egbert Koonce, Ph.D., has continued his careful earnest service.

Alaska Presbytery.—The year in southeastern Alaska has had several characteristic features. For the first time the home mission committee of the Presbytery has made a systematic visitation of all the fields, studying them with a view to greater efficiency of service and economy of effort. In connection with this visitation, the Rev. David Waggoner, of Klawock, a member of the committee, with his missionary boat, acted as host throughout the entire period. There has been further equipment of our Alaskan missionaries with boats, without which they are unable to do proper pastoral work or reach their out-stations.

PORTO RICO.—The only change in the personnel of the Board's force has been the addition of the Rev. Thomas R. S. Butler, who went to Anasco upon his graduation from Auburn Theological Seminary last May. The imperative need continues for young American pastors and their wives, able to speak or to learn Spanish, to share in the privileges and the problems of the Porto Rican service.

The year has witnessed three or four most significant advances in connection with the work of our Board:

1. The exchange of school work in San Juan for community work, in charge of two experienced, capable and consecrated young American ladies.

2. The enlargement of the medical work in Mayaguez. Until the early part of 1912, the force of the Rye Hospital included only one medical missionary and one nurse and a Porto Rican pharmacist. An interne and a second nurse have been supplied. An important item to be noted in connection with the Rye Hospital is the fact that out of an annual current expense of $2,848, the hospital has returned to the treasury of the Board $2,470—almost the whole amount.

3. The establishment, on a firmer footing, of the project looking toward the Polytechnic Institute in San German. The reason for the Polytechnic Institute

of Porto Rico is based on the fact that in all Latin countries—Porto Rico included—work is generally considered as below the dignity of an educated individual. Only those of the peon class can work without hurting their feelings. Therefore, to the uplift of the Porto Ricans, it may be conceded that industrial training is essential. To teach its students to feel the dignity of work and how work can be efficiently and economically performed, both by men and women, is therefore the no mean purpose of this Institute. The President of the Institute is the Rev. John William Harris, our missionary at San German, Porto Rico.

4. More definitely, in the line of missionary coöperation between the various denominations pledging themselves to work together on a comity basis, when the door opened widely, in Porto Rico, to missionary work, at the time of the Spanish-American War, is the agreement of the past year, upon which our Training School at Mayaguez has become a Union Training School, shared by the United Brethren and our own body.

CUBA.—The Rev. J. Milton Greene, D.D., superintendent of our work in Cuba, presents the following statement regarding the work in that field:

During the year just closing, regular weekly services have been maintained in 38 chapels, by 19 ministers, who have also conducted 36 Sabbath-schools, with a total attendance of more than 1,600. Coöperating with these agencies, we have had 13 day-schools, with an attendance of over 600 children.

A large number of candidates for Church membership await reception, but we have preferred to prolong the period of preparation in order to make sure, as far as possible, that they shall prove sincere and steadfast. This seems to us especially necessary among a people so impressionable as are the Latin races. In these Roman Catholic countries, the actual increase in Church membership indicates only a very small part of the influence exerted by our evangelical missions. Our native brethren often remind me of this, and instance the growth of religious toleration, the removal of fanatical prejudices, the correction of false beliefs concerning Protestantism, the exemplification of purity in heart and life, the sanctification of the home and of the Sabbath, and the identification of the ministry with the people in all whereby they may be serviceable to them.

Then, too, our schools have enjoyed a year of great prosperity, as is seen in Sancti Spiritus, with 120 pupils; Cienfuegos, with 80; Cabaiguan, with 50; Guines, with 80; Vedado, with 60; and Soledad with 120. What all this means as indicating the presence and operation of a divinely regenerating force at work to prepare a new future for Cuba, can hardly be set forth in its true proportions. Morally speaking, the Cuban situation is chaotic. Interminable confusion exists in the minds of the masses as to God's character, as to worship, sin, repentance and salvation. Such a thing as a morality based on inflexible law, with its corresponding penalty in the matter of veracity, honesty, chastity and reverence, cannot be found among the masses of the people and it is hard to find even among those most cultured.

WOMAN'S BOARD.—The Board mourns the loss by death of three of its members: Mrs. H. C. Campbell, Mrs. S. F. Hallock and Miss Mary J. Peck. Mrs. Campbell and Mrs. Hallock were in the prime of life—loyal, loving members, devoted to the cause of missions, and we had fondly believed both would be our fellow associates for many years to come.

One missionary, Miss Antoinette Brengle, so closely identified with Mexican plaza missions, and later with the Allison School at Santa Fé, has answered the summons to higher service. We cannot let pass the opportunity to make grateful mention of Mrs. A. R. McFarland, in her early life a missionary among the Mexicans and Indians, and yet forever associated in thought with Alaska, as there she was the pioneer missionary, and during her first winter the sole representative of the Christian Church in that far-off country. We thank God for the inspiring lives of these our friends and lovingly cherish their memories.

Finances.—The total receipts of the year, including Freedmen, Emergency Fund, etc., were $598,244.24, but of this only $460,304.20 was available for current work. For complete statistical information consult the Annual Report. The year opened with a depressing debt, accumulated during three years, and largely caused by deficits on many building operations. This, of course, made any new work impossible. With thankful hearts we report that the debt is entirely paid, and record grateful appreciation of the action of the Board of Home Missions in canceling the balance due on the Sitka buildings ($14,466), included in the debt statement of $56,805.94 reported March 31, 1912.

During the past four years the Woman's Board has been obliged to erect many buildings. Every field has shared in these sadly needed improvements, but the most extensive operations have been in Alaskan and Mormon territory. As the final payments on many of these buildings were included in the debt statement of $56,805.94, provision for meeting which was made during the year just closed, we record here the complete list of new buildings, enlargements and purchases: Haines Hospital; six buildings Sheldon Jackson School, Sitka; Point Barrow, Alaska; Ganado, Ariz.; North Fork, Cal.; Jewett, N. M.; Emdudo, N. M.; Albuquerque, N. M.; Mt. Vernon, Ky.; Lawson, W. Va.; Hot Springs, N. C.; Mt. Pleasant, Utah; Panguitch, Utah; Guines, Cuba; Pueblo Nuevo, Porto Rico; Mayaguez Marina, Porto Rico.

The total cost, including equipment, aggregates nearly $300,000. The titles of this property, as of all other secured by the Woman's Board, are held by the Board of Home Missions.

Years ago, the Woman's Board accepted from the Board of Home Missions the support of certain ministers supplying churches organized as a direct result of its work. The past year, at the request of the Woman's Board, the Board of Home Missions has resumed the salaries of these ministers, as well as the support of Point Barrow and other picturesque fields.

The Woman's Board not only maintains the Church's secondary schools, boarding, training, industrial and day-schools, and a number of hospitals, but it erects the necessary buildings and provides equipment.

Young People's Department.—Beginning with 1888, the Board's Reports show an "annual anniversary collection from Sunday-schools and Christian Endeavor Societies," for home missions. In 1893 the first itemized statement of these gifts was printed, and the fund reached over $8,000. By this time the young people demanded periodical information of the work toward which they were giving, and the officers of the Board could not give the attention required for such details. The Young People's Department was the result.

It is with a pleasure, not unmingled with wonder, that we compare the financial records of the past fifteen years. In the first report of your present secretary (for the year 1898–1899), the statement shows $36,391 from Sunday-schools, and $26,868 from the Christian Endeavor Societies. In 1902–1903, the figures were, in round numbers, Sunday-schools, $38,000; Christian Endeavor and Juniors, $28,000; other young people, $23,000. In 1912–1913, the records stand: Sunday-schools, $49,871.22; Young People's Societies, $27,486.82.

The steady increase in the figures for each of the intervening years is significant, in the face of changing conditions among the young people, and in spite of the slight decrease of the past two years, the slight fluctuation in their gifts is a silent testimony to the value of this department of our Board. The secret of even "holding our own" is the attention to details and the loyal coöperation of the young people's secretaries.

Literature Department.—We report with sincere gratitude the largest distribution of home mission literature ever recorded. This result in our work has been attained by a careful and continuous campaign of education.

Receipts from sales of publications, including those of the Woman's Board, reached the splendid total of $11,123.65. Of this, $2,683.63 was deposited with the treasurer of the Board, and $8,440.02 with the Woman's Board. This total includes receipts from sales of leaflet and pamphlet aids on the topics recommended for study each month; the income for Prayer Calendars, of which, with the exception of gift copies to our commissioned workers, an edition of 16,000 has been sold; text-books for study classes; and rentals of stereopticon slides that practically meet the expense of maintaining our lecture department.

Conclusion.—Thus we have given you the work of the year. It tells its own story. It comprehends a wide and steadily widening range of our activities. These activities have not been sought. They have knocked insistently at our door. To have been deaf to any one of them, in our judgment, would have been unfaithfulness to manifest duty.

We have tried to make efficient a nation-wide program. Success in any great enterprise in these days waits on efficiency of supervision and direction. In our minds the line of our advance is beyond question. The program for the salvation of our country must be as comprehensive and adapted as are the multiform foes that threaten it. To this program in essential outlines, repeatedly approved by the General Assembly, we pledge ourselves as an accepted policy, and call on our great Church to match the occasion to which we have come, with their sustained support and their unfailing prayers.

We have rejoiced in the partnership of service with our more than two thousand missionaries and teachers, and now submit this record to the considerate judgment of the General Assembly and the Church.

Respectfully submitted by order of the Board,
CHARLES L. THOMPSON, *Secretary.*

ABSTRACT OF THE SEVENTY-SIXTH ANNUAL REPORT.

The number of deaths of devoted friends and faithful missionaries of the Board may not have been larger this year than in previous years, yet the types of character represented in those who have finished their labors are most significant. The deceased are:

Mr. William Rankin, former Treasurer, October 2, 1912, 102 years of age.
Mr. E. O. Emerson, July 9, 1912.
Hon. Hamilton King, Bangkok, Siam, September 1, 1912.
Dr. Horace M. Lane, São Paulo, Brazil, October 27, 1912.
Rev. Samuel Jessup, D.D., Sidon, Syria, July 15, 1912.
Rev. Henry B. Pratt, December 13, 1912.
Mrs. Samantha Knox Condit, August 18, 1912.
Mrs. J. M. W. Farnham, Shanghai, China, February 22, 1913.
Mrs. T. C. Winn, October 9, 1912.
Rev. William B. Hamilton, D.D., Tsinanfu, China, June 3, 1912.
Mrs. S. A. Moffett, Pyeng Yang, Korea, July 13, 1912.
Mrs. Henry Forman, December, 1912.
Mrs. James B. Cochran, September 22, 1912.
Dr. Nan M. Lattimer, August 16, 1912.

These deaths have made great gaps in the ranks of the missionary army. We are glad to report that during the year the Board has sent to the field 78 new missionaries.

Home Department.—It is thirteen years since the Board formally constituted the Home Department as a separate branch of the organized work of the Board. At that time we reported to the Assembly:

Missionaries	728	Communicants	37,820
Ordained preachers	170	Sabbath-school pupils	26,611
Other helpers	1,163	Hospitals	35
Organized churches	626	Dispensaries	47
Patients treated	321,836		

This year we report:

Missionaries	1,160	Communicants	122,009
Ordained preachers	315	Sabbath-school pupils	136,846
Other helpers	4,970	Hospitals	73
Organized churches	678	Dispensaries	118
Patients treated	456,658		

This growth has not been confined to our own Church. And in our own Church it has been due to many coöperating influences. The work is expanding along all lines. During the year there has been sent out from the Board rooms not less than 973,672 pieces of literature setting forth the various phases of the work of the Board. The Library of the Foreign Board has loaned 1,149 volumes during the year, while the stereopticon slides were used 846 times.

In June, 1912, acting upon the authorization given by the General Assembly, the Board united the work of its Educational Department and the educational work of its Sunday-school Department with similar work undertaken or outlined by the Boards of Home Missions and Missions for Freedmen and the Missionary Department of the Board of Publication and Sabbath School Work, in a joint department under the title, "The Presbyterian Department of Missionary Education."

The Presbyterian Department of Missionary Education reports the following results of its foreign missionary educational work:

Out of a total of 2,975 Mission Study Classes, with 47,230 members, in 1,734 churches, which have been reported during the year, 2,076 classes have studied foreign missions. This was a net gain of 497 foreign classes over last year. And 12,082 text-books, both home and foreign, were sold, and 67,520 pieces of literature, to aid class organizers and leaders, were distributed.

Considerable literature for use in Sunday-schools was issued under the imprint of the department.

As regards the offerings from Sunday-schools to Foreign Missions, the receipts a year ago were $76,410.34; this year, $80,299.21; a gain of $3,888.87. In addition to this, must be added receipts from Sunday-schools for the China Campaign Fund.

The interdenominational observance of the Livingstone Centenary brought an unprecedented number of orders for the Easter supplies. The number of Easter orders this year, as compared with last, was: 1912, 1,373; 1913, 1,640; a gain of 267. Programs on orders in 1912, 147,527; in 1913, 166,561; a gain of 19,034.

The district secretaries have been coöperating most efficiently with the representatives of other Boards in carrying out the Budget plan as recommended by the General Assembly. In the Eastern District a large portion of the time of the secretary has been devoted to coöperating with representatives of the Home Board, in united Missions campaigns, both in city and country Presbyteries.

The Board has already—following the recommendation of the Joint Conference of the Executive Commission and representatives of the Boards—started plans for the Simultaneous Every-member Canvass, to be held in March, 1914. An entire number of the little periodical published by the Board, entitled "All the World," was devoted to the setting forth of principles which underlie the Simultaneous Every-member Campaign.

Much of the time of the field secretaries and of the official secretaries of the Board was devoted to carrying out the resolution adopted unanimously by the last Assembly, to the effect that the Board, within three years, should send to China 100 new missionaries as an extra, not including wives, and that an equipment necessary appropriately to provide for the needs of the new workers should be furnished. The China Campaign thus inaugurated has been carried on with great enthusiasm. Reports which come from China indicate that conditions are growing even more hopeful, with the passing months, and the crisis, so far from having passed, seems to be more imminent than it was when the Assembly instructed the Board to send out this emergency call to the whole Church.

SURVEY OF THE FIELDS.—A survey of the year's work in the Mission fields under the care of our Board, is not without encouragement. The work of the Board is carried on among so many lands, and is so interlaced with the political, social, moral, as well as spiritual uplift of the people, that the rapid commercial and political changes which are going on all over the world seriously affect the work of the missionary.

Latin America.—The rapid completion of the Panama Canal and the impetus given to various commercial interests on account of this, together with the Revolutions in South American countries and the Revolution in Mexico, have brought vividly to the attention of the Church the needs of Latin America. The Boards' Conference appointed a committee to consider the entire question of work among Latin-American peoples. This committee had a conference with the representatives of all Protestant bodies at work in South America. This conference adopted a platform, which we believe should be carefully considered by the General Assembly, in view of the possibility open for Christian service among these neglected peoples. It is printed in full in the Report of the Board.

Mexico.—Mexico again faces a parting of the ways. For the third time in twenty-one months, she has seen a new government inaugurated. Mexico is the dominating factor in this problem. Her influence extends to the southward beyond the Panama Canal. Our treatment of her determines the making or the marring of American prestige throughout this vast section of the New World.

Guatemala.—The year's work in Guatemala has gone steadily forward. There have been no revolutions in Central America, especially in Guatemala, to disturb the people, but Mexico seems to have furnished a sufficient amount of disturbance to supply the whole Continent.

The hospital has been completed, and equipment has been purchased and sent to Guatemala, and it is about to be opened at the date of this writing.

South America.—The visits of the Rev. George Alexander, D.D., and of the Rev. Eben B. Cobb, D.D., to Colombia and Venezuela, respectively, have occasioned an increased interest in these lands.

Colombia.—The Colômbia Mission has had a year of steady prosperous work. The whole Mission is facing its problem with new encouragement. During the year the station at Caracas has been set apart as a separate mission to be called the Venezuela Mission. Another event of very deep interest is the opening of a new station at Cerete. This station is situated in the fertile and populous valley of the Sinu River.

Venezuela.—By action of the Board, September 16, 1912, Venezuela, and particularly the work in Caracas, its capital, which up to that time had been an out-station of the Colombia Mission, was erected into a separate Mission—not only because its distance from Colombia made this imperative, but also because the work in Venezuela, which, since the year 1897, had been prosecuted on a "tentative" basis, had now, by the acquisition of land and the erection of a church building, become "permanent," and, further, because the need for the work seemed so great and the encouragement for its prosecution so manifest that the Board felt assured of the approval of God as it thus went forward.

On October 18, 1912, the Rev. Frederic F. Darley and his bride reached Caracas, to be associated with our veteran missionaries, the Rev. and Mrs. Theodore S. Pond.

On October 31, 1912, the first Protestant Church in all the Republic of Venezuela was dedicated. This church, which is located in the midst of the magnificent city of Caracas, and only one-half block distant from the central plaza on which the capital stands, is known as the "Church of the Redeemer," "Capilla del Redentor."

Chile.—The reports which have come to the Board have been full of both light and shadow. The most prominent feature is what might be called a reviving of Roman Catholic ardor. Methodical effort is being made to break up every new work that is undertaken, and to check, as far as possible, the work of our missions.

The work of the Instituto Ingles, under the efficient direction of Mr. Elmore, has been prosperous during this past year, and a positive religious influence has been exerted upon the students.

Brazil.—Increasing amounts of foreign capital are entering Brazil for the development of its resources—coffee and rubber and lumber and water-power. The city of São Paulo continues its extraordinary advancement, checked slightly, however, because of the stringency of money on the European bourses, due to the Balkan War. It is said that last year 5,000 new houses were built in São Paulo.

Philippines.—The year in these islands has not been without increased evidence of the strength and stability of the entire foreign missions enterprise, as carried on by the Presbyterian Church for the uplift of the Filipino people. It has been a prosperous one spiritually. From all provinces comes the story of many baptisms and increased interest. The spiritual environment of the great majority of the people has changed but little, although the official leaders of the Roman Church have been striving to reform the more patent abuses and to bring order out of the chaos that has existed in many places. Their work, however, has been greatly hampered by the inertia of their own people and the opposition of certain elements which remain from the old machine.

The educational work of our Mission has prospered as never before. Silliman Institute, which has had during the past year over 600 pupils, 320 of whom were internos (that is, boarding pupils), has closed a most prosperous year. There were 88 professions of faith among the students during the year, and the total number of Church members in the college among them was about 250.

The Ellinwood School for Girls in Manila has had a most prosperous year, but their accommodations are being taxed to the limit. The Ellinwood Bible Training School is one member of the Union Bible Seminary of Manila in which is conducted the work of the Methodist, Presbyterian and United Brethren Missions for the training of their young men for the ministry of the Gospel.

India.—The unrest and spirit of sedition which have caused so much concern in India in recent years have largely died away under the conciliatory influence of the new Viceroy, coupled with the strong but patient assertion of authority on the part of the government, and reinforced by the influence of a visit of the king and queen and their coronation at the great Durbar in Delhi.

In our own Missions the great problems are, how to care for the baptized village Christian communities, and how to make the educational work, which is the chief door of access to the upper-caste populations, more evangelistically fruitful, and how to lead on the weak and dependent native churches to a measure of genuine independence and self-support.

In the months of November and December, Dr. White and Mrs. White visited the W. India Mission Stations. Dr. White reports that he had the privilege of many interesting interviews with those in high official position, and with the chiefs of some of the native states. The most vital part of his visit was the conference at its close, in which all felt the presence of the Spirit of God, which led to practically unanimous conclusions. As a result of this Conference it was agreed that the educational work should be developed by the establishing of a High School in Kolhapur, where a marvelous opportunity, with the coöperation of the Maharajah, is presented. Emphasis is to be placed on the industrial work in the Sangli School. A careful plan of development and advance in the evangelistic work was mapped out. This plan includes the opening of four stations in the Deccan or Plateau, and four in the Konkan, or lowlands. Reinforcements are called for to carry out this new work.

Siam and Laos.—The Siam Mission has had a year of quiet progress. Conditions in Siam are still such that the missionaries have not been gladdened by the rapid advance which has characterized some other fields, but earnest, loyal, self-devoted work is being done, and the Mission and the Board have no reason for discouragement, but, on the contrary, have many reasons for pressing forward with renewed faith and hope.

In Laos the year was marked by an epidemic of malignant malaria. The unhappy people, stricken with panic by the ravages of the disease and losing faith in gods upon whose protection they had in vain relied, turned to the missionaries for guidance and assistance. The physicians of the Mission worked almost literally night and day treating the sick and counseling the people about methods of prevention.

Multitudes of the Laos people renounced their belief in gods and evil spirits and gladly confessed their faith in a Christ whose help in the time of need found such incarnation in devoted missionaries and in the contributions of the followers of Christ in America. The year has therefore earned large accessions to the churches.

A notable event of the year was the Board's action of February 17, authorizing the Laos Mission to send an exploring expedition into French territory east of the Mekong River, with a view to the selection of one more station for the development of missionary work. The Church will also be interested to know that another expedition, composed of representatives of the Laos Mission, the South China Mission and the chairman of the China Council, has been authorized to make a similar tour of exploration among the Laos population in Southwestern China.

Syria.—The Syria Mission has lived in a state of political uncertainty during the whole of the past year. The war with Italy in Tripoli could not but have its reflex influence upon the distant province of Syria, and while the conditions during that war seemed bad enough and the future of Turkey seemed dark, it was as nothing to the effect of the storm which burst with the outbreak of the Balkan War. In spite of the disturbances which have taken place, the year has been a most prosperous one in a spiritual sense. The Mission reports special meetings of Christian soldiers in the barracks at Beirut and at Hums. One of the letters from the field says:

"Large meetings of influential Moslems are being held daily and nightly in Beirut, and we are continually waited upon by messengers or deputations begging for help and guidance in these present troublous times."

The sanatorium work for tuberculosis patients, under Dr. Mary Eddy, continues to grow. During the year there have been a number of remarkable death scenes and testimonies.

Persia.—The spirit of intellectual inquiry and religious tolerance is such as no one could have predicted. There is entire freedom for evangelization throughout the country, and the majority of the pupils in the Mission schools, with the exception of the village schools among the Nestorians, are Mohammedans.

The Missions have been involved in no political difficulties and anticipate none, their purpose being of an entirely non-political character, and their whole influence being directed simply to making men and women better, to live under whatever form of government may prevail in the land. The Russian language is being taught in the schools, both in order to meet the needs of the people and to help them to relate themselves happily to the new political influences.

A new day has come among the women of Persia. Mr. Shuster testifies to the enthusiastic part they took in the nationalistic movement, and the eagerness with which they are now seeking education shows that even the long years of Mohammedan repression under which they have lived have not sufficed to destroy the elasticity of the human spirit.

Africa.—The work in the West Africa Mission up to the present time has not felt the influence of the Islam invasion. An occasional follower of the False Prophet has appeared in Southern Nigeria, and there are a few Mohammedan preaching places to be found in Kamerun. The Mission, however, recognizes not only the possibility, but the probability, of a speedy invasion of the followers of Islam, and is redoubling its efforts to reach these pagan people with the Gospel.

The Board, during the year, completed arrangements whereby the station formerly known as Baraka was transferred to the Société des Missions Evangéliques of Paris. This transfer has been under consideration for a long time. Many years ago the Board transferred to the Paris Society one of its stations on the Ogowe. The change was so manifestly for the good of the work that the Board made overtures to the Paris Society to take over Baraka Station.

Korea.—The most perplexing problem with which the Board has had to deal during the year has been in connection with the arrest, trial and conviction of a large group of Korean Christians. The conduct of the Korean Church during this entire period was most praiseworthy. The Church was on its knees. If there were any signs of rebellion among Christians, the most scrupulous examination on the part of the missionaries failed to reveal it. The Korean Christians gave an exhibition which the world has rarely witnessed of patience under trial, of submission to what seemed to be a wrong, and of trust in the ultimate triumph of the right, an exhibition worthy of Christians of long and mature experience, rather than of those who but yesterday emerged from the darkness of heathenism.

Japan.—In Japan, the past year has witnessed a notable advance in the power and influence of the Christian Church, and the recognition by the nation of the necessity of religion as the basis of its ethics and the foundation of its national life. The Synod of the Church of Christ in Japan held its twenty-sixth meeting at Sendai, in October. The subject of the opening sermon was "The Signs of the Times," in which the retiring president, Dr. Ibuka, referred (1) to the Three Religions Conference, (2) to the death of the Emperor, and (3) to the suicide of General and Mrs. Nogi, and dealt with the duty of Christians in connection with these signs. The meeting of the Synod illustrated the spirit of independence and of Christian fearlessness which characterizes the Church.

There are now sixty-six independent, self-supporting congregations in the Church of Christ, with 127 Mission Churches, and 55 additional preaching places conducted by Missions which are recognized as affiliated with the Church of Christ, though technically not coöperating with it. The number of Church members is now approximately 22,000, and there are nearly 14,000 Sunday-school scholars in 231 schools. The largest church in the denomination is in Yokohama, with a membership of 1,026, and the second in Tokyo, with a membership of 991. The Church in Japan and the Missions working with it are coming to a clearer realization of their task.

China.—The great interest in foreign missions throughout the world during the year, however, has centered on the new Republic of China. The Board has already notified the Assembly of the organization, three years ago, of the China Council. This Council is composed of representatives of the seven Missions in China, and is given very large powers. The chairman, the Rev. J. Walter Lowrie, D.D., gives his entire time to the work of the Council, visiting the various stations, conferring with the missionaries and suggesting plans looking to the greater efficiency of the entire work under care of the Board in the Chinese Empire. Extracts from the report of this Council as showing how the men actually on the field, who are close to the scene of action, regard the extraordinary opportunity now given to the Christian Church in the new China Republic are given in the full Report of the Board.

The task before the Presbyterian Board in China is gigantic, and can be accomplished only by prayer and faith and a spirit of self-denial, both in the consecration of life and of substance, such as the Church has not yet begun to realize.

In the summer of 1912, the Board purchased the property of the London Missionary Society, at Hengchow and Changsha. In order to carry on the increased work in the city of Hengchow, Miss Coxon, a valuable worker in the London Society, has been loaned to our mission work for one year. She is being of great assistance to the local missionaries in the Girls' School at that station. It has been decided to open a station in the city of Changsha in order to care for the work and to meet the opportunities presented by our assuming the responsibilities of the London Society.

Chinese, Japanese and Koreans in the U. S.—The work among the Chinese, Japanese and Koreans in the United States has shown commendable growth during the year, considering the restrictions imposed on these alien peoples by the immigration laws of the United States. The Standing Committee of American Workers among Orientals on the Pacific Coast, made a survey of the Chinese residing in California, who were not receiving any religious instruction.

The Chinese connected with the Presbyterian Mission on the Pacific Coast contributed nearly $2,000 for the extension of the kingdom—the Koreans added $600 to this amount, while the Japanese raised the magnificent total of $11,000, this latter sum being double the amount spent on the Japanese work by the Board. To this, of course, must be added some $1,500, raised by the Chinese in New York.

The Rescue Home at San Francisco has had, at times, a family as large as 70 during the year, many of these girls being rescued from what might have been lives of shame.

The Board and its officers have done everything in their power to carry forward the budget and apportionment scheme. We feel that there is need of the greatest care lest the educational processes which have hitherto prevailed should be neglected, and that every effort should be made to promote the every-member canvass and weekly subscription feature of the new plan, which are indispensable to its success. All receipts under the old system and also under the budget plan are as yet entirely inadequate to furnish the extra funds which the Board will need in the next few years, for these problems confronting the missionary enterprise, in Latin America, in the Islamic world, and in the ancient empires of the East. The Board must look to those whom Providence has blessed with large gifts to enable it to push forward the work at the present time, in some way commensurate with the opportunity which is now presented in so many fields white unto the harvest.

The Board reports the expiration of the terms of office of the following members, and recommends their reëlection, to serve for three years, in the class of 1913–1916:

Rev. Eben B. Cobb, D.D., Rev. James S. Dennis, D.D., Rev. John McDowell, D.D., Mr. John Stewart, Wm. E. Stiger, Esq., Mr. Alfred E. Marling, T. H. Cobb, Esq.

In behalf of the Board,
A. W. HALSEY, *Secretary.*

TREASURER'S REPORT.

The grand total of appropriations for the foreign work of the Presbyterian Church, U. S. A., for the year 1912–13, amounted to $1,913,685.51, of which

$44,188.81 represents property extensions made possible by the Property Fund allotted out of the Kennedy bequest. For the preceding year, this Property Fund furnished $831,657.77, and the appropriations were swelled to $2,750,613.98. It is plain that in comparing appropriations and receipts for the two years, these special funds should be excluded, and also the large sum of $197,550.38, received during 1911–12 as the Jubilee Gift of the Women's Boards. By eliminating these special amounts from both years, we can ascertain how the amounts disbursed under regular appropriations compare for the two past years.

The original appropriation of $1,589,212.44, made April 1, 1912, was an advance over the preceding one, of $127,441.47. This was a very moderate increase, in view of the magnitude and rapid growth of the work already in operation, the increasing cost of commodities all over the world, and the imperative demand from every quarter that a larger work required larger grants. Emergencies and new missionaries during the year required $74,186.04, or $8,544.78 more than the year before; and special appropriations, resulting from specially designated gifts, aggregated $206,098.22, an increase of $12,094.67. There is, therefore, an increase under these various items of $148,090.87 for the year, and the total is $1,869,496.70 of appropriations.

As to receipts from the regular sources, and excluding the large special receipts from the Kennedy bequest and the Jubilee Fund, the following comparison of the past two years may be made:

Statement of Receipts April 1, 1912, to March 31, 1913, Compared with 1911–12.

	Churches.	Women's Boards.	Sabbath-Schools.	Y. P. Societies.	Legacies.	Miscellaneous.	Total.
1913.........	$706,251.16	$410,103.82	$82,228.50	$36,114.94	†$108,210.48	$238,711.25	$1,581,620.15
1912.........	684,447.45	*398,938.01	76,410.34	40,451.60	‡175,371.37	276,017.64	1,651,636.41
Increase	21,803.71	11,165.81	5,818.16	....	....	....	....
Decrease....	....	....	....	4,336.66	67,160.89	37,306.39	70,016.26

* Not including Jubilee Funds, $197,550.38.
† Not including Kennedy Building Funds, $44,188.81.
‡ Not including Kennedy Building Funds, $831,657.77.

This is an increase of 3.2 per cent. in church gifts; not quite 2.9 per cent. increase in gifts from the Women's Boards; an increase of 7.6 per cent. from the Sunday-schools; a decrease of 10 per cent. from Young People's Societies and an increase of 13 per cent. in miscellaneous gifts.

The total amount received from legacies and annuities, for the year, was $259,318.40, as against $175,371.37 for the preceding year, a gain of $83,947.03.

To these receipts from the regular sources, there must be added net amounts from "other income," and credits for the year, amounting to $222,574.97, bringing the total to be applied against appropriations, as above, to $1,848,383.93, and leaving a deficit, for the year, of $65,301.58.

In projecting the work for this year, the Board, under the authority of the Budget Committee of the Executive Commission, estimated the receipts from the churches, women's societies, Sunday-schools and Young People's Societies, at $1,300,000. There was received from these sources, $1,234,698.42, showing a deficit of $65,301.58 on the amount apportioned to the Board by the Executive Commission. In spite of the fact that not as much was received during the year as had been hoped from the churches, it is nevertheless true that it has been a wonderful year, and that the contributions of the churches in their church offerings have been more, by $12,695.83, than ever before in the Board's history.

The investment securities purchased and acquired during the past year amount to $485,401.02, and $21,027.50 worth have matured, making the total net amount of securities owned by the Board $2,950,909.40. The funds of the Board, to secure which additional investments represented in the above securities have been made, have increased as follows:

Permanent endowment funds	$188,211 05
Special endowment funds	90,129 31
Special gift agreements	47,105 09

The total of annuity or special gift agreements now in force aggregate $321,177.43. Last year the figure stood at $274,072.34, and while there have been additions during the year, there have also been some releases, and amounts have been turned into the general receipts to be used in the regular work of the Board.

The last General Assembly, recognizing the unique and urgent situation in China, authorized a China Emergency Propaganda, to cover three years, under which one hundred additional missionaries, in addition to wives, should be sent to the China field during that time. The estimated cost, including the necessary enlarged equipment for this force, was $750,000. The financial results are such as to call forth profound satisfaction, for $133,419.64 in cash has been received by the New York treasurer, and approximately $170,000 additional in pledges, to be paid during the three years. The returns are incomplete at this time, even from those centres where actual campaigns have been held, but it is confidently believed that cash and pledges will reach $300,000, as the results thus far.

ABSTRACT OF NINETY-FOURTH ANNUAL REPORT.

The problems of fulfilling its newer tasks committed to it by succeeding Assemblies during the past few years, and of loyally discharging at the same time its duty to the time-honored work for which it is created, have occasioned the Board the gravest concern. Our resources have been taxed, if not strained, in meeting the urgent demands, and also in preserving a just balance between income and expenditure. Nevertheless, under the blessing of God, the Board of Education has enjoyed the most prosperous year in its ninety-four years of service to the Church. We record with gratitude an advance in ministerial students, medical mission students, observance of Day of Prayer, plan of college visitation, work for State university students, gifts from churches, gifts from Sunday-schools, gifts from individuals, legacies, and amount expended on the field.

FINANCIAL.—We have received $82,947.83 from churches, Sunday-schools and Young People's Societies, an increase of about 16 per cent. over last year; $28,761.98 from individuals, an increase of $21,924.35, most of this being on account of university work; $342,507.11 from legacies; $19,415.61 from interest; and $1,514.33 from refund; and from other sources, $405.11, a grand total of $475.551.97. Administrative economy and efficiency have, we believe, been faithfully met, and a measurable expansion of the work secured, amounting to a 50 per cent. increase of actual work done upon the field within one year. This has been made possible by the placing of $41,359 from legacies in the current fund, to supplement $82,982 received from churches, and $27,646, received from individuals, in addition to interest from the Permanent Fund, making our total receipts $173,404, the largest amount ever received by this Board in any one year of its history. The ten per cent. increase in church offerings recommended by the Budget has again been more than attained. The list of contributing churches has been increased from 5,126 to 5,416.

THE NEED AND SUPPLY OF CHRISTIAN LEADERS.—If the Church of the living Christ shall be true to her divinely appointed mission, she must put forth increasingly urgent appeals in behalf of more laborers for the whitened harvest. The voice of the Church must be lifted up to "cry aloud and spare not."

If the statement that we stand ninth among the great denominations of this country in our ability to provide a ministry proportionate to the growth of population, is not enough, let us add to it the statement that the normal percentage of candidates to membership (1 to every 800) has not been met within ten years, the present proportion being 1 to every 1,221 members. We have insisted that the Presbyterian Church needs 1,200 men for definite places at the present time, and that the supply is far from equal to this demand. The General Assembly's Permanent Committee on Vacancy and Supply has recently made an investigation, according to which it is found that 706 pastors are needed for fields furnishing good financial support. Adding to this, churches that can be grouped in circuits, and there is a discovered need for 1,000 men at the present time, according to the Committee. In the past year, 213 were ordained to the ministry, and 140 received from other denominations, making a total gain of 353. But 167 ministers died, and 45 were dismissed, making a net gain, in 1912, of 141.

During the year, 835 men were recommended for aid to this Board, by their respective Presbyteries. Of these, 41 were declined, for various reasons, making the total number of students aided 794, an increase of 6 new men over last year. Of these, 344 are in the seminary, 357 in college, and 93 in academy.

Foreign-speaking Candidates.—Students of foreign speech under the care of the Board number 123, grouped according to nationalities as follows: Germans, 37; Hungarians, 10; Slovacs, 1; Italians, 11; Hebrews, 1; Bohemians, 16; Ruthenians, 2; Russians, 1; Syrians, 1; Cubans, 6; Porto Ricans, 15; Mexicans, 4; Hollanders, 2; Swiss, 2; Danish, 1; Moravians, 1; Armenians, 1, etc. Dubuque has, in all departments, 181 students, representing 22 nationalities.

Colored Candidates.—Of the 30,000 preachers among the negroes, only 3,000 are educated to any adequate degree. There is need of 1,500 preachers yearly, but only 150 are graduated from colleges and seminaries. About 1,350 enter the ministry every year without training in religious leadership. This distressing situation should be met by a new address to the crying needs of our colored brethren.

Prize Scholarships.—The Newberry Scholarship, offered to San Francisco and Omaha Seminaries, was won by Mr. Harold W. Wylie, a senior of San Francisco, who will receive $1,200 next year for a post-graduate course.

The Secretary's Scholarship, yielding $200 in the Senior year and $700 in the graduate year, was offered to McCormick Seminary. The examinations resulted in the awarding of this Scholarship to Paul E. Hinkamp. J. H. Varner received honorable mention.

Mr. H. H. Thompson, the winner of the Mutchmore Scholarship, has been pursuing his graduate studies, during the year, at Edinburgh and Glasgow Universities.

Possible Candidates.—The card catalogue now has 3,500 names of young men. Pastors are constantly sending us names of eligible youths in their congregations, and in every instance a letter and appropriate literature are sent from this office. We have many happy assurances that the seed cast on good ground is bringing forth a harvest.

Medical Missions Students.—Seventeen students studying in medical schools for service on the foreign field have been aided the past year to the extent of about $150 each, an increase of seven over the preceding year. They are enrolled only in the highest class of medical colleges.

Vocation Day.—The Board entered, during the year, upon the work of reaching churches, Sabbath-schools, Young People's Societies and Brotherhoods, with a comprehensive plan for arousing interest in the claims and opportunities of Christian leadership. Literature for the observance of Vocation Day, and the Days of Prayer for Students, was sent to pastors and superintendents, along with material appropriate for sermons and addresses. A Vocation Day Programme was issued, entitled "The Master's Call," 40,000 of which were sent free to those applying for them.

The result was surprisingly satisfactory.

College Visitation.—For the third year, the Board and the Evangelistic Committee have jointly been responsible for the conduct and expense of these visits, and results have been produced that are bound to tell throughout the Church in the coming years. The most cordial relations have been formed with presidents and faculties. Fifty-four colleges coöperated this year.

A genuine revival was vouchsafed in several colleges.

A total of 176 days was spent in this work; 253 evangelistic meetings and 172 vocational meetings were held; 116 hours were devoted to group vocational conferences, and 208 hours to individual vocational interviews. Twelve men decided for the ministry, and eight young people for the missionary life, and 239 were led to accept Jesus Christ as personal Saviour.

No figures can furnish an adequate idea of the good accomplished by such services.

With view to a deeper understanding of the problems involved and the need of comparing notes on the same field, Secretaries Cochran and Mahy, representing the two responsible agencies, visited four colleges in company; the latter conducting the evangelistic meetings, the former having charge of the vocational work. Hanover College, Indiana; Carroll College, Wisconsin;

Macalester College, Minnesota; Coe College, Iowa, were visited, the tour occupying four weeks, in January and February.

The Board and Committee unite in recommending a more intensive work, by which a smaller body of picked speakers shall be set apart and equipped, through conference and prayer. A deeper and more thorough-going campaign than has hitherto been attempted can be arranged.

This plan requires following up with a quiet and persistent endeavor to connect decisions made with a prospective field of work. The Board proposes, therefore, to enlist the services of one of our pastors, who shall, after a period of study of the field of need, visit a selected group of colleges and universities, each year, in the work of "hand-picking" the fruit, thereby reinforcing the work of the Secretary.

WORK IN STATE UNIVERSITIES.—The year just closing has been the best in the history of this work of the Church for her students in the State-supported institutions of higher learning. The work has already increased the interest in Christian education in and about the State universities, quickened the spiritual life of multitudes of students, improved the *morale* of the student body, added to the efficiency of the churches in university centres, and of the churches to which students go after graduation, and has brought many students to a decision for Christ and for a life of Christian service.

Some Results.—Our university pastors in twenty universities are able to report the following definite figures. The number who have received personal counsel in religion and in the choice of a vocation, who have been kept within the influence of the Church, who have been brought to consider the claims of Christ upon them for lives of service, is far greater than these figures indicate:

Number of students uniting with local church this year	796
Number looking forward to the Christian ministry	56
Number looking forward to work as missionaries	66
Number in Bible classes	3,459

A number of the churches in university cities are now planning for the enlargement of their buildings, to provide increased seating capacity in the auditorium and additional class-rooms for the Bible school. The new church building for the Pennsylvania State College church will be ready for use in the autumn. Plans are now being made for a similar building for the Collegiate Presbyterian Church in Ames, Iowa, the seat of the Iowa State College of Agriculture and Mechanic Arts. Plans are drawn for the substantial enlargement and improvement of the building of the First Presbyterian Church of Iowa City, Iowa, the seat of Iowa State University. Work has begun on the new building for the University Presbyterian Church of Seattle, Washington, close to the campus of the State University of Washington.

The willingness of the local churches to coöperate with the Synod and the Board deserves the commendation of the Church at large, and is one of the hopeful indications for the progress of the enterprise.

The university pastors accomplish much good in aiding students in the choice of a life work, and have directed many toward callings in which they may render effective Christian service as laymen. The fact that in twenty universities 105 men are preparing for the ministry and the missionary life, is most encouraging.

SCHOOLS FOR LAY WORKERS.—The Assembly of 1908 referred the matter of training ministerial and *lay workers* for people of foreign speech in this country, to this Board, with instructions to survey the whole field, and to outline a policy.

This opened up the whole question of the Board's relation to lay workers, and in connection with its special report on "The Training of Ministerial and Lay Workers among People of Foreign Speech in America," to the Assembly of 1909, the Board was directed to tender its services to churches and individuals in receiving and forwarding offerings designated to schools for lay workers. The Assembly also advocated the establishing of Presbyterian Schools for the Training of Lay Workers, and directed such institutions to report to this Board annually their offerings, and an account of their work, which reports should be incorporated in our Annual Report.

These schools are as follows: Philadelphia School for Christian Workers;

The Presbyterian Training School, Baltimore, Md.; Presbyterian Missionary Training School, Coraopolis, Pa.; Florence H. Severance Bible and Missionary Training School, Wooster, O.; The Presbyterian Training School of Chicago; Presbyterian Training School of St. Louis, Mo.

Several schools have asked that the Board grant scholarship aid to certain of their students.

Respectfully submitted,

JOSEPH W. COCHRAN, *Secretary*.

ABSTRACT OF THE SEVENTY-FIFTH ANNUAL REPORT.

April 1, 1912, to March 31, 1913.

I. GENERAL.

The Board of Publication and Sabbath School Work presents to the General Assembly its Seventy-fifth Annual Report.

The Board is gratified that this year, which completes the service of three-quarters of a century, should have been characterized by a wider field of activity on the part of the Board and larger offerings from the Church than any previous year.

The contributions for missionary and educational work amounted to $189,364.08, which is $11,669.74 greater than the contributions of the preceding year. The Missionary Department began the year with a debt of $4,252.11, but was able to close it with a credit balance of $3,887.02. The business of the Board has been larger than in any previous year. The net profits were $38,962.18, of which two-thirds will be used in promoting our missionary and educational work. One-third will be added to the capital of the Board.

THE WITHERSPOON BUILDING.—One of the notable achievements of the year was the completion of the payment of the debt on the Witherspoon Building.

On October 24, 1896, the corner stone of the Witherspoon Building was laid, and in January, 1898, the building was occupied by the Board. The building and the ground on which it stands cost $1,080,912.82. Its value is considerably greater to-day, owing to a general appreciation of property in the immediate neighborhood. It was necessary, in order to provide sufficient funds for the erection of the building, to place upon it a mortgage of $600,000. This mortgage has been diminished from year to year, until the entire sum has been paid and the mortgage canceled. In accomplishing this result, annuity bonds to a total of $218,000 were issued as a direct obligation of the Board, an indebtedness which will steadily diminish with the death of the annuitants. Of these bonds there are now outstanding $211,000.

From this date, the net income of the building, allowing for proper reserves for maintenance, replacements and repairs, and the payment of interest upon the annuity bonds, will be devoted to the support of the Sabbath-school and Missionary work of the Board.

THE TWENTY-FIFTH ANNIVERSARY OF THE MISSIONARY DEPARTMENT.—During the past year, the silver anniversary of the Missionary Department has been observed with gratifying results. At the request of the Presbytery of Chicago, the annual Missionary Conference was held in that city. Churches and Sabbath-schools have been requested to make silver offerings to the missionary work of the Board, and Sabbath-schools have been urged to make an effort to add twenty-five per cent. to their membership during the year.

COÖPERATING WITH ASSEMBLY'S COMMITTEE ON RELIGIOUS EDUCATION.—On March 28, 1911, the Board took the following action, which was reported to the Assembly of 1911:

"*Resolved*, That this Board has always recognized the importance of the preparation of such helps and text-books as shall be adapted to unify and promote the religious education of the young people and Christian workers of our churches.

"*Resolved*, That if the Special Committee of the General Assembly, now having this subject under consideration, concur in such a plan, this Board will be glad to amplify the scope of its present 'Department of Young People's Work,' designating said department as the 'Department of Religious Education and Young People's Work,' said department to be suitably officered, and to employ such expert assistance as the means at the disposal of the Board will justify."

In view of this action, the Assembly's Committee offered the following resolution, which was adopted by the Assembly:

"*Resolved*, That this Committee and the Board of Publication and Sabbath School Work be authorized and instructed jointly to continue, during this coming year, the work of religious education as already begun, and to perfect a plan for the transfer of the work to this Board, and to report to the next Assembly."

Acting under this resolution, the Board coöperated with the Assembly's Committee on Religious Education during the year following. Finding at the close of the year that the way was not entirely clear for the transfer of the Committee's work to the Board, the following resolution was presented by the Committee to the Assembly of 1912:

"*Resolved*, That this Committee and the Board of Publication and Sabbath School Work be authorized and instructed jointly to prosecute this work under the instructions of last year."

The Assembly adopted the resolution, and under it the joint work has been carried on up to the present time. Details of this work will be found in the report of the Assembly's Committee on Religious Education.

The Board and the Committee are agreed that the time has come for the transfer of this work to the Board. To provide for such transfer, the Board adopted the following resolution, at its meeting on March 25, 1913:

"*Resolved*, That the Board reaffirms its action as reported to the General Assembly of 1911, relative to amplifying the scope of the present Department of Young People's Work, and stands ready to take such steps in furtherance of the work as may be necessary."

YOUNG PEOPLE'S DEPARTMENT.—The Board reported to the last Assembly the resignation of Rev. Willis L. Gelston, the Superintendent of its Young People's Department. Rev. William Ralph Hall, Mr. Gelston's assistant, took up the work and carried it on successfully. The efficiency displayed by Mr. Hall in carrying on Mr. Gelston's work led the Board to the conclusion that he would make a suitable Superintendent of the department. He was accordingly elected and has entered upon the duties of the office.

THE REVISED HYMNAL.—The publication of the Revised Hymnal was reported to the Assembly last year. It is gratifying to report that the new book has been favorably received, and that more than three hundred and fifty congregations are already using it.

DEATH OF THE EDITORIAL SUPERINTENDENT.—On July 2, 1912, the Rev. James Russell Miller, D.D., who had been for thirty-two years associated with the Editorial Department of the Board, and for twenty-five years its Editorial Superintendent, entered into rest.

II. THE SABBATH-SCHOOL AND MISSIONARY DEPARTMENT.

The twenty-fifth anniversary year of the Sabbath-school and Missionary Department has been one of progress and extension. Not only have scores of needy and promising fields been opened, but we have demonstrated the growing need of this kind of work in all parts of our country.

During the year 120 Sabbath-school workers have been employed. Of this number, 10 are District and Synodical Superintendents; 7 are Educational Superintendents, and 103 are Presbyterial missionaries. In addition, 25 colporteurs have been engaged in visiting and distributing evangelical literature in foreign languages, in eight Synods. The total number of workers in the field last year was 145. As a result of their labors, 740 new Sabbath-schools have been organized, and 210 revived, making a total of 950, into which 32,512 persons were gathered, 3,225 being officers and teachers and 29,287 pupils.

Requests for aid in the matter of supplies are constantly being received from mission Sabbath-schools on the frontier in rural neighborhoods, from negro schools in the South and from missions among foreigners in our cities, besides a number of mission stations in foreign lands. The Board has responded to more than two thousand applications of this kind, at an expense of $7,644.20.

The latest reports received from the field show 2,496 mission Sabbath-schools under the care of our missionaries, with a membership of 109,133. The ministry to scattered homes in which family religion has been neglected, and reclaiming those who have become indifferent through the absence of the means of grace, has brought joy and blessing to many. In the course of their labors, 102,491 visits to such families have been made by our missionaries during the year.

During the year, 26,380 volumes and 10,374,183 pages of religious tracts have been distributed, besides 4,360 Bibles and Testaments, of which 1,649 were in foreign languages.

As the outgrowth of the work of nurturing and developing the mission schools under their care, 82 churches have been organized, of which 64 are Presbyterian and 18 of other denominations.

In many cases chapels were erected in which missionaries were called upon to assist. The value of these erected last year is $118,096, or 68 per cent. of the entire cost of the field work for the year.

It will be noted that an average of 63 new Presbyterian churches have developed each year, 1,579 in all, besides 619 churches of other denominations, a total of 2,198 churches since the beginning of the work.

In some localities efforts have been made to combine the Sabbath-school Committee with the Home Mission Committee. Experience has proved that the best results are not accomplished by such a combination. The Board therefore urges upon all Presbyteries and Synods the importance of retaining their Sabbath-school interests under the care of a separate Sabbath-school Committee in accordance with the recommendation of the General Assembly of 1912.

Grants.—During the year, donations were made to the value of $11,696.28. Contributions amounting to $1,670.58 were made to the Board for the erection of chapels and other special objects in connection with the work on the field.

Children's Day and Rally Day.—The thanks of the Board are due the Sabbath-schools for their hearty response to our appeals for contributions on these two Sabbath-school days. About 5,600 Sabbath-schools used our Children's Day free supplies, more than 700,000 copies of the program and recitation supplement being distributed. Of the Rally Day programs, 310,000 were used by about 2,400 Sabbath-schools. The total amount received from Sabbath-schools during the year is $91,751.77. In accordance with our usual custom, the Children's Day offerings are used for Sabbath-school missions and the Rally Day appeal is for our foreign immigrant work.

Foreign Colporteur Work.—The value of the work of distributing evangelical literature, especially among those to whom we cannot preach because of the difference in language, is known and appreciated everywhere. The colporteurs of the Board numbering 25, and laboring among Bohemians, Hungarians, Italians, Poles, Roumanians, Russians, Ruthenians, Slovaks and foreigners of many other nationalities, have rendered helpful service during the year in preparing the way for the preaching of the Word, and the establishment of mission stations, besides giving the Gospel in their own tongue to thousands who otherwise would not have the truths of the Word presented to them.

In the course of their labors these colporteurs have visited 32,612 families, distributed 10,349 religious books and 40,741 pages of tracts by sale and gift; besides 1,649 Bibles, Testaments and portions of Scripture in at least 20 different languages. Their total sales amounted to $1,584.27.

Foreign Periodicals.—The Bohemian publication work has been enlarged during the year by the addition of *Besidka*, a four-page Sabbath-school paper for children, published weekly. This paper has a circulation of 3,000 copies, and it enters many homes into which no other Christian literature finds its way. The sixteen-page weekly Bohemian paper, *Krestanske Listy* (*Christian Journal*), whose circulation is now 3,300 copies, is appreciated by the Bohemians and Slovaks in our Presbyterian missions, besides being itself a missionary force among these people in their scattered homes all over our land. The Ruthenian paper, *Sojuz* (*Union*), is steadily growing, its circulation now being 1,200 copies weekly. In spite of the difficulties of the work among Magyars, our twelve-page weekly paper, *Reformatusok Lapja* (*Reformed Sentinel*), shows encouraging progress. Our Italian weekly paper, *L'Araldo* (*The Herald*), continues to grow, the circulation having reached 4,000 copies weekly. The net cost of these papers for the year was $11,999.63.

Financial.—With sincere gratitude we report the largest contributions received, last year, since the beginning of this work twenty-five years ago. The total offerings from churches, Sabbath-schools and individuals reached the sum of $189,364.08, an increase of $11,669.74 over last year, an average increase of nearly $1,000 a month.

EDUCATIONAL WORK.—The educational work of the Board is under the Sabbath-school and Missionary Department. The special force includes the Superintendent of Sabbath-school Training, Rev. James A. Worden, D.D.; the Educational Superintendent of Sabbath-school Missions, Rev. E. Morris Fergusson, and the several District Educational Superintendents, Rev. Gerritt Verkuyl, Ph.D., for Wisconsin and Minnesota, Rev. Alfred M. Williams, for the Pacific Northwest; Rev. Ralph H. Houseman, for Nebraska; Mr. Philo E. Green, for Alabama; Rev. R. F. Johnston, for Mississippi, and Mr. Henry M. Steidley, for Colorado and Wyoming.

These district men have conducted Presbyterian teacher-training work in their respective districts, arousing interest, securing enrollments, instructing the local leaders, and examining the classes and students. Through its educational officers the Board has participated in much general work in State, national and world Sabbath-school fields. It already coöperates with foreign Sabbath-school work. It is hoped that the result of plans already in operation will enable it to do so more fully and intelligently in the future.

SABBATH-SCHOOL TRAINING.—For many years the Board has been engaged in improving the organization, the pedagogical methods and the spiritual life of the Bible schools of the Church. During the past year, Dr. James A. Worden, Superintendent of Sabbath-school Training, has carried on this work in the field by visits, conferences and institutes among churches, groups of churches, Presbyteries and Synods, as circumstances allowed; and in the office by conferences, correspondence, distribution of leaflets and other printed matter, reports and other educational literature.

III. YOUNG PEOPLE'S DEPARTMENT.

This department of the Board has earnestly devoted itself for the past twelve months to work in the interest of the young people.

Five Summer Conferences were held during 1912. These were educational institutes, presenting a very definite program, to the end that the young people might be better equipped for practical service in the Church. Many young people testify to the practical benefit of these conferences. During the year the department has alone, and in coöperation with other agencies, held Young People's Conferences in New York City, Pittsburgh and St. Paul.

Five Summer Conferences are planned for 1913, and there are increasing calls for others, which it is hoped may be responded to soon.

The first Sunday of February each year has been set aside by General Assembly as Young People's Day. The purpose of the day is to focus the attention of the whole Church for one service upon the work of the Young People's Societies and of this department. Also to secure financial support for the department. The program and all related literature are prepared and mailed from the office of the department.

IV. EDITORIAL DEPARTMENT.

THE GRADED LESSONS.—The Assembly of 1912 adopted the following resolutions:

WHEREAS, The graded lessons now in use in the Sunday-schools are unsatisfactory to a portion of the Church; and

WHEREAS, Our Board of Publication and Sabbath-school Work is one of the syndicate publishing said graded lessons; therefore be it

Resolved, 1. That the Assembly, through its Moderator, appoint an *ad interim* Committee, to which shall be referred, in connection with the Board of Publication and Sabbath School Work, the whole matter of the graded lessons.

Resolved, 2. That the Assembly directs the Board of Publication and Sabbath School Work and the *ad interim* Committee to be appointed, to withdraw from circulation such graded lessons as the Committee find objectionable.

Resolved, 3. That said *ad interim* Committee report to the General Assembly which will meet in Atlanta, Ga., in 1913, all matters concerning said issue.

These resolutions referred "the whole matter of the graded lessons" to the Assembly's Committee, "in connection with the Board of Publication and Sabbath School Work."

During the past year, the Committee and the Board have been coöperating, as will appear from the reports of the two bodies to the General Assembly. At a meeting held November 14, 1912, the General Assembly's Committee took action, instructing the Board "to cease the publication and sale of its graded series of Sunday-school lessons above the Junior grade, on September 30, 1913, or at an earlier date, if practicable."

It also appointed a sub-committee of five "to report a plan of revision of the Beginners', Primary and Junior series of graded lessons, in connection with the Board of Publication and Sabbath School Work."

Furthermore, it requested the Board "to confer with the Boards of Publication and Sunday School Work of the Churches in the United States holding the Presbyterian system, with the view of securing coöperation in lesson publications."

The Board of Publication and Sabbath School Work received these communications and endeavored to carry them out to the best of its ability.

Arrangements have been made for discontinuing the publication and sale of its present series of Intermediate and Senior graded lessons, on September 30, 1913, and plans have been formed for providing other graded lessons in their place, which it is believed will be acceptable to the Church at large.

The question of the revision of the Beginners', Primary and Junior series of graded lessons was considered at a joint meeting of the Assembly's sub-Committee of five, and the Board's special Committee on the graded lessons.

After an extended conference the Joint Committee unanimously adopted the following resolutions:

Resolved, 1. That we recommend the revision of the Beginners', Primary and Junior lesson helps, so as to express, with greater clearness, the fundamental Scripture doctrines which are in common most surely believed by the coöperating bodies of the syndicate and other evangelical bodies, namely,

(*a*) The Scriptures as an authoritative revelation from God.
(*b*) The sinfulness of human nature and need of regeneration.
(*c*) The atonement offered by Jesus Christ.

Resolved, 2. That we recommend, that, as a rule, in the revision of the Beginners', Primary and Junior series of graded lessons, the Bible text be made the basis of instruction, and that there be a substantial reduction in the number of extra-Biblical lessons.

Resolved, 3. That in the revision, especially of the Junior course, greater emphasis be laid upon the spiritual side of our work, and that in the "forewords" to the teachers' text-books there be incorporated some suggestions on the best methods of leading scholars to Christ.

At a meeting of the Assembly's Committee, held Tuesday, April 1, 1913, the recommendation for the revision of the elementary graded lessons was modified by the adoption of the following resolution:

Resolved, That the Board of Publication and Sabbath School Work be directed to secure a careful revision or rewriting of the Beginners', Primary and Junior grades of lessons, in harmony with the clear and positive teachings of our Standards of Doctrine, for the use of such schools as may prefer these to the International Uniform Lessons, unless the proposed plan of preparation of lessons of a graded series by the publishing agencies of the Presbyterian and Reformed Churches of the United States of America shall be carried out within a reasonable time.

The Board has acted upon the request that a conference be held "with the Sabbath-school Boards of the Churches in the United States holding the Presbyterian system, with the view of securing coöperation in lesson publication," by holding such a conference in the Witherspoon Building, on February 28, 1913.

Representatives of the Committee of Publication of the Presbyterian Church in the United States, of the Publication and Sunday-school Board of the Reformed Church in the United States, of the Board of Publication of the Reformed Church in America, and of the Board of Publication and Sabbath School Work of the Presbyterian Church in the United States of America, met in the Witherspoon Building to confer in reference to coöperation in the publication and sale of books and Sunday-school supplies.

The Special Committee of the Board of Publication and Sabbath School Work on the graded lessons met with this conference, and discussed the question of coöperation in the preparation of lesson courses. After an extended conference, it was unanimously agreed that "the several Boards and publishing agencies each appoint a committee of from two to five representatives to constitute a joint committee, which shall consider, and, if possible, formulate courses of study for Sunday-school instruction; this joint committee to report to the several Boards and publishing agencies as early as possible."

V. BUSINESS DEPARTMENT.

This has been an active year for the Publishing Department of the Board—a grand total of 4,884,657 publications, consisting of books, booklets, Sunday-school and church requisites, hymnals, Children's and Rally Day exercises, etc., having been issued.

Sales.—The sales of books and Sunday-school and church supplies for the year amount to $366,542.84, an increase of $12,318.02 over those of last year. These include not only the publications of the Board, but those of other publishers as well. The sales of periodical lesson helps and illustrated papers amount to $574,452.56, an increase of $17,420.73 over those of last year. The total sales for the year therefore aggregate $940,995, showing a total increase of business of $29,738.75. These amounts do not coincide with the Treasurer's report, which accounts for cash receipts only, whereas these figures include credit sales as well.

These figures also include sales of $11,894.50 made by the missionaries of the Board on the field. These are charged to the Missionary Department at "the best rate of discount allowed on the same class of publications to the most favored branch house in the country." The missionaries are required to sell for cash only.

Agreement with the Edison Company.—The moving-picture show has become a factor in the modern life of the children. Its educational value is being recognized more and more. It is well that the Church should realize these facts and endeavor to use moving pictures in its educational efforts. We have established relations with the Edison Company whereby we are able to offer their Home Kinetoscope to our schools at a moderate price.

Capital and Net Profits.—The capital, at the beginning of the year, according to the balance sheet of the last report, was $420,219.30. The net profits of the past year are $38,962.18. Of this sum, two-thirds, or $25,974.79, have been placed to the credit of the Sabbath-school and Missionary Fund, in accordance with the direction of the General Assembly, and will be paid in quarterly installments during the next fiscal year. The remaining third, or $12,987.39, has been added to capital.

Abstract of the Forty-third Annual Report.

The Board of the Church Erection Fund, in presenting to the General Assembly its Forty-third Annual Report, gratefully recognizes the goodness of God and His manifest favor throughout the year. The good fellowship of its members has been unbroken by death, and those members who have felt constrained to retire from its service have continued their faithful coöperation until the end of the year.

The Board suffered an irreparable loss in the retirement of the Hon. Frederick Gordon Burnham from the membership of the Board, after forty-four years of continued service.

The Year.—Fidelity to the truth compels the Board to join again in the monotonous statement: "The greatest year in the Board's history." Each opening season brings a new prospect of expanding work. The mighty westward push of population, the upspringing communities along the rapidly extending lines of railroads, the generous provisions which our Government has made for the cultivation of the desert wilds, the better understanding of social conditions in our crowded cities and the more successful methods of reaching the unchurched masses with gospel privileges, all call for the generous coöperation of this Board.

The Field.—One cannot read intelligently the Report of the Board's work without keeping constantly in view the map of our great country. The wide expanse of territory, the different sections, the varied conditions of life and the diversified activities of our cosmopolitan population must be ever in view in estimating at its full value the problems which face the administration of this great work. Wisely has the Executive Commission enjoined upon the Board, as a principle of action, that no section of the country must be favored at the expense of another section.

The Funds.

1. *The Permanent Fund.*—This Fund was established in 1854, and was called "*The Church Erection Fund,*" until 1870. It originally consisted of an endowment of $100,000. By successive additions it has reached the sum of $2,788,744.31.

The interest derived from this Fund forms the larger part of the General Fund.

2. *The General Fund.*—This Fund is made up of the interest of the Permanent Fund, the contributions of churches and Sunday-schools, contributions of individuals, sales of the properties of defunct churches and appropriations returned by churches. It is the sole dependence of feeble churches needing grants and small loans without interest. The rules governing the administration of this Fund are now undergoing revision.

3. *Buell Fund.*—This Fund is derived from a bequest of $34,000 from the estate of Mrs. Electa K. Buell, of New York, for aid of churches in our "Western States" and in communities where there is no other Presbyterian Church. This Fund is now practically exhausted.

4. *The Van Meter Fund.*—This Fund consists of $6,000 from the estate of the Misses Van Meter, of New Jersey, the interest from which is to be used to aid church building within the bounds of the Presbytery of West Jersey and is appropriated by that Presbytery.

5. *The Gilchrist Fund* consists of $10,000 derived from a bequest of Robert and John Gilchrist, of Boston, Mass. The interest, as it accrues, is to be used in aid of church building within the bounds of the Presbytery of Boston.

6. *The Stuart Fund* is a small supplemental fund to be used in exceptional cases which do not come under the rules of the Board. It is now practically exhausted.

7. *The Barber Fund.*—This Fund is held by the Trustees of the General Assembly. The apportionment of interest which falls to the Board of Church Erection is used exclusively in aid of negro churches not under the care of the Board of Missions for Freedmen.

8. *The Sara A. Palmer Memorial Fund.*—The income from this invested fund is used under the rules of the General Fund in every respect.

9. *The Loan Fund.*—This Fund had its origin in 1891, and was endowed principally by a legacy from the Stuart Estate. It amounts to $422,078.68. At the beginning of the last year this Fund was over-appropriated to the amount of $80,500. The increased applications to this Fund during the past year have prevented its recovery. The year closed with applications approved, but not confirmed, amounting to $189,550.

10. *The Manse Fund* had its origin with the late James R. Hills, and was endowed by Mrs. R. L. Stuart. From this Fund small loans without interest, and small grants in exceptional cases, are made to feeble churches erecting inexpensive manses. This Fund is all in use, but returning in annual installments to the Board to be loaned again as required.

11. *The Raynolds Fund* was endowed by the late General William F. Raynolds, of Detroit, Mich. From this Fund loans are made at a low rate of

interest to churches building more expensive manses than those to which the former fund applies.

12. *The Hoyt Fund.*—This is a small Fund derived from a bequest of the late Dr. Ezra Hoyt, a former member of this Board. It is used much as the Raynolds Fund, but for weaker churches and at a still lower rate of interest.

13. *Life Interest Funds.*—These Funds are available only after the death of the donors.

The work of the Board is thus divided into distinct departments. In order to a definite understanding, it is necessary to tabulate the resources by which the work is maintained.

APPLICATIONS.—The large increase in the number of applications is no doubt attributed in large measure to the general prosperity of the country. Congregations have been encouraged to "arise and build." The abnormal increase in the amounts asked from the General Fund, may be accounted for in part by an erroneous impression that this Fund had been greatly strengthened. But the slight increase from the interest on invested permanent Funds has been offset by the decline in receipts from churches, so that the Fund was not able to meet the demands.

The abnormal increase in the amount asked from the Loan Fund, while the number of applications remain the same, must be accounted for by the stimulus to larger and more costly buildings which present-day church methods require, and perhaps to some extent by the extravagant expectations of "the increased amount of money" at the disposal of the Board under this Fund.

Many churches applying for large loans were unable to qualify, and many asked for larger loans than the value of their church property would warrant. Still others sought loans purely on business principles, with a view to the lower rate of interest from the Board than they had been paying to local money lenders.

But these matters adjusted themselves to conditions, as may be seen from the table of appropriations; but it is believed that no case coming fairly within the Assembly's conditions has been rejected.

APPROPRIATIONS.—This table affords a better index to the normal growth of the Board's business than the table of applications does.

The average grant from the General Fund is $825.92, which is a little below the average of the previous year.

The average loan from the Loan Fund is $2,631.58—a slight advance upon the average of the previous year, and nearly exactly the same as that of two years ago.

Revision of the Rules.—The General Assembly, in session in the city of Louisville, Ky., May, 1912, authorized and directed (*Minutes*, 1912, page 243) the Board of the Church Erection Fund, if the way be legally clear:

1. To set apart from the moneys received from the John S. Kennedy Estate $500,000, to constitute the John S. Kennedy Loan Fund, to be loaned to churches, subject to the rules which now control the Loan Fund, or such as may be established by the General Assembly; and that the Executive Commission be authorized and directed to act with the said Board of the Church Erection Fund in the preparation of such rules.

2. To make investments of its Fund known as the John S. Kennedy Fund, if the way be legally clear, in loans to the Presbyterian churches in connection with the General Assembly, upon such security as in the judgment of the Board is sufficient fully to secure the same.

3. To place church contributions, legacies and other gifts, not otherwise designated, in a Fund that shall be known as the Special Fund, which may be used by the Board as part of its regular work for the purchase of sites for the erection of church buildings.

In accordance with these directions of the General Assembly, the Board sought the best available legal advice. With the written opinions of able lawyers, the Board met the Executive Commission in conference.

As a result of this conference, the Executive Commission and the Board came to an agreement on the three propositions:

1. That no Funds under the jurisdiction of the Board are legally available for the purchase of sites, and that the utmost it could do would be to administer such Special Funds as may be created by action of the General Assembly for that purpose.

2. That the way is not legally clear for the Board to invest any of its Funds in bond and mortgage upon real property outside of the State of New York.

3. That the Board may set apart from the moneys received from the John S. Kennedy Estate $500,000, to constitute the John S. Kennedy Loan Fund, to be loaned to churches, subject to the rules which now control the Loan Fund, or such as may be established by the General Assembly.

It is proper to state that the last proposition, number 3, was not approved by a unanimous vote of the Board.

Revised Rules.—Under the authority conferred by the General Assembly, and under the direction of the Executive Commission, a revision of the rules governing the Loan Fund and the General Fund, was prepared, and is herewith submitted for the General Assembly's consideration:

If this revision of the rules of the General Fund be approved by the General Assembly, it is manifest that that Fund must be greatly strengthened in order to meet the increased burden of larger loans without interest which will be laid upon it. Contributions from churches, Sunday-schools and individuals constitute the only known source of relief. It seems to the Board that it would not be unreasonable to expect from these sources greatly increased contributions.

It was the purpose of the late Assembly that a plan so thoroughly matured by previous Assemblies should not be vitally altered, lest it might expose the Assembly to the inference of instability in respect to the principles of conducting such trusts; but this inference, especially among those who are accustomed to contribute largely, would involve very serious damage.

The Board, in harmony with the Assembly, expresses anew its confidence in the successful working of the plan in the main, and the strong desire it feels, in common with those who aided in the establishment of this noble charity of the Church, that nothing may be done to undermine the confidence of men in the permanent character of the Fund.

ABSTRACT OF FIRST ANNUAL REPORT.

THE COMBINATION.—The Plan of Combination adopted by the last General Assembly has been put into full effect, under the direction of the Executive Commission. The same persons who were elected by the Assembly as members of the Board of Relief, and nominated as Directors of the Ministerial Sustentation Fund are harmoniously administering the united work.

ANNUITANTS ON THE ROLL.—The Relief Department has had upon its roll, during the year, the names of 1,310 persons. Of these, 686 were widows, 235 were Honor Roll men, 42 were orphan families. The average age of the men on the Honor Roll was 78 years. Their average length of service was 49 years. There were 169 new cases acted upon by the Board during the year, making a net increase of 59 over last year.

The Sustentation Department has upon its roll the names of 738 ministers, a net increase of 119 over last year. There have been 857 persons who have united with the Fund since its beginning. The Department paid pensions to 30 persons during the year, 20 of them being widows.

AMOUNTS PAID BENEFICIARIES.—The Relief Department paid to its beneficiaries, during the year, $308,165.32. This is an increase of $47,443.13 over last year, and is the largest sum ever given by the Board to its beneficiaries. There is great cause for rejoicing over this splendid showing. The average amount paid to widows was $175; to Honor Roll men, $339.33; to all ministers, $285. In addition to this average sum, though included in the total above, a

Special Christmas Gift of $25 was sent to every annuitant of the Board. The Sustentation Department will pay its annuitants forty per cent. of the total benefit, beginning with May 1, which is an increase of ten per cent. over last year.

Receipts.—The Relief Department reports the largest annual receipts in its history. They were as follows:

Current Fund	$302,671 33
Emergency Fund	50,029 93
Permanent Fund (Cash)	87,554 63
Permanent Fund (Securities)	211,668 70
Cumberland Board of Relief (Cash)	13,635 58
Cumberland Board of Relief (Securities)	20,635 58
Total	$686,195 75

Note.—In addition, the Board has received $3,864.15 in notes which have not yet been realized, from the Cumberland Board of Relief.

In addition to the above receipts, the sum of $12,175 was received in pledges and subscriptions, to be paid hereafter. Of the sum marked Current Funds, $121,466.99 came through Church Offerings, including Sunday-schools and other societies. The total Current Fund shows an increase of $35,180.96 over last year, and is the largest in the history of the Board.

The Sustentation Department received, during the year, $107,432.86, of which $26,090 was paid in dues by members of the Fund. The amount of $78,483.75 has been invested during the year by the Fund. The total investments of the Sustentation Department amount to $252,966.94. Besides this, there is $195,518.75 in pledges and subscriptions, to be paid hereafter, $104,692 of which has been subscribed during the year.

Total Assets.—The total assets of both departments, in cash and securities, are as follows:

Relief Department	$2,576,889 25
Sustentation Department	263,643 13
Total	$2,840,532 38

The assets in pledges and subscriptions are:

Relief Department	$12,175 00
Sustentation Department	195,518 75
Grand Total	$3,048,226 13

Administrative Expenses.—The administrative expenses of Ministerial Relief and Sustentation were:

Relief Department	$17,136 80
Sustentation Department	28,669 60
Total	$45,806 40

Important Note.—The administrative expenses of the Sustentation Department are higher than those of the Relief Department, because the former depends upon subscriptions secured through Field Representatives, whose expenses are largely met by the Sustentation Department, upon an equitable basis.

New Work.—The Relief Department asks the General Assembly to authorize it to raise sufficient funds so that its two Homes, Merriam Home at Newton, N. J., and Thornton Home at Evansville, Ind., may be opened to those persons, otherwise coming under its rules, whose disability promises to be only temporary, thus providing rest and strength for temporarily disabled pastors, stated supplies, and missionaries.

The Sustentation Department asks the General Assembly to authorize it to apply for an amending of its charter so that it may provide for the identical classes provided for by the Relief Department.

Both Departments ask the General Assembly to permit them to provide for missionaries under the Home, Foreign or Freedmen's Boards, who have been commissioned by such Boards, and have served as Lay Missionaries for a period of five years; and to permit the Board of Foreign Missions to certify the applications of those missionaries under its appointment who may be members of a Presbytery of the Presbyterian Church on a Foreign Missionary Field.

WILLIAM HIRAM FOULKES, *General Secretary.*

X. BOARD OF RELIEF OF THE CUMBERLAND PRESBYTERIAN CHURCH.

THIRTY-SECOND ANNUAL REPORT.

The Board of Ministerial Relief of the Cumberland Presbyterian Church respectfully presents to the General Assembly its Annual Report, for the year from April 1, 1912, to April 1, 1913. This is the thirty-second year since the organization of this Board, it having been incorporated under the laws of Indiana.

The Board refers to its Report for the last year, where the following appears: "The reasons for delay in effecting the complete merger having fully disappeared, it is now a mere matter of detail in arranging for such merger in accordance with the terms of the union agreement. The legal questions involved in working out the details of the merger are now under consideration by the counsel of the two Boards."

Within the last year, this Board has executed a deed to all of the real estate, the title of which was vested in it, including Thornton Home, to the Philadelphia Board, and has also transferred all of the moneys and securities, and the Philadelphia Board has assumed control of Thornton Home, through committees of its own appointment.

This Board therefore has now no property in its hands, and there is nothing for it to do but to die. We do not, however, regard it necessary to incur any expense in dissolving its corporate existence.

The Treasurer's report is submitted herewith.

By order of the Board,

S. B. SANSOM, *Corresponding Secretary.*

Abstract of the Forty-eighth Annual Report.

Once more, and for the last thirteen times in annual succession, we have closed our fiscal year with more than enough funds on hand to meet all outstanding financial obligations.

During the last year, the annual congregational collections from the churches amounted to $1,262.12 more than the year before.

The Sunday-schools increased their gifts to the Board by $551.03. The Young People's Societies fell behind to the amount of $1,058.61, and the Women's Societies went ahead of last year to the amount of $3,209.01.

The receipts from miscellaneous sources decreased $9,993.24, and interest from invested funds was $1,845.70 more than the year before.

The receipts from legacies, as compared with last year, were $17,633.49 less.

The number of churches that helped us in any one way was 6,291, an increase of 325 contributing churches.

The number of churches that helped us by congregational collections was 5,199, an increase of 270.

The number of Sunday-schools that contributed to the Board directly was 371, this being 14 more than the year before, and the number that gave through the Woman's Board was 675, this also being an increase of 14, making a total increase of 28.

The total receipts from all sources for the year was $233,729.58, this being $21,688.58 decrease as compared with last year. Most of this decrease came from a decrease in legacies.

The amount of money given to the work by the colored people on the field, as reported to us by the ministers, was $70,727.08. This included expenses for church buildings, repairs, contingent expenses and ministerial support.

The amount given by patrons and friends of our schools, as reported from the field, was $75,293.50. None of this money went through our treasury, or is in any way included in our statement of receipts and expenditures for the year.

The colored people under our care gave to the work of the Freedmen's Board $1,230.92. They gave to the other Boards of the Church $2,425.90.

Adding the amount raised on the field for church and school purposes, to the amount given by these churches to the benevolent agencies of the Church, we have a sum total passing through the hands of our ministers, leaders and teachers, directly or indirectly, for their own good, in their own communities, and for the good of others in other parts of our land, and other lands, amounting to $149,677.05. This is $659 more than they gave last year.

The fourth floor of the Administration Building of Harbison College, at Irmo, left unfinished last year, has been finished and occupied this year at a cost of a little over $1,500.

The Harbison Estate has contributed this year $3,000 toward the building of a commodious house for the President, and many other minor improvements have been looked after, such as are incident always to the starting of a new Institution in a new place.

Seven hundred and sixty-two acres contiguous to Harbison College have been purchased and are to be divided into small farms and sold to desirable buyers.

A suitable church building at Irmo has been purchased for $900 and a Presbyterian church organized in connection with the College.

MacMillan Hall at Mary Allen Seminary, Crockett, Tex., which burned last year, has been rebuilt. The insurance money, $16,000, was used in the erection of the new building, but about $4,000 more was needed, and for economy's sake one story was left unfinished. It will require $2,500 to fully complete the work.

Eight thousand dollars were expended in adding a wing to each end of the Main Building at Swift Memorial College, Rogersville, Tenn. One wing was left unfinished for lack of funds. The whole improvement when done will cost about $10,000.

At Biddle University a complete electric light plant has been established, and the Mechanical and Industrial Building equipped with proper machinery.

The contemplated school building at Chattanooga, Tenn., has been completed at an expenditure of $5,000. The public school authorities at Chattanooga presented the school with double desks, sufficient in number to furnish two school-rooms.

The Board has secured possession of valuable school property at Aiken, S. C., and has repaired the same at an expenditure of $1,280.

The estate of the late E. O. Emerson, of Titusville, Pa., has given to the Board the deed for a little more than seventy-three acres of land at Blackville, S. C., in connection with the Emerson Industrial Institute.

Mrs. Phineas M. Barber, in memory of whose husband Barber Memorial Seminary, at Anniston, Ala., was founded, has had the Main Building repainted and the interior redecorated, and a complete system of electric lights installed at a cost of $2,000.

A plot of ground of about five acres, lying back of Swift Memorial College, at Rogersville, Tenn., has been secured to the Board and to the College, through the generosity of Mrs. E. E. Swift, the widow of the late Rev. E. E. Swift, D.D., and of Dr. Franklin, the President of the Institution.

Help has been extended, during the year, toward securing or repairing houses of worship at Charleston, S. C., Fargo, Ark., Bearden, Tenn., Columbia, Tenn., Ridgeway, Va., Jacksonville, Fla., Knoxville, Tenn., Big Stone Gap, Va., Arcadia, Ga., Lima, Okla., Irmo, S. C.

Rev. J. J. Wilson, special evangelist, has proved himself in every way the man for the place. So much has the Board been impressed with the good work done through the services of Mr. Wilson, that, this next year, at least one other evangelist will be appointed to work on similar lines. A member of the Board has already guaranteed the salary of the new man.

On behalf of the Board,

E. P. COWAN,

Corresponding Secretary and Treasurer.

ABSTRACT OF THE THIRTIETH ANNUAL REPORT.

THIRTIETH ANNIVERSARY.—The College Board celebrates in this Report its thirtieth anniversary. There is reason to rejoice in what has been accomplished. During the thirty years, from 1883 to 1913, the Presbyterian Church has added forty institutions of higher learning, and put $24,000,000 into the property and endowment of its colleges. In round numbers, the Presbyterian Church has three times as many colleges and six times as much college property as it had thirty years ago.

EDUCATIONAL POLICY.—An educational policy of the Church, formally approved by the College Board and the Board of Education, places emphasis upon the maintenance of the Christian college as being essential to a Christian civilization and fundamental to the life of the Church, in the development of trained leaders for the work at home and abroad. The gifts of Christians can be no more worthily bestowed than upon Christian colleges which are raising their standards of efficiency, both in their cultural courses and in their output of ministerial and lay workers.

New conditions make it necessary for the Church to give especial attention to the matter of Christian Education.

The principle upon which the Church undertakes educational work is, that there can be no complete education without religion.

The aim of the Church in the work of education is that there may be produced a trained leadership and a virile and intelligent Christian citizenship.

The methods by which the Church seeks to accomplish its aim may be reduced to two: (1) Definite religious instruction, and (2) the creation of an environment of positive Christian influence in the colleges.

EXTENSION DEPARTMENT.—During the year the Board has formally erected a Department of Publicity and Extension, the purpose of which is to diffuse more generally a knowledge of the work and needs of our Presbyterian colleges, and especially to lay upon the hearts of ministers and laymen the importance of a truly Christian education, for the sake of a strong Christian citizenship, and to interest the friends of Christian education in the financial welfare of our colleges. This is part of the Board's effort to carry out the recommendations of the Assembly of 1911 for the enlargement of the work.

RECEIPTS.—During the year, 5,366 churches contributed $111,358.96 for the work of the Board. These and the individual gifts to the Board are found in the financial statement of Receipts and Disbursements shown on pp. 431, and 432.

From the Board, through the Board and from individuals directly, sixty colleges received, last year, a total of $1,281,445.73.

Abstract of Thirty-second Annual Report.

Finances.—The receipts of the year have been $37,398.61, which, added to the balance of last year, makes the total assets of the year $42,270.59. The disbursements have been $35,847.52, which, added to two legacies aggregating $750, only the income of which is to be used, leaves a net balance of $5,673.07.

Oratorical Prizes.—One of the most encouraging features of the past year has been the increased number of colleges and theological seminaries which have held temperance oratorical contests. The Committee offers $25 in gold to each of such institutions in connection with our Church.

Temperance Libraries.—The need of reliable, authoritative reference works on the subject of temperance in the libraries of our educational institutions is urgent. To meet the demand, your Committee, after conference with leading temperance workers, has selected a reference library which may be had for $5, and a larger one for $10.

Pledge Signing.—The pledge is safe, Scriptural, dignified and simple. Of course it must be kept, like any other pledge, to be effective. Your Committee has continued to distribute large numbers of pledge cards for the individual, and also pledge rolls for Sunday-schools and other organizations, as well as families. An attractive badge in the form of a button is provided for those who care for it, after signing the pledge.

Our Workers.—Miss Marie C. Brehm, who has been with us a number of years, continues to render large and valuable service. Rev. Percy Y. Schelly and Rev. G. W. Wadsworth, the former located in Philadelphia and the latter in Denver, have each had a busy and profitable year, addressing many kinds of organizations and gatherings, explaining the work and methods of the Committee, and doing many other things to further the reform.

September 1, Mr. A. D. Zook, a graduate of Wooster University, took charge of the work among the foreign-speaking people. These strangers within our gates afford an opportunity to the Church, which means duty.

During most of the year, your Committee has furnished a Spanish-speaking helper to accompany Rev. John Mordy, who is under commission of the Sabbath-school Board of our Church for work in New Mexico.

---

*Died May 14, 1913. Succeeded by Rev. Thomas Watters, D.D.

Rev. J. J. Wilson, a colored evangelist, is employed jointly by your Committee and the Board of Freedmen. He labors among his own race, distributing literature, making public addresses, securing pledge signers and doing personal work among a people too long neglected in this respect.

The General Secretary has not only overseen, but has actually performed much work in the office and has also done a large amount of field work.

Beginning January 1, Mr. Dwight E. Worrell began the work of personally interviewing pastors and Sessions of churches that have not hitherto been in close touch with your Committee.

We rejoice that the weight of accumulating years has not deprived our Corresponding Secretary, who is also our Treasurer, of the joy of serving his Master in a cause which he has so long and unselfishly loved. May his bow long abide in strength.

Miss Elizabeth B. Weaver and Miss Anna M. Wycoff have labored with us in this Gospel, and their work in the office well deserves recognition.

WHERE WE WORK.—During the past year, the Committee has operated in thirty-nine States. In some of these States only a limited amount of work has been done, while in others, such as West Virginia and Colorado, where campaigns were waged, the service has been large. We try to distribute the service throughout the whole Church as equitably as circumstances will permit and conditions require.

THE AMETHYST.—*The Amethyst*, started four and a half years ago, has a circulation of 115,000, or a gain of 20,000 over last year.

OTHER WORK.—Other lines of work than those already mentioned are the preparation of Temperance Day Programs, supplying tracts in twelve languages, the loan of stereopticon slides to Presbyterian organizations, work among the Indians, petitioning in favor of desirable laws, protesting against undesirable laws, making temperance surveys of cities, communities and States, and furnishing both general and specific information on all phases of the reform.

OUR FIRST LEGACIES.—During the year two legacies have been received. These have been invested, and only the income will be used.

A WIDER FIELD.—Sometimes it is said that one denomination cannot win this fight, and that therefore the work should be left entirely to outside organizations which are not so restricted.

One denomination cannot evangelize the entire heathen world, nor even adequately do all that needs to be done in the home field, but each can do its part, and the existence, in each denomination, of Boards of Home and Foreign Missions, and the almost entire absence of belief that such work should be abandoned or merged into an independent agency, is a significant testimony to its merit.

LEGISLATION.—The most important legislation during the past year was the passage of the Webb Bill, intended to prohibit the shipment of liquor into prohibition territory for illegal purposes.

At the general election, November 5, 1912, West Virginia voted in favor of constitutional prohibition, by a majority of 92,342.

An unsuccessful effort was made to secure State-wide prohibition in Colorado. Though the effort failed, we believe it was worth all it cost, as a campaign of education. Many States have spent much more in an unsuccessful effort to secure legislation which would have been less effective if realized.

September 9, 1912, Arkansas voted on State-wide prohibition. There were 69,390 votes cast for prohibition, and 85,358 against it, giving an adverse majority of 15,968.

A backward step was taken in Ohio, in September, 1912, by the adoption of an amendment to its Constitution, licensing the liquor traffic.

Congress again refused to make any appropriation for Soldiers' Homes where intoxicating liquors are sold.

AMONG THE INDIANS.—Congress made provision for the enforcement of prohibition among Indians and on Indian Reservations. This applies to the native Alaskans, as well as to Indians in other parts of the United States.

Liquor excluded from the Mails.—It was feared by some that the Parcel Post would enable liquor dealers to introduce their wares into prohibition territory, but the Post-office Department has ruled that liquor cannot so be carried.

Federal Council.—The Federal Council of the Churches of Christ in America, at its meeting in Chicago, in December, 1912, arranged for the establishment of a Temperance Commission, which should represent the thirty-one denominations included in the Council, in all matters pertaining to temperance.

The Inter-Church Temperance Federation.—The Inter-Church Temperance Federation, organized in January, 1907, now embraces nine denominations.

Cost of the Liquor Traffic.—Reliable estimates place the cost of the liquor traffic in the United States, for 1912, at $2,336,662,338.

OFFICERS.

George N. Luccock, D.D., *Chairman.*
Walter H. Houston, *Corresponding Secretary.*

The Permanent Committee on Vacancy and Supply respectfully submits its First Annual Report.

This work belongs to the administrative, rather than to the benevolence department of Church life, and therefore its support, like all administrative work, should be from the Assembly's Fund raised by Presbyterial assessment. Recommendation of an additional quarter of a cent to the Presbyterial assessment, to meet the expenses of this work until the Assembly of 1913, was sent down to the Presbyteries. The Committee, feeling sure that the Assembly would approve the judgment of the Executive Commission, and that so the financial support of its work would be assured, felt free to levy upon the Church at large for one of her strongest men to serve in the responsible position of Corresponding Secretary. Obviously, upon such official efficiency the future of this work must largely depend.

The Committee was organized by electing Rev. George N. Luccock, D.D., as Chairman, and Rev. Paul B. Jenkins, D.D., as Secretary. Two lines of work were immediately undertaken: first, a survey of the Church's various attempts to deal with the problem of Vacancy and Supply; and, secondly, a search for the Corresponding Secretary.

Very fortunately, Rev. Walter H. Houston, who in similar work in the Synod of Ohio had been signally successful, and who had studied this whole question as few other men had studied it, was induced to accept the call to this work. His election was duly confirmed by the Executive Commission. His relations to the Synod of Ohio were such that for the first months of service he divided time with the work there, the Ohio Synod assuming a generous share of his support.

The survey of the Church's efforts to deal with the problem of Vacancy and Supply brought out some very significant facts. It is very suggestive that no matter how often the question was raised and left unanswered or partially answered, or plans allowed to lapse, it would not stay out of the Assembly. The need is so deep, in the convictions of the Church, as to be persistently forcing itself upon the Assembly. No less significant are the obvious explanations of the final unsatisfactoriness of former attempts to deal with the problem. Inadequate financial support, was the principal one; failure to create a central bureau charged with this single responsibility, was a close second; and equally in the running was the failure to realize that in the very nature of the case a period of years is indispensable to an opportunity to prove any plan workable. The present plan, inaugurated by the Assembly of 1912, has the merit of avoiding all of these demonstrated weaknesses.

Passing by the actions on Vacancy and Supply of the General Assemblies of 1873, 1881, 1888, 1889, 1890, 1892, 1905 and 1907, all of which resulted in failure, as already intimated, it is noted that the Assembly of 1910 referred the whole subject to the Special Committee on Christian Life and Work. Upon the report of that Committee, the General Assembly of 1911 sent down to the Presbyteries, Constitutional Rule No. 4, which was adopted by the Presbyteries, and the General Assembly in 1912, and reads:

"The General Assembly shall have power to appoint a Permanent Committee or other agency to supervise the supply of vacant pulpits and the service of unemployed ministers. The number of members, the officers, and their duties, shall be determined by the Assembly. The powers of the agency shall be as follows: To conduct correspondence with Synods and Presbyteries and their Committees concerning unemployed ministers and vacant congregations; to seek to adjust, in coöperation with Synodical and Presbyterial Committees, the requirements of vacancy and supply by methods adequate to given conditions in any Synod or Presbytery; to furnish information to church Sessions and ministers; to suggest to the General Assembly plans for administration, and to make an annual report to the Assembly." (*Minutes*, 1912, p. 129.)

The Assembly of 1912 took the following action:

1. The General Assembly hereby appoints, under the provisions of Constitutional Rule No. 4, a Permanent Committee, consisting of six ministers and six ruling elders, to be divided into three classes, each composed of two ministers and two ruling elders. One of these classes shall be elected annually, and the full term of service shall be three years; provided, however, that at the first election, one class shall be elected for one year, a second class for two years, and a third class for three years, and thereafter each following Assembly shall elect two ministers and two elders to fill the vacancies made by those whose terms of office then expire.

2. Nominations for membership in this Committee for the present year shall be made by the Committee on Bills and Overtures, and after the present year shall be referred to the Standing Committee of the General Assembly on Christian Life and Work. No more than three members shall be from any one Synod.

3. The officers of the Permanent Committee shall be a Chairman, a Corresponding Secretary, a Treasurer, and such others as may be necessary, and shall be elected annually. The Corresponding Secretary shall be chosen outside the membership of the Committee, and shall be the only salaried officer. His appointment must have the confirmation of the Executive Commission.

4. The powers and duties of the Permanent Committee, as stated in Constitutional Rule No. 4, are as follows. [See above.]

5. The office of the Permanent Committee shall be located at Chicago, Ill.

6. The duties of the Corresponding Secretary shall be as follows: Under

the direction of the Permanent Committee, he shall act as a constant and helpful medium of communication with different parts of the Church, through the respective Presbyterial and Synodical Committees on Vacancy and Supply. He shall stimulate to organized and concerted action, so that at the earliest moment the plan in its essential features, though with varying detail, may be in operation in every Presbytery. His business shall be wholly to give information, to be a depository and distributor of facts, both as to unemployed ministers and vacant churches, to whom both ministers and churches may apply, and by whom they may be put at once into correspondence with Presbyterial or Synodical Committees, or with other parties or bodies interested.

7. The Permanent Committee shall have power to make such rules and regulations as may be necessary for the transaction of its business, and shall report the same to the General Assembly.

8. The expenses of organizing the work of the Permanent Committee shall be met by the General Assembly, and shall not exceed $1,000. The expenses of management by the Permanent Committee, when the work has been organized, shall be determined by the Executive Commission, both as to the amount and as to the method of securing moneys.

9. Each Presbytery, it is recommended, should appoint a Committee, under the provisions of the Form of Government, Chapter XXI, Sections 2, 3 and 4, to have supervision of all vacant churches within its bounds, except as such supervision may be arranged for otherwise by the Presbytery in special cases. The term of service of this Committee should be not less than three years.

10. It shall be the duty of the Committee of Presbytery to prepare and keep a list of the vacant churches within its bounds, and of such of its unemployed ministers as are competent for service and are not relieved, by Presbyterial action from the regular work of the ministry; and also to arrange for the supply of the vacant churches from its list of available ministers, and from such other sources as may be suggested by correspondence with the General Assembly's Permanent Committee on Vacancy and Supply. All details of adjustment shall be left to each Presbytery, to be determined by its own conditions and needs.

The following were elected by the Assembly as the members of the Assembly's Permanent Committee on Vacancy and Supply:

For the term of three years: *Ministers*—George N. Luccock, D.D., John E. Bushnell, D.D.; *Ruling Elders*—Henry P. Crowell, E. A. K. Hackett.

For the term of two years: *Ministers*—John Timothy Stone, D.D., William L. McEwan, D.D.; *Ruling Elders*—Robert S. Sinclair, Benjamin F. Edwards.

For the term of one year: *Ministers*—S. S. Palmer, D.D., Paul B. Jenkins, D.D.; *Elders*—A. A. Loetscher, William R. Farrand.

The first meeting of the Committee was called for Winona Lake, Indiana, Friday, August 23, 1912, in conjunction with the meeting of the Assembly's Executive Commission at the same place and on the same date. The acts and conclusions of the Commission are given in its own Report.

COMMITTEE ON CHRISTIAN LIFE AND WORK.—The Committee on Christian Life and Work reported for several years on this subject, and the Tables on Ministerial Employment and Vacant Churches, prepared annually in the office of the Stated Clerk of the Assembly, are herewith included this year, by willing consent, in the Report of this Permanent Committee.

The situation as to ministers and churches, as shown by the tables,* did not change materially for the better during the ecclesiastical year 1912, as compared with the year 1911. For instance, the number of pastors in 1911 was 4,063, and in 1912, 4,138; the stated supplies in 1911 were 1,582, and in 1912, 1,562; and the ministers without charge in 1911 were 1,522, and in 1912, 1,507. The vacant churches in 1911 were 2,052, and in 1912, 2,017.

Attention is again drawn to the table showing the size of the congregations, 4,086, out of 9,940, having each 50 members or less. Further, 5,641 congregations, out of 9,940, contribute towards congregational expenses $900 per annum or less. The great majority of these small churches, is the response made by faithful Christians to the religious needs of village or rural committees. They need the spiritual care of pastors and the financial support of the Church at large. The Board of Home Missions should be enabled to put hundreds of new men in the field, and should have double the resources it now possesses. Synodical and Presbyterial Home Missions should also be more generously supported.

The first task given the Committee by the Assembly's Plan was, to conduct correspondence with Synods and Presbyteries. The result of a very extensive and systematic correspondence, together with other office matters, is submitted in the following report by the Secretary, concluding with some definite opinions in which he voices not merely his own, but likewise the convictions of the entire Committee.

Secretary Houston's Report.

The definite organization of the work of the Committee was undertaken December 1, by the new Secretary, and has been strenuously carried on from his office, located in Columbus, Ohio.

As fundamental to future efficiency, it was determined at the very beginning to make a careful survey of the entire Church in order to ascertain exact conditions. Communications were therefore directed to the Stated Clerks of the various Presbyteries, in the effort to secure detailed information in regard to the work in each Presbytery. It is gratifying to note the prompt response received from a large majority of the Stated Clerks, and as a result of this generous coöperation the Committee was at once put in possession of a vast fund of information covering general conditions as they exist throughout the entire Church.

From each Presbytery was secured a list of the various Presbyterial officers and committeemen who are in any way related to the problem of Vacancy and Supply, together with an outline of such plan as the Presbytery might have for dealing with the vacancy problem. The reports received indicate that a very small percentage of the Presbyteries have any definite plan for effectively handling the problem of the vacant church, and this the Committee regards as a most serious defect in Presbyterial administration, and one that should be speedily remedied. It is the purpose of the Committee, at an early date, to submit to the various Presbyteries some carefully prepared suggestions, in the hope that these may materially aid the Presbytery in putting into practical operation the provisions of the Form of Government relating to the care of vacant churches.

We furthermore secured from each Presbytery a list of the vacant fields, the length of the vacancy, the amount of pastoral support furnished, as well as other items of information related thereto. A careful study of these reports revealed the fact that the vacancy problem is not confined to any particular section of the country, but in general the situation is about uniform throughout the Church. More than 90 per cent. of the Presbyteries reported vacant churches within their bounds. In summing up the conditions throughout the Church, it is clearly evident that, properly to care for the fields able to support men, the present average need is about three additional pastors to a Presbytery, or upward of 900 additional men for the entire Church. This does not take into account a very large number of small and somewhat scattered churches for which, at the present time, scant provision is made. It is conservative to state that if these could be grouped, so that in some measure at least each might be under the care of a pastor, we would require not less than 100 additional men. So that, were we as a Church to undertake properly to care for all of our fields, we would require about 1,000 pastors, in addition to those already serving in that capacity.

The question of an adequate ministry therefore compelled attention, and has been a subject of careful investigation. According to the reports of 1912, we have on the rolls of our Church a total of 9,153 ministers, but only about two-thirds of these are actually engaged in regular pastoral service. The 3,000 men not in pastorates include a considerable number who pursue educational work; all of those serving the Church in connection with her various Boards and agencies; those engaged in the general work of the Church in Synods and Presbyteries, as well as a distinguished body of men honorably retired, or who have passed the time when age or health no longer permit the pursuit of regular lines of ministerial service. The Committee in its survey has earnestly endeavored to discover the exact number of men who are actually available for regular service. The nature of the task prevents our giving exact figures at this time, but the analysis of reports has gone far enough to convince us that a very small percentage of the 3,000 men here referred to are actually available for regular pastoral service.

During the early stages of our work we have been greatly impressed by the interest manifested throughout the Church. If anyone doubts the widespread feeling that something of definite quality should be done to aid in remedying the present situation in our Church as regards Vacancy and Supply, he needs only to consider the volume of the incoming mail of the Secretary, starting from the very day he assumed the duties of the office. During these months he has received letters ranging in number from 500 to nearly 1,000 monthly, these relating to every phase of the vacancy subject and coming from every section of the country. On the average, more than fifty different ministers each month have made application to this Committee for information as to vacancies and needed assistance in changing fields. A few who on account of illness or for other cause had been temporarily out of work have desired to re-enter service, but the very large majority were men who for good and sufficient reasons felt a change of pastorate to be advisable. These represent every class of men throughout our Church, and they bear a forcible testimony to our lack of efficient methods for the transferring of ministers. It has been the deep regret of the Committee and of its Secretary that because of the stress of work fundamental in character, and yet which we have deemed absolutely necessary to any promise of future success, we have not been able always to give the careful attention and prompt response which many of these cases deserved. So far as possible, however, the men have been put in touch with Synodical and Presbyterial representatives where additional ministers were needed, and a considerable number were thus called to new fields of labor.

During this period we have found that vacant churches are equally desirous of securing reliable information as to available men. Communications have come to us from churches of nearly every description, located from New England to the Pacific coast. With all of these we have endeavored to coöperate as time would permit, and believe that much valuable service has been rendered many of these fields. Something as to the immensity of the task before us may be suggested by reference to a communication only recently received from a representative of the Synodical Home Mission organization in one of our older Synods, asking that we coöperate with them in the effort to secure seventy-nine additional pastors now required for Home Mission fields.

The proper dimensions of this Report will not permit a discussion of many other phases of our work, which would doubtless be equally interesting to the Church at large. These will be presented from time to time by articles furnished to our various Church papers.

In presenting this Report, the Committee desires to state that it is deeply impressed with the serious character as well as the appalling dimensions of the task committed to it by the General Assembly in carrying out the provisions of the Overture adopted by the Presbyteries. The situation confronting our Church is the same which, to a greater or less degree, is to-day confronting each of the non-Episcopal Churches. We have conferred with the representatives of most of the other branches of the Church, and find them all equally impressed by the growing condition as to vacancy, which they are forced to confront.

Is the Presbyterian Church equal to the task of finding some solution for this problem which is now almost universally admitted to be the most serious problem of administration confronting all of the non-Episcopal Churches? We have carefully studied the history of our Church covering a period of more than forty years, during which time many Committees appointed by the General Assembly carefully considered this question, but without practical results along the line desired. After these months of careful investigation the Committee is of the opinion that with proper coöperation on the part of the Presbyteries a plan can be worked out whereby the present distasteful elements can be eliminated from the situation, and the present appalling loss on account of long-extended vacancy reduced to the minimum.

To achieve such results will, however, require not only the coöperation of the Presbyteries and the intense efforts of the Committee, but an adequate period of time. If anyone expects that an effective solution for the vacancy problem is to be worked out by this Committee in a year or two, then that person is doomed to disappointment. In the candid judgment of the Committee, this is not possible. With the beginning already made, we believe that it is practicable gradually to formulate and extend a definite plan of operation into every Presbytery in the Church, so that eventually, through the office of this Committee as a centre, a definite system of coöperation shall be established, covering the entire Church. To this somewhat appalling task, the Committee, with the approval and support of the General Assembly, is willing to dedicate its best energies.

WALTER H. HOUSTON, *Corresponding Secretary.*

THE PHILADELPHIA TRUST COMPANY, *Treasurer.*

The Trustees of the General Assembly of the Presbyterian Church in the U. S. A., in accordance with the ninth section of its Charter, respectfully report to the General Assembly the state of the accounts of the Corporation for the year ending March 31, 1913.

These accounts are herewith presented and made part of this Report, and consist of the Treasurer's annual account of the principal and income, showing the receipts and disbursements of both funds and the balance of each on hand at the end of the fiscal year, together with the investment of the principal.

---

* Deceased.

These accounts are accompanied by the Reports of the Committees of the Board on Finance and on Accounts, with the usual certificate of these Committees as to the conditions of the finances and the investment of the Funds as shown by the account, and the audit of the Treasurer's account. The certificate of Vollum, Fernley, Vollum & Rorer, certified public accountants, as to the examination of the accounts, cash and securities of the Corporation is also appended.

The disposition of the income received upon the various trusts appears in the Treasurer's accounts.

During the year the Corporation has received four legacies, amounting to $6,447.75, which will be found itemized in the account of the receipts for the year in the principal account.

The Trustees are now administering the following trusts:

	Principal.
28 Scholarships	$46,575 83
4 Professorships	34,284 60
56 Miscellaneous Funds	1,009,566 59
Total	$1,090,427 02

These funds are invested as follows:

Ninety-eight separate loans on real estate, secured by first mortgage	$596,375 00
Two ground rents, principal at 6 per cent	1,716 67
Thirty-eight separate investments in securities	458,772 21
Real estate (devised to Trustees)	8,750 00
Real estate bought under foreclosure, carried on books at (original amount of loans $10,900)	9,033 71
Advances to secure bequests	700 58
Balance awaiting investment	15,078 85
	$1,090,427 02

The total income receipts, after deducting taxes, repairs and other expenses incidental to the real estate owned, were $49,848.46, equal to about 4.57 per cent. on the principal amount. The Trustees must necessarily restrict themselves to the highest class of investments.

Nearly the whole amount expended for repairs to real estate owned was upon property in Rockford, Ill., devised to the Trustees, and was necessary to place it in salable or rentable condition.

The entire expenses of administering the various trusts was $2,628.83. This includes the salaries of the Treasurer and Secretary, and the compensation of the Solicitor, and all other expenses of every kind.

In addition to acting as Treasurer, The Philadelphia Trust Company supplies to the Board, free of charge, a safe in its burglar-proof vaults for the safekeeping of the securities, and also storage facilities for the large number of title papers, insurance policies, etc., that accompany the mortgages, and also allowed us $837.25 interest on current balances in their hands.

The indemnity bond of the Treasurer for $25,000 has been renewed for another year.

Mr. Jacob Wilson, for many years the faithful Recording Secretary of the Board, was compelled to resign on account of ill health, and Mr. E. R. Sterrett has been elected to fill the vacancy.

Rev. M. J. Eckels, D.D., has tendered his resignation as a member of the Board. It will be necessary for the General Assembly to elect some one to fill the vacancy.

Respectfully submitted for the Corporation.

GEORGE STEVENSON, *President.*

Attest:

E. R. STERRETT, *Recording Secretary.*

THE PHILADELPHIA TRUST, SAFE DEPOSIT AND INSURANCE COMPANY,
Treasurer.

BY THOMAS S. GATES, *President.*

The undersigned, in accordance with the direction of the General Assembly of 1899, have caused the securities, bonds and mortgages, and other evidences of property belonging to the Trustees of the General Assembly of the Presbyterian Church in the United States of America, as set forth in the foregoing statement of the Treasurer, to be examined by Messrs. Vollum, Fernley, Vollum & Rorer, certified public accountants, whose certificate hereto annexed shows that the same are in proper order, and amounting at their cost value in the aggregate, at the close of the fiscal year, March 31, 1913, to one million, seventy-five thousand, three hundred and forty-eight and $\frac{17}{100}$ dollars, adding to which fifteeen thousand, seventy-eight and $\frac{85}{100}$ dollars, cash balance of principal for investment, makes total permanent fund on hand at close of fiscal year, as shown on books, one million, ninety thousand, four hundred and twenty-seven and $\frac{02}{100}$ dollars.

All the securities are deposited in the vaults of The Philadelphia Trust, Safe Deposit and Insurance Company, Philadelphia, and are all registered in the name of the corporation, with the exception of ten thousand (10,000) dollars Cincinnati, Indianapolis, St. Louis & Chicago Railway Company General 4's, and twenty thousand (20,000) dollars Chicago and Eastern Illinois Railroad Company General Consolidated and First Mortgage 5's, which are coupon bonds, with no provision for registration.

Part of the securities mentioned in said statement were specifically bequeathed to the Corporation.

The Committee further reports that all investments have been made and are maintained in carefully selected high-class securities strictly within the category and classes prescribed by Article IV of the By-Laws. All real estate securities are based upon values of the specific properties not exceeding an average of sixty per cent. thereof as ascertained by both official assessment and appraisement of competent experts, and all of highest class, and, while under the exceptional monetary and financial conditions just now existent the present market price of some of the securities other than mortgages may be somewhat less than their cost price, their real value is, in the judgment of the Committee, not diminished; the interest and income therefrom being regularly paid, and none are in default.

V. Miscellaneous.

I. THE MILEAGE AND CONTINGENT FUNDS.

SPECIAL attention is called to the *Mileage and Contingent System* adopted by the General Assembly of 1870, and amended by the General Assemblies of 1875, 1877, 1884 and 1896. As amended, it is as follows:

"The Committee to whom it was referred to consider and report a uniform system of Mileage, whereby full provision may be made for the traveling expenses of the Commissioners to our General Assemblies, and to meet the contingent expenses of each Assembly, respectfully report:

"It is affirmed, *Form of Government*, Chapter xxii, Section 3, that, 'in order, as far as possible, to procure a respectable and full delegation to all our judicatories, it is proper that the expenses of ministers and elders, in their attendance on these judicatories, be defrayed by the bodies which they respectively represent.'

"The principle is thus established, that provision should be made for the payment of the traveling expenses of Commissioners to the General Assembly. This provision should be made by the Presbyteries. As far as possible, the feebler Presbyteries should be aided in this matter by the stronger. It appears just and reasonable, and so has been found by experience, that the estimated contingent expenses of each Assembly, and the traveling expenses of the Commissioners in coming to and returning from the Assembly, should be fully met by the apportionment of the whole amount among the several Presbyteries, according to the number of their communicants respectively.

"It is therefore recommended—

"1. That the Standing Committee on Mileage, annually appointed, be instructed to present an estimate of the probable amount that will be needed by the next General Assembly, in order to meet their contingent expenses and the traveling expenses of their Commissioners, with a statement of the *per capita* rate, based on the number of communicants, that will be needed to secure the amount.

"2. That the Presbyteries, at their Stated Meeting next following the adjournment of the General Assembly, apportion the amount required of their churches as they deem best.

"3. That the churches be instructed to pay over their respective apportionments at the Stated Meeting of their Presbyteries next preceding the meeting of the General Assembly—the whole amount due from the Presbytery to be forwarded to the Assembly.*

"4. That, as early as the fourth day of the sessions of the Assembly, the apportionment of each Presbytery be paid in full, and a bill of the necessary traveling expenses of its Commissioners be presented to the Standing Committee on Mileage. N.B.—It is understood that Commissioners, both in coming to and returning from the Assembly, will avail themselves of any commutation of fares that may be offered in season; and that in other cases they are to take, when practicable, the most economical route; no allowance to be made for extra accommodations on the way. Also, that Commissioners asking compensation for sleeping car fare attach receipts to their claims for Mileage for all sleeping car fares. Also, that no one will charge for return expenses unless he intends to go back to his field of labor; and that no one on a business tour, or excursion of pleasure, will make a convenience of the meeting of the Assembly and expect payment of his traveling expenses from the Mileage Fund. Also, that Commissioners, as soon after their arrival as practicable, are to report themselves to the Committee of Arrangements, and have their respective places of abode assigned them.

---

* See also Sec. 8, p. 448^{29}.

"5. That the Mileage Committee, after appropriating from the whole sum an amount sufficient to meet the estimated contingent expenses of the Assembly, be instructed to audit these bills, and that the Stated Clerk pay them *pro rata* (if found in accordance with the preceding regulations), as far as the funds will permit.

"6. That, in order to avail themselves of the proceeds of this fund, the Presbyteries must contribute their full proportion to it according to the *per capita* rate.

"7. That every Minister, and every vacant church contributing to this fund, connected with the Presbyteries thus complying with the provisions of this plan, be entitled to a copy of the Annual Minutes of the General Assembly.

"8. That the Commissioners from Presbyteries in foreign lands receive their necessary traveling expenses, *pro rata*, from and to their place of residence in this country."

In accordance with this system, every Presbytery is requested to pay in full, next year, to the Stated Clerk of the General Assembly, a sum equal to *three cents* for Mileage, and *three cents* for Contingent Expenses, or in all *six cents* for every communicant under the care of their churches, as determined by their Statistical Report, herewith printed. This will entitle their Commissioners to a full share in the apportionments for necessary traveling expenses. It is expected that these expenses will be fully met, if the Presbyteries comply with the recommendations of the Assembly.

They are expected, also, to provide for an

ENTERTAINMENT FUND.

In addition to the Mileage Fund, the Assembly of 1877 made provision for a "Supplemental Contingent Expense Fund," to "be used for the purpose of meeting the expense of entertaining such Commissioners as are not otherwise provided for." Each Presbytery is requested to contribute to this fund a sum equal at least to *one and one-half cents* per church member, and to forward it, with the Mileage and Contingent Funds, to the Stated Clerk of the Assembly. It is to be disbursed by the Committee of Arrangements, whose bills for entertainment the Stated Clerk and the Treasurer are authorized to pay, subject to the provisions of the Plan of Financial Administration of the Assembly.

☞See, *Minutes* of 1913, p. 224.

II. THE ANNUAL MINUTES.

The *Minutes* for 1913 will be supplied at *One Dollar* per copy, carriage included. A copy will be sent, without charge, to the Stated Clerk of every Presbytery and of every Synod; also (in the case of every Presbytery which has paid its full apportionment to the Mileage and Contingent Funds of the Assembly) to every ordained Minister, and to the Session of each contributing *vacant* church, *whose address is known;* also to every ordained missionary of the foreign Presbyteries.

III. SYNODICAL REPORTS.

A *Statistical Report* is to be forwarded to the Assembly by the Stated Clerk of every Synod; in which are to be stated the number and names of the Presbyteries within their bounds; the changes which may have been made in the number or arrangement of their Presbyteries; the names of the Stated Clerks of the Presbyteries; the place and hour of the next annual meeting; and the names of the Moderator and Stated Clerk of the Synod. A blank will be sent to the Stated Clerk of every Synod, near the close of the calendar year, which should be filled up and forwarded, without delay, to the Stated Clerk of the Assembly.

IV. PRESBYTERIAL REPORTS.

It is required of every Presbytery to prepare and forward to the General Assembly:

1. A *Statistical Report*, according to the form exhibited on page 448^{33} of the present Appendix; a printed blank for which will be furnished in due season,

by order of the Assembly, to the Stated Clerk of every Presbytery. This Report should, if possible, embrace all the changes in the Presbytery previous to the first day of April.

2. A *Narrative of Christian Life and Work* within the bounds of the Presbytery, for the year ending March 31st. A blank for the Narrative was adopted by the General Assembly of 1906 (*Minutes*, p. 223), and a copy will be forwarded to every Stated Clerk. As the Narratives are not to be publicly read, less care may be given to their style, and more to the details of particulars, such as will aid the Standing Committee of the Assembly in preparing their Annual General Narrative of the State of Religion within the bounds of the Church. The blanks for the *Congregational* Narratives are also furnished by the Stated Clerk of the Assembly.

3. *A Tabulated Statement.* By order of the Assembly of 1880, a blank for a Tabulated Statement of facts will annually be forwarded to the Stated Clerk of each Presbytery, to be filled properly, and duly reported to the Assembly. This Tabulated Statement should be sent to the Stated Clerk of the Assembly, together with the Narrative, at least ten days before the meeting of that body.

A statement of the number of licensures, ordinations, installations, dissolutions of pastoral relations; organizations and dissolutions of churches; receptions and dismissions of Ministers and churches; together with the number of deaths of Ministers since the last Annual Report, are to be inserted in the proper places in the Tabulated Statement.

V. STATED CLERKS OF PRESBYTERIES.

In preparing the Statistical Report, let the following RULES be strictly observed:*

(1) Fill up the *Statistical Report Blank* in every detail. (See above, §1.)

(2) Record Ministers in the order of their MINISTERIAL AGE, *not alphabetically*, with their CHRISTIAN names in full, without abbreviations, or duplications, and put their P. O. address on the same line, in the adjoining column.

(3) Report as *in transitu* the name of each "dismissed" Minister. Do not strike his name from your Roll until you have been officially informed of his reception by another Presbytery.

(4) ☞ Place the name of every Church and Mission Chapel opposite the name of its Pastor, or Stated Supply; never opposite the name of any other Minister. If the Church is Vacant, place it at the foot of the roll and give its P.O. address. If the Church uses in worship a language other than English, indicate the fact by words, such as German, Welsh, Spanish, Indian, Bohemian, etc. ☜

(5) Place after the name of every Minister an abbreviation, denoting his occupation: *e.g.*, P., for a Pastor; P.E., for a Pastor Elect; P.Em., for a Pastor Emeritus; C.P., for a Colleague Pastor; A.P., for an Associate Pastor; Univ. P., for a University Pastor; S.S., for a Stated Supply; D.M., for a District Missionary; C.M., for a City Missionary; T.M., for a Tract Missionary; S.M., for a Synodical Missionary; S.S.M., for a Sabbath-school Missionary; P.M., for a Presbyterial Missionary; P.Ev., for Pastor-Evangelist; F.M., for a Foreign Missionary; Pres., for the President of a College; Chan., for a Chancellor; Prof., for a Professor of a Theological Seminary or College; Prin., for the Principal of an Academy, etc.; Sec., for a Secretary or Stated Clerk; D.Sec., for a District Secretary of a Benevolent Institution; Agt., for an Agent of do.; Ch., for a Chaplain; Tea., for a Teacher; Ed., for an Editor; Ev., for an Evangelist; H.R., for a Minister honorably retired; Col., for a Colporteur; Com., for a Commissioner; Supt., for a Superintendent; Libr., for a Librarian; and for other Ministers without pastoral charges, no designation whatsoever.

(6) Place after the name of every Church the abbreviation P., for one that has a Pastor; P.E., for one that has a Pastor-Elect; S.S., for one that has a Stated Supply; V., for one that is vacant, and also add "m" for each church with a manse.†

☞(7) If a Church fail to report, let the "whole number" of communicants be given as reported to the Synod, or to the last Assembly, with an asterisk (*) in the column of communicants, denoting the fact.

* The Reports of the Presbyteries in last year's *Minutes* show the established form, which should be carefully followed in every particular.

† See p. 41.

(8) *Additions.*—In the additions to church membership, distinguish between those by Examination, those by Certificate, and those by Restoration. The column headed "Restored" is to include all those who have been reinstated, whether from the Suspended Roll, or by action of Session in restoration after full judicial process.

(9) *Losses.*—In the losses, distinguish between those dismissed, those placed upon the Suspended Roll, and those deceased. The column headed "Dismissed, etc.," is to include the members dismissed to other churches, also those erased from the roll under Sections 49 and 53, Book of Discipline, and also those excommunicated. The column headed "Suspended Roll" is to include the number of non-resident members whose cases were acted upon during the year by the Session under Sections 50 and 51, Book of Discipline; also those suspended after full judicial process.

(10) *Baptisms.*—In the baptisms, distinguish between the persons baptized upon confession and those baptized as infants.

(11) *Balancing of Returns.*—Compare your report of communicants with that of the previous year and adjust the return so that it will balance. For example: Total members previous year, 205. Additions, "Examination" 22, "Certificate" 16, "Restored" 5, total 43. Losses, "Dismissed," etc., 12, "Suspended Roll" 18, "Deceased" 6, total 36. Gain, 7. Net total this year, 212.

(12) *Sabbath-school Membership.*—To include officers, teachers and scholars in all Sabbath-schools connected with the congregation, not including the "Cradle Roll" nor the "Home Department." [*Note.*—A separate statement of the details of Sabbath-school work is to be made, on its special blank, for the use of the Board of Publication and Sabbath School Work.]

Funds.—The columns for the Funds Contributed are to be filled as follows:

1. *Home Missions.*—To include all moneys paid to the Board, all moneys paid for Presbyterial and Synodical Home Missions and Church Extension, also all moneys paid to any general Home Mission object; including contributions of societies, value of boxes, etc.

2. *Foreign Missions.*—To include all moneys paid for the spread of the Gospel in foreign fields, whether given to the Board or other agencies; including contributions of societies, etc., and gifts to institutions connected with the Board.

3. *Education.*—To include all moneys paid for the education of candidates for the ministry, whether to the Board or other agencies, and also gifts to Theological Seminaries.

4. *Sabbath-school Work.*—To include all moneys paid to the Board of Publication and Sabbath-school Work for its missionary operations, and to other Sabbath-school organizations. The contributions for the support of the Home Sabbath-school are to be placed in the column headed "Congregational."

5. *Church Erection.*—To include all moneys paid for church erection outside of the congregation, whether through the Board or otherwise.

6. *Relief and Sustentation.*—To include all moneys paid in behalf of disabled ministers and missionaries, and in aid of their families, whether to the combined Boards of Relief and Sustentation or otherwise; including contributions of societies, etc.

7. *Freedmen.*—To include all moneys paid for the evangelization and education of Freedmen, whether through the Board or otherwise; including contributions of societies, etc., and gifts to institutions connected with the Board.

8. *Colleges.*—To include all moneys paid to Colleges, Academies and Schools, whether to the Board or otherwise. Contributions to the institutions connected with Foreign Missions and Freedmen are to be placed under those heads.

9. *Temperance.*—To include all moneys given to the Board of Temperance or to other Temperance agencies.

10. *General Assembly, etc.*—To include all moneys given for ecclesiastical expenses, whether for Presbytery, Synod or General Assembly. Give both dollars and cents in this column.

11. *Congregational.*—To include all moneys collected in or by the congregation for local church purposes—the salary of the minister, the support of the church Sabbath-schools, the relief of the poor, building and repairing edifices, the liquidation of debts, church endowments and other objects. Moneys received from any other church or Board for the salary of the minister or other expenses should not be included.

12. *Miscellaneous.*—To include all moneys paid to the Assembly's Evangelistic Committee and other evangelistic agencies, also to Tract Societies, Christian Endeavor, Young Men's Christian Associations, Hospitals, and general benevolence.

Bible Society.—To include all moneys paid to the American Bible Society, or to other Bible agencies. A blank is sent for these contributions, which are reported separately (see p. 442), in addition to being included in the "*Miscellaneous*" column.

Individual Gifts.—If the donors do not object, the direct gifts of individuals to any of the Boards, or to the causes they represent, should be reported with other gifts under the proper head. Individual gifts for religious and charitable causes not included in the regular schedule should be placed under the head "Miscellaneous."

Be sure to omit the fractions of the dollar, except in the General Assembly column.

(13) The *Names* of the Licentiates are to be recorded immediately after the list of Ministers, in the same column, with their *Addresses* in the next column; next give the *Names* and *Addresses* of the Local Evangelists; these are *not* ordained ministers. Of the Candidates—including all who are studying for the ministry under the care of the churches of the Presbytery—the *Number* only is to be given.

(14) ☞**ADD UP**☜ and **verify** every column of figures, and *Authenticate* the Report with your signature, together with the date.

(15) Avoid erasures and interlineations, **make names and numbers distinctly legible,** and punctuate properly.

(16) Affix no extraneous matter, such as memoranda, explanations, or orders for the delivery of the printed *Minutes* of the Assembly; let these be given on a separate sheet; also, every Overture to the Assembly.

Revise your Report, and find out its defects. Put in the commas and periods that are wanting; fill out the abbreviations; supply the *Christian* names of every Minister (an *initial* letter is not a name), and see that every name and figure is perfectly legible and arranged in strict accordance with the established form.

☞Forward the Statistical Report by April 25, or if this cannot be done, let it be sent at the earliest date possible to the office of the Rev. W. H. Roberts, D.D., the STATED CLERK OF THE GENERAL ASSEMBLY.

IX. STANDING ORDERS AND RULES.

1. The General Assembly shall meet annually, on the third Thursday of May beginning at 10.30 A.M.; the afternoon session shall be held at 2.30 P.M.

2. The credentials of Commissioners and Delegates are to be presented at a previous hour of the same day, or of the preceding day, according to public notice, to the Stated and Permanent Clerks, acting as a Permanent Committee on Commissions.

3. The Lord's Supper is to be celebrated by the Assembly on the evening of Thursday, the first day of its sessions.

4. The dates assigned to popular meetings are as follows:

The evening of Friday, the second day, to the Board of Publication and Sabbath School Work and the Sabbath-school interests of the Church.

The evening of Saturday, the third day, to the Presbyterian Brotherhood and to the Board of Education.

The afternoon of the first Sunday, to the Woman's Executive Committee of Home Missions; the evening to the College Board.

The evening of Monday, the fourth day, to Missions among the Freedmen.

The evening of Tuesday, the fifth day, to the Home Mission Work.

The evening of Wednesday, the sixth day, to the Foreign Mission Work.

The evening of Thursday, the seventh day, to the cause of Temperance.

5. The whole territory of the Church shall be divided into twenty-two Electing Districts, composed of Presbyteries, so arranged, by combining the smaller Synods, and dividing the larger by Presbyteries, as to make nearly equal delegations, as follows, *e.g.:*

6. (*a*) The General Assembly shall be divided into twenty-two Electing Sections, composed of Commissioners, so arranged as to make the Sections of nearly equal delegations. The Electing Sections shall be numbered the same as the Electing Districts.

(*b*) The members of each Electing Section shall be seated together in a compact body. Accordingly, each Commissioner shall be assigned to his seat in advance of the meeting of the Assembly, by the Committee of Arrangements, under the supervision and direction of the Stated Clerk, and shall occupy such pew or seat from the beginning of the first session until the end of the second day.

(*c*) The organization of the Electing Sections shall be effected in the following manner, to wit:

Immediately after the roll call, and before the nominating and seconding speeches for Moderator shall be made, the Stated Clerk shall announce one Commissioner in each Electing Section as the Convener thereof, and the receiver of any necessary papers for the Section. Under the supervision of such Convener, each Electing Section shall then elect a Chairman and a Secretary. The quorum of an Electing Section shall be a majority of its members.

7. (*a*) The roll shall be called immediately after the opening prayer at the afternoon session of the first day, in the following manner, unless there be a motion to the contrary, to wit: only the names of absentees as they appear on the roll of the Permanent Committee on Commissions shall be called, at which time any needed corrections may be made.

(*b*) After the election of the Moderator, the Permanent Clerk shall report absentees from the first roll-call. Vacancies in the Electing Sections may then be filled by the Assembly. Whenever additional members take their seats, the Permanent Clerk shall add their names to the roll.

(*c*) No Commissioner failing to enroll shall be allowed to vote in his Electing Section.

8. The election of the Moderator shall be effected immediately after the roll-call and the organization of the Electing Sections, in the following manner, to wit:

(*a*) Only one speech nominating a candidate for Moderator shall be made, limited to ten minutes; and only one speech, and that not to exceed five minutes, shall be made in seconding the nomination of a candidate.

(*b*) Where there is only one nominee for Moderator, the election may be made by acclamation. Where there are more than one, the election may be made by ballot, in the following manner, to wit:

After the nominations are made (the organization of the Electing Sections having been effected (see Rule 6, (*c*)), the Chairman of each Electing Section shall appoint two tellers. Each Commissioner shall write the name of his choice on a blank, to be provided in advance by the Stated Clerk. The tellers shall collect the ballots and count them, under the supervision of the Chairman. The result shall be recorded by the Secretary on blanks in duplicate, one of which shall be handed to the Stated Clerk, with the number of the Section written thereupon. The other shall be retained by the Secretary.

(*c*) When the reports of the ballots have been handed in from all the Sections, the Stated Clerk shall read each aloud, giving the number of the Section and the vote cast. Tellers appointed by the Stated Clerk shall take and tabulate the votes as read. The Moderator shall then announce the vote as tabulated. If no one has received a majority of the whole vote, another vote shall be taken in the same manner. When one shall have received a majority, the Moderator shall announce the result, and declare him to be elected.

9. The election of the Standing Committees, by the Electing Sections, shall be effected immediately after the election of the Moderator, in the following manner, to wit:

(*a*) The Electing Sections shall meet, at the places assigned them, for the purpose of electing the Standing Committees, toward the close of the second session of the first day; but if not at that time, then at 9.30 A.M. of the second day.

(*b*) The Standing Committees shall be numbered consecutively, and shall each consist of twenty-three members, including the Chairman and eleven ministers and eleven elders. The Committees shall be chosen from the Electing Sections as herein provided. The quorum shall be a majority of the members. Each Presbytery shall be represented on some Standing Committee.

(*c*) On odd-numbered years, each odd-numbered Section shall elect one minister for each odd-numbered Committee, and one elder for each even-numbered Committee.

On the same year, each even-numbered Section shall elect one minister for each even-numbered Committee, and one elder for each odd-numbered Committee.

On the even-numbered years this order shall be reversed.

(*d*) The Stated Clerk shall furnish to each Electing Section properly printed Election Return Blanks, for the election of the Standing Committees, which shall be filled in by the Secretary of the Electing Section, and returned forthwith to the Stated Clerk, and the Stated Clerk shall, if possible, furnish to each Chairman, before the close of the first day, a list of the members of his Committee, and shall also announce, at the close of the evening session, the names of the Committees on Bills and Overtures and on Judicial Business.

(*e*) As soon as possible after his election, the Moderator shall appoint an additional member of each Standing Committee, who shall be the Chairman thereof, provided that he shall not appoint more than one member, as Chairman, from the same Electing Section, except in the case of the Committees on Mileage and on Finance, and the Chairmen of these two Committees shall be Ruling Elders.

If the Moderator shall appoint, as a member and Chairman of any Standing Committee, any one chosen by any Electing Section, as a member of that or any other Standing Committee, the appointment of the Moderator shall take precedence, and the Electing Section shall choose another member to fill the vacancy on the Committee, caused by the Moderator's appointment.

10. The Stated Clerk shall give notices to the Commissioners as to their places in the Electing Sections and as to the Committeemen to be chosen. He shall also assign their places, in the Electing Districts, to new Presbyteries that may be erected during the intervals of the meetings of the Assembly, and he shall attend to other details connected with the operation of the Plan.

11. The Reports of the Committees shall be considered at the times herein designated, viz.:

Christian Life and Work, first Friday, 2.30 P.M.
Sabbath Observance, first Saturday, 11 A.M.
Ministerial Relief, first Monday, 10 A.M.
Education, first Monday, 3 P.M.

Freedmen, Tuesday, 10 A.M.
Colleges, Tuesday, 2.30 P.M.
Temperance, Tuesday, 4 P.M.

Publication and S. S. Work, Wednesday, 2.30 P.M.
Foreign Missions, Thursday, 10 A.M.
Church Erection, Thursday, 2.30 P.M.
Correspondence, Thursday, 4 P.M.

12. That the Standing Committees on Home and Foreign Missions have each two hours; and those on Education, Publication, Church Erection, Ministerial Relief, Freedmen, Temperance and Colleges have each one and a half hours; that the Chairmen of the Standing Committees be allowed two-thirds of the time allotted to their Committees, which may be divided as the several Committees may elect; the remaining one-third of the time shall be given to the Commissioners, no Commissioner being allowed to speak more than five minutes, until all other Commissioners have been heard who desire to speak on the pending question. Only one formal address in explanation of a Report shall be made. It shall be the duty of the Stated Clerk to communicate these Rules to the Chairmen of the Standing Committees, upon their appointment.

13. The Stated Clerk shall receive all Memorials, Overtures and other miscellaneous papers addressed to the General Assembly, shall make record of the same, and then deliver them, for distribution or reference, to the Committee on Bills and Overtures. All complaints and appeals, however, shall be transmitted by the Stated Clerk directly to the Judicial Committee.

14. All Special Committees appointed by one General Assembly to report to the next Assembly shall be ready to present their Reports on the second day of the session. Only one formal address in explanation of a Report shall be made. (See Rule 27.)

15. The Stated Clerk shall have printed and ready for distribution, so far as practicable, on the morning of the day fixed for their consideration, the resolutions appended to the Reports of Standing Committees.

16. The Stated Clerk and Permanent Clerk shall be a Committee to revise the phraseology of all papers sent down to the Presbyteries to be voted upon, provided that in no case shall this Committee so change the phraseology as to alter the meaning [1886, p. 113].

17. The Stated and Permanent Clerks shall be a Committee to supervise the publication of any and all editions of the Constitution hereafter issued by the Board of Publication, and also of the Rules for Judicatories [1886, p. 113].

18. Each Board and Permanent Committee is instructed to send up its minutes with its Report, that these minutes may be reviewed by the Assembly, on the Report of the appropriate Standing Committee [1885, p. 690].

19. A sufficient number of the Reports of the Boards and Committees shall be forwarded by them to the place of meeting of each Assembly, prior to the day of meeting; and a complete file of the same, stitched together, shall be delivered to each Commissioner [1886, p. 77].

20. In all regions, where through the organization of Union Presbyteries or the existence of Missions without Presbyterial organization, there are no Presbyteries in connection with this Assembly, each Mission organized, as such, under our Board of Foreign Missions, may send to the General Assembly an ordained missionary, or ruling elder, as a delegate; and the Standing Rules of the Assembly are hereby so amended that such delegate is entitled to sit as an advisory member in the Assembly, and to speak, under the rules, on all questions, and that his expenses from his domicile, in this country, to and during the Assembly, and return, shall be met as those of Commissioners, out of the funds of the Assembly [1887, p. 247]. This rule shall also apply to Home Mission Presbyteries whose members are so located as to prevent regular meetings, and in the discretion of the Assembly. The names of the Advisory members shall be called at the first Roll-Call, and seats shall be assigned them by the Stated Clerk. [1907, p. 88; 1908, p. 130.]

21. No person shall serve as a member of a Board who is a salaried executive officer or employé of said Board, or a member of any other benevolent Board of the Church; and no more than one ruling elder from the same congregation shall serve on a Board at the same time [1887, pp. 51, 108; 1898, p. 132].

22. Any vacancy occurring in the membership of any of the Boards of the Church, during the interval between Assemblies, may be filled, until the next succeeding meeting of the Assembly, by the Board in which such vacancy may occur [1887, p. 128].

23. The Moderator is authorized to fill by appointment any vacancies which may occur, by resignation or otherwise, in any of the Special Committees [1892, p. 209].

24. All resolutions for the appropriation of money, outside the Boards, should be brought before the Finance Committee, before action by the Assembly [1892, p. 199].

25. The recommendation of any particular congregation to the benevolence of the denomination, by the General Assembly, is not to be understood as creating either a legal or a moral obligation upon the Assembly for the payment of the amount recommended to be contributed by the churches [1892, p. 36; 1893, p. 41].

26. The Stated and Permanent Clerks shall be a Committee to have the oversight of arrangements for the entertainment of the General Assembly [1896, p. 130].

27. All reports of Special Committees shall be delivered to the Stated Clerk forty days prior to the meeting of the General Assembly, shall be printed by him, and copies shall be sent, in bound form, to Commissioners, so far as practicable, immediately upon notification of their election; and copies shall also be delivered to the Assembly on the second day of the sessions.

28. Upon the original appointment of any salaried executive officer of any of the Benevolent and Missionary Boards of the Church, such appointment shall be subject to the approval of the General Assembly [1898, p. 132].

29. The Moderator, with the Stated and Permanent Clerks, should an emergency requiring action at any time arise, are authorized to provide a new place of meeting for the General Assembly.

30. Hereafter, all Overtures from Presbyteries and Synods, which are to come before the General Assembly, shall be, so far as practicable, in the hands of the Stated Clerk at least two weeks before the meeting of the Assembly, and by him shall be printed in convenient form for distribution on the floor of the Assembly, such distribution to be made not later than the second day of the Assembly.

31. All Overtures, memorials and miscellaneous papers, connected with the business of the Assembly, must be presented to the Assembly not later than the close of the second day of its session.

32. The election of members of Judicial Commissions of the General Assembly shall take place on the morning of Tuesday, the fifth day, as the first Order of the Day, in the following manner:

It shall be the duty of the Judicial Committee of the General Assembly to report to the Assembly, on Tuesday, the fifth day, suitable nominations to fill the vacancies on the Permanent Judicial Commission of the General Assembly, from which nominations, together with any others regularly made by the Commissioners at the same time as those made by the Judicial Committee, the necessary number of persons shall be elected, on Thursday, the seventh day, as the first Order of the Day.

33. The Permanent Judicial Commission of the General Assembly shall have authority to adopt rules pertaining to its own method of procedure, and shall report the same to the General Assembly; *provided*, that such rules shall not be inconsistent with the Constitution of the Church or the rules adopted by the General Assembly.*

34. The Standing Orders and Rules may be suspended by a two-thirds vote of the Assembly, upon motion duly made.

GENERAL RULES FOR JUDICATORIES.

[The following "General Rules for Judicatories," not having been submitted to the Presbyteries, make no part of the Constitution of the Presbyterian Church. Yet the General Assembly of 1871, considering uniformity in proceedings in all the subordinate judicatories as greatly conducive to order and despatch in business, having revised and approved these rules, recommended them to all the lower judicatories of the Church for adoption. Subsequent Assemblies have modified them from time to time.]

I. The Moderator shall take the chair precisely at the hour to which the judicatory stands adjourned; and shall immediately call the members to order; and, on the appearance of a quorum, shall open the session with prayer.

---

* See Rules for Judicatories, No. XLIV. See also p. 448^{46}

II. If a quorum be assembled at the time appointed, and the Moderator be absent, the last Moderator present *being a Commissioner*, or, if there be none, the senior member present, shall be requested to take his place without delay, until a new election.

III. If a quorum be not assembled at the hour appointed, any two members shall be competent to adjourn from time to time, that an opportunity may be given for a quorum to assemble.

IV. It shall be the duty of the Moderator, at all times, to preserve order, and to endeavor to conduct all business before the judicatory to a speedy and proper result.

V. It shall be the duty of the Moderator, carefully to keep notes of the several articles of business which may be assigned for particular days, and to call them up at the time appointed.

VI. The Moderator may speak to points of order, in preference to other members, rising from his seat for that purpose; and shall decide questions of order, subject to an appeal to the judicatory by any two members.

VII. The Moderator shall appoint all committees, except in those cases in which the judicatory shall decide otherwise. In appointing the Standing Committees, the Moderator may appoint a Vice-Moderator, who may occupy the chair at his request, and otherwise assist him in the discharge of his duties.

VIII. When a vote is taken by ballot in any judicatory, the Moderator shall vote with the other members: but he shall not vote in any other case, unless the judicatory be equally divided; when, if he do not choose to vote, the question shall be lost.

IX. The person first named on any committee shall be considered as the chairman thereof, whose duty it shall be to convene the committee; and, in case of his absence or inability to act, the second named member shall take his place and perform his duties.

X. It shall be the duty of the Clerk, as soon as possible after the commencement of the sessions of every judicatory, to form a complete roll of the members present, and put the same into the hands of the Moderator. And it shall also be the duty of the Clerk, whenever any additional members take their seats, to add their names, in their proper places, to the said roll.

XI. It shall be the duty of the Clerk immediately to file all papers, in the order in which they have been read, with proper endorsements, and to keep them in perfect order. The Stated Clerk shall receive all overtures, memorials and miscellaneous papers addressed to the judicatory; shall make record of the same and deliver them to the Committee on Bills and Overtures for appropriate disposition or reference. This committee shall have the floor on the reassembling of the judicatory after each adjournment, to report its recommendations as to orders of business or reference of papers, and this right of the committee shall take precedence of the Orders of the Day. This committee shall report the papers retained by it, as well as those recommended for reference to other committees, and no committee shall report on matters which have not been referred to it by the judicatory.

XII. The minutes of the last meeting of the judicatory shall be presented at the commencement of its sessions, and, if requisite, read and corrected.

XIII. Business left unfinished at the last sitting is ordinarily to be taken up first.

XIV. A motion made must be seconded, and afterwards repeated by the Moderator, or read aloud, before it is debated; and every motion shall be reduced to writing, if the Moderator or any member require it.

XV. Any member who shall have made a motion, shall have liberty to withdraw it, with the consent of his second, before any debate has taken place thereon; but not afterwards, without the leave of the judicatory.

XVI. If a motion under debate contain several parts, any two members may have it divided, and a question taken on each part.

XVII. When various motions are made with respect to the filling of blanks, with particular numbers or times, the question shall always be first taken on the highest number and the longest time.

XVIII. Motions to lay on the table, to take up business, to adjourn, and the call for the previous question, shall be put without debate but it shall not be in order for any one debating another motion to propose the motion to lay on the table or the previous question, at the close of his remarks, unless he shall obtain the floor again for that purpose. On questions of order, postponement, or commitment, no member shall speak more than once. On all other questions, each member may speak twice, but not oftener, without express leave of the judicatory.

XIX. When a question is under debate, no motion shall be received, unless to adjourn, to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit, or to amend; which several motions shall have precedence in the order in which they are herein arranged; and the motion for adjournment shall always be in order.

XX. An amendment, and also an amendment to an amendment, may be moved on any motion; but a motion to amend an amendment to an amendment, shall not be in order. Action on amendments shall precede action on the original motion. A substitute shall be treated as an amendment.

XXI. A distinction shall be observed between a motion to lay on the table *for the present*, and a motion to lay on the table *unconditionally*, viz.: A motion to lay on the table, *for the present*, shall be taken without debate; and, if carried in the affirmative, the effect shall be to place the subject on the docket, and it may be taken up and considered at any subsequent time. But a motion to lay on the table, *unconditionally*, shall be taken without debate; and, if carried in the affirmative, it shall not be in order to take up the subject during the same meeting of the judicatory, without a vote of reconsideration.

XXII. The previous question shall be put in this form, namely, Shall the main question be now put? It shall be admitted only when demanded by a majority of the members present; and the effect shall be to put an end to all debate and bring the body to a direct vote: First, on a motion to commit the subject under consideration (if such motion shall have been made); secondly, if the motion for commitment does not prevail, on pending amendments; and, lastly, on the main question.

XXIII. A question shall not be again called up or reconsidered at the same sessions of the judicatory at which it has been decided, unless by the consent of two-thirds of the members who were present at the decision; and unless the motion to reconsider be made and seconded by persons who voted with the majority.

XXIV. A subject which has been indefinitely postponed, either by the operation of the previous question, or by a motion for indefinite postponement, shall not be again called up during the same sessions of the judicatory, unless by the consent of three-fourths of the members who were present at the decision.

XXV. Members ought not, without weighty reasons, to decline voting, as this practice might leave the decision of very interesting questions to a small proportion of the judicatory. Silent members, unless excused from voting, must be considered as acquiescing with the majority.

XXVI. When the Moderator has commenced taking the vote, no further debate or remark shall be admitted, unless there has evidently been a mistake, in which case the mistake shall be rectified, and the Moderator shall recommence taking the vote. If the House shall pass the motion to "vote on a given subject at a time named," speeches shall thereafter be limited to ten minutes. Should the hour for adjournment or recess arrive during the voting, it shall be postponed to finish the vote, unless the majority shall vote to adjourn; in which case the voting shall, on the reassembling of the House, take precedence of all other business till it is finished. Under this rule, the "yeas and nays" shall not be called except on the final motion to adopt as a whole. This motion to fix a time for voting shall be put without debate.

XXVII. The yeas and nays on any question shall not be recorded, unless required by one-third of the members present. If division is called for on any vote, it shall be by a rising vote, without a count. If, on such a rising vote, the Moderator is unable to decide, or a quorum rise to second a call for "tellers," then the vote shall be taken by rising, and the count made by tellers, who shall pass through the aisles, and report to the Moderator the number voting on each side.

XXVIII. No member, in the course of debate, shall be allowed to indulge in personal reflections.

XXIX. If more than one member rise to speak at the same time, the member who is most distant from the Moderator's chair shall speak first. In the discussion of all matters where the sentiment of the House is divided, it is proper that the floor should be occupied alternately by those representing the different sides of the question.

XXX. When more than three members of the judicatory shall be standing at the same time, the Moderator shall require all to take their seats, the person only excepted who may be speaking.

XXXI. Every member, when speaking, shall address himself to the Moderator, and shall treat his fellow-members, and especially the Moderator, with decorum and respect.

XXXII. No speaker shall be interrupted, unless he be out of order, or for the purpose of correcting mistakes or misrepresentations.

XXXIII. Without express permission, no member of a judicatory, while business is going on, shall engage in private conversation; nor shall members address one another, nor any person present, but through the Moderator.

XXXIV. It is indispensable that members of ecclesiastical judicatories maintain great gravity and dignity while judicially convened; that they attend closely, in their speeches, to the subject under consideration, and avoid prolix and desultory harangues; and, when they deviate from the subject, it is the privilege of any member, and the duty of the Moderator, to call them to order.

XXXV. If any member act, in any respect, in a disorderly manner, it shall be the privilege of any member, and the duty of the Moderator, to call him to order.

XXXVI. If any member consider himself aggrieved by a decision of the Moderator, it shall be his privilege to appeal to the judicatory, and the question on the appeal shall be taken without debate.

XXXVII. No member shall retire from any judicatory without the leave of the Moderator, nor withdraw from it to return home without the consent of the judicatory.

XXXVIII. All judicatories have a right to sit in private. on business which, in their judgment, ought not to be matter of public speculation.

XXXIX. Besides the right to sit judicially in private, whenever they think proper to do so, all judicatories have a right to hold what are commonly called "interlocutory meetings," in which members may freely converse together, without the formalities which are usually necessary in judicial proceedings.

XL. Whenever a judicatory is about to sit in a judicial capacity, it shall be the duty of the Moderator solemnly to announce, from the chair, that the body is about to pass to the consideration of the business assigned for trial, and to enjoin on the members to recollect and regard their high character as judges of a court of Jesus Christ, and the solemn duty in which they are about to act.

XLI. It is expedient that Judicatories appoint a Standing Committee, to be known as the "Judicial Committee," to whom shall be referred all papers and questions of a judicial nature, and whose duty it shall be to recommend to the judicatory answers to judicial questions, and orders of procedure in all judicial cases.

In the General Assembly, the province of the Judicial Committee shall be to pass upon the question of the regularity of the papers and the record in all cases referred to it by the Assembly; to determine, upon the face of the papers, whether questions of doctrine or Constitution are raised, and if, *prima facie*, there is a case, to recommend the same to the Assembly for reference to Judicial Commissions. The members of the Judicial Committee are not debarred by their appointment from sitting and voting as members of the judicatory.

XLII. The permanent officers of a judicatory shall have the rights of corresponding members in matters touching their several offices.

XLIII. The Moderator of every judicatory above the Church Session, in finally closing its sessions, in addition to prayer, may cause to be sung an appropriate psalm or hymn, and shall pronounce the apostolical benediction.

XLIV. Whenever a case is to be taken from an inferior judicatory to the General Assembly, the Stated Clerk of such inferior judicatory shall, at least twenty days before the meeting of the General Assembly, send a notice concerning such case to the Stated Clerk of the Assembly, who shall forthwith notify the Chairman of the Permanent Judicial Commission, unless the General Assembly shall have ordered otherwise, that the services of the Commission will be needed at the approaching Assembly; but if no such notice shall be received by the Stated Clerk of the General Assembly, he shall forthwith notify the Chairman of the Permanent Judicial Commission that the services of the Commission will not be needed at the approaching Assembly.

XLV. These Rules may be suspended by a two-thirds vote of the judicatory, upon motion duly made.

7. The officers of this Commission shall be elected, annually, on Tuesday, the fifth day of the meeting of the General Assembly, at 3 o'clock P.M., and such officers shall assume the duties of their several offices upon the final adjournment of the General Assembly, serving in the interim between meetings of the General Assembly and until final adjournment of the next succeeding General Assembly.
